NEW JERSEY OFFICE OF THE ATTORNEY GENERAL
VICTIMS OF CRIME COMPENSATION OFFICE

JEFFREY S. CHIESIA,
NJ Attorney General

New Jersey Office of the Attorney General

Victims of Crime Compensation Office

Message From The Executive Director

This past year, the New Jersey Victims of Crime Compensation Office (Agency) continued its commitment to providing quality services to innocent victims of crime by awarding \$9.7 million to those victims. This was made possible by the hard work of the Agency's dedicated staff, by the commitment of the Department of Law & Public Safety and the efforts of the Division of Criminal Justice to provide the necessary resources to the Agency. Indeed, the Department created a Task Force of employees who were temporarily assigned to the Agency to provide assistance in expediting the victims' claims. The Task Force members made tremendous contributions to the Agency and carried out our mission to assist those who were victimized, by providing quality and exceptional services.

The Agency's commitment to providing high-quality services in a compassionate environment was further advanced by several initiatives. First, an internal policy was adopted to expand the Priority Case category to claims involving all domestic violence, sexual assault and child victims. Then, the Agency initiated a three-year plan to upgrade its case processing system. This upgrade will expand online access to the Agency's services, permitting victims to file claims online, allowing vendors to track payments and enabling the staff to electronically track the status of cases and the receipt of documentation. Next, the Agency entered into collaborative efforts with the Department of Corrections and the Judiciary to ensure that restitution payments are properly credited to the individual victims' claims. The Agency also implemented protocols for properly tracking emergency claims and monitoring their disposition. Finally, the Agency completed a revision of its retention procedures so that cases that are maintained in storage can be retrieved, reopened and quickly processed.

Efforts were redoubled to educate and train service providers, municipal courts, civic and faith-based groups, legal services agencies and law enforcement agencies. Outreach materials were distributed to libraries, municipalities, police departments and hospitals. Further, the Agency worked diligently with the Victims of Crime Compensation Review Board to expedite the appeal process for claimants.

The Agency recognizes that its most valuable resource is its human resource - the staff. Thus, the Agency will provide advanced training for the staff to ensure that victims are served efficiently, effectively and compassionately. Managers and Supervisors will work hand-in-hand with the staff to re-examine old practices and modify procedures to enhance services. We are committed to tracking national trends and issues in order to keep pace with new developments in the field of victim services. As always, the staff's goal is to compassionately provide resources to the State's most vulnerable citizens, innocent victims of crime.

Claims Processing

Intake Phase:

Upon receipt of an application, the claim is opened and given a claim number. An acknowledgment of receipt is sent to the applicant; if needed, additional information is requested. Requests for emergency assistance are reviewed immediately. All applications are screened for denial on procedural basis, including expiration of time for filing, non-compensable crimes or outstanding warrants.

Bill Review:

Bills are screened for the proper name and address, federal tax I.D. number, CPT (Current Procedural Terminology) codes & date of service. Any missing information and collection notices are returned to the provider/claimant with a letter stating the need for an itemized bill, where applicable. Once all the information is gathered, bills are entered into the VCCO's Claims Processing System. The bills are then forwarded to the appropriate unit for processing of the claim.

Eligibility Phase:

Upon receipt of the police report and the bills, the claim is assigned to an investigator for eligibility determination. The assigned investigator will review all the circumstances surrounding the incident including communicating with police and prosecutorial personnel and securing related information from the courts. The investigator will make a recommendation either that the claim is eligible for compensation or to deny pursuant to statutory/regulation mandates. His/her superior will review recommendation and either approve it, reject it or ask for additional information.

Compensation Phase:

Once determined eligible for compensation, the investigator will verify losses by: 1) communicating directly with providers of medical services, securing insurance benefit statements and 2) gathering loss of earnings and disability payment information to determine compensation.

Payment Processing:

After the Order of Payment is written and approved, the case is transferred to the Accounting Unit. The voucher is reconciled to the order and mailed to the provider. Upon receipt of a signed voucher, the Accounting Unit processes the payment and submits it to the Office of the Attorney General (OAG) administration for approval in New Jersey Comprehensive Financial System (Treasury System).

Claimants do not receive a payment voucher; their payments are processed the day after the Order is signed.

Eligibility

Eligibility Criteria

- An application for compensation may be filed by (1) the victim; (2) a dependent of a deceased victim; (3) an authorized person acting on behalf of the victim; or (4) any other person who has demonstrated an eligible expense for which they have become responsible for due to the victimization.
- The claim must be filed within two years of the crime, but may be considered after two years if the VCCO determines that “good cause” existed for the delayed filing.*
- The victim suffered bodily injury or death as a result of the criminal actions of another or the victim needs mental health counseling because of emotional trauma resulting from a violent crime.
- The crime must be reported to the police within three months after it occurs, but may be considered if reported to the police after three months if the VCCO determines that good cause existed for the delay.*
- The crime must occur in New Jersey (residency not required), or the victim must be a New Jersey resident who was injured in another state or jurisdiction that does not have a crime victim compensation program or has a program which has not provided full compensation for the crime-related losses.
- The victim must cooperate with the police and prosecutor’s office; however, eligibility is not dependent upon conviction or prosecution of the offender.

- The claimant was not the offender or an accomplice of the offender. An award may not be made to another person if the award would unjustly benefit the offender or accomplice.
- The victim must be an “innocent victim” of a crime, which means that the VCCO must consider whether the victim’s conduct contributed to the injuries suffered.

**Effective March 2012, the time in which to file an application has been extended from two years to three years and the time in which a victim/claimant must file a police report has been extended from three months to nine months.*

Outreach and Training

The Outreach and Training Group (OTG) continued its mission to inform and educate the service providers, victim advocates, civic and faith based groups, law enforcement and legal service providers.

Outreach materials were delivered by VCCO staff members in their home counties, to police departments, municipal courts, service agencies, senior housing and other public venues.

To increase public awareness, OTG trained and presented on more than 25 occasions. This included legal and in-house training seminars, community affairs, conferences, health fairs, law enforcement and civic events. The VCCO website, www.njvictims.org, also serves as an excellent resource guide. The website features a Frequently Asked Questions page, which provides information that can expedite claims processing.

Victims of Crime Compensation Office

Mission Statement

The New Jersey Victims of Crime Compensation Office provides compensation to innocent victims of violent crime for some expenses they suffer as a result of the crime. In carrying out its mission, the VCCO is mindful of the special needs of those victimized by crime and their right to be treated with fairness, compassion and respect.

Crime Victims Constitutional Amendment

(N.J. Constitution, article 1, section 22.)

A victim of a crime shall be treated with fairness, compassion and respect by the criminal justice system. A victim of a crime shall not be denied the right to be present at public judicial proceedings except when, prior to completing testimony as a witness, the victim is properly sequestered in accordance with law of the Rules Governing the Courts of the State of New Jersey. A victim of a crime shall be entitled to those rights and remedies as may be provided by the Legislature. For the purposes of this paragraph, "victim of a crime" means: a) a person who has suffered physical or psychological injury or has incurred loss or damage to personal or real property as a result of a crime or an incident involving another person operating a motor vehicle while under the influence of drugs or alcohol, and b) the spouse, parent, legal guardian, grandparent, child or sibling of the decedent in the case of a criminal homicide.

New Jersey

Crime Victims' Bill of Rights

- b.** To be informed about the criminal justice process;
- c.** To be free from intimidation;
- d.** To have inconveniences associated with participation in the criminal justice process minimized to the fullest extent possible;
- e.** To make at least one telephone call provided the call is reasonable in both length and location called;
- f.** To medical assistance if, in the judgment of the law enforcement agency, medical assistance appears necessary;
- g.** To be notified if presence in court is not needed;
- h.** To be informed about available remedies, financial assistance and social services;
- i.** To be compensated for their loss whenever possible;
- j.** To be provided a secure but not necessarily separate, waiting area during court proceedings;
- k.** To be advised of case progress and final disposition;
- l.** To the prompt return of property when no longer needed as evidence;
- m.** To submit a written statement about the impact of the crime to a representative of the county prosecutor's office which shall be considered prior to the prosecutor's final decision concerning whether formal criminal charges will be filed; and
- n.** To make, prior to sentencing, an in-person statement directly to the sentencing court concerning the impact of the crime. This statement is to be made in addition to the statement permitted for inclusion in the pre-sentence report by N.J.S.A. 2C:44-6. In any homicide prosecution the victim's survivor may display directly to the sentencing court at the time of this statement a photograph of the victim taken before the homicide.
