Purpose: This Affidavit/Certification is to more fully describe the facts of the alleged offense so that a judge or authorized judicial officer may determine probable cause.

1. Description of relevant facts and circumstances which support probable cause that (1) the offense(s) was committed and (2) the defendant is the one who committed it:

Between April 11-14, 2019, an individual later identified as Peter J. Tuchol, Jr. DOB 05/13/1990, engaged in online conversations with an undercover detective posing as a 15-year-old female child on social media / text messaging platforms. The contact began on the social media application Tinder when the profile name "P" contacted the undercover detective. The individual identified himself as a 28-year-old male from Waldwick. His Tinder profile also included a photograph of himself dressed in police uniform taken in the reflection of a mirror of a men's bathroom, which led to the positive identification of "P" as Peter Tuchol, Jr. The child indicated she was 15 years old, to which Tuchol replied, "I mean texting is fine." Despite being told that the purported child was only 15, Tuchol continued to communicate with the purported child and even suggested, "Or do u wanna hang out ? Since ur close." At one point, the communications between Tuchol and the purported child moved to standard text messages. During those text communications, Tuchol identified himself as a cop. On April 12, 2019, Tuchol texted to the purported child, "U wanna fuck obviously." Tuchol made repeated attempts to make a phone call to the purported child. After the purported child didn't answer the phone, Tuchol said "I know ur young. But can u be an adult please." On multiple occasions, the purported child told Tuchol, "Just forget it," "Bye," and "Stop texting me". Tuchol later texted to the purported child, "Dude we both wanna fuck. And you know that." Alongside the conversations via chat, on April 11 and April 12, 2019, several phone calls were made between Tuchol and the undercover officer posing as the purported child. During the conversations, Tuchol again told the purported child that Waldwick was not far from Saddle River. The purported child reminded Tuchol that she does not drive. Tuchol repeatedly offered to send an Uber to pickup the purported child and bring her to his house. When they discussed what might happen if she did so, Tuchol suggested they could "hang out", talk to get to know each other, or do something more physical.
