General Information

Who must file this Certification?

Any Non-Participating Manufacturer (NPM) whose cigarettes or roll-your-own tobacco (RYO) were sold in New Jersey during the preceding calendar year or who intends for its brands to be listed as compliant in the New Jersey Directory of Compliant NPMs.

Who Must Appoint an Agent for Service of Process?

Non-resident (out-of-state) and foreign NPMs who are not registered to do business in New Jersey are required to continually engage, without interruption, an agent in this State for acceptance of service of process.

Where an NPM's products are sold in New Jersey and the NPM fails to appoint an agent as required by N.J.S.A. 52:4D-1 et seq., the NPM shall be deemed to appoint the New Jersey Secretary of State as the agent on whom process may be served on its behalf. However, such appointment will not satisfy the condition precedent for having its brand families listed in the Directory of Compliant NPMs.

When is this Certification due?

The annual certification must be filed with the Attorney General no later than April 30 of each year for the preceding year's sales. An initial certification may be filed at any time.

Updates

If the NPM terminates the authority of an agent, the NPM shall notify the Attorney General at least 30 calendar days prior to the termination and provide proof of the appointment of a new agent at least 5 calendar days prior to the termination.

If the agent terminates an agency appointment, the NPM shall notify the Attorney General of the termination within 5 calendar days of the termination and shall include proof of the appointment of a new agent.
