**Personalized Handgun Authorization Commission
Public Session Meeting Minutes
January 27, 2023**

The January 27, 2023 meeting of the New Jersey State Personalized Handgun Authorization Commission (PHAC, or “the Commission”) was conducted electronically via Microsoft Teams. Pursuant to the Open Public Meetings Act, notice was provided at least 48 hours before the scheduled meeting. Notice was filed with the Secretary of State, faxed to approved news publications including the Star Ledger, the Times of Trenton, the Bergen Record, the Courier Post, and the Press of Atlantic City, and also posted at the Hughes Justice Complex. The meeting began at 2 pm.

1. Open Public Meetings Act Notice – read

2. Roll Call

- Commission Members Present: Kirstin Krueger, Jennifer Chuang, Timmy Oh, Robert Nixon, Nico Bocour

3. Discussion

Ms. Krueger provided updates. First, that she was taking a new job within the Department of Law & Public Safety, and would be departing as the Attorney General’s designee to PHAC. Second, that she had obtained the National Institute for Justice’s standards for law enforcement pistols, and information from the National Institute of Standards and Technology about the federal government’s approach to standards and attestation testing.

The Commission discussed how to approach its drafting of performance standards and qualifying criteria, including what consideration to give existing law enforcement or private industry standards or practices. Mr. Oh expressed a desire for the Commission to have a policy voice to help innovators get products to market, separate from PHAC’s promulgation of standards.

4. Public Comments

No public comment was provided.

5. Adjournment and Discussion of Next Meetings

The meeting was adjourned. The next meeting will be called for at a date and time yet to be determined.
