Schedule A - Conditions

- 1) Each permit holder shall comply with any and all obligations imposed upon it pursuant to the Racing Act of 1940, N.J.S.A. 5:5-22 et seq., the Off-Track and Account Wagering Act, N.J.S.A. 5:5-127 et seq. and all other applicable state and federal laws.

- 2) The permit holder shall be responsible for the prompt and timely payment of any invoice in accordance with N.J.A.C. 13:74-10.1 and 10.2 for “racing costs” as defined by N.J.S.A. 5:5-129. Each permit holder will be called upon to make payments as directed by the Commission for “racing costs” which may include, but shall not be limited to:
 - a) The funding of the Commission’s license program;
 - b) The funding of the Commission’s drug testing program as well as all costs incurred by the Commission in funding an uniform drug testing and quality assurance program;
 - c) All reasonable fees related to the Commission’s appointment of engineers who shall conduct fire, safety and other inspections at each racing association;
 - d) The funding of the Commission’s investigative unit; and
 - e) The funding of Commission’s Supervisor of Mutuels positions associated with live racing operations and non-casino parimutuel wagering activities.

- 3) Each permit holder shall ensure that all statutorily allocated revenues, including those derived from live racing, simulcasting and off-track or account wagering, are distributed as required by law. The Commission’s approvals for participation in live racing, simulcasting and off-track or account wagering are conditional upon satisfaction of the live racing permit.

- 4) Each permit holder shall make prompt and timely payments pursuant to all “seven-day reports” issued by the Commission, which reports may require the payment of racing costs, purse monies and other racing-related revenue consistent with law.

- 5) By April 1, 2022, each permit holder shall submit to the Commission anticipated capital improvements to be made in 2022 as well as anticipated expenditures to be made in connection with the maintenance and renovation of existing facilities.

The voluntary cancellation of a race date shall not count toward the statutorily required minimum number of race dates.
- 12) The issuance and acceptance of this permit shall be deemed an express waiver of any rights the permit holder may have to a renewal of the permit at any time hereafter.
- 13) Permits shall be revocable by the Commission for any violation of applicable statutes, rules or conditions imposed by Commission.

- 14) Permit holders shall file fully completed 2023 permit applications and applications for 2023 race dates with the Commission on or before October 15, 2022.
