FINAL CONSENT JUDGMENT

Plaintiffs Gurbir S. Grewal, Attorney General of the State of New Jersey and Kaitlin M. Caruso, Acting Director of the Division of Consumer Affairs have filed a Complaint for a permanent injunction and other relief in this matter pursuant to the New Jersey Consumer Fraud Act, N.J.S.A. 56:8-1 to -226 ("CFA"), alleging that Defendant Boston Scientific Corporation ("BSC" or "Defendant") committed violations of the CFA. Plaintiffs, by their counsel, and Defendant, by its counsel, have agreed to the entry of this Final Consent Judgement

(“Judgment/Order”) by the Court without trial or adjudication of any issue of fact or law and without finding or admission of wrongdoing or liability of any kind.

IT IS HEREBY ORDERED THAT:

I. FINDINGS

1.1 This Court has jurisdiction over the subject matter of this lawsuit and over all Parties.

1.2 The terms of this Judgment/Order shall be governed by the laws of the State of New Jersey.

1.3 The State of New Jersey contends that entry of this Judgment/Order is in the public interest. The Judgment/Order reflects a negotiated agreement among the Parties.

1.4 BSC is willing to enter into this Judgment/Order regarding the Covered Conduct to resolve the Attorney General’s concerns under the State Consumer Protection Laws as to the matters addressed in this Judgment/Order and thereby avoid significant expense, inconvenience, and uncertainty.

1.5 The Parties have agreed to resolve the issues raised by the Covered Conduct by entering into this Judgment/Order.¹

1.6 BSC is entering into this Judgment/Order solely for the purpose of settlement, and nothing contained herein may be taken as or construed to be an admission or concession of any violation of law, rule, or regulation, or of any other matter of fact or law, or of any liability or wrongdoing, all of which BSC expressly denies. BSC does not admit any violation of the State Consumer Protection Laws set forth in Footnote 4, and does not admit any wrongdoing that was or could have been alleged by any Attorney General before the date of the Judgment/Order under

¹ This agreement is entered into pursuant to and subject to the State Consumer Protection laws cited in Footnote 4.

those laws. No part of this Judgment/Order, including its statements and commitments, shall constitute evidence of any liability, fault, or wrongdoing by BSC. This document and its contents are not intended for use by any third party for any purpose, including submission to any court for any purpose. This Judgment/Order shall not be construed or used as a waiver or limitation of any defense otherwise available to BSC in any other action, or of BSC's right to defend itself from, or make any arguments in, any private individual or class action claims or suits, or any other governmental or regulatory investigations or suits, relating to the subject matter or terms of this Judgment/Order. This Judgment/Order is made without trial or adjudication of any issue of fact or law or finding of liability of any kind. Notwithstanding the foregoing, a State may file an action to enforce the terms of this Judgment/Order.

1.7 It is the intent of the Parties that this Judgment/Order not be admissible in other cases or binding on BSC in any respect other than in connection with the enforcement of this Judgment/Order.

1.8 No part of this Judgment/Order shall create a private cause of action or confer any right to any third party for violation of any federal or state statute, except that a State may file an action to enforce the terms of this Judgment/Order.

1.9 This Judgment/Order (or any portion thereof) shall in no way be construed to prohibit BSC from making representations with respect to any of BSC's products in Labeling that are required under Federal law, regulations, and policies or guidance having the force of law.

1.10 Nothing in this Judgment/Order shall require BSC to:

- (a) take any action that is prohibited by the Federal Food, Drug and Cosmetic Act, 21 U.S.C. § 301 *et seq.* ("FDCA") or any regulation promulgated thereunder or by the FDA; or

B. Marketing and Promotional Activities

3.3 BSC shall include all Significant Complications and all Inherent Mesh Complications in its Marketing Materials either by including a list of such complications or a reference to the applicable DFU if the inclusion of a list is not reasonably practicable given the length of the Marketing Material and the media used, such as in reminder ads. Provided however that in all instances where the Marketing Material purports to address the subject of complications,

Tennessee Consumer Protection Act, Tenn. Code Ann. 47-18-101 et seq.; TEXAS – Texas Deceptive Trade Practices-Consumer Protection Act, Tex. Bus. And Com. Code 17.41, et seq.; UTAH - Consumer Sales Practices Act, Utah Code Ann. §§ 13-11-1 et seq.; VERMONT – Vermont Consumer Protection Act, 9 V.S.A. § 2451, et seq.; VIRGINIA-Virginia Consumer Protection Act, Va Code Ann. §59.1-196 et seq.; WASHINGTON – Unfair Business Practices/Consumer Protection Act, RCW §§ 19.86 et seq.; and WISCONSIN – Wis. Stat. § 100.18 (Fraudulent Representations).

BSC shall include all Significant Complications and all Inherent Mesh Complications. Additionally, in all Marketing Materials that are intended to reach consumers other than or in addition to HCPs and that address the subject of complications, BSC shall include descriptions of the Significant Complications and Inherent Mesh Complications in terms reasonably understandable to a consumer.

3.4 BSC shall not, in any Marketing Materials, state or in any way represent that any Inherent Mesh Complications are a risk common to any pelvic floor or other surgery not involving the use of surgical mesh or other graft material.

3.5 BSC shall not, in any Marketing Materials, state or in any way represent that Inherent Mesh Complications can be eliminated with surgical experience or technique alone.

3.6 BSC shall not, in any Marketing Materials, state or in any way represent that BSC Surgical Mesh does not cause a foreign body reaction, including a chronic foreign body reaction.

3.7 BSC shall not, in any Marketing Materials, state or in any way represent that BSC Surgical Mesh remains soft, supple, or pliable, or that it continues to have bi-directional elasticity after the BSC Surgical Mesh is implanted inside the body.

3.10 BSC shall not represent that BSC Surgical Mesh is “FDA approved” or that it has undergone the FDA’s pre-market approval process, including the requirement for clinical trials, unless such is the case.

3.11 In any training provided by or on behalf of BSC to any HCPs regarding proper procedures for insertion and implantation of BSC Surgical Mesh, BSC shall ensure that such training informs the HCP about Significant Complications and Inherent Mesh Complications.

3.12 BSC shall not, in any Marketing Materials, misrepresent the complexity of BSC Surgical Mesh implantation procedure or the level of surgical skill and/or experience necessary to perform such a procedure safely.

C. Disclosures to Health Care Providers

3.15 With respect to BSC Surgical Mesh products, BSC shall comply with all FDA regulations regarding: (1) monitoring device usage and prompt revision of the warnings and precautions section of DFUs based on use experience; (2) reporting adverse events; and (3) collection and dissemination of information pertaining to product safety.

D. Conflicts of Interest

3.16 In all contracts for consulting services regarding Surgical Mesh between BSC and any HCP or other consultant, including contracts for speaking engagements or presentations

relating to BSC Surgical Mesh, BSC shall include a Support disclosure provision under which the HCP or other consultant agrees that he or she shall, in terms and in a manner so as to be clearly noticed and understood by the audience, disclose in any public presentation or submission for publication relating to the contracted-for activities, BSC's Support of the contracted-for activities (including all information required by any publication's conflict disclosure requirements). Nothing in this provision is intended to change any requirement in a BSC contract that its prior written consent is required before any HCP or other consultant can present or publish in relation to BSC's contracted-for activities.

3.17 In all contracts for BSC-Sponsored studies related to BSC Surgical Mesh, BSC shall require institutions and investigators to properly acknowledge BSC in all publications or presentations resulting from the performance of the Study.

BSC shall further require that the institution and investigator, if a party to the agreement, properly acknowledge BSC's Support of the Study in publications.

E. Clinical Research

3.23 In relation to BSC Surgical Mesh, BSC shall not, in Marketing Materials, use, rely on, or cite to any clinical study, clinical data or preclinical data where it had control or possession of underlying scientific materials, documents, or raw data on or after November 15, 2012 but does not retain the same for the three-year period following the last date such Marketing Materials are distributed by BSC. This prohibition will not apply if BSC has not retained such underlying scientific materials, documents, or raw data if (1) it was not permitted to retain the underlying scientific materials, documents, or raw data; or (2) the study/data was published in a peer-reviewed journal or has otherwise entered the public domain.

3.24 In relation to BSC Surgical Mesh, BSC shall not, in Marketing Materials, use, rely on, or cite to any clinical study, clinical data, preclinical data, research, or article, (1) for which BSC has not complied with the disclosure requirements in paragraph 3.23, unless BSC provides the disclosure detailed in paragraph 3.23 in the Marketing Material that uses, relies on, or cites such clinical study, clinical data, preclinical data, research, or article, (2) Sponsored by BSC for which the institution or investigator has not complied with the disclosure requirements set forth in paragraph 3.18, unless BSC provides the disclosure detailed in paragraph 3.18 in the Marketing Material that uses, relies on, or cites such clinical study, clinical data, preclinical data, research, or article, or (3) Supported by BSC for which any author/consultant/investigator has not complied

3.26 BSC shall ensure that its responses to requests for medical information regarding BSC Surgical Mesh and complications associated with BSC Surgical Mesh are accurate and truthful.

G. Monitoring and Compliance

3.27 BSC shall be responsible for monitoring and compliance with the provisions of this Judgment/Order.

IV. MONETARY RELIEF

4.1 No Later than 30 days after the Effective Date of this Judgment/Order, BSC shall pay a total amount of One Hundred Eighty-Eight Million, Six Hundred Fifty-Five Thousand, Sixty-Seven Dollars (\$188,655,067). This amount shall be divided and paid by BSC to each Signatory Attorney General of the Multistate Working Group in an amount to be designated by and in the sole discretion of the Multistate Executive Committee. The payment to New Jersey shall be \$3,672,218.00. The Parties acknowledge that no portion of the payment is a fine or penalty. The states may use the payment in any of the following ways: (1) to pay for attorney's fees and other costs of investigation and litigation; (2) to place in, or apply to, consumer protection

enforcement, including future consumer protection enforcement, consumer education, litigation, or local consumer aid or revolving funds; (3) to defray the costs of the inquiry leading to this final Judgment/Order; and/or (4) for any lawful purpose, at the sole discretion of each Signatory Attorney General.

V. ENFORCEMENT

5.1 For the purposes of resolving disputes with respect to compliance with this Judgment/Order, should any of the Signatory Attorneys General have a reasonable basis to believe that BSC has engaged in a practice that violates a provision of this Judgment/Order subsequent to the Effective Date, then such Attorney General shall notify BSC in writing of the specific objection, identify with particularity the provision of this Judgment/Order that the practice appears to violate, and give BSC thirty (30) days to respond to the notification; provided, however, that a Signatory Attorney General may take any action if the Signatory Attorney General believes that, because of the specific practice, a threat to the health or safety of the public requires immediate action. Upon receipt of written notice, BSC shall provide a good-faith written response to the Signatory Attorney General's notification, containing either a statement explaining why BSC believes it is in compliance with the Judgment/Order, or a detailed explanation of how the alleged violation occurred and a statement explaining how BSC intends to remedy the alleged violation. The Attorney General may agree, in writing, to provide BSC with additional time beyond the thirty (30) days to respond to a notice. Nothing in this section shall be interpreted to limit the State of New Jersey's Civil Investigative Demand ("CID") or investigative subpoena authority, to the extent such authority exists under applicable law. BSC reserves all of its rights in responding to a CID or investigative subpoena issued pursuant to such authority.

5.2 Upon giving BSC thirty (30) days to respond to the notification described above, the Signatory Attorney General shall also be permitted reasonable access to inspect and copy

relevant, non-privileged, non-work product records and documents in the possession, custody, or control of BSC that relate to BSC's compliance with each provision of this Judgment/Order pursuant to that State's CID or investigative subpoena authority. If the Signatory Attorney General makes or requests copies of any documents during the course of that inspection, the Signatory Attorney General will provide a list of those documents to BSC.

5.3 The State may assert any claim that BSC has violated this Judgment/Order in a separate civil action to enforce compliance with this Judgment/Order, or may seek any other relief afforded by law for violations of the Judgment/Order, but only after providing BSC an opportunity to respond to the notification described in Paragraph 5.1 above; provided, however, that a Signatory Attorney General may take any action if the Signatory Attorney General believes that, because of the specific practice, a threat to the health or safety of the public requires immediate action.

VI. RELEASE

By its execution of this Judgment/Order, the Plaintiffs release and forever discharges BSC and its past and present officers, directors, shareholders, employees, representatives, agents, affiliates, parents, subsidiaries, predecessors, attorneys, assigns and successors (collectively, the "Releasees") from the following: all civil causes of action, claims, damages, restitution, fines, costs, attorney's fees, remedies or penalties that the Plaintiffs have asserted or could have asserted against the Released Parties under the State Consumer Protection Statutes resulting from the Covered Conduct up to and including the Effective Date except as set forth in paragraph 6.2 below.

6.2 Claims Not Covered. Notwithstanding any term of this Judgment/Order, specifically reserved and excluded from the Released Claims in Paragraph 6.1 as to any entity or

person, including Releasees, are any and all of the following, to which BSC expressly reserves each and every available defense:

- (a) Any criminal liability that any person or entity, including Releasees, has or may have to the State of New Jersey;

6.3 Nothing contained in this Judgment/Order shall relieve BSC of the obligations it maintains under any other Judgment/Order or agreement relating to any of BSC’s products.

VII. ADDITIONAL PROVISIONS

7.1 If, subsequent to the Effective Date of this Judgment/Order, the federal government, the FDA, or any state, or any state agency, enacts legislation, regulation, policy or guidance with respect to matters governed by this Judgment/Order that creates a conflict with any provision of the Judgment/Order, and such conflict makes it impossible for BSC to comply with both the newly enacted legislation, regulation, policy, or guidance and the provision of the Judgment/Order that BSC claims is the subject of the conflict, BSC shall provide the Attorney General with notice of the impossible conflict, which shall include an explanation as to how the newly enacted legislation, regulations, policies or guidance creates a conflict and makes it impossible for BSC to comply with the subject provision of the Judgment/Order. The Attorney General shall have thirty (30) days from receipt of the notice to either notify BSC that it agrees to a modification of the Judgment/Order to address the conflict BSC raised, or notify BSC that the Attorney General does not agree that a conflict exists that makes it impossible for BSC to comply with both the legislation, regulation, policy, or guidance and the subject provision of the Judgment/Order, in which case BSC, subject to an Order to the contrary from this Court, must comply with both the newly enacted legislation, regulations, policies or guidance and the provision of the Judgment/Order.

7.2 Nothing in this Judgment/Order shall be construed to authorize or require any action by BSC in violation of applicable federal, state, or other laws.

7.3 Modification: The Judgment/Order may be modified by a stipulation of the Parties, once it is approved by and becomes a judgment of the Court, or by court proceedings resulting in a modified Judgment of the Court.

7.4 BSC shall not cause or encourage third parties, nor knowingly permit third parties acting on its behalf, to engage in practices from which BSC is prohibited by this Judgment/Order.

7.5 The Attorney General may, at his or her sole discretion, agree in writing to provide BSC with additional time to perform any act required by this Judgment/Order.

7.6 The acceptance of this Judgment/Order by the Plaintiffs shall not be deemed approval by the Plaintiffs of any of BSC's advertising or business practices. Further, neither BSC nor anyone acting on its behalf shall state or imply, or cause to be stated or implied, that the State of New Jersey or any other governmental unit of the State of New Jersey has approved, sanctioned or authorized any practice, act, advertisement, or conduct of BSC.

7.7 Any failure by any party to this Judgment/Order to insist upon the strict performance by any other party of any of the provisions of this Judgment/Order shall not be deemed a waiver of any of the provisions of this Judgment/Order, and such party, notwithstanding such failure, shall have the right thereafter to insist upon the specific performance of any and all of the provisions of this Judgment/Order.

7.8 Entire Agreement: This Judgment/Order represents the full and complete terms of the settlement entered into by the Parties.
