

## **ERRATA**

The Office of Law Enforcement Standards (OLEPS) noted errors in two figures in the *Fourteenth Aggregate Report of Traffic Enforcement Activities of the New Jersey State Police*. Specifically, Figure Sixty-Six A, Troop A's trend of the racial/ethnic distribution of stops with consent requests, on page 102 and Figure Seventy-Three A, Troop A's trend of the racial/ethnic distribution of stops with arrests, on page 111, depicted incorrect numbers. The below figures and subsequent discussions should replace those found in the *Fourteenth Aggregate Report of Traffic Enforcement Activities of the New Jersey State Police* for

**Figure Sixty-Seven A, and  
Seventy-Four A.**

Corrected figures can be found in the figures that follow. These figures should replace those in the published report for

Figure Sixty-Seven A, and  
Figure Seventy-Four A.
