**TITLE:** Database Analyst 2  
**SALARY:** \$76,257.29 to \$108,579.62  
**LOCATION:** Division of Gaming Enforcement  
1300 Atlantic Avenue  
Atlantic City, NJ 08401

**NUMBER OF POSITIONS AVAILABLE:** One (1)

**DUTIES:** Under general supervision in the Technical Services Bureau, Division of Gaming Enforcement, will be responsible for the analysis, physical design, coding, testing, and implementation of database/data dictionaries, mainframe, mini, and LAN environments; coordinates efforts with systems and programming staff assigned to database/data dictionary application projects; does other related duties as required.

#### **REQUIREMENTS**

**EDUCATION:** Graduation from an accredited college or university with an Associate's degree in Computer Science.

**EXPERIENCE:** Three (3) years of systems analysis, applications programming, design, systems programming and/or database administration experience in the data processing field of which one (1) year shall have been in database design, analysis, and or implementation.

**NOTE:** A general Bachelor's degree can be substituted for one (1) year of experience in systems analysis, application programming, design, systems programming, and/or database administration.

**NOTE:** A specific Bachelor's degree in Computer Science can be substituted for two (2) years of experience in systems analysis, application programming, design, systems programming, and/or database administration.

**NOTE:** A Master's degree in Computer Science may be substituted for three (3) years of experience in systems analysis, application programming, design, systems programming, and/or database administration.

**SPECIAL NOTE SUBSTITUTING EXPERIENCE FOR EDUCATION:** Experience in the study of work methods and processes, the analysis of varied types of data, the design and preparation of systems and programs, the operation of multiprogramming computer systems and work in the data processing support areas of input/output control or reliability support may be substituted for the required education on a year-for-year basis with thirty (30) semester hour credits being equal to one (1) year of experience.

**NOTE:** Formal training in data processing received at an accredited institution may be submitted with your application. These training courses will be examined by the Department of Personnel to see how they compare, both in hours and content, to college courses for possible credit. In-house training courses will not be accepted and will not be evaluated.

**LICENSE:** Appointees will be required to possess a driver's license valid in New Jersey only if the operation of a vehicle, rather than employee mobility, is necessary to perform the essential duties of the position.

**PREFERENCE:** A Bachelor's degree in Computer Science or Computer Engineering; experience working in both Linux and Windows environments; experience with query optimization, ETL processing, data importing from various formats (CSV, PDF, XML, JSON), and working knowledge of ElasticSearch; and experience trouble shooting and designing secure databases or software is preferred.

Appointees will be required to be compliant with all Executive Orders (EO), mandates, policies, and directives related to Covid-19, including testing and vaccinations, and including but not limited to EO 252 (Murphy), EO 283 (Murphy) and/or EO 290 (Murphy).

All offers of employment are conditional subject to the applicant agreeing to and then passing a background check that may include fingerprinting.

**RESUME NOTE:** Eligibility determinations will be based upon proof of degree only. Applicants who possess foreign degrees (degrees earned outside of the U.S.) are required to provide an evaluation indicating the U.S. equivalency, with a course-by-course credit breakdown, prior to the closing date. Failure to do so will result in disqualification.
