Attached hereto is a copy of the Notice of Charges wherein the Division of Alcoholic Beverage Control ("Division") has alleged that the holder of this license has committed the violations set forth therein and is seeking to suspend your license for 60 days. Upon receipt of this letter you must enter either a guilty, non-vult or not guilty plea to these charges within 30 days. Failure to enter a plea within the 30-day period shall be deemed to be a statement that you do not contest the charges, which are the subject of this matter. Consequently, if a plea is not entered within the 30-day period, a non-vult plea will be entered on your behalf unless the plea period has been extended by the Division. The Director upon certification from the Division may suspend or revoke your license without further opportunity for you to oppose the charges.

You are entitled to have an attorney advise you. However, consultation with an attorney will not toll or stop the time of the 30 days for you to enter your plea.

Please be advised if there is a determination of guilt to the charges, the Enforcement Bureau pursuant to N.J.S.A. 33:1-31 will seek a suspension and/or revocation of 60 days and will also seek the forfeiture and disposal of any cash, evidence, alcoholic beverages (or other prima facie contraband nature) seized in connection with these charges. If you enter a plea of guilty or non-vult (not contesting the charges) you have informed the Division that you do not dispute the charges in this matter and will accept the penalty as set forth. You do have the right to submit in writing mitigating circumstances and requesting the charges be reduced in penalty. In cases in which ABC seeks suspension, the Director may also consider reduction of the penalty by 20% in consideration of your guilty or non-vult plea. In cases in which ABC seeks revocation, the Director may accept a monetary offer and/or suspension in lieu of revocation.
