**January 21, 2021**  
**NOTICE OF JOB VACANCY**  
**#I&IT 14-20P**

An opportunity currently exists within the Department of Law and Public Safety, Division of State Police, for applicants who meet the requirements listed below:

**TITLE:** Technical Support Specialist 2  
**SALARY:** \$57,210.09 - \$81,068.91  
**LOCATION:** Division of State Police  
Identification & Information Technology Section  
State Bureau of Identification Bureau  
Division Headquarters  
West Trenton, NJ 08628

**NUMBER OF VACANCIES:** One (1)

**DUTIES:** Under general supervision, in a mainframe environment, provides direct hands on support to a work shift of the Data Processing Operations unit in resolving production problems from verbal or written problem reports; consults with Technical Support Specialist 1, and/or network management and systems programming staff for problem diagnosis, assistance, and resolution; monitors and allocates space or direct access storage devices; uses productivity aids in implementing and maintaining software, applications, and systems libraries; OR, in a client/server environment, provides hardware/software support to end users; installs hardware and software on servers and/or workstations; does other related duties.

**REQUIREMENTS**

**EDUCATION:** Graduation from an accredited college or university with an Associate degree in Data Processing.

**EXPERIENCE:** Two (2) years of experience in one or more of the following: 1) data processing systems analysis and programming design; 2) the analysis of work methods and processes; 3) the operation of multi-program or client/server computer systems; 4) the support areas of computer scheduling, input/output control and magnetic data control in the data processing field or 5) Help Desk; one (1) year of which shall have been in the technical support area solving user problems in a help desk or related environment or using productivity aids and job control languages.

**NOTE:** A Bachelor's degree in any field may be substituted for the Associates degree in Data Processing.

**NOTE:** A Bachelor's or Master's degree in Data Processing may be substituted for one (1) year of experience.

**Special Note Regarding Substituting Experience for Education**

Experience in the study of work methods and processes, the analysis of varied types of data, the design and preparation of systems and programs, the operation of multi-programming or client/server computer systems and work in the data processing support areas of input/output control, scheduling, reliability or user support may be substituted for the required education on a year-for-year basis.

**NOTE:** Any formal data processing training by any organization may be submitted for consideration and evaluation as possibly being equated to a specific number of college credits. The Civil Service Commission will review the course content and all other factors involved, and make a determination.

**LICENSE:** Appointees will be required to possess a driver's license valid in New Jersey only if the operation of a vehicle, rather than employee mobility, is necessary to perform the essential duties of the position.

**RESUME NOTE:** Eligibility determinations will be based upon information presented in the resume only. Applicants who possess foreign degrees (degrees earned outside of the U.S.) are required to provide an evaluation indicating the U.S. equivalency prior to the closing date. Failure to do so will result in your ineligibility.

***If interested, please send a cover letter indicating job vacancy number, copy of your transcript, which indicates the date your degree was conferred (required), and a current resume before the closing date of February 3, 2021 to:***
