An opportunity currently exists within the Department of Law and Public Safety, Division of State Police, for applicants who meet the requirements listed below:

TITLE: Radiological Service Representative
SALARY: \$51,322.62 – \$72,571.17
LOCATION: Division of State Police
Emergency Management Section
Emergency Response Bureau
Hazardous Materials Response Unit
Princeton Radiation Calibration Lab
Princeton, NJ 08540

NUMBER OF VACANCIES: One (1)

DUTIES: Under the supervision of the Supervisor of Radiological Maintenance, Department of Law and Public Safety, maintains, repairs and calibrates radiological equipment for the State of New Jersey and surrounding states; assists County Emergency Management Coordinators regarding radiological defense and response; exchanges radiological equipment as scheduled; does other related duties.

REQUIREMENTS

EDUCATION: Successful completion of an Associate's Degree that includes or is supplemented by eighteen (18) semester hour credits in electronics and/or radiation physics.

EXPERIENCE: Two (2) years of experience in work involving radiological testing, including the calibration, maintenance and repair of electronic test equipment, one year of which shall have included working on the implementation of radiological plans or programs in a radiological facility.

NOTE: Applicants who possess the required eighteen (18) semester hour credits in electronics and radiation physics, but who do not possess the Associate's degree may substitute additional experience for the remainder of the education on a year-for-year basis.

NOTE: A Bachelor's degree from an accredited college in Electrical Engineering, Electronics Manufacturing, Chemistry, Radiation Sciences or Physics which includes or is supplemented by twenty-two (22) semester hour credits in electronics and radiation physics may be substituted for the above education and experience requirements.

NOTE: Appointees will be required to learn to operate a forklift during the working test period.

LICENSE: Appointee will be required to possess a driver's license valid in New Jersey only if the operation of a vehicle, rather than employee mobility, is necessary to perform the essential duties of the position.

RESUME NOTE: Eligibility determinations will be based upon information presented in the resume only. Applicants who possess foreign degrees (degrees earned outside of the U.S.) are required to provide an evaluation indicating the U.S. equivalency prior to the closing date. Failure to do so will result in your ineligibility.

If interested, please send a cover letter indicating job vacancy number, copy of your transcript, which indicates the date your degree was conferred (required), and current resume before the closing date of April 28, 2021 to:
