10	Please share brief information on your subdivisions overarching goals and values to provide context for this year's spending decisions	Salem County's overall goal continues to be the reduction of future overdose deaths by way of community outreach, distribution of harm reduction materials, educational resources, utilization of data, and implementation of recovery supports.
11	How did you decide the best way to use the opioid abatement funds your subdivision received this reporting year? For example, did you rely on evidence-based or evidence-informed practices or strategies, the list of Opioid Remediation uses, a needs assessment, a strategic plan, or an epidemiological analysis? If yes, please explain.	As in years past, Salem County relies on community feedback, input of local experts, and current trends identified in part through overdose fatality review team investigations. We value evidence based and evidence informed practices when creating implementation strategies. The Salem County Opioid Settlement Advisory Council has and will continue to utilize the list of Opioid Remediation uses.
