Opioid Settlement Funding Report		
Subdivision: Middlesex County		
	State ID:	NJ135
	County Name:	Middlesex
	Address:	75 Bayard Strees, New Brunswick, New Jersey, 08901
	Subdivision Contact Name:	Jennifer Chang
	Subdivision Contact Email:	jennifer.chang@co.middlesex.nj.us
Fiscal Year: 2026		
1	What is the total amount of opioid abatement funds that your subdivision received during the current reporting period (7/1/2025 - 6/30/2026)?	\$745,501.05
2	What is the amount of accrued interest on the total amount of opioid abatement funds that your subdivision has received during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$135,326.99
3	What is the total amount of opioid abatement funds that your subdivision has received since the distribution of opioid abatement funds began in 2022?	\$4,265,565.29
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a county and did not transfer our funds
5	What is the amount of opioid abatement funds that your subdivision transferred to the county during the current reporting period (7/1/2025 - 6/30/2026)?	
6	What is the total amount of opioid abatement funds that your subdivision spent/expended during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$378,008.00

	You will be required to answer specific questions about the expenditures below in order for your annual report to be considered complete.	
7	What amount of opioid abatement funds did your subdivision appropriate/encumber but not yet spend during the current reporting period (7/1/2025 - 6/30/2026)?	\$367,493.05
8	What amount of opioid abatement funds did your subdivision spend on administrative expenses during the current reporting period (7/1/2025 - 6/30/2026)? You must also provide details about administrative expenses in Question 8a below.	\$0.00
8a.	Provide details regarding any administrative expenses spent during the current reporting period (7/1/2025 - 6/30/2026).	n/a
9	What amount of unspent/uncommitted opioid abatement funds from any reporting year does your subdivision currently have on hand?	\$2,337,107.12
10	What were your subdivision's overarching goals and values in its use of opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Overarching goals and values include overdose prevention; harm reduction; linkage to care and recovery support and meeting people with opioid use disorder wherever they are. These overarching values provide context for the following approved programs: • Blue Cares Hotline • Middlesex County Healthcare Kiosks • MOSAIC GO! Bags • MOSAIC Rising Scholars • ASAP

11	Which official(s) were involved in deciding how to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	The Middlesex County Opioid Settlement Implementation and Advisory Council (MOSAIC); appointed to guide this process with membership that reflects the wonderful diversity of Middlesex County including individuals with lived experience has been deliberate and intentional with the use of these funds.
12	Which resources did your subdivision use when deciding to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Evidence informed practices and strategies. In addition to focus groups and data analysis (OD Mapping); a combination of qualitative and quantitative strategies helps to ensure that Middlesex County Opioid Settlement funding decisions are data driven and responsive to the most pressing needs in the County. A public input form is released to the community for 60 days from the end of August to the end of October. The form allows community members to provide recommendations on how the funding should be allocated to best meet the community's needs, all submissions are reviewed by the Advisory Council.
	List all that apply, including, but not limited to, the following:	
	(1) Any evidence-based or evidence-informed practices or strategies;	
	(2) The "Schedule B" list of approved opioid remediation uses attached as Exhibit A to the January 28, 2022 "Memorandum of Agreement Between the State of New Jersey and Local Governments on Opioid Litigation Recoveries" to which your subdivision is a signatory;	
	(3) A needs assessment;	
	(4) A strategic plan; and/or	
	(5) An epidemiological analysis;	
13	During the current reporting year (7/1/2025 - 6/30/2026), did your subdivision engage the public (e.g., through town hall meetings, online surveys, or other means of communicating with stakeholders) prior to deciding how to use the opioid abatement funds you received?	Yes

13a	If yes, provide details about your public engagement/input efforts.	Yes, for multiple year funding. A public input form is released to the community for 60 days from the end of August to the end of October. The form allows community members to provide recommendations on how the funding should be allocated to best meet the community's needs, all submissions are reviewed by the Advisory Council.
14	For how many years have settlement spending allocations already been decided?	1 - 2 years
15	Does your subdivision have a strategic plan regarding the use of opioid abatement funds? If yes, choose "Yes" and upload/link to the strategic plan or summarize the plan in Question 15a	No, but we plan to in the future
16	Have you completed a Risk Assessment profile for demographic or geographic impact?	No
17	Did your subdivision fund any programs using opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026)? A) For new programs, use the "Add Program" tab to report on each new program. B) For previously-reported programs, use the "Update" tab in the 'Prior Fiscal Year Programs' section to provide updates on programs reported during prior fiscal years.	Yes

	If you reported spending any opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026) in Question 6, you must answer the following questions for each program funded by opioid abatement funds.	
	2026 Fiscal Program List	
1	What is the name/title of the program?	The Black Poster Project
2	List all agencies, organizations, or entities that received funding for this program.	Old Bridge Township and the Black Poster Project
3	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply.	County or Municipality (including Departments and Municipal Alliances); Private/For-profit Organizations
4	What is the primary problem being addressed by this program?	deaths related to opioid use disorder
5	Briefly describe the program's purpose and key activities.	The Black Poster Project utilizes walk through exhibits called "silent memorials" to memorialize those that have died due to opioid use disorder. The walk-through event honors those who have passed while calling attention to the dangers that surround opioid use. This initiative was specifically funded to appear in Old Bridge High School.
6	What is the target population for this program?	Children and Young Adults - 14-18 (high school aged)
7	On what date was this program funded? (Use the format MM/DD/YYYY.)	12/4/2025
8	What is the total amount of funding for this program?	\$1,500.00

8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$1,500.00
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$0.00
9	How often is your subdivision disbursing funds to this program?	One time only
10	On what date was this program launched? (Use the format MM/DD/YYYY.)	10/28/2025
11	Choose the duration of the program from the list below.	One time only
12	What is the number of unduplicated individuals served by this program?	600
13	What is the intended impact of this program?	The Black Poster Project honors lives lost to substance use and transform grief into awareness, prevention and hope. To humanize the epidemic, educate and raise awareness, support families, reduce stigma, and inspire action.
14	Which key performance indicators are you tracking to ensure success of the program? List all that apply, including, but not limited to, the following:	
	Number of participants served:	600
15	How frequently are you measuring the key performance indicators listed above?	Others:
15(a).	How frequently are you measuring the key performance indicators listed above? - Others	once
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	Humanize the epidemic, educate and raise awareness, support families, reduce stigma, and inspire action.
17	Primary Category (Please select the category that fits the primary focus of this program):	Primary Prevention, Education, and Training

18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Harm Reduction and Overdose Prevention
19	Select the "Schedule B" approved strategy or strategies that best match the primary focus of this program.	Prevent Misuse of Opioids
20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	The Black Poster Project educates and calls awareness to the dangers of substance use.
21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	The Black Poster Project was recommended to the county through the community public input portal. The opioid advisory council extended the opportunity to host a silent memorial to the County Municipal Alliance Committee and Old Bridge expressed interest.
22	If you would like to provide any additional details about this program not already included above, you may do so here.	
	2026 Fiscal Program List	
1	What is the name/title of the program?	Feeding Middlesex
2	List all agencies, organizations, or entities that received funding for this program.	Feeding Middlesex
3	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply.	Others

3(a).	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply. - Others	non-profit corporation of the State of New Jersey
4	What is the primary problem being addressed by this program?	food insecurity for opioid impacted individuals and communities
5	Briefly describe the program's purpose and key activities.	Providing fresh food for individuals with opioid use disorder, their families, and impacted communities
6	What is the target population for this program?	Others
6(a).	What is the target population for this program? - Others	all age groups
7	On what date was this program funded? (Use the format MM/DD/YYYY.)	1/1/2026
8	What is the total amount of funding for this program?	\$150,000.00
8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$37,500.00
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$112,500.00
9	How often is your subdivision disbursing funds to this program?	Quarterly
10	On what date was this program launched? (Use the format MM/DD/YYYY.)	1/1/2026
11	Choose the duration of the program from the list below.	1 year
12	What is the number of unduplicated individuals served by this program?	21823
13	What is the intended impact of this program?	Addressing opioid use disorder by combating food insecurity
14	Which key performance indicators are you tracking to ensure success of the program? List all that apply, including, but not limited to, the following:	

	Other:	According to the Substance Abuse and Mental Health Services Administration data, approximately 1.18 million people aged 12 or older in New Jersey suffer from a substance use disorder (SUD). This represents an adult prevalence rate of about 8.5%, which is the estimate used to track the number of individuals being served experiencing SUD. The response to No. 12 (above) is a quarterly average estimated based on this percentage.
15	How frequently are you measuring the key performance indicators listed above?	Annually
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	Provide fresh food to individuals impacted by opioid use disorder. Tracked using an annual report at the conclusion of the contract period.
17	Primary Category (Please select the category that fits the primary focus of this program):	Recovery Supports
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Primary Prevention, Education, and Training
18(a).	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above). - Others	
19	Select the "Schedule B" approved strategy or strategies that best match the primary focus of this program.	Support People in Treatment and Recovery

20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	Nutrition is a vital part of wellness and recovery for individuals impacted by opioid use disorder. Providing increased deliveries of fresh fruits, vegetables, meat, and dairy products in areas with high food insecurity and high impact for opioid use disorder will serve as a support and prevention effort.
21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	This is a preexisting program that expressed interest in receiving funding to expand their reach within the community. The group came to present to the opioid settlement council, who then voted to approve contracting.
22	If you would like to provide any additional details about this program not already included above, you may do so here.	
	2026 Fiscal Program List	
1	What is the name/title of the program?	Adult Substance Abuse Program (ASAP)
2	List all agencies, organizations, or entities that received funding for this program.	Rutgers University Behavioral Health Care (UBHC)
3	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply.	Hospital/Healthcare Provider (including Mental Health or Substance Use Treatment Provider)
4	What is the primary problem being addressed by this program?	substance use disorder

5	Briefly describe the program's purpose and key activities.	Provide comprehensive substance use disorder treatment services to individuals within the Middlesex County Adult Corrections Center at an intensive outpatient and outpatient level of care. The program is designed to help individuals establish a strong foundation in recovery, enhance coping and relapse prevention skills, and support a successful transition and reintegration back into the community. Opioid Settlement finding has allowed the program to expand its services through the addition of a dedicated Substance Use Counselor to provide additional therapeutic groups, increase access to treatment services, and support a greater number of individuals.
6	What is the target population for this program?	Individuals in Recovery; Individuals in Treatment; Individuals involved with the Criminal Justice System; Individuals who Use Drugs
7	On what date was this program funded? (Use the format MM/DD/YYYY.)	7/1/2025
8	What is the total amount of funding for this program?	\$142,300.00
8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$16,202.17
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$126,097.83
9	How often is your subdivision disbursing funds to this program?	Annually
10	On what date was this program launched? (Use the format MM/DD/YYYY.)	7/1/2025
11	Choose the duration of the program from the list below.	2-3 years

12	What is the number of unduplicated individuals served by this program?	52
13	What is the intended impact of this program?	Address the complex clinical, behavioral, and psychological needs of individuals involved in the criminal justice system through evidence-based substance use treatment, recovery-focused interventions, and reentry support aimed at promoting long-term stability and successful community reintegration.
14	Which key performance indicators are you tracking to ensure success of the program? List all that apply, including, but not limited to, the following:	
	Number of participants served:	52
	Other:	Address the complex clinical, behavioral, and psychological needs of individuals involved in the criminal justice system through evidence-based substance use treatment, recovery-focused interventions, and reentry support aimed at promoting long-term stability and successful community reintegration.
15	How frequently are you measuring the key performance indicators listed above?	Annually
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	Help individuals establish a strong foundation in recovery, enhance coping and relapse prevention skills, and support a successful transition and reintegration back into the community. This is tracked by reviewing annual reporting as well as attending quarterly graduation ceremonies to see its impact firsthand and hear client testimonies.

17	Primary Category (Please select the category that fits the primary focus of this program):	Diversion and Re-entry Support
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Primary Prevention, Education, and Training; Recovery Supports; Treatment
19	Select the "Schedule B" approved strategy or strategies that best match the primary focus of this program.	Treat Opioid Use Disorder (OUD), Support People in Treatment and Recovery, Address the Needs of Criminal Justice-Involved Persons
20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	Rutgers University Behavioral Health Care will provide evidence-based opioid use disorder/substance use disorder services with an emphasis on wellness, recovery and trauma informed care. Participants may receive: IOP Level of Care • Group therapy 3 times per week • Length of stay: Approximately 4 weeks • Psychoeducational groups, relapse prevention groups, and process-oriented groups • Weekly Self Help Meeting • Weekly Individual Session OP Level of Care • Group therapy once per week • Length of stay: Approximately 6 Weeks • Weekly Self Help Meeting • Bi-Weekly / Monthly Sessions as Clinically Indicated • Aftercare Coordination • Graduations

21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	The Adult Substance Abuse Program (ASAP) is a preexisting program run through Rutgers UBHC and the Middlesex County Adult Corrections Center. The program was interested in expanding and inquired with the Middlesex County Division of Behavioral Health Planning for additional funding. Representatives attended a County Committee meeting to present their proposal and funding was approved through a formal voting process. The contract is a Letter of Agreement between the County of Middlesex and Rutgers, The State University.
22	If you would like to provide any additional details about this program not already included above, you may do so here.	
	2025 Fiscal Program List	
1	Program Name/Title	MOSAIC Rising Scholars
2	Have there been any modifications or expansions to this program since the initial report? :	No modifications/expansions
3	Amount expended in this reporting period (7/1/2025 - 6/30/ 2026)	\$162,000.00
4	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of participants served:	36
5	Is there anything else you would like to share or highlight regarding the progress and impact of this program? :	No
6	Last Updated Date :	9/11/2026

	2024 Fiscal Program List	
1	Program Name/Title	New Jersey Harm Reduction Coalition
2	Have there been any modifications or expansions to this program since the initial report? :	No modifications/expansions
3	Amount expended in this reporting period (7/1/2025 - 6/30/ 2026)	\$131,253.64
4	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of participants served:	1200
	Other:	8,718 resource directories, naloxone nasal spray kits, fentanyl and xylazine test strips, sharps disposal containers, condoms, and wound care kits dispensed.
5	Is there anything else you would like to share or highlight regarding the progress and impact of this program? :	No
6	Last Updated Date :	9/11/2026
	2024 Fiscal Program List	
1	Program Name/Title	Blue Cares
2	Have there been any modifications or expansions to this program since the initial report? :	No modifications/expansions
3	Amount expended in this reporting period (7/1/2025 - 6/30/ 2026)	\$0.00
4	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of participants served:	223

	Number of referrals to treatment	109
	Other:	223 participants served + services provided/encounters (substance use-related calls received) 109 referrals to treatment (accepted and continued engagement in peer recovery support services)
5	Is there anything else you would like to share or highlight regarding the progress and impact of this program? :	No
6	Last Updated Date :	9/11/2026
	2024 Fiscal Program List	
1	Program Name/Title	MOSAIC Go Bags
2	Have there been any modifications or expansions to this program since the initial report? :	No modifications/expansions
3	Amount expended in this reporting period (7/1/2025 - 6/30/ 2026)	\$23,502.19
4	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of harm reduction supplies distributed (e.g naloxone kits, drug disposal packets):	417 Go! Bags were distributed
5	Is there anything else you would like to share or highlight regarding the progress and impact of this program? :	No
6	Last Updated Date :	9/11/2026
	2023 Fiscal Program List	
1	Program Name/Title	Middlesex County Healthcare Kiosks

2	Have there been any modifications or expansions to this program since the initial report? :	No modifications/expansions
3	Amount expended in this reporting period (7/1/2025 - 6/30/ 2026)	\$6,050.00
4	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Other:	8,718 materials dispensed (resource directories, naloxone nasal spray kits, fentanyl and xylazine test strips, two sizes of sharps disposal containers, condoms, wound care kits)
5	Is there anything else you would like to share or highlight regarding the progress and impact of this program? :	No
6	Last Updated Date :	9/11/2026

4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a municipality and did not transfer our funds
5	What is the amount of opioid abatement funds that your subdivision transferred to the county during the current reporting period (7/1/2025 - 6/30/2026)?	
6	What is the total amount of opioid abatement funds that your subdivision spent/expended during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$0.00
	You will be required to answer specific questions about the expenditures below in order for your annual report to be considered complete.	

7	What amount of opioid abatement funds did your subdivision appropriate/encumber but not yet spend during the current reporting period (7/1/2025 - 6/30/2026)?	\$0.00
8	What amount of opioid abatement funds did your subdivision spend on administrative expenses during the current reporting period (7/1/2025 - 6/30/2026)? You must also provide details about administrative expenses in Question 8a below.	\$0.00
8a.	Provide details regarding any administrative expenses spent during the current reporting period (7/1/2025 - 6/30/2026).	None
9	What amount of unspent/uncommitted opioid abatement funds from any reporting year does your subdivision currently have on hand?	\$285,893.75
10	What were your subdivision's overarching goals and values in its use of opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Did not spend funds
11	Which official(s) were involved in deciding how to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	None
12	Which resources did your subdivision use when deciding to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	None
	List all that apply, including, but not limited to, the following:	
	(1) Any evidence-based or evidence-informed practices or strategies;	
	(2) The "Schedule B" list of approved opioid remediation uses attached as Exhibit A to the January 28, 2022 "Memorandum of Agreement Between the State of New Jersey and Local	

	Governments on Opioid Litigation Recoveries" to which your subdivision is a signatory;	
	(3) A needs assessment;	
	(4) A strategic plan; and/or	
	(5) An epidemiological analysis;	
13	During the current reporting year (7/1/2025 - 6/30/2026), did your subdivision engage the public (e.g., through town hall meetings, online surveys, or other means of communicating with stakeholders) prior to deciding how to use the opioid abatement funds you received?	No, but plan to in the future
14	For how many years have settlement spending allocations already been decided?	Other
14a.	Please specify other.	None
15	Does your subdivision have a strategic plan regarding the use of opioid abatement funds?	No, but we plan to in the future
	If yes, choose "Yes" and upload/link to the strategic plan or summarize the plan in Question 15a	
16	Have you completed a Risk Assessment profile for demographic or geographic impact?	No, but we plan to in the future
17	Did your subdivision fund any programs using opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026)?	No
	A) For new programs, use the "Add Program" tab to report on each new program.	
	B) For previously-reported programs, use the "Update" tab in the 'Prior Fiscal Year Programs' section to provide updates on programs reported during prior fiscal years.	

	If you reported spending any opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026) in Question 6, you must answer the following questions for each program funded by opioid abatement funds.	
--	---	--

Opioid Settlement Funding Report		
Subdivision: East Brunswick Township		
	State ID:	NJ45
	County Name:	Middlesex
	Address:	1 Jean Walling Civic Center Drive, Municipal Building, East Brunswick, New Jersey, 08816
	Subdivision Contact Name:	Jennifer Stetson
	Subdivision Contact Email:	jstetson@eastbrunswick.org
Fiscal Year: 2026		
1	What is the total amount of opioid abatement funds that your subdivision received during the current reporting period (7/1/2025 - 6/30/2026)?	\$32,398.68
2	What is the amount of accrued interest on the total amount of opioid abatement funds that your subdivision has received during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$0.00
3	What is the total amount of opioid abatement funds that your subdivision has received since the distribution of opioid abatement funds began in 2022?	\$202,712.98
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a municipality and did not transfer our funds
5	What is the amount of opioid abatement funds that your subdivision transferred to the county during the	

	current reporting period (7/1/2025 - 6/30/2026)?	
6	What is the total amount of opioid abatement funds that your subdivision spent/expended during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23): You will be required to answer specific questions about the expenditures below in order for your annual report to be considered complete.	\$59,587.30
7	What amount of opioid abatement funds did your subdivision appropriate/encumber but not yet spend during the current reporting period (7/1/2025 - 6/30/2026)?	\$0.00
8	What amount of opioid abatement funds did your subdivision spend on administrative expenses during the current reporting period (7/1/2025 - 6/30/2026)? You must also provide details about administrative expenses in Question 8a below.	\$0.00

8a.	Provide details regarding any administrative expenses spent during the current reporting period (7/1/2025 - 6/30/2026).	Although we have incurred eligible administrative costs related to the implementation and oversight of our opioid initiatives, these costs have not been charged to the opioid funds to date. Going forward, we will ensure eligible administrative expenses are properly documented, allocated, and charged to the opioid funds in accordance with applicable requirements.
9	What amount of unspent/uncommitted opioid abatement funds from any reporting year does your subdivision currently have on hand?	\$99,596.68
10	What were your subdivision's overarching goals and values in its use of opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Our overarching goal is to reach as many East Brunswick residents as possible by offering a variety of programs, resources, and educational opportunities designed to engage different groups within our community. We recognize that one approach does not meet the needs of every individual, which is why we are developing and providing diverse programs that appeal to residents of different ages, backgrounds, and interests. A key focus of our efforts is drug prevention and opioid misuse education. Through community outreach, educational programming, and access to trusted resources, we aim to increase awareness of the risks associated with opioid and other substance misuse while providing residents with the information and tools they need to make informed decisions. Our programs will also emphasize prevention, early intervention, and access to treatment resources. By connecting residents and families with appropriate information, support services, and community resources, we hope to reduce the stigma surrounding substance misuse and make it easier for individuals to seek help when it is needed. Ultimately, our goal is to create a comprehensive, community-wide approach that reaches residents where they are, strengthens awareness and prevention efforts, encourages early intervention, and connects individuals struggling with opioid misuse to the resources and treatment they need. By offering multiple avenues for education and

		engagement, we can maximize the reach and impact of the program throughout East Brunswick.
11	Which official(s) were involved in deciding how to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Opioid fund spending decisions were primarily guided by members of the community, with input and support from key Township employees involved in program planning and administration. These stakeholders helped identify community needs and determine appropriate uses of the funds to support opioid prevention, intervention, treatment, and education efforts.
12	Which resources did your subdivision use when deciding to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Evidenced based programming, Supporting people in treatment and recovery, Connecting people to care, addressing the needs of criminal justice involved persons, prevention of the misuse of opioids,

	List all that apply, including, but not limited to, the following: (1) Any evidence-based or evidence-informed practices or strategies; (2) The "Schedule B" list of approved opioid remediation uses attached as Exhibit A to the January 28, 2022 "Memorandum of Agreement Between the State of New Jersey and Local Governments on Opioid Litigation Recoveries" to which your subdivision is a signatory; (3) A needs assessment; (4) A strategic plan; and/or (5) An epidemiological analysis;	
13	During the current reporting year (7/1/2025 - 6/30/2026), did your subdivision engage the public (e.g., through town hall meetings, online surveys, or other means of communicating with stakeholders) prior to deciding how to use the opioid abatement funds you received?	Yes

13a	If yes, provide details about your public engagement/input efforts.	Yes. During the current reporting year, the Township engaged the public through numerous community events and outreach efforts to gather input regarding opioid abatement needs and priorities. Our largest community event, EB Day, provided an opportunity to engage directly with residents. We also developed a community survey accessible through a QR code to encourage residents to provide feedback and input on how opioid abatement funds could best address local needs.
14	For how many years have settlement spending allocations already been decided?	1 - 2 years
15	Does your subdivision have a strategic plan regarding the use of opioid abatement funds?	No, but we plan to in the future
	If yes, choose "Yes" and upload/link to the strategic plan or summarize the plan in Question 15a	
16	Have you completed a Risk Assessment profile for demographic or geographic impact?	No, but we plan to in the future
17	Did your subdivision fund any programs using opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026)?	Yes
	A) For new programs, use the "Add Program" tab to report on each new program.	
	B) For previously-reported programs, use the "Update" tab in the 'Prior Fiscal Year Programs' section to provide updates on programs	

	reported during prior fiscal years.	
	If you reported spending any opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026) in Question 6, you must answer the following questions for each program funded by opioid abatement funds.	
	2026 Fiscal Program List	
1	What is the name/title of the program?	Sources of Strength
2	List all agencies, organizations, or entities that received funding for this program.	East Brunswick Board of Education
3	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply.	Community Based Organizations/Non-Governmental Organizations; Schools, Colleges, Universities
4	What is the primary problem being addressed by this program?	Training and curriculum for youth and adults, utilizing a strength-based and upstream approach to mental health promotion and prevention of adverse outcomes like suicide, violence, bullying, and substance misuse. Sources of Strength has a firm commitment to providing evidence-based programming that is responsive to local community context and needs.

5	Briefly describe the program's purpose and key activities.	Radically Strengths-based - We believe in the presence of strength in every individual and community, and that stories of strength are transformative. Bring the Joy - We embrace fun, laughter, play, and joy as powerful tools for healing, connection, and positive change. Embrace the Journey - We will never fully arrive; we accept hard facts, hold ourselves accountable, and are resilient as we continuously learn and grow. Work the Wheel - We are committed to authentically practicing what we teach by pursuing wellness, kindness, and strength in the world, in our company, and in our own lives. Practice Holistic Humility - We recognize our place in a larger whole; we stay grounded when we celebrate and learn from the collective efforts of those we serve, our partners, and one another. It is a driving principle of Sources of Strength to incorporate student voice and active engagement with our teaching practices. We believe that the deepest learning occurs when we approach the subject matter from a positive mindset and bring awareness to our Strengths, while also incorporating interactive learning components. This helps people of all ages fully internalize and apply the concepts to their own lives. Lessons at each grade level includes the following core elements: Active learning components including art, stories, games, activities, etc. that engage different learning centers of the brain for optimal application and growth. Talking Circles to facilitate a collaborative sharing time that fosters connection and empathy, empowers student voice, and promotes equal amount of voice. Guided reflection exercises including breathing, sensory, and other activities that support self-regulation and self-awareness. Celebrations of growth that highlight students' Strength and skill development while applying a growth mindset.
---	--	--

6	What is the target population for this program?	Children and Young Adults - 0-13 (through 8th grade); Children and Young Adults - 14-18 (high school aged); Children and Young Adults - 19-24 (post-grad through college); Others
6(a).	What is the target population for this program? - Others	School Staff including counselors, teachers, and administrators.
7	On what date was this program funded? (Use the format MM/DD/YYYY.)	10/13/2025
8	What is the total amount of funding for this program?	\$4,500.00
8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$4,500.00
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$0.00
9	How often is your subdivision disbursing funds to this program?	Others
9(a).	How often is your subdivision disbursing funds to this program? - Others	When recertification is needed.
10	On what date was this program launched? (Use the format MM/DD/YYYY.)	10/13/2025
11	Choose the duration of the program from the list below.	2-3 years
12	What is the number of unduplicated individuals served by this program?	8000

13	What is the intended impact of this program?	Promoting Well-Being: Fostering resilience, healthy coping mechanisms, and a higher sense of purpose among young people. Increasing Help-Seeking: Encouraging students to proactively seek support and connect peers in distress with trusted adult advisors. Building Connectedness: Enhancing perceptions of adult support and strengthening peer networks to reduce isolation. Shifting Cultural Norms: Utilizing trained peer leaders to create a continuous "contagion of strength" rather than focusing strictly on crisis response or trauma statistics. The Eight Protective Factors Family Support: Positive, supportive relationships with family members, including extended family, foster families, or chosen family networks. Positive Friends: Peers who uplift, support, and encourage healthy choices and behaviors, reducing isolation. Mentors: Trusted adults outside of the immediate family—such as teachers, coaches, youth leaders, or neighbors—who offer guidance and a safe space to talk. Healthy Activities: Hobbies, sports, arts, or routines that reduce stress, build skills, and provide a positive outlet for physical and mental energy. Generosity: Acts of kindness, volunteering, and helping others, which foster a sense of purpose, community connection, and personal value. Spirituality: A sense of meaning, purpose, or connection to something larger than oneself, which can be practiced through faith traditions, cultural practices, meditation, or spending time in nature. Physical Health: Taking care of the body through adequate sleep, proper nutrition, medical care, and physical movement to directly support emotional well-being. Mental Health: Access to professional therapy, counseling, support groups, or practicing intentional self-care and emotional regulation strategies.
----	--	--

14	Which key performance indicators are you tracking to ensure success of the program? List all that apply, including, but not limited to, the following:	
	Other:	Reports from School Administrators.
15	How frequently are you measuring the key performance indicators listed above?	Annually
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	The Eight Protective Factors Family Support: Positive, supportive relationships with family members, including extended family, foster families, or chosen family networks. Positive Friends: Peers who uplift, support, and encourage healthy choices and behaviors, reducing isolation. Mentors: Trusted adults outside of the immediate family—such as teachers, coaches, youth leaders, or neighbors—who offer guidance and a safe space to talk. Healthy Activities: Hobbies, sports, arts, or routines that reduce stress, build skills, and provide a positive outlet for physical and mental energy. Generosity: Acts of kindness, volunteering, and helping others, which foster a sense of purpose, community connection, and personal value. Spirituality: A sense of meaning, purpose, or connection to something larger than oneself, which can be practiced through faith traditions, cultural practices, meditation, or spending time in nature. Physical Health: Taking care of the body through adequate sleep, proper nutrition, medical care, and physical movement to directly support emotional well-being. Mental Health: Access to professional therapy, counseling, support groups, or practicing intentional self-care and emotional regulation strategies. The program is trying to turn a school environment into a place where seeking help is viewed as a strength, and every student has a clear roadmap of

		internal and external resources to navigate life's storms. Because it is an upstream culture-building initiative rather than a standard clinical intervention, tracking focuses on how well the program is run and the social shift it creates. [1] (https://www.cmsk12.org/post-details/~board/operational-excellence/post/sources-of-strength), [2] (https://theathenaforum.org/prevention-101/excellence-prevention-strategy-list/sources-strength) 1. Implementation Fidelity Tracking Schools that implement the program utilize toolkit resources and web-based tracking systems to monitor implementation fidelity (how closely the school adheres to the proven program model). They track specific benchmarks, including: [1] (http://ga-sps.org/public/resources/sources-of-strength1674119047.pdf) The 10% Representation Metric: Tracking whether the school has successfully recruited and trained roughly 5% to 10% of the student body as peer leaders. Evaluators measure whether these peer leaders represent diverse social circles and backgrounds, ensuring the program reaches at-risk subcultures. [1] (https://www.safestates.org/news/693006/Sources-of-Strength-Breakthrough-in-Youth-Suicide-Prevention.htm), [2] (https://crimesolutions.ojp.gov/ratedprograms/sources-strength), [3] (https://www.frontiersin.org/journals/public-health/articles/10.3389/fpubh.2024.1426922/full) Adult-to-Peer Ratios: Monitoring that a healthy ratio of trained "Trusted Adult Advisors" (ideally a 10:1 peer-to-adult ratio) is actively participating and guiding the bi-weekly meetings. Campaign Reach: Logging the volume and format of school-wide messaging campaigns (such as social media pushes, school assemblies, or interactive art displays).
--	--	--

17	Primary Category (Please select the category that fits the primary focus of this program):	Primary Prevention, Education, and Training
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Harm Reduction and Overdose Prevention
18(a)	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above). - Others	
19	Select the "Schedule B" approved strategy or strategies that best match the primary focus of this program.	Prevent Misuse of Opioids, Leadership, Planning and Coordination, Training
20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	As an upstream public health initiative, Sources of Strength addresses Opioid Use Disorder (OUD), co-occurring substance use disorders (SUD), and mental health conditions by cultivating socioecological protective factors that prevent the initiation of substance misuse and mitigate underlying psychological distress. Recent public health research highlights that adolescents facing bullying or suicidality are at a uniquely elevated risk for nonmedical prescription opioid use (NMPOU).

21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	Sole Source Procurement Because Sources of Strength is a proprietary, branded program with an exclusive evidence base (e.g., its specific peer-led, 8-pillar wheel model), it cannot be perfectly replicated by another vendor. The Process: Once a school board or district committee researches the program and determines it meets their specific cultural or mental health goals, the purchasing department typically issues a Sole Source Justification. The Outcome: This allows the district to bypass traditional competitive bidding laws—which require comparing multiple identical products—and buy the curriculum packages, digital assets, and coaching certifications directly from the organization or an authorized state affiliate. [
22	If you would like to provide any additional details about this program not already included above, you may do so here.	
	2026 Fiscal Program List	
1	What is the name/title of the program?	Stress Less
2	List all agencies, organizations, or entities that received funding for this program.	Library, Alliance, Mental Health Task Force
3	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply.	Community Based Organizations/Non-Governmental Organizations; County or Municipality (including Departments and Municipal Alliances)
4	What is the primary problem being addressed by this program?	Prevention

5	Briefly describe the program's purpose and key activities.	This program runs programming to not only provide resources but also teach community members how to destress.
6	What is the target population for this program?	Others
6(a).	What is the target population for this program? - Others	Every Stress Less event targets a different age group. This allows us to provide age appropriate resources.
7	On what date was this program funded? (Use the format MM/DD/YYYY.)	12/22/2025
8	What is the total amount of funding for this program?	\$2,700.40
8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$2,700.40
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$0.00
9	How often is your subdivision disbursing funds to this program?	Others
9(a).	How often is your subdivision disbursing funds to this program? - Others	Twice per year.
10	On what date was this program launched? (Use the format MM/DD/YYYY.)	12/22/2025
11	Choose the duration of the program from the list below.	4-5 years
12	What is the number of unduplicated individuals served by this program?	500
13	What is the intended impact of this program?	Provide Prevention Education, resources and Stress reduction.
14	Which key performance indicators are you tracking to ensure success of the program? List all that apply, including, but not limited to, the following:	

	Number of participants served:	500
15	How frequently are you measuring the key performance indicators listed above?	Semi-annually
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	We are hoping to develop a following.
17	Primary Category (Please select the category that fits the primary focus of this program):	Primary Prevention, Education, and Training
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Harm Reduction and Overdose Prevention
18(a) .	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above). - Others	
19	Select the "Schedule B" approved strategy or strategies that best match the primary focus of this program.	Prevent Misuse of Opioids
20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	We have providers and professionals at this event. They can provide information and referrals. we also runs programs to teach mindfulness.

21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	We work together to determine what is needed and where to source the materials.
22	If you would like to provide any additional details about this program not already included above, you may do so here.	
	2026 Fiscal Program List	
1	What is the name/title of the program?	Credible minds
2	List all agencies, organizations, or entities that received funding for this program.	Credible Minds
3	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply.	Private/For-profit Organizations
4	What is the primary problem being addressed by this program?	Opioid Use Disorder prevention, mental health
5	Briefly describe the program's purpose and key activities.	This is an online resource which provides educational information to the community regarding drug prevention and mental health. There are many assessments as well which will identify whether it is time to seek care along with resources for that care.
6	What is the target population for this program?	Members of the General Public
7	On what date was this program funded? (Use the format MM/DD/YYYY.)	10/27/2025
8	What is the total amount of funding for this program?	\$3,250.00

8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$3,250.00
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$0.00
9	How often is your subdivision disbursing funds to this program?	Annually
10	On what date was this program launched? (Use the format MM/DD/YYYY.)	10/27/2025
11	Choose the duration of the program from the list below.	2-3 years
12	What is the number of unduplicated individuals served by this program?	1000
13	What is the intended impact of this program?	We are hoping that people will seek information that they are uncomfortable seeking, from the comfort of their own home.
14	Which key performance indicators are you tracking to ensure success of the program? List all that apply, including, but not limited to, the following:	
	Number of participants served:	1000
15	How frequently are you measuring the key performance indicators listed above?	Monthly
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	This program maintains statistics for us.
17	Primary Category (Please select the category that fits the primary focus of this program):	Primary Prevention, Education, and Training

18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Harm Reduction and Overdose Prevention; Recovery Supports
19	Select the "Schedule B" approved strategy or strategies that best match the primary focus of this program.	Connections to Care, Prevent Misuse of Opioids
20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	This site contains numerous educational trainings, along with a list of local resources.
21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	we went to a prevention conference and met a community using this program and they loved it.
22	If you would like to provide any additional details about this program not already included above, you may do so here.	
	2026 Fiscal Program List	
1	What is the name/title of the program?	Household Mailing Program
2	List all agencies, organizations, or entities that received funding for this program.	Verde Environmental

3	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply.	Others
3(a).	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply. - Others	Verde environmental is a non Profit organization.
4	What is the primary problem being addressed by this program?	Opioid Use Disorder prevention
5	Briefly describe the program's purpose and key activities.	Verde Environmental provides opioid-neutralizing materials directly to individual households, along with drug prevention education and information on available resources. Residents are also provided with links to mental health and opioid treatment resources to help connect them with appropriate support and services.
6	What is the target population for this program?	Members of the General Public
7	On what date was this program funded? (Use the format MM/DD/YYYY.)	4/13/2026
8	What is the total amount of funding for this program?	\$150,000.00
8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$40,637.40
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$22,810.86
9	How often is your subdivision disbursing funds to this program?	Others
9(a).	How often is your subdivision disbursing funds to this program? - Others	Based on the funds we receive, we are targeting with the use of Verde environmental, sects of the community. We don't have enough funding at this point to cover all residents.

10	On what date was this program launched? (Use the format MM/DD/YYYY.)	4/1/2026
11	Choose the duration of the program from the list below.	4-5 years
12	What is the number of unduplicated individuals served by this program?	10000
13	What is the intended impact of this program?	We are looking to keep unused opioids out of households. Many people leave unused RX's in their medicine cabinets which leads to trouble. We are looking to remove this access to opioids.
14	Which key performance indicators are you tracking to ensure success of the program? List all that apply, including, but not limited to, the following:	
	Number of participants served:	10000
	Increased community awareness (please describe):	By receiving these materials we know each of those households have received drug prevention materials and education.
15	How frequently are you measuring the key performance indicators listed above?	Quarterly
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	Our first measurement is how many homes are we reaching. SO by knowing specifically how many household received the materials we have that measurement.
17	Primary Category (Please select the category that fits the primary focus of this program):	Primary Prevention, Education, and Training
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Harm Reduction and Overdose Prevention

19	Select the "Schedule B" approved strategy or strategies that best match the primary focus of this program.	Connections to Care, Prevent Misuse of Opioids, Prevent Overdose Deaths and Other Harms (Harm Reduction)
20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	Upon receiving the mailing, residents will also receive opioid prevention education, information on available treatment and mental health resources, and opioid-neutralization materials. These materials will provide residents with a safe way to neutralize and dispose of unused or unwanted opioids, helping to reduce the risk of misuse and potential overdose.
21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	We reviewed all of the organizations that make neutralization packets. This is the only organization that has the technology to identify key sects of the community and tailor a mailing to East Brunswick specifically including prevention education and a QR code with local resources for care.
22	If you would like to provide any additional details about this program not already included above, you may do so here.	
	2024 Fiscal Program List	
1	Program Name/Title	CALM
2	Have there been any modifications or expansions to this program since the initial report? :	No, Program was a one-time event
3	Amount expended in this reporting period (7/1/2023 - 6/30/ 2024)	\$6,947.50
4	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of	

	people served, # of naloxone kits distributed)?	
	Number of participants served:	329
5	Is there anything else you would like to share or highlight regarding the progress and impact of this program? :	Yes
	5a) If yes, please explain:	We implemented this program in the hopes that it would be an effective prevention technique for the municipality. Unfortunately, fewer people than expected made use of these prevention techniques. Therefore we are thinking about not renewing. We want the funds to be accessed by as many people as possible.
6	Last Updated Date :	8/25/2025
	2024 Fiscal Program List	
1	Program Name/Title	Fatal Vision® Opioid Program Kit
2	Have there been any modifications or expansions to this program since the initial report? :	No modifications/expansions
3	Amount expended in this reporting period (7/1/2023 - 6/30/ 2024)	\$5,309.95
4	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of participants served:	500
5	Is there anything else you would like to share or highlight regarding the	Yes

	progress and impact of this program? :	
	5a) If yes, please explain:	These materials can be used over and over again. SO although we are planning to continue using these materials for prevention purposes, we do not need to expend more funds to perpetuate this program going forward.
6	Last Updated Date :	8/18/2025
	2024 Fiscal Program List	
1	Program Name/Title	Purchase of Educational Materials
2	Have there been any modifications or expansions to this program since the initial report? :	Yes, modification to funding amount
	2a) If yes, please explain:	The quantity of materials purchased each year is based on community demand and the number of residents who collect materials at the events where we provide outreach and educational resources.
3	Amount expended in this reporting period (7/1/2025 - 6/30/ 2026)	\$2,449.50
4	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Increased community awareness (please describe):	conversation, engagement
5	Is there anything else you would like to share or highlight regarding the progress and impact of this program? :	No
6	Last Updated Date :	9/1/2026
	2024 Fiscal Program List	

1	Program Name/Title	Blue Cares.reentry
2	Have there been any modifications or expansions to this program since the initial report? :	Yes, modification to funding amount
	2a) If yes, please explain:	We are continuing to support our local Blue Cares participants. These costs will continue to rise as we continue to run monthly sessions for our residents that have been affected by the opioid epidemic cultivated by pharma.
3	Amount expended in this reporting period (7/1/2025 - 6/30/ 2026)	\$6,050.00
4	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of participants served:	57
	Number of referrals to treatment	40
5	Is there anything else you would like to share or highlight regarding the progress and impact of this program? :	Yes
	5a) If yes, please explain:	We will be continuing to support our residents through this journey. Many successfully navigate this journey and move on from the program. But, there are many that need increased support and recovery services. We have plans to provide treatment support to those that are either uninsured or underinsured. This will be reflected in our next report.
6	Last Updated Date :	9/1/2026

Opioid Settlement Funding Report		
Subdivision: Edison Township		
	State ID:	NJ52
	County Name:	Middlesex
	Address:	100 Municipal Blvd, Edison, New Jersey, 08817
	Subdivision Contact Name:	Ken DeRoberts
	Subdivision Contact Email:	KDeRoberts@edisonnj.gov
Fiscal Year: 2026		
1	What is the total amount of opioid abatement funds that your subdivision received during the current reporting period (7/1/2025 - 6/30/2026)?	\$799,808.07
2	What is the amount of accrued interest on the total amount of opioid abatement funds that your subdivision has received during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$0.00
3	What is the total amount of opioid abatement funds that your subdivision has received since the distribution of opioid abatement funds began in 2022?	\$4,768,825.74
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a municipality and did not transfer our funds
5	What is the amount of opioid abatement funds that your subdivision transferred to the county during the current reporting period (7/1/2025 - 6/30/2026)?	
6	What is the total amount of opioid abatement funds that your subdivision spent/expended during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$2,427,257.03

	You will be required to answer specific questions about the expenditures below in order for your annual report to be considered complete.	
7	What amount of opioid abatement funds did your subdivision appropriate/encumber but not yet spend during the current reporting period (7/1/2025 - 6/30/2026)?	\$0.00
8	What amount of opioid abatement funds did your subdivision spend on administrative expenses during the current reporting period (7/1/2025 - 6/30/2026)?	\$172,990.42
	You must also provide details about administrative expenses in Question 8a below.	

8a.	Provide details regarding any administrative expenses spent during the current reporting period (7/1/2025 - 6/30/2026).	During the reporting period, administrative expenditures supported the Township's coordination, planning, oversight, implementation, and evaluation of opioid settlement-funded initiatives. The Township began a more structured, organization-wide process to assess community needs, review existing opioid-related programs and expenditures, identify potential new initiatives, and determine how settlement funds could be deployed most effectively and in accordance with allowable uses. This included coordination among municipal departments and program partners, internal planning meetings, review of proposed expenditures and programming, development and monitoring of performance measures, collection and evaluation of program and expenditure data, and ongoing compliance and reporting activities. Administrative resources also supported the development of improved procedures for tracking expenditures and program outcomes across multiple departments and initiatives, helping the Township strengthen accountability, measure the impact of its investments, and make informed decisions regarding future use of opioid settlement funds.
9	What amount of unspent/uncommitted opioid abatement funds from any reporting year does your subdivision currently have on hand?	\$2,265,931.61

10	What were your subdivision's overarching goals and values in its use of opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	During the reporting period, the Township's overarching goal was to continue and strengthen the opioid abatement initiatives established during the prior reporting period while developing a more coordinated, strategic approach to the long-term use of settlement funds. The Township remained focused on prevention, education and awareness, harm reduction, recovery support, mental and behavioral health, public safety, and connecting individuals and families with appropriate resources and services. At the same time, the Township worked to move beyond individual programs toward a more comprehensive approach to opioid abatement. This included continuing successful existing initiatives, advancing programs already under development, evaluating community needs and opportunities for additional programming, strengthening coordination among municipal departments and community partners, and considering how settlement funds can be deployed to achieve meaningful and sustainable impact. The Township also placed increased emphasis on accountability and measurable outcomes so that future funding decisions can be informed by program performance, demonstrated community need, and the effectiveness of prior investments.
----	---	---

11	Which official(s) were involved in deciding how to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Decisions regarding the use of opioid abatement funds were made through a collaborative, cross-departmental process involving representatives from the Township's Administration, Department of Health and Human Services, Police Department, and Finance Department, with support from the Township's consulting team. Collectively, these representatives reviewed existing and proposed programs, community needs, allowable uses of settlement funds, available resources, program implementation considerations, and reporting and compliance requirements to help guide funding decisions.
12	Which resources did your subdivision use when deciding to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	The Township utilized multiple resources to guide its use of opioid abatement funds during the reporting period. These included the "Schedule B" list of approved opioid remediation uses contained in Exhibit A to the January 28, 2022 Memorandum of Agreement between the State of New Jersey and Local Governments on Opioid Litigation Recoveries; evidence-based and evidence-informed practices and strategies applicable to prevention, treatment, recovery, mental and behavioral health, and public safety; available program and community data; experience from previously implemented Township initiatives; and input from municipal departments, service providers, and other community partners. The Township also initiated a comprehensive Community Health Assessment during the reporting
	List all that apply, including, but not limited to, the following:	
	(1) Any evidence-based or evidence-informed practices or strategies;	

	(2) The "Schedule B" list of approved opioid remediation uses attached as Exhibit A to the January 28, 2022 "Memorandum of Agreement Between the State of New Jersey and Local Governments on Opioid Litigation Recoveries" to which your subdivision is a signatory;	period to better identify community needs and priorities. The assessment included a community-wide survey with questions addressing mental health, substance and drug use, access to services, and other health concerns. Preliminary survey responses were reviewed during the reporting period, and the Township intends to use the completed assessment and resulting data to further inform program development, identify service gaps, establish priorities, and guide future opioid abatement investments. Collectively, these resources helped the Township evaluate existing programs and proposed initiatives, ensure alignment with allowable opioid remediation uses, and move toward an increasingly data-informed and needs-based approach to the use of settlement funds.
	(3) A needs assessment;	
	(4) A strategic plan; and/or	
	(5) An epidemiological analysis;	
13	During the current reporting year (7/1/2025 - 6/30/2026), did your subdivision engage the public (e.g., through town hall meetings, online surveys, or other means of communicating with stakeholders) prior to deciding how to use the opioid abatement funds you received?	Yes

13a	If yes, provide details about your public engagement/input efforts.	During the reporting period, the Township, through its Department of Health and Human Services, initiated a comprehensive Community Health Assessment to obtain direct input from residents regarding community health needs and priorities. As part of the assessment, the Township developed and distributed a community survey that was open to Edison residents age 18 and older and included questions addressing mental health, substance and drug use, health concerns, access to services, demographics, and other factors affecting community health. The survey was made available through the Township's website and was distributed and promoted through Township departments and other community outreach. The Township also planned additional stakeholder engagement through focus groups as part of the assessment process. Responses were reviewed as they were received, with mental health emerging as a leading community priority during the reporting period. The Township intends to use the assessment findings, together with other program and community data, to help identify service gaps, establish priorities, and inform future opioid abatement programming and funding decisions.
14	For how many years have settlement spending allocations already been decided?	1 - 2 years
15	Does your subdivision have a strategic plan regarding the use of opioid abatement funds?	No, but we plan to in the future

	If yes, choose "Yes" and upload/link to the strategic plan or summarize the plan in Question 15a	
16	Have you completed a Risk Assessment profile for demographic or geographic impact?	No, but we plan to in the future
17	Did your subdivision fund any programs using opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026)? A) For new programs, use the "Add Program" tab to report on each new program. B) For previously-reported programs, use the "Update" tab in the 'Prior Fiscal Year Programs' section to provide updates on programs reported during prior fiscal years. If you reported spending any opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026) in Question 6, you must answer the following questions for each program funded by opioid abatement funds.	Yes
	2026 Fiscal Program List	
1	What is the name/title of the program?	JFK Opioid Treatment, Recovery & Support Services Initiative
2	List all agencies, organizations, or entities that received funding for this program.	JFK University Medical Center
3	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply.	Hospital/Healthcare Provider (including Mental Health or Substance Use Treatment Provider)

4	What is the primary problem being addressed by this program?	The program addresses insufficient access to comprehensive treatment, recovery and support services for Edison residents affected by Opioid Use Disorder (OUD), including individuals with co-occurring substance use and mental-health conditions. It also addresses barriers to treatment engagement and continuity of care, including the need for appropriately trained healthcare personnel, peer recovery support, transportation and connections to community resources.
5	Briefly describe the program's purpose and key activities.	The program will increase access to treatment and recovery services for individuals with OUD and co-occurring substance use or mental-health conditions by strengthening JFK University Medical Center's continuum of care. Key activities include annual specialized addiction-medicine training for multidisciplinary hospital staff; dedicated addiction-medicine physician and behavioral-health counseling capacity; full-time peer recovery support; assistance connecting patients with treatment and community resources; transportation assistance intended to reduce barriers to continued treatment; point-of-care testing; and community addiction and overdose awareness activities. The program is designed to improve identification, engagement, treatment, recovery support and continuity of care while strengthening the capacity of a major community healthcare

		provider to respond to opioid-related needs.
6	What is the target population for this program?	Healthcare Personnel and Workforce; Individuals in Recovery; Individuals in Treatment; Individuals who Use Drugs
7	On what date was this program funded? (Use the format MM/DD/YYYY.)	12/22/2025
8	What is the total amount of funding for this program?	\$1,000,000.00
8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$333,334.00
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$0.00
9	How often is your subdivision disbursing funds to this program?	Annually
10	On what date was this program launched? (Use the format MM/DD/YYYY.)	1/1/2026

11	Choose the duration of the program from the list below.	2-3 years
12	What is the number of unduplicated individuals served by this program?	50
13	What is the intended impact of this program?	The intended impact is to increase timely access to evidence-informed OUD treatment and recovery services; improve identification, assessment and appropriate placement of individuals with addiction and co-occurring conditions; strengthen continuity of care following hospital encounters; reduce barriers to treatment participation; increase engagement and retention in recovery; improve connections to community resources; and strengthen JFK's institutional capacity to respond effectively to opioid-related needs in the Edison community.
14	Which key performance indicators are you tracking to ensure success of the program? List all that apply, including, but not limited to, the following:	
	Other:	Treatment engagement/retention; transportation assistance provided; peer-recovery contacts; and point-of-care testing performed.
15	How frequently are you measuring the key performance indicators listed above?	Semi-annually

16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	The program aims to increase access to and engagement in evidence-informed OUD treatment and recovery services; improve appropriate assessment and placement of patients with addiction and co-occurring conditions; increase access to addiction-trained clinical professionals; improve treatment retention and continuity of care; reduce transportation and other barriers to participation; strengthen peer recovery support; and improve connections between patients and community-based resources. Progress will be measured through unduplicated patients served; clinical, counseling and peer-support encounters; referrals and connections to treatment; treatment participation and retention where available; transportation assistance provided; point-of-care testing; staff completing specialized addiction-medicine training; and community awareness activities. JFK should report these measures to the Township periodically throughout the three-year funding period.
17	Primary Category (Please select the category that fits the primary focus of this program):	Treatment
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Primary Prevention, Education, and Training; Recovery Supports; Workforce Development and Capacity Building; Wraparound and Connected Care Supports
19	Select the "Schedule B" approved strategy or strategies that best	Treat Opioid Use Disorder (OUD), Support People in Treatment

	match the primary focus of this program.	and Recovery,Connections to Care,Training
20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	The program incorporates evidence-based and evidence-informed approaches to the treatment of OUD and co-occurring substance use and mental-health conditions. Clinical staff will receive specialized training through the American Society of Addiction Medicine (ASAM), including training in the ASAM Criteria, which utilizes a multidimensional, strengths-based assessment to determine appropriate levels of care based upon a patient's clinical needs, risks, strengths, resources and support structure. The program also expands access to addiction-medicine expertise, behavioral-health counseling and peer recovery support. The peer specialist will use lived recovery experience to build trust, support continued engagement, mentor patients, assist with recovery groups, advocate for patients and connect individuals with community resources. Transportation assistance further addresses a practical barrier to treatment participation and continuity of care.

21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	The Township awarded a professional services contract to HMM Hospitals Corporation/JFK Medical Center pursuant to the New Jersey Local Public Contracts Law, N.J.S.A. 40A:11-1 et seq. The contract was awarded pursuant to N.J.S.A. 40A:11-5 as a professional services contract without public advertising for bids and as a non-fair and open contract pursuant to N.J.S.A. 19:44A-20.5 et seq. JFK Medical Center submitted a detailed proposal to provide Opioid Use Disorder (OUD) and co-occurring Substance Use Disorder or Mental Health (SUD/MH) treatment and recovery services. The Township reviewed the proposed scope of services and determined that engaging a hospital system to provide these specialized medical, behavioral-health and recovery services was in the best interests of the Township and its residents. The Township Council subsequently authorized a one-year professional services contract in an amount not to exceed \$333,334, consistent with JFK's proposal. The professional services method was utilized because the program requires specialized medical, clinical, behavioral-health and addiction-treatment expertise and services. The award was made in accordance with the applicable provisions of the Local Public Contracts Law and the Township's requirements for a non-fair and open professional services contract.
----	--	--

22	If you would like to provide any additional details about this program not already included above, you may do so here.	The Township elected to support this initiative as a three-year investment in sustainable local treatment and recovery capacity rather than as a one-time program. The initiative combines clinical treatment, behavioral-health services, peer recovery support, workforce training, transportation assistance, testing and community awareness within a coordinated healthcare setting. The multi-year structure is intended to provide sufficient time to recruit and retain dedicated personnel, integrate enhanced addiction services into JFK's existing healthcare system, build patient awareness and utilization, evaluate program performance, and demonstrate measurable outcomes. The Township's annual funding commitment also provides an opportunity to monitor implementation and program results throughout the grant period and use those results to inform continuing opioid-abatement investments. The Township established this initiative as a planned three-year investment in local OUD treatment, behavioral-health and recovery capacity, with services implemented through annual professional services contracts. For the current reporting period, the Township Council authorized a one-year contract with HMM Hospitals Corporation/JFK Medical Center in an amount not to exceed \$333,334. Continued annual funding will provide the Township an opportunity to evaluate implementation and program performance as the initiative progresses. The program combines
----	---	--

		specialized addiction-medicine treatment, behavioral-health counseling, peer recovery support, evidence-informed workforce training, transportation assistance, testing and community awareness within an established healthcare system serving Edison residents. The multi-year approach is intended to provide sufficient time to establish dedicated staffing, integrate enhanced addiction services into JFK's existing continuum of care, increase patient engagement and utilization, and evaluate measurable outcomes. JFK is also an important existing point of contact for individuals affected by substance use. Its proposal reports that the Medical Center treated 2,785 emergency-department patients with a substance-related problem as their primary complaint during 2022–2023, providing an existing clinical setting in which individuals can be identified, engaged and connected with enhanced treatment and recovery services.
	2026 Fiscal Program List	
1	What is the name/title of the program?	Police Opioid Response Capacity Building & Coordination Initiative
2	List all agencies, organizations, or entities that received funding for this program.	Township of Edison – Police Department
3	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply.	County or Municipality (including Departments and Municipal Alliances); First Responders, Law Enforcement, and Emergency Services

4	What is the primary problem being addressed by this program?	The program addresses the continuing impact of opioid and other substance use on the community and the need to ensure that law enforcement personnel who regularly encounter individuals and families affected by substance use, overdose, behavioral-health conditions, and related public-safety concerns are appropriately prepared, informed, coordinated, and integrated into the Township's broader opioid-abatement strategy.
5	Briefly describe the program's purpose and key activities.	The Police Opioid Response Capacity Building & Coordination Initiative was undertaken as a concentrated FY2026 effort to more fully integrate the Edison Police Department into the Township's broader opioid-abatement strategy. The initiative focused on strengthening department-wide awareness, preparedness and coordination regarding opioid and substance-use issues; improving awareness of available prevention, treatment, recovery, harm-reduction and behavioral-health resources; enhancing coordination between Police, Health and Human Services and community partners; and developing more consistent processes for responding to, documenting and communicating information regarding opioid-related needs and available services. Because effective implementation required participation across the Department rather than assignment to a single specialized officer or unit, settlement funding supported a limited allocation of Police Department personnel costs associated with planning,

		coordination, education and information sharing, operational integration, data and reporting activities, and implementation of the Township's opioid-abatement strategy during this intensive capacity-building period.
6	What is the target population for this program?	First Responders, Law Enforcement and other Emergency Responders; Individuals involved with the Criminal Justice System; Individuals who Use Drugs; Members of the General Public
6(a).	What is the target population for this program? - Others	
7	On what date was this program funded? (Use the format MM/DD/YYYY.)	7/1/2025
8	What is the total amount of funding for this program?	\$1,179,981.00
8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$1,179,981.00

8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$0.00
9	How often is your subdivision disbursing funds to this program?	Others
9(a).	How often is your subdivision disbursing funds to this program? - Others	Throughout the reporting period as eligible personnel and program costs were incurred.
10	On what date was this program launched? (Use the format MM/DD/YYYY.)	7/1/2025
11	Choose the duration of the program from the list below.	1 year
12	What is the number of unduplicated individuals served by this program?	239
13	What is the intended impact of this program?	The intended impact is to strengthen the Edison Police Department's capacity to function as an integrated component of the Township's opioid-abatement strategy by improving department-wide preparedness, awareness of opioid and substance-use issues and available resources, coordination with Health and Human Services and community partners, consistency of response, and the collection and communication of information necessary to connect residents with appropriate services and inform future Township programming.
14	Which key performance indicators are you tracking to ensure success of the program? List all that apply, including, but not limited to, the following:	
	Number of participants served:	239
15	How frequently are you measuring the key performance indicators listed above?	Annually

16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	The program aims to establish stronger and more consistent department-wide capacity to respond to opioid and substance-use-related needs; improve awareness of available treatment, recovery, harm-reduction and behavioral-health resources; strengthen coordination between law enforcement, public health and community partners; and improve the information available to the Township for evaluating opioid-related needs and future programming. During FY2026, the Township's emphasis was on establishing this foundation and improving the systems necessary to measure future performance. Impact will increasingly be tracked through available training and participation records, opioid- and substance-use-related incident and encounter data, coordination and referral activity where available, and improved departmental and cross-departmental reporting.
17	Primary Category (Please select the category that fits the primary focus of this program):	Workforce Development and Capacity Building
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Harm Reduction and Overdose Prevention; Primary Prevention, Education, and Training; Wraparound and Connected Care Supports
18(a).	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above). - Others	
19	Select the "Schedule B" approved strategy or strategies that best	First Responders, Leadership, Planning and

	match the primary focus of this program.	Coordination, Training
20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	The initiative utilizes evidence-informed strategies that recognize law enforcement and other first responders as important components of a comprehensive community response to opioid use disorder and related substance-use and behavioral-health conditions. The program emphasizes first-responder awareness and preparedness, education regarding opioid and substance-use issues, recognition of co-occurring behavioral-health needs, awareness of treatment, recovery and harm-reduction resources, and coordination among law enforcement, public health, behavioral-health and community partners. By strengthening these capabilities across the Department rather than limiting opioid response to a small number of specialized personnel, the Township seeks to promote more consistent and informed interactions with individuals affected by substance use and improve coordination with the broader network of services available in the community.

21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	The principal expenditures associated with this initiative consisted of an allocation of existing Township Police Department personnel costs and therefore did not involve the procurement of personnel from an outside entity. Police personnel remained Township employees subject to the Township's existing employment, payroll, collective bargaining and personnel procedures. The Township allocated settlement funding to a limited portion of Police Department personnel costs associated with implementation of the FY2026 opioid-response capacity-building initiative. Any outside goods or services associated with the initiative were procured separately through applicable Township purchasing procedures and in accordance with applicable New Jersey procurement requirements.
----	---	--

22	If you would like to provide any additional details about this program not already included above, you may do so here.	FY2026 represented a concentrated capacity-building and implementation period in the Township's opioid-abatement efforts. As Edison continued its existing prevention, recovery, outreach, behavioral-health and public-safety initiatives, the Township also undertook a broader effort to improve coordination among programs, clarify departmental roles, strengthen data collection and reporting, improve awareness of available community resources, and establish a more integrated framework for future opioid-abatement activities. The Police Department was an important component of this effort because its personnel interact throughout the community with individuals and families who may be affected by substance use, overdose, behavioral-health conditions and related public-safety concerns. Rather than limiting opioid-response capacity to a small specialized group, the FY2026 initiative emphasized broader departmental preparedness, awareness, coordination and integration with the Township's health and community-based efforts. Accordingly, the Township allocated a limited portion of Police Department personnel costs to this intensive one-year capacity-building and implementation initiative. The allocation was intended to recognize the Department's role in implementing and integrating the Township's opioid-abatement strategy during this formative period and was not intended to replace the Township's ordinary responsibility
----	---	---

		for funding general law-enforcement operations. Going forward, the systems, program definitions and reporting processes developed during this period are intended to allow the Township to more precisely track activities, expenditures and measurable outcomes associated with its opioid-abatement investments.
	2025 Fiscal Program List	
1	Program Name/Title	Black Poster Project
2	Have there been any modifications or expansions to this program since the initial report? :	No modifications/expansions
3	Amount expended in this reporting period (7/1/2025 - 6/30/ 2026)	\$6,000.00
4	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of participants served:	700

5	Is there anything else you would like to share or highlight regarding the progress and impact of this program? :	No

	2023 Fiscal Program List	
1	Program Name/Title	Opioid/ Naloxone training and awareness
2	Have there been any modifications or expansions to this program since the initial report? :	Yes, modification to funding amount
	2a) If yes, please explain:	The Township continues its opioid and naloxone (Narcan) training and awareness efforts through a variety of community outreach initiatives. These include education and resource distribution at senior centers, supportive housing, food pantries, youth programs, health fairs, community events, and schools. Activities focus on raising awareness of addiction and mental health issues, providing safe spaces to speak with peer specialists, distributing Narcan, educating on warning signs, and connecting residents with local resources. Through these efforts, the Township aims to reduce stigma, support those struggling with substance use or mental health challenges, and ensure the community has access to life-saving interventions and information.
3	Amount expended in this reporting period (7/1/2023 - 6/30/ 2024)	\$207,887.21

4	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of participants served:	1219

2	Have there been any modifications or expansions to this program since the initial report? :	No modifications/expansions
3	Amount expended in this reporting period (7/1/2025 - 6/30/ 2026)	\$295.00
4	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of training/education sessions:	1
5	Is there anything else you would like to share or highlight regarding the progress and impact of this program? :	No
6	Last Updated Date :	8/31/2026
	2023 Fiscal Program List	
1	Program Name/Title	Officer Safety / Evidence Retrieval
2	Have there been any modifications or expansions to this program since the initial report? :	Yes, other modifications/expansions

	2a) If yes, please explain:	During the current reporting period, the Township expanded the Officer Safety / Evidence Retrieval program through additional investment in specialized investigative, forensic, evidence-retrieval, information and operational resources for the Police Department. The expansion was intended to strengthen the Department's capacity to safely investigate and respond to opioid- and substance-use-related activity, identify and retrieve relevant evidence, access information necessary to support investigations, and enhance officer preparedness and operational capabilities. The increased expenditure during this reporting period reflects the acquisition and implementation of these additional resources and capabilities.
3	Amount expended in this reporting period (7/1/2025 - 6/30/ 2026)	\$71,357.58
4	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	

	Other:	The Township continued to strengthen the Police Department's ability to safely and effectively respond to opioid- and substance-use-related activity during the reporting period by expanding access to investigative, forensic, evidence-retrieval, information and operational resources. These investments complement the Township's broader opioid-abatement strategy by strengthening the public-safety component of its response and providing law enforcement personnel with additional capabilities to support investigations, evidence collection and informed response. Acquisition and implementation of investigative, forensic, evidence-retrieval and operational resources supporting Police Department opioid- and substance-use-related response; utilization of these resources in applicable investigations and response activities; and enhancement of departmental capacity to safely identify, document, investigate and respond to opioid- and substance-use-related activity.
5	Is there anything else you would like to share or highlight regarding the progress and impact of this program? :	No
6	Last Updated Date :	8/31/2026

Opioid Settlement Funding Report		
Subdivision: Highland Park Borough		
	State ID:	NJ90
	County Name:	Middlesex
	Address:	221 So. 5th Ave, Highland Park, New Jersey, 08904
	Subdivision Contact Name:	Teri Jover
	Subdivision Contact Email:	tjover@hpboro.com
Fiscal Year: 2026		
1	What is the total amount of opioid abatement funds that your subdivision received during the current reporting period (7/1/2025 - 6/30/2026)?	\$27,512.71
2	What is the amount of accrued interest on the total amount of opioid abatement funds that your subdivision has received during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$0.00
3	What is the total amount of opioid abatement funds that your subdivision has received since the distribution of opioid abatement funds began in 2022?	\$126,313.61
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a municipality and did not transfer our funds
5	What is the amount of opioid abatement funds that your subdivision transferred to the county during the current reporting period (7/1/2025 - 6/30/2026)?	
6	What is the total amount of opioid abatement funds that your subdivision spent/expended during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$22,642.51

	You will be required to answer specific questions about the expenditures below in order for your annual report to be considered complete.	
7	What amount of opioid abatement funds did your subdivision appropriate/encumber but not yet spend during the current reporting period (7/1/2025 - 6/30/2026)?	\$0.00
8	What amount of opioid abatement funds did your subdivision spend on administrative expenses during the current reporting period (7/1/2025 - 6/30/2026)? You must also provide details about administrative expenses in Question 8a below.	\$0.00
8a.	Provide details regarding any administrative expenses spent during the current reporting period (7/1/2025 - 6/30/2026).	N/A
9	What amount of unspent/uncommitted opioid abatement funds from any reporting year does your subdivision currently have on hand?	\$101,671.10
10	What were your subdivision's overarching goals and values in its use of opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Highland Park focused on purchasing life saving equipment, specifically the installation of defibrillators in all Borough buildings and in police vehicles.
11	Which official(s) were involved in deciding how to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	As our funding is modest, Highland Park relies upon input from our Police Department, Community Services Department, and Board of Health to determine the best use of opioid funds. These departments make a recommendation to the Borough Administrator and from there the Mayor is informed and provides input prior to proceeding.

12	Which resources did your subdivision use when deciding to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	The "Schedule B" list of approved opioid remediation uses attached as Exhibit A to the January 28, 2022 "Memorandum of Agreement Between the State of New Jersey and Local Governments on Opioid Litigation Recoveries" to which your subdivision is a signatory.
	List all that apply, including, but not limited to, the following:	
	(1) Any evidence-based or evidence-informed practices or strategies;	
	(2) The "Schedule B" list of approved opioid remediation uses attached as Exhibit A to the January 28, 2022 "Memorandum of Agreement Between the State of New Jersey and Local Governments on Opioid Litigation Recoveries" to which your subdivision is a signatory;	
	(3) A needs assessment;	
	(4) A strategic plan; and/or	
	(5) An epidemiological analysis;	
13	During the current reporting year (7/1/2025 - 6/30/2026), did your subdivision engage the public (e.g., through town hall meetings, online surveys, or other means of communicating with stakeholders) prior to deciding how to use the opioid abatement funds you received?	No
14	For how many years have settlement spending allocations already been decided?	Other
14a.	Please specify other.	Highland Park identifies projects on an annual basis.
15	Does your subdivision have a strategic plan regarding the use of opioid abatement funds?	No
	If yes, choose "Yes" and upload/link to the strategic plan or summarize the plan in Question 15a	

16	Have you completed a Risk Assessment profile for demographic or geographic impact?	No
17	Did your subdivision fund any programs using opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026)?	Yes
	A) For new programs, use the "Add Program" tab to report on each new program.	
	B) For previously-reported programs, use the "Update" tab in the 'Prior Fiscal Year Programs' section to provide updates on programs reported during prior fiscal years.	
	If you reported spending any opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026) in Question 6, you must answer the following questions for each program funded by opioid abatement funds.	
	2026 Fiscal Program List	
1	What is the name/title of the program?	Purchase of defibrillators
2	List all agencies, organizations, or entities that received funding for this program.	Borough of Highland Park
3	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply.	County or Municipality (including Departments and Municipal Alliances)
4	What is the primary problem being addressed by this program?	Lifesaving measures
5	Briefly describe the program's purpose and key activities.	Lifesaving measures

6	What is the target population for this program?	First Responders, Law Enforcement and other Emergency Responders; Members of the General Public
7	On what date was this program funded? (Use the format MM/DD/YYYY.)	8/12/2025
8	What is the total amount of funding for this program?	\$22,642.51
8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$22,642.51
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$0.00
9	How often is your subdivision disbursing funds to this program?	One time only
10	On what date was this program launched? (Use the format MM/DD/YYYY.)	7/9/2025
11	Choose the duration of the program from the list below.	One time only
12	What is the number of unduplicated individuals served by this program?	0
13	What is the intended impact of this program?	To provide lifesaving AEDs to police officers on patrol as well as to all Borough buildings.
14	Which key performance indicators are you tracking to ensure success of the program? List all that apply, including, but not limited to, the following:	
	Other:	Installation and ongoing maintenance of the AEDs.
15	How frequently are you measuring the key performance indicators listed above?	Quarterly
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	To provide lifesaving service if needed. The police department tracks use of AEDs and we will review annually.
17	Primary Category (Please select the category that fits the primary focus of this program):	Harm Reduction and Overdose Prevention

18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	None of the above
18(a).	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above). - Others	
19	Select the "Schedule B" approved strategy or strategies that best match the primary focus of this program.	Prevent Overdose Deaths and Other Harms (Harm Reduction)
20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	This program focuses on life saving measures in the case of overdose.
21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	We solicited quotes for the necessary equipment in line with state regulations.
22	If you would like to provide any additional details about this program not already included above, you may do so here.	

Opioid Settlement Funding Report		
Subdivision: Metuchen Borough		
	State ID:	NJ132
	County Name:	Middlesex
	Address:	500 Main Street, Metuchen, New Jersey, 08840
	Subdivision Contact Name:	Mary Beth Mulligan
	Subdivision Contact Email:	mmulligan@metuchen.com
Fiscal Year: 2026		
1	What is the total amount of opioid abatement funds that your subdivision received during the current reporting period (7/1/2025 - 6/30/2026)?	\$15,405.76
2	What is the amount of accrued interest on the total amount of opioid abatement funds that your subdivision has received during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$0.00
3	What is the total amount of opioid abatement funds that your subdivision has received since the distribution of opioid abatement funds began in 2022?	\$74,420.73
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a municipality and did not transfer our funds
5	What is the amount of opioid abatement funds that your subdivision transferred to the county during the current reporting period (7/1/2025 - 6/30/2026)?	
6	What is the total amount of opioid abatement funds that your subdivision spent/expended during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$10,700.00

	You will be required to answer specific questions about the expenditures below in order for your annual report to be considered complete.	
7	What amount of opioid abatement funds did your subdivision appropriate/encumber but not yet spend during the current reporting period (7/1/2025 - 6/30/2026)?	\$0.00
8	What amount of opioid abatement funds did your subdivision spend on administrative expenses during the current reporting period (7/1/2025 - 6/30/2026)? You must also provide details about administrative expenses in Question 8a below.	\$0.00
8a.	Provide details regarding any administrative expenses spent during the current reporting period (7/1/2025 - 6/30/2026).	N/A
9	What amount of unspent/uncommitted opioid abatement funds from any reporting year does your subdivision currently have on hand?	\$18,669.48
10	What were your subdivision's overarching goals and values in its use of opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Increase community awareness of and provide continuing education on the dangers of opioids.
11	Which official(s) were involved in deciding how to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Chief of Police, Borough Administrator, CFO
12	Which resources did your subdivision use when deciding to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	1. Knowledge of already existing evidenced based programs, 2. Review of the Schedule B list of approved fund uses to ensure compliance,

	List all that apply, including, but not limited to, the following: (1) Any evidence-based or evidence-informed practices or strategies; (2) The "Schedule B" list of approved opioid remediation uses attached as Exhibit A to the January 28, 2022 "Memorandum of Agreement Between the State of New Jersey and Local Governments on Opioid Litigation Recoveries" to which your subdivision is a signatory; (3) A needs assessment; (4) A strategic plan; and/or (5) An epidemiological analysis;	3. Research on programs used at other municipalities.
13	During the current reporting year (7/1/2025 - 6/30/2026), did your subdivision engage the public (e.g., through town hall meetings, online surveys, or other means of communicating with stakeholders) prior to deciding how to use the opioid abatement funds you received?	No
14	For how many years have settlement spending allocations already been decided?	Other
14a.	Please specify other.	We review on a year to year basis.
15	Does your subdivision have a strategic plan regarding the use of opioid abatement funds? If yes, choose "Yes" and upload/link to the strategic plan or summarize the plan in Question 15a	No
16	Have you completed a Risk Assessment profile for demographic or geographic impact?	No
17	Did your subdivision fund any programs using opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026)?	Yes

	A) For new programs, use the "Add Program" tab to report on each new program. B) For previously-reported programs, use the "Update" tab in the 'Prior Fiscal Year Programs' section to provide updates on programs reported during prior fiscal years. If you reported spending any opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026) in Question 6, you must answer the following questions for each program funded by opioid abatement funds.	
	2026 Fiscal Program List	
1	What is the name/title of the program?	BMX Drug Awareness Program
2	List all agencies, organizations, or entities that received funding for this program.	Dialed Action Sports
3	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply.	Private/For-profit Organizations
4	What is the primary problem being addressed by this program?	The risks of drug use
5	Briefly describe the program's purpose and key activities.	The Bike Safety & Drug Awareness program engages young people in sports while emphasizing making responsible choices
6	What is the target population for this program?	Children and Young Adults - 0-13 (through 8th grade); Children and Young Adults - 14-18 (high school aged); Children and Young Adults - 19-24

		(post-grad through college); Members of the General Public
7	On what date was this program funded? (Use the format MM/DD/YYYY.)	8/5/2025
8	What is the total amount of funding for this program?	\$3,000.00
8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$3,000.00
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$0.00
9	How often is your subdivision disbursing funds to this program?	One time only
10	On what date was this program launched? (Use the format MM/DD/YYYY.)	8/5/2025
11	Choose the duration of the program from the list below.	One time only
12	What is the number of unduplicated individuals served by this program?	150
13	What is the intended impact of this program?	To engage young people in bike fun and safety and educate them on how using drugs can seriously negatively impact performance in sports and in life.
14	Which key performance indicators are you tracking to ensure success of the program? List all that apply, including, but not limited to, the following:	
	Number of participants served:	150
15	How frequently are you measuring the key performance indicators listed above?	Others:

15(a).	How frequently are you measuring the key performance indicators listed above? - Others	This was a onetime program held at the Borough's National Night Out event, which provided the opportunity to engage the greatest number of young people in the community at one time.
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	Educating young people about the negative impact of opioid use.
17	Primary Category (Please select the category that fits the primary focus of this program):	Primary Prevention, Education, and Training
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	None of the above
19	Select the "Schedule B" approved strategy or strategies that best match the primary focus of this program.	Prevent Misuse of Opioids
20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	This program was held to demonstrate an athlete's capabilities when dedicated to working hard and living a healthy and drug free existence, reinforcing that using opioids and other drugs will negatively impact performance in sports and in other areas of life. The athletes provided personal stories and relatable examples to encourage those watching the performance to choose a healthy, drug-free life.
21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	The Borough Chief of Police identified the program as an entertaining way to engage young people in positive athletic endeavors like biking while educating them on the negative impact of opioids and other drug use. The Borough followed all applicable procurement laws and regulations to engage the organization. Having the program

		during the annual National Night Out event ensured that more people were likely to participate and hear the message.
22	If you would like to provide any additional details about this program not already included above, you may do so here.	
	2026 Fiscal Program List	
1	What is the name/title of the program?	New Jersey Elks Peer Leadership Conference
2	List all agencies, organizations, or entities that received funding for this program.	NJ STATE ELKS ASSOCIATION
3	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply.	Community Based Organizations/Non-Governmental Organizations
4	What is the primary problem being addressed by this program?	Drug use and how it effects communities and families
5	Briefly describe the program's purpose and key activities.	Educate students to make healthy decisions and in turn assist peers in doing the same
6	What is the target population for this program?	Children and Young Adults - 0-13 (through 8th grade); Children and Young Adults - 14-18 (high school aged)
7	On what date was this program funded? (Use the format MM/DD/YYYY.)	2/6/2026
8	What is the total amount of funding for this program?	\$7,700.00

8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$7,700.00
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$0.00
9	How often is your subdivision disbursing funds to this program?	Others
9(a).	How often is your subdivision disbursing funds to this program? - Others	Annually if sufficient funding is available.
10	On what date was this program launched? (Use the format MM/DD/YYYY.)	2/6/2026
11	Choose the duration of the program from the list below.	One time only
12	What is the number of unduplicated individuals served by this program?	20
13	What is the intended impact of this program?	To train students on the dangers of drugs and to have them educate others in their school and community.
14	Which key performance indicators are you tracking to ensure success of the program? List all that apply, including, but not limited to, the following:	
	Number of participants served:	20
15	How frequently are you measuring the key performance indicators listed above?	Annually
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	Educating students to the negative impact of drug use and having them share that knowledge with other students and family members.
17	Primary Category (Please select the category that fits the primary focus of this program):	Primary Prevention, Education, and Training
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	None of the above

19	Select the "Schedule B" approved strategy or strategies that best match the primary focus of this program.	Prevent Misuse of Opioids
20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	The yearly Elks Peer Leadership Conference teaches kids about the dangers of drug use and how to make healthy decision for themselves. It also provides them with tools and resources to become leaders and educate their peers and others in their community.
21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	The Borough followed all applicable procurement laws and regulations to engage the organization. The New Jersey Elks Peer Leadership Conference is an annual statewide initiative organized by the Elks. The local chapter works with the schools to identify students who are interested in the program and who are active in their school, which aids in increasing the program's impact.
22	If you would like to provide any additional details about this program not already included above, you may do so here.	
	2023 Fiscal Program List	
1	Program Name/Title	Metuchen CARES
2	Have there been any modifications or expansions to this program since the initial report? :	No, Program was a one-time event
3	Amount expended in this reporting period (7/1/2023 - 6/30/ 2024)	\$0.00
4	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Increased community awareness (please describe):	Education via multiple platforms

5	Is there anything else you would like to share or highlight regarding the progress and impact of this program? :	No
6	Last Updated Date :	8/25/2025

Opioid Settlement Funding Report		
Subdivision: Middlesex Borough		
	State ID:	NJ134
	County Name:	Middlesex
	Address:	1200 Mountain Ave, Middlesex, New Jersey, 08846
	Subdivision Contact Name:	Caroline Benson
	Subdivision Contact Email:	cbenson@middlesexboro-nj.gov
Fiscal Year: 2026		
1	What is the total amount of opioid abatement funds that your subdivision received during the current reporting period (7/1/2025 - 6/30/2026)?	\$10,576.34
2	What is the amount of accrued interest on the total amount of opioid abatement funds that your subdivision has received during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$715.75
3	What is the total amount of opioid abatement funds that your subdivision has received since the distribution of opioid abatement funds began in 2022?	\$63,592.56
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a municipality and did not transfer our funds
5	What is the amount of opioid abatement funds that your subdivision transferred to the county during the current reporting period (7/1/2025 - 6/30/2026)?	
6	What is the total amount of opioid abatement funds that your subdivision spent/expended during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$22,280.60

	You will be required to answer specific questions about the expenditures below in order for your annual report to be considered complete.	
7	What amount of opioid abatement funds did your subdivision appropriate/encumber but not yet spend during the current reporting period (7/1/2025 - 6/30/2026)?	\$0.00
8	What amount of opioid abatement funds did your subdivision spend on administrative expenses during the current reporting period (7/1/2025 - 6/30/2026)? You must also provide details about administrative expenses in Question 8a below.	\$8,330.60
8a.	Provide details regarding any administrative expenses spent during the current reporting period (7/1/2025 - 6/30/2026).	Our Police Dept sent 31 officers for training at an Operation Readiness Program and each was paid for (4) hours of time to attend this program.
9	What amount of unspent/uncommitted opioid abatement funds from any reporting year does your subdivision currently have on hand?	\$43,893.77
10	What were your subdivision's overarching goals and values in its use of opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Our focus during this period was getting additional training for all our patrol officers so they were better prepared to assist member of our community while responding to calls.
11	Which official(s) were involved in deciding how to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Police Chief & Captain
12	Which resources did your subdivision use when deciding to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	1 & 2

	List all that apply, including, but not limited to, the following:	
	(1) Any evidence-based or evidence-informed practices or strategies;	
	(2) The "Schedule B" list of approved opioid remediation uses attached as Exhibit A to the January 28, 2022 "Memorandum of Agreement Between the State of New Jersey and Local Governments on Opioid Litigation Recoveries" to which your subdivision is a signatory;	
	(3) A needs assessment;	
	(4) A strategic plan; and/or	
	(5) An epidemiological analysis;	
13	During the current reporting year (7/1/2025 - 6/30/2026), did your subdivision engage the public (e.g., through town hall meetings, online surveys, or other means of communicating with stakeholders) prior to deciding how to use the opioid abatement funds you received?	No
14	For how many years have settlement spending allocations already been decided?	1 - 2 years
15	Does your subdivision have a strategic plan regarding the use of opioid abatement funds?	No
	If yes, choose "Yes" and upload/link to the strategic plan or summarize the plan in Question 15a	
16	Have you completed a Risk Assessment profile for demographic or geographic impact?	No
17	Did your subdivision fund any programs using opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026)?	Yes

	A) For new programs, use the "Add Program" tab to report on each new program. B) For previously-reported programs, use the "Update" tab in the 'Prior Fiscal Year Programs' section to provide updates on programs reported during prior fiscal years. If you reported spending any opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026) in Question 6, you must answer the following questions for each program funded by opioid abatement funds.	
	2026 Fiscal Program List	
1	What is the name/title of the program?	Operational Readiness for Police Officers
2	List all agencies, organizations, or entities that received funding for this program.	Zschool LLC at Seton Hall University
3	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply.	Schools, Colleges, Universities
4	What is the primary problem being addressed by this program?	Opioid Use Disorder
5	Briefly describe the program's purpose and key activities.	To prepare officers to deal with opioid issues in the field
6	What is the target population for this program?	First Responders, Law Enforcement and other Emergency Responders
6(a).	What is the target population for this program? - Others	
7	On what date was this program funded? (Use the format MM/DD/YYYY.)	3/11/2026

8	What is the total amount of funding for this program?	\$13,950.00
8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$13,950.00
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$0.00
9	How often is your subdivision disbursing funds to this program?	One time only
10	On what date was this program launched? (Use the format MM/DD/YYYY.)	2/25/2026
11	Choose the duration of the program from the list below.	One time only
12	What is the number of unduplicated individuals served by this program?	31
13	What is the intended impact of this program?	To better educate our officers for their opioid response in the field.
14	Which key performance indicators are you tracking to ensure success of the program? List all that apply, including, but not limited to, the following:	
	Number of training/education sessions:	31
15	How frequently are you measuring the key performance indicators listed above?	Annually
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	To better equip our officers for their opioid response when dealing with residents on emergency calls.
17	Primary Category (Please select the category that fits the primary focus of this program):	Primary Prevention, Education, and Training
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Harm Reduction and Overdose Prevention
18(a).	The following are other categories that may apply (include all categories	

	with the exception of the Primary category you chose above). - Others	
19	Select the "Schedule B" approved strategy or strategies that best match the primary focus of this program.	First Responders, Training
20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	The officers have received training on how to deal with opioid issues on calls and then how to provide guidance post-call for additional resources.
21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	Our department reached out to other municipalities to inquire on how they were spending their funding. This program was suggested and since it was an accredited institution, it was decided to proceed with this training.
22	If you would like to provide any additional details about this program not already included above, you may do so here.	

Opioid Settlement Funding Report		
Subdivision: Monroe Township, Middlesex County		
	State ID:	NJ142
	County Name:	Middlesex
	Address:	1 Municipal Plaza, Monroe Township, New Jersey, 08831
	Subdivision Contact Name:	Kevin McGowan
	Subdivision Contact Email:	kmcgowan@monroetud.com
Fiscal Year: 2026		
1	What is the total amount of opioid abatement funds that your subdivision received during the current reporting period (7/1/2025 - 6/30/2026)?	\$11,300.43
2	What is the amount of accrued interest on the total amount of opioid abatement funds that your subdivision has received during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$0.00
3	What is the total amount of opioid abatement funds that your subdivision has received since the distribution of opioid abatement funds began in 2022?	\$185,083.70
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a municipality and did not transfer our funds
5	What is the amount of opioid abatement funds that your subdivision transferred to the county during the current reporting period (7/1/2025 - 6/30/2026)?	
6	What is the total amount of opioid abatement funds that your subdivision spent/expended during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$3,500.00

	You will be required to answer specific questions about the expenditures below in order for your annual report to be considered complete.	
7	What amount of opioid abatement funds did your subdivision appropriate/encumber but not yet spend during the current reporting period (7/1/2025 - 6/30/2026)?	\$0.00
8	What amount of opioid abatement funds did your subdivision spend on administrative expenses during the current reporting period (7/1/2025 - 6/30/2026)?	\$0.00
	You must also provide details about administrative expenses in Question 8a below.	
8a.	Provide details regarding any administrative expenses spent during the current reporting period (7/1/2025 - 6/30/2026).	N/A
9	What amount of unspent/uncommitted opioid abatement funds from any reporting year does your subdivision currently have on hand?	\$201,082.90
10	What were your subdivision's overarching goals and values in its use of opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Education about the dangers of opioid abuse. The Township used \$3,500 during this reporting period to host "The Black Poster Project." Please see theblackposterproject.com
11	Which official(s) were involved in deciding how to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Township Business Administrator; Mayor's Director of Public and Government Affairs
12	Which resources did your subdivision use when deciding to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	-2

	List all that apply, including, but not limited to, the following: (1) Any evidence-based or evidence-informed practices or strategies; (2) The "Schedule B" list of approved opioid remediation uses attached as Exhibit A to the January 28, 2022 "Memorandum of Agreement Between the State of New Jersey and Local Governments on Opioid Litigation Recoveries" to which your subdivision is a signatory; (3) A needs assessment; (4) A strategic plan; and/or (5) An epidemiological analysis;	
13	During the current reporting year (7/1/2025 - 6/30/2026), did your subdivision engage the public (e.g., through town hall meetings, online surveys, or other means of communicating with stakeholders) prior to deciding how to use the opioid abatement funds you received?	No, but plan to in the future
14	For how many years have settlement spending allocations already been decided?	Other
14a.	Please specify other.	0
15	Does your subdivision have a strategic plan regarding the use of opioid abatement funds? If yes, choose "Yes" and upload/link to the strategic plan or summarize the plan in Question 15a	No, but we plan to in the future
16	Have you completed a Risk Assessment profile for demographic or geographic impact?	No, but we plan to in the future

17	Did your subdivision fund any programs using opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026)? A) For new programs, use the "Add Program" tab to report on each new program. B) For previously-reported programs, use the "Update" tab in the 'Prior Fiscal Year Programs' section to provide updates on programs reported during prior fiscal years. If you reported spending any opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026) in Question 6, you must answer the following questions for each program funded by opioid abatement funds.	Yes
	2026 Fiscal Program List	
1	What is the name/title of the program?	Black Poster Project
2	List all agencies, organizations, or entities that received funding for this program.	Black Poster Project
3	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply.	Community Based Organizations/Non-Governmental Organizations
4	What is the primary problem being addressed by this program?	Addiction and overdose
5	Briefly describe the program's purpose and key activities.	Highlight the stories of actual victims of addiction who lost thier lives

6	What is the target population for this program?	Children and Young Adults - 14-18 (high school aged); Children and Young Adults - 19-24 (post-grad through college); Members of the General Public
7	On what date was this program funded? (Use the format MM/DD/YYYY.)	4/9/2026
8	What is the total amount of funding for this program?	\$3,500.00
8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$3,500.00
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$0.00
9	How often is your subdivision disbursing funds to this program?	One time only
10	On what date was this program launched? (Use the format MM/DD/YYYY.)	4/8/2026
11	Choose the duration of the program from the list below.	One time only
12	What is the number of unduplicated individuals served by this program?	500
13	What is the intended impact of this program?	highlight the stories of people who lost their lives to overdose and addiction
14	Which key performance indicators are you tracking to ensure success of the program? List all that apply, including, but not limited to, the following:	
	Number of participants served:	500
	Increased community awareness (please describe):	Audience included high school students and members of the general public
15	How frequently are you measuring the key performance indicators listed above?	Annually
16	What outcomes or impact does the program aim to achieve? How do	Increased Awareness

	you plan to measure or track that impact?	
17	Primary Category (Please select the category that fits the primary focus of this program):	Harm Reduction and Overdose Prevention
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Primary Prevention, Education, and Training
19	Select the "Schedule B" approved strategy or strategies that best match the primary focus of this program.	Prevent Misuse of Opioids, Prevent Overdose Deaths and Other Harms (Harm Reduction)
20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	N/A
21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	N/A
22	If you would like to provide any additional details about this program not already included above, you may do so here.	N/A

Opioid Settlement Funding Report		
Subdivision: New Brunswick City		
	State ID:	NJ153
	County Name:	Middlesex
	Address:	78 BAYARD STREET, ROOM 202, NEW BRUNSWICK, New Jersey, 08901
	Subdivision Contact Name:	Richard Mulrine
	Subdivision Contact Email:	rmulrine@cityofnewbrunswick.org
Fiscal Year: 2026		
1	What is the total amount of opioid abatement funds that your subdivision received during the current reporting period (7/1/2025 - 6/30/2026)?	\$610,303.37
2	What is the amount of accrued interest on the total amount of opioid abatement funds that your subdivision has received during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$0.00
3	What is the total amount of opioid abatement funds that your subdivision has received since the distribution of opioid abatement funds began in 2022?	\$3,818,564.50
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a municipality and did not transfer our funds
5	What is the amount of opioid abatement funds that your subdivision transferred to the county during the current reporting period (7/1/2025 - 6/30/2026)?	
6	What is the total amount of opioid abatement funds that your subdivision spent/expended during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$1,310,000.00

	You will be required to answer specific questions about the expenditures below in order for your annual report to be considered complete.	
7	What amount of opioid abatement funds did your subdivision appropriate/encumber but not yet spend during the current reporting period (7/1/2025 - 6/30/2026)?	\$0.00
8	What amount of opioid abatement funds did your subdivision spend on administrative expenses during the current reporting period (7/1/2025 - 6/30/2026)?	\$0.00
	You must also provide details about administrative expenses in Question 8a below.	
8a.	Provide details regarding any administrative expenses spent during the current reporting period (7/1/2025 - 6/30/2026).	N/A
9	What amount of unspent/uncommitted opioid abatement funds from any reporting year does your subdivision currently have on hand?	\$1,774,739.15
10	What were your subdivision's overarching goals and values in its use of opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	THE CITY CONTINUES TO RESEARCH PROGRAMS FOR OPIOID ABATEMENT THROUGH ITS PUBLIC SAFETY AND COMMUNITY SERVICE DEPARTMENTS
11	Which official(s) were involved in deciding how to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	MAYOR, ADMINISTRATOR, CFO
12	Which resources did your subdivision use when deciding to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	EVIDENCE INFORMED PRACTICES AND ANALYSIS OF WHAT DEPARTMENTS WERE BEST EQUIPPED TO TACKLE THE ISSUE

	List all that apply, including, but not limited to, the following:	
	(1) Any evidence-based or evidence-informed practices or strategies;	
	(2) The "Schedule B" list of approved opioid remediation uses attached as Exhibit A to the January 28, 2022 "Memorandum of Agreement Between the State of New Jersey and Local Governments on Opioid Litigation Recoveries" to which your subdivision is a signatory;	
	(3) A needs assessment;	
	(4) A strategic plan; and/or	
	(5) An epidemiological analysis;	
13	During the current reporting year (7/1/2025 - 6/30/2026), did your subdivision engage the public (e.g., through town hall meetings, online surveys, or other means of communicating with stakeholders) prior to deciding how to use the opioid abatement funds you received?	Yes
13a	If yes, provide details about your public engagement/input efforts.	ISSUES DISCUSSED AT JOINT COMMUNITY PARTNER MEETING ALONG WITH REGULARLY AT BI-MONTHLY CITY COUNCIL MEETINGS
14	For how many years have settlement spending allocations already been decided?	1 - 2 years
15	Does your subdivision have a strategic plan regarding the use of opioid abatement funds?	No, but we plan to in the future
	If yes, choose "Yes" and upload/link to the strategic plan or summarize the plan in Question 15a	
16	Have you completed a Risk Assessment profile for demographic or geographic impact?	No, but we plan to in the future

17	Did your subdivision fund any programs using opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026)?	Yes
	A) For new programs, use the "Add Program" tab to report on each new program.	
	B) For previously-reported programs, use the "Update" tab in the 'Prior Fiscal Year Programs' section to provide updates on programs reported during prior fiscal years.	
	If you reported spending any opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026) in Question 6, you must answer the following questions for each program funded by opioid abatement funds.	
	2025 Fiscal Program List	
1	Program Name/Title	HOMELESS SERVICES
2	Have there been any modifications or expansions to this program since the initial report? :	No modifications/expansions
3	Amount expended in this reporting period (7/1/2025 - 6/30/ 2026)	\$790,000.00
4	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of participants served:	41
	Increased community awareness (please describe):	PARTNERSHIP OUTREACH, COMMUNITY EVENTS, ETC
5	Is there anything else you would like to share or highlight regarding the progress and impact of this program? :	No

6	Last Updated Date :	9/8/2026
	2024 Fiscal Program List	
1	Program Name/Title	POLICE/FIRE TRAINING AND SUPPORT
2	Have there been any modifications or expansions to this program since the initial report? :	No modifications/expansions
3	Amount expended in this reporting period (7/1/2025 - 6/30/ 2026)	\$520,000.00
4	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of services provided/encounters:	42
	Increased community awareness (please describe):	PARTNERSHIPS AND COMMUNITY EVENTS
5	Is there anything else you would like to share or highlight regarding the progress and impact of this program? :	No
6	Last Updated Date :	9/8/2026

Opioid Settlement Funding Report		
Subdivision: North Brunswick Township		
	State ID:	NJ159
	County Name:	Middlesex
	Address:	710 Hermann Rd, North Brunswick, New Jersey, 08902
	Subdivision Contact Name:	Cavel Gallimore
	Subdivision Contact Email:	cgallimore@northbrunswicknj.gov
Fiscal Year: 2026		
1	What is the total amount of opioid abatement funds that your subdivision received during the current reporting period (7/1/2025 - 6/30/2026)?	\$62,149.53
2	What is the amount of accrued interest on the total amount of opioid abatement funds that your subdivision has received during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$0.00
3	What is the total amount of opioid abatement funds that your subdivision has received since the distribution of opioid abatement funds began in 2022?	\$275,224.02
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a municipality and did not transfer our funds

6	What is the total amount of opioid abatement funds that your subdivision spent/expended during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$58,574.08

	You will be required to answer specific questions about the expenditures below in order for your annual report to be considered complete.	
7	What amount of opioid abatement funds did your subdivision appropriate/encumber but not yet spend during the current reporting period (7/1/2025 - 6/30/2026)?	\$300.00
8	What amount of opioid abatement funds did your subdivision spend on administrative expenses during the current reporting period (7/1/2025 - 6/30/2026)? You must also provide details about administrative expenses in Question 8a below.	\$0.00
8a.	Provide details regarding any administrative expenses spent during the current reporting period (7/1/2025 - 6/30/2026).	not applicable
9	What amount of unspent/uncommitted opioid abatement funds from any reporting year does your subdivision currently have on hand?	\$192,679.92
10	What were your subdivision's overarching goals and values in its use of opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	To use the funds for appropriate programs and training that meets the criteria of the use of the Opioid Settlement Funds.
11	Which official(s) were involved in deciding how to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Director of Park, Recreation & Community Services, Municipal Alliance Coordinator and Director of Public Safety
12	Which resources did your subdivision use when deciding to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	the schedule B list of approved opioid remediation uses attached as Exhibit A

	List all that apply, including, but not limited to, the following:	
	(1) Any evidence-based or evidence-informed practices or strategies;	
	(2) The "Schedule B" list of approved opioid remediation uses attached as Exhibit A to the January 28, 2022 "Memorandum of Agreement Between the State of New Jersey and Local Governments on Opioid Litigation Recoveries" to which your subdivision is a signatory;	
	(3) A needs assessment;	
	(4) A strategic plan; and/or	
	(5) An epidemiological analysis;	
13	During the current reporting year (7/1/2025 - 6/30/2026), did your subdivision engage the public (e.g., through town hall meetings, online surveys, or other means of communicating with stakeholders) prior to deciding how to use the opioid abatement funds you received?	No
14	For how many years have settlement spending allocations already been decided?	3 - 5 years
15	Does your subdivision have a strategic plan regarding the use of opioid abatement funds?	No
	If yes, choose "Yes" and upload/link to the strategic plan or summarize the plan in Question 15a	
16	Have you completed a Risk Assessment profile for demographic or geographic impact?	No

17	Did your subdivision fund any programs using opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026)? A) For new programs, use the "Add Program" tab to report on each new program. B) For previously-reported programs, use the "Update" tab in the 'Prior Fiscal Year Programs' section to provide updates on programs reported during prior fiscal years. If you reported spending any opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026) in Question 6, you must answer the following questions for each program funded by opioid abatement funds.	Yes
	2026 Fiscal Program List	
1	What is the name/title of the program?	Adult and Youth Mental Health First Aid
2	List all agencies, organizations, or entities that received funding for this program.	Empower Somerset & Embright Education
3	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply.	Community Based Organizations/Non-Governmental Organizations
4	What is the primary problem being addressed by this program?	Mental Health, addiction challenges or Crisis

5	Briefly describe the program's purpose and key activities.	Learn how to recognize signs of mental health or substance abuse challenges. Learn how to offer and provide initial help, how to guide a person toward appropriate care if necessary. The program is also designed for adults who regularly interact with young people and introduces common mental challenges for youth, review typical adolescent development and teaches 5-step action plan for how to help young people in both crisis and non-crisis situations.
6	What is the target population for this program?	Children and Young Adults - 0-13 (through 8th grade); Children and Young Adults - 14-18 (high school aged); Children and Young Adults - 19-24 (post-grad through college)
7	On what date was this program funded? (Use the format MM/DD/YYYY.)	1/22/2026
8	What is the total amount of funding for this program?	\$6,132.23
8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$5,832.23
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$300.00
9	How often is your subdivision disbursing funds to this program?	One time only
10	On what date was this program launched? (Use the format MM/DD/YYYY.)	1/22/2026
11	Choose the duration of the program from the list below.	4-5 years
12	What is the number of unduplicated individuals served by this program?	50
13	What is the intended impact of this program?	Education and awareness

14	Which key performance indicators are you tracking to ensure success of the program? List all that apply, including, but not limited to, the following:	
	Number of participants served:	
15	How frequently are you measuring the key performance indicators listed above?	Semi-annually
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	Impact: less opioid use and more education We use pre and post surveys and feed back from participants within the session.
17	Primary Category (Please select the category that fits the primary focus of this program):	Primary Prevention, Education, and Training
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Harm Reduction and Overdose Prevention
19	Select the "Schedule B" approved strategy or strategies that best match the primary focus of this program.	Prevent Misuse of Opioids
20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	Through education of communities, residence and surrounding communities and business.
21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	Procurement done through consultation with Middlesex County
22	If you would like to provide any additional details about this program not already included above, you may do so here.	Topics covered include anxiety, depression, substance use, disorders in which psychosis may occur, disruptive behavior.

Opioid Settlement Funding Report		
Subdivision: Old Bridge Township		
	State ID:	NJ166
	County Name:	Middlesex
	Address:	Old Bridge, Old Bridge, New Jersey, 08857
	Subdivision Contact Name:	Rosemarie Rivoli
	Subdivision Contact Email:	rrivoli@oldbridge.com
Fiscal Year: 2026		
1	What is the total amount of opioid abatement funds that your subdivision received during the current reporting period (7/1/2025 - 6/30/2026)?	\$57,361.40
2	What is the amount of accrued interest on the total amount of opioid abatement funds that your subdivision has received during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$0.00
3	What is the total amount of opioid abatement funds that your subdivision has received since the distribution of opioid abatement funds began in 2022?	\$189,386.56
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a county and did not transfer our funds
5	What is the amount of opioid abatement funds that your subdivision transferred to the county during the current reporting period (7/1/2025 - 6/30/2026)?	
6	What is the total amount of opioid abatement funds that your subdivision spent/expended during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$36,865.00

	You will be required to answer specific questions about the expenditures below in order for your annual report to be considered complete.	
7	What amount of opioid abatement funds did your subdivision appropriate/encumber but not yet spend during the current reporting period (7/1/2025 - 6/30/2026)?	\$14,585.00
8	What amount of opioid abatement funds did your subdivision spend on administrative expenses during the current reporting period (7/1/2025 - 6/30/2026)?	\$0.00
	You must also provide details about administrative expenses in Question 8a below.	
8a.	Provide details regarding any administrative expenses spent during the current reporting period (7/1/2025 - 6/30/2026).	N/A
9	What amount of unspent/uncommitted opioid abatement funds from any reporting year does your subdivision currently have on hand?	\$163,801.45

10	What were your subdivision's overarching goals and values in its use of opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	. Our subdivision's overarching goal in the use of Opioid Abatement Funds during the July 1, 2025 through June 30, 2026 reporting period was to strengthen prevention efforts across the lifespan through education, early intervention, awareness, and community-based resources. Funding was directed toward age-appropriate drug prevention and awareness programming in our schools, including Count on Me Kids, as well as Girls on the Run, which supports positive youth development, healthy decision-making, confidence, and protective factors that can reduce future substance-use risk. Our prevention efforts also extended to older adults through the Savvy Seniors program, providing education regarding medication safety, substance-use awareness, and healthy aging. In addition, medication lockboxes were purchased and distributed to residents at Savvy Seniors programs, community events, and outreach tables to encourage the safe storage of prescription medications and help prevent misuse, accidental ingestion, and unauthorized access. The guiding values behind these expenditures were prevention, education, accessibility, safety, early intervention, and community engagement. Our objective was to reach residents at different stages of life with practical tools and information that reduce risk, strengthen protective factors, promote healthy choices, and help prevent opioid and other substance misuse before it begins.
----	---	---

11	Which official(s) were involved in deciding how to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Officials involved in deciding how to spend Opioid Abatement Funds during the current reporting period included: •Rosemarie Rivoli, Municipal Alliance Coordinator and Community Outreach Representative for the Mayor's Health & Wellness Council •Matt Mercurio, Director of Parks, Recreation and Social Services •Retired Detective Patrick Diorio, Old Bridge Police Department •Detective Michael Bucci, Old Bridge Police Department, Division of Community Policing These individuals provided input based on community needs, prevention priorities, public safety concerns, and opportunities to support effective opioid and substance-use prevention, education, and outreach initiatives throughout the community.
12	Which resources did your subdivision use when deciding to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Resources used to determine how Opioid Abatement Funds would be spent during the current reporting period included: •The approved opioid remediation uses listed in Exhibit A to the January 28, 2022, Memorandum of Agreement between the State of New Jersey and local governments regarding opioid litigation recoveries, to which the subdivision is a signatory. •Information and guidance provided by the officials and departments requesting the information. •Community needs and priorities identified by local officials and community partners. •Available information regarding
	List all that apply, including, but not limited to, the following:	
	(1) Any evidence-based or evidence-informed practices or strategies;	
	(2) The "Schedule B" list of approved opioid remediation uses attached as Exhibit A to the January 28, 2022 "Memorandum of Agreement Between the State of New Jersey and Local Governments on Opioid Litigation Recoveries" to which your subdivision is a signatory;	

	(3) A needs assessment;	opioid prevention, education, treatment, recovery, and outreach needs. •Programmatic experience and prior-year outcomes from youth, senior, and community-based prevention initiatives. These resources were considered in determining how the funds would be used.
	(4) A strategic plan; and/or	
	(5) An epidemiological analysis;	
13	During the current reporting year (7/1/2025 - 6/30/2026), did your subdivision engage the public (e.g., through town hall meetings, online surveys, or other means of communicating with stakeholders) prior to deciding how to use the opioid abatement funds you received?	Yes

13a	If yes, provide details about your public engagement/input efforts.	Yes. During the current reporting period, the subdivision engaged with community stakeholders and residents on an ongoing basis to better understand local needs and help guide decisions regarding the use of Opioid Abatement Funds. Engagement included discussions with the School Superintendent, school principals, Student Assistance Counselors (SACs), and students regarding youth substance-use prevention, education, and concerns within the school community. We also regularly engaged with seniors at the Senior Center and consulted with the Director of the Senior Center to better understand issues affecting older adults, including medication safety, prevention, and access to available resources. Community partnerships are also a key component of our outreach efforts. We maintain strong relationships with local organizations and service providers and participate in monthly networking opportunities to share information, discuss emerging concerns, identify gaps in services, and determine where additional resources may be needed within the community. These partnerships allow us to stay informed about available prevention, intervention, treatment, recovery, and support services and connect residents with appropriate resources. We also conduct resource fairs, Library programs, community events, public tabling events, and outreach within residential communities to bring information and services directly to residents. These efforts are particularly
-----	---	---

		effective because many can be conducted at little or no additional cost while significantly increasing residents' awareness of available programs and assistance. Surveys have also been provided to residents to help identify needs related to drug and alcohol prevention, intervention, treatment, recovery services, and community education. Through continuous conversations with students, seniors, residents, school personnel, community partners, and service providers, we are able to better assess community needs and remain proactive rather than reactive. This ongoing engagement helps ensure that Opioid Abatement Funds and related prevention efforts are responsive to the needs of Old Bridge residents and that individuals and families are connected to resources before a situation reaches a crisis point.
14	For how many years have settlement spending allocations already been decided?	1 - 2 years
15	Does your subdivision have a strategic plan regarding the use of opioid abatement funds? If yes, choose "Yes" and upload/link to the strategic plan or summarize the plan in Question 15a	No, but we plan to in the future
16	Have you completed a Risk Assessment profile for demographic or geographic impact?	No, but we plan to in the future

17	Did your subdivision fund any programs using opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026)? A) For new programs, use the "Add Program" tab to report on each new program. B) For previously-reported programs, use the "Update" tab in the 'Prior Fiscal Year Programs' section to provide updates on programs reported during prior fiscal years. If you reported spending any opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026) in Question 6, you must answer the following questions for each program funded by opioid abatement funds.	Yes
	2026 Fiscal Program List	
1	What is the name/title of the program?	Leadership Training
2	List all agencies, organizations, or entities that received funding for this program.	Old Bridge Girl Scouts
3	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply.	Community Based Organizations/Non-Governmental Organizations
4	What is the primary problem being addressed by this program?	Prevention

5	Briefly describe the program's purpose and key activities.	This proposal outlines a plan to deliver a 3 hour leadership training program designed specifically for Girl Scouts. The training will focus on building strong decision-making skills, fostering personal leadership, and increasing awareness and prevention of opioid misuse. The program will run for approximately 3 hours, blending interactive activities, group discussions, and evidence-based prevention strategies to empower participants to lead themselves and others with confidence and clarity.
6	What is the target population for this program?	Children and Young Adults - 0-13 (through 8th grade)
7	On what date was this program funded? (Use the format MM/DD/YYYY.)	12/16/2025
8	What is the total amount of funding for this program?	\$1,000.00
8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$1,000.00
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$0.00
9	How often is your subdivision disbursing funds to this program?	One time only
10	On what date was this program launched? (Use the format MM/DD/YYYY.)	11/22/2025
11	Choose the duration of the program from the list below.	One time only
12	What is the number of unduplicated individuals served by this program?	35

13	What is the intended impact of this program?	1. Identify the core elements of effective decision-making. 2. Understand how peer pressure and emotional triggers can impact choices. 3. Learn the short- and long-term consequences of opioid misuse. 4. Practice communication and refusal skills in realistic scenarios
14	Which key performance indicators are you tracking to ensure success of the program? List all that apply, including, but not limited to, the following:	
	Number of participants served:	35
15	How frequently are you measuring the key performance indicators listed above?	Others:
15(a).	How frequently are you measuring the key performance indicators listed above? - Others	day after programming
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	Pre- and post-surveys to measure knowledge gain and attitude shifts. Short participant reflection forms to capture insights and feedback. Optional follow-up session or activity for ongoing engagement.
17	Primary Category (Please select the category that fits the primary focus of this program):	Primary Prevention, Education, and Training
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	None of the above
19	Select the "Schedule B" approved strategy or strategies that best match the primary focus of this program.	Prevent Misuse of Opioids

20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	Identify the core elements of effective decision-making. Understand how peer pressure and emotional triggers can impact choices. Learn the short- and long-term consequences of opioid misuse. Practice communication and refusal skills in realistic scenarios
21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	Informal procurement/direct purchase through a written vendor proposal.
22	If you would like to provide any additional details about this program not already included above, you may do so here.	Through this 3 hour training, Girl Scouts walked away with more than just knowledge; they'll left with confidence, leadership tools, and a commitment to make healthy, informed choices for themselves and their peers.
	2026 Fiscal Program List	
1	What is the name/title of the program?	Don't Drink and Drive
2	List all agencies, organizations, or entities that received funding for this program.	Old Bridge High School
3	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply.	County or Municipality (including Departments and Municipal Alliances)
4	What is the primary problem being addressed by this program?	Prevention
5	Briefly describe the program's purpose and key activities.	Don't Drink & Drive Campaign
6	What is the target population for this program?	Children and Young Adults - 14-18 (high school aged);Children and Young Adults - 19-24 (post-grad through college)

7	On what date was this program funded? (Use the format MM/DD/YYYY.)	6/23/2026
8	What is the total amount of funding for this program?	\$250.00
8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$250.00
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$0.00
9	How often is your subdivision disbursing funds to this program?	One time only
10	On what date was this program launched? (Use the format MM/DD/YYYY.)	5/1/2026
11	Choose the duration of the program from the list below.	2-3 years
12	What is the number of unduplicated individuals served by this program?	6000
13	What is the intended impact of this program?	The intended impact of the program is to increase awareness among students, parents, school staff, and community members about the dangers and consequences of impaired driving and to reinforce the importance of making safe, responsible decisions regarding alcohol and other substance use. By placing a highly visible prevention message at the school, the program provides repeated exposure to a clear public-safety message and encourages students to think about the risks associated with driving under the influence or riding with an impaired driver. The campaign is intended to strengthen prevention messaging, promote healthy decision-making, reduce risky behaviors, and encourage students to seek a safe alternative rather than drive impaired. The billboard also

		extends the prevention message beyond the classroom by reaching families and other residents who enter or pass the school grounds, helping reinforce a broader community culture of substance-use prevention and roadway safety.
14	Which key performance indicators are you tracking to ensure success of the program? List all that apply, including, but not limited to, the following:	
	Increased community awareness (please describe):	The program is intended to increase community awareness of the dangers of impaired driving and the importance of making safe, responsible choices regarding alcohol and other substances. By placing a large, highly visible “Don’t Drink and Drive” banner on the front of the school property facing route 516, the prevention message is repeatedly seen by students, parents, staff, visitors, and members of the surrounding community. The goal is to reinforce that impaired driving can have serious and potentially life-threatening consequences, encourage individuals

		to plan for safe transportation, and promote a broader community culture of prevention, responsibility, and public safety.
15	How frequently are you measuring the key performance indicators listed above?	Monthly
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	The program aims to increase awareness of the dangers and consequences of impaired driving, reinforce healthy decision-making, and reduce risky behaviors associated with alcohol and other substance use. The intended outcome is for students, parents, school staff, and community members to repeatedly see and internalize a clear prevention and public-safety message encouraging individuals not to drive while impaired and to make safer transportation choices. Impact will be tracked through the visibility and reach of the campaign, including the number of students and community members potentially exposed to the message, the length of time the billboard is displayed, and feedback from school personnel, students, parents, and community partners. The Township may also use future surveys and stakeholder feedback to assess awareness of prevention

		messages and identify areas where additional education is needed.
17	Primary Category (Please select the category that fits the primary focus of this program):	Primary Prevention, Education, and Training
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	None of the above
19	Select the "Schedule B" approved strategy or strategies that best match the primary focus of this program.	Prevent Overdose Deaths and Other Harms (Harm Reduction)

20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	This program serves as an evidence-informed universal prevention and public-awareness strategy. Although the primary banner message focuses on preventing drinking and driving, it is part of the Township's broader effort to prevent substance misuse and promote healthy, responsible decision-making among youth and the community. Repeated exposure to clear prevention messaging can reinforce protective behaviors, increase awareness of the consequences associated with substance use, and contribute to a community environment in which impaired driving and substance misuse are not normalized. The campaign complements the Township's other opioid, substance-use, mental-health, prevention, intervention, and recovery initiatives. The billboard itself is not a clinical treatment or mental-health intervention. Rather, it supports prevention by reinforcing safe choices and providing a highly visible public-health message that can be supplemented by school and community education, early-intervention efforts, and connections to appropriate substance-use and behavioral-health resources when needs are identified.
----	---	---

21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	The banner was procured through the Township's established municipal purchasing and purchase-order process. The vendor provided the necessary proposal and cost information for the design, production, and/or placement of the prevention billboard. The expenditure was reviewed and processed through the Township's appropriate administrative and purchasing procedures. The procurement method was selected based on the type and cost of the service and in accordance with applicable municipal purchasing requirements. The process provided the Township with the ability to obtain the necessary public-awareness materials while maintaining documentation, fiscal oversight, and accountability for the use of Opioid Abatement Funds.
22	If you would like to provide any additional details about this program not already included above, you may do so here.	The banner was intentionally placed in a prominent location on school grounds to maximize repeated exposure to the prevention message. Its location allows the campaign to reach not only students but also parents, school employees, visitors, and other members of the community who travel through or attend activities at the school. Unlike a one-time presentation, the billboard provides continuing reinforcement of the prevention message each time an individual enters or passes the school property. It complements the Township's broader school and community prevention programming by keeping substance-use prevention, responsible decision-making, and

		impaired-driving awareness visible in the everyday environment.
	2026 Fiscal Program List	
1	What is the name/title of the program?	Savvy Seniors
2	List all agencies, organizations, or entities that received funding for this program.	Old Bridge Silver Linings, Old Bridge Library, Birtchwood Senior Housing; Chuck Costello and Maher,
3	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply.	Community Based Organizations/Non-Governmental Organizations; County or Municipality (including Departments and Municipal Alliances); Private/For-profit Organizations; Others
3(a).	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply. - Others	Senior and Adults with Disabilities Housing
4	What is the primary problem being addressed by this program?	Medication Safety

5	Briefly describe the program's purpose and key activities.	Speaker taught students about the NJ Good Samaritan LAws. The presentation addressed the four principal of the law so students will understand the laws and responsibilities should arise. Also discuss the Save a life Don't Think Twice!
6	What is the target population for this program?	Members of the General Public
7	On what date was this program funded? (Use the format MM/DD/YYYY.)	6/10/2026
8	What is the total amount of funding for this program?	\$3,750.00
8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$3,750.00
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$0.00
9	How often is your subdivision disbursing funds to this program?	One time only
10	On what date was this program launched? (Use the format MM/DD/YYYY.)	8/10/2026
11	Choose the duration of the program from the list below.	One time only
12	What is the number of unduplicated individuals served by this program?	500

13	What is the intended impact of this program?	The impact of this program is to improve the safety, knowledge, and confidence of older adults by providing practical education on medication management, prescription safety, fraud prevention, and online security. For opioid-abatement purposes, the primary impact is reducing the risk of prescription medication misuse, accidental ingestion, medication errors, diversion, and unsafe storage. By teaching seniors how to properly manage and secure their medications and where to turn for assistance, the program supports prevention and early intervention before a medication-related problem becomes a crisis. The program also strengthens overall senior well-being by helping participants recognize scams, protect personal information, and make safer decisions in their daily lives. Ultimately, the goal is to help seniors remain informed, independent, and proactive about their health and safety while increasing awareness of available community resources.
14	Which key performance indicators are you tracking to ensure success of the program? List all that apply, including, but not limited to, the following:	
	Number of harm reduction supplies distributed (e.g naloxone kits, drug disposal packets):	300
	Number of training/education sessions:	5
	Increased community awareness (please describe):	teaching residents to be proactive instead of reactive and helping them better identify the dangers that are all around.

15	How frequently are you measuring the key performance indicators listed above?	Others:
15(a).	How frequently are you measuring the key performance indicators listed above? - Others	as they take place
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	Outcomes/Impact the Program Aimed to Achieve: The program aimed to increase seniors' knowledge and awareness regarding safe prescription medication management, medication storage, medication misuse prevention, fraud prevention, and online safety. A primary goal was to reduce the risk of accidental misuse, diversion, medication errors, and unsafe access to prescription medications, while helping seniors feel more confident in managing their medications and recognizing when assistance may be needed. The program also sought to increase awareness of available community resources and encourage seniors to take a more proactive role in protecting their health, safety, and independence. How the Impact Will Be Measured or Tracked: Impact will be measured through program attendance, participant engagement, questions and feedback during the presentations, and feedback from senior housing staff and program partners. When feasible, participant surveys or questionnaires will be used to assess whether knowledge and awareness increased following the program. We will also track requests for additional information, medication lockboxes, referrals, or other prevention

		resources as indicators of participant engagement and identified need. The information gathered will be used to evaluate the effectiveness of the program and help guide future senior prevention and outreach efforts.
17	Primary Category (Please select the category that fits the primary focus of this program):	Primary Prevention, Education, and Training
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Harm Reduction and Overdose Prevention
19	Select the "Schedule B" approved strategy or strategies that best match the primary focus of this program.	Prevent Misuse of Opioids

20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	The program addresses opioid use disorder, other substance use disorders, and potential co-occurring mental health concerns through evidence-informed prevention, medication-safety education, early identification, and referral strategies. Seniors receive practical education on the safe management and secure storage of prescription medications, recognizing potential medication misuse, avoiding medication errors, and understanding when additional assistance may be needed. The program also helps participants recognize risk factors that may contribute to opioid or other substance misuse, including isolation, stress, chronic health concerns, and inappropriate or unsafe use of prescribed medications. By increasing awareness and encouraging early help-seeking, the program is designed to reduce the likelihood that medication-related concerns progress into more serious substance-use or behavioral-health problems. Evidence-informed strategies include education supported by current research, interactive discussion, medication-safety and misuse-prevention messaging, stigma reduction, reinforcement of healthy decision-making, and connection to appropriate community-based prevention, treatment, recovery, behavioral-health, and support services when a need is identified. The overall strategy is to provide seniors with accurate information and practical tools that allow them to be proactive about their health
----	---	--

		and medication use while promoting early intervention and access to appropriate services when substance-use or mental-health concerns are present.
--	--	--

21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	The Savvy Seniors initiative was procured through the Township's established municipal purchasing and purchase-order process. The provider submitted a scope of services and cost proposal for five educational presentations at various locations serving seniors and adults with disabilities throughout Old Bridge Township. The five programs were provided at Silver Linings, Old Bridge Library, Birchwood Senior Housing, Chuck Costello housing for adults with disabilities, and Maher Manor Senior Housing. Each presentation was provided at a cost of \$750, for a total program cost of \$3,750. The services were reviewed for their relevance to opioid-abatement goals, including prescription medication safety, prevention of medication misuse, safe storage, health education, and access to community resources. The expenditure was then processed through the Township's established purchasing and approval procedures. This procurement method was utilized because the total cost of the combined program was below the applicable public bidding threshold and involved specialized educational and prevention services provided by a qualified subject-matter expert. The process allowed the Township to provide consistent programming to multiple populations and locations while maintaining appropriate documentation, fiscal oversight, and compliance with municipal purchasing requirements.
----	--	---

22	If you would like to provide any additional details about this program not already included above, you may do so here.	The Savvy Seniors initiative was intentionally delivered as five separate programs on five different dates and at five different community locations throughout Old Bridge Township: Silver Linings, Old Bridge Public Library, Birchwood Senior Housing, Chuck Costello housing serving adults with disabilities, and Maher Manor Senior Housing. Providing the program at multiple locations allowed the Township to bring prevention and medication-safety education directly to seniors and adults with disabilities in settings that were familiar, accessible, and convenient to them. Although the core educational objectives remained consistent, each presentation provided an opportunity for participants to ask questions and discuss concerns relevant to their individual needs and living environment. The multi-site approach also expanded the reach of the opioid-abatement initiative beyond a single event and allowed the Township to engage different segments of the community. Programming reinforced safe prescription medication practices, prevention of medication misuse and diversion, awareness of available community resources, and the importance of seeking assistance when concerns involving substance use, behavioral health, or medication management arise. Each program was provided at a cost of \$750, for a total investment of \$3,750 across the five locations. This approach supported the Township's broader goal of making prevention education accessible within the community and
----	---	---

		reaching residents proactively before concerns develop into more serious problems.
	2026 Fiscal Program List	
1	What is the name/title of the program?	Good Samaritan Law
2	List all agencies, organizations, or entities that received funding for this program.	Old Bridge High School

3	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply.	County or Municipality (including Departments and Municipal Alliances); First Responders, Law Enforcement, and Emergency Services; Hospital/Healthcare Provider (including Mental Health or Substance Use Treatment Provider); Private/For-profit Organizations; Schools, Colleges, Universities
4	What is the primary problem being addressed by this program?	Prevention
5	Briefly describe the program's purpose and key activities.	Speaker taught students about the NJ Good Samaritan Laws. The presentation addressed the four principal of the law so students will understand the laws and responsibilities should arise. Also discuss the Save a life Don't Think Twice!
6	What is the target population for this program?	Children and Young Adults - 14-18 (high school aged); Children and Young Adults - 19-24 (post-grad through college); First Responders, Law Enforcement and other Emergency Responders; Others
6(a).	What is the target population for this program? - Others	school staff
7	On what date was this program funded? (Use the format MM/DD/YYYY.)	10/28/2025
8	What is the total amount of funding for this program?	\$725.00
8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$725.00
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$0.00
9	How often is your subdivision disbursing funds to this program?	Annually

10	On what date was this program launched? (Use the format MM/DD/YYYY.)	10/28/2025
11	Choose the duration of the program from the list below.	Others
11(a).	Choose the duration of the program from the list below. - Others	Each period of the day this was run in addition to the Black Poster Project and other speakers about Drug prevention, intervention and recovery.
12	What is the number of unduplicated individuals served by this program?	3000
13	What is the intended impact of this program?	The intended impact of the program is to increase student awareness and understanding of substance use, overdose prevention, early intervention, and recovery while providing students with practical, potentially life-saving information and resources. Through The Black Poster Project and presentations addressing the New Jersey Good Samaritan Law, "Save a Life, Don't Think Twice," prevention and intervention, and available recovery services, students are educated about the real-life consequences of substance use and the importance of seeking help for themselves or others. The program is intended to reduce stigma, encourage informed and healthy decision-making, increase awareness of when and how to intervene, and ensure students understand that help and recovery resources are available. Most importantly, students leave the program with actionable knowledge about what to do in an emergency, where to turn for assistance, and how they can play a role in preventing substance misuse and overdose within their school, families, and community.

14	Which key performance indicators are you tracking to ensure success of the program? List all that apply, including, but not limited to, the following:	
	Number of participants served:	3000
15	How frequently are you measuring the key performance indicators listed above?	Annually
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	The program aimed to increase students' knowledge and awareness of substance-use prevention, intervention, overdose response, and recovery resources. Intended outcomes included improving understanding of the risks associated with drug and opioid use, increasing awareness of the New Jersey Good Samaritan Law, helping students understand the importance of calling for help during an overdose emergency, reducing stigma surrounding substance-use disorder and recovery, and increasing students' knowledge of where and how to access prevention, intervention, treatment, and recovery resources. The program also sought to encourage healthier decision-making, earlier help-seeking behaviors, and greater confidence among students in recognizing when a peer, friend, or family member may need assistance. Impact will be measured through student participation and attendance, feedback from students, school administrators, Student Assistance Counselors, and program presenters, and surveys or questionnaires used to assess changes in knowledge and awareness before and/or after

		programming when feasible. We will also track student questions, requests for additional information or resources, referrals to available services when appropriate, and feedback from school personnel regarding identified needs and the effectiveness of the programming. This information will be used to guide future programming and determine areas where additional education or resources may be needed.
17	Primary Category (Please select the category that fits the primary focus of this program):	Primary Prevention, Education, and Training
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Harm Reduction and Overdose Prevention; Recovery Supports; Treatment
18(a).	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above). - Others	
19	Select the "Schedule B" approved strategy or strategies that best match the primary focus of this program.	Support People in Treatment and Recovery, Prevent Misuse of Opioids, Prevent Overdose Deaths and Other Harms (Harm Reduction)

20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	The program addresses opioid and other substance use, as well as co-occurring mental health conditions, through evidence-informed prevention, education, early-intervention, stigma-reduction, and referral strategies. Programming provides students with accurate, age-appropriate information regarding substance use, opioid misuse, overdose risk, prevention, intervention, recovery, and the relationship between substance use and mental health concerns. Presentations emphasize recognition of warning signs, healthy decision-making, protective factors, help-seeking behaviors, and the importance of early intervention before substance use or mental health concerns escalate. The program also incorporates harm-reduction and overdose-prevention education, including information regarding New Jersey's Good Samaritan Law, the importance of contacting emergency services during a suspected overdose, and available community-based treatment and recovery resources. Evidence-informed strategies include interactive education, real-life recovery and prevention messaging, peer and community engagement, stigma reduction, resource navigation, and direct linkage to appropriate prevention, behavioral health, treatment, and recovery supports when additional assistance is needed. By combining prevention education with practical information about intervention, overdose response, mental health awareness, and available services, the program
----	---	--

		seeks to increase knowledge, reduce stigma, strengthen protective factors, encourage earlier help-seeking, and improve students' ability to recognize and respond appropriately when they or someone they know may be experiencing substance-use or mental health concerns.
--	--	---

21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	The program was procured through the Township's established municipal purchasing and purchase-order process in accordance with applicable New Jersey local public contracting requirements. The program and participating providers were identified based on their experience, subject-matter expertise, relevance to opioid and substance-use prevention, and their ability to provide specialized educational programming to the target population. Program costs and supporting documentation were submitted through the Township's purchasing process for review and approval prior to payment. A formal public bid process was not utilized because the cost of the program was below the applicable public bidding threshold. The procurement method allowed the Township to obtain specialized prevention, intervention, overdose-awareness, and recovery education services while following its established purchasing procedures and ensuring that expenditures were appropriate and consistent with the intended uses of Opioid Abatement Funds.
----	---	---

22	If you would like to provide any additional details about this program not already included above, you may do so here.	This program represents a collaborative approach between the Township, Middlesex County Municipal Alliance, the school district, law enforcement, prevention professionals, recovery advocates, and community partners. Rather than focusing on one aspect of substance use, the program provides students with a continuum of information addressing prevention, intervention, overdose awareness, the New Jersey Good Samaritan Law, recovery, and available community resources. The inclusion of The Black Poster Project and multiple subject-matter speakers allows students to hear both educational and real-life perspectives regarding substance use and its impact on individuals, families, and communities. The program also reinforces the message that substance-use disorder is preventable and treatable, that recovery is possible, and that seeking help should be encouraged rather than stigmatized. The Township intends to continue strengthening this type of school-based programming through collaboration with educators, Student Assistance Counselors, community partners, prevention professionals, and recovery organizations while incorporating student and stakeholder feedback to guide future programming.
	2025 Fiscal Program List	
1	Program Name/Title	Stay the Course: Unlocking your Potential with American Ninja

		Warrior ,Rachel Degutz N/inja Warrior
2	Have there been any modifications or expansions to this program since the initial report? :	No, Program was a one-time event
3	Amount expended in this reporting period (7/1/2024 - 6/30/ 2025)	\$0.00
4	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of participants served:	0
5	Is there anything else you would like to share or highlight regarding the progress and impact of this program? :	No
6	Last Updated Date :	8/31/2026

	Address:	260 High Street, Perth Amboy, New Jersey, 08861
	Subdivision Contact Name:	Michael E. Greene, Esq.
	Subdivision Contact Email:	mgreene@perthamboyni.org
Fiscal Year: 2026		
1	What is the total amount of opioid abatement funds that your subdivision received during the current reporting period (7/1/2025 - 6/30/2026)?	\$114,444.36
2	What is the amount of accrued interest on the total amount of opioid abatement funds that your subdivision has received during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$0.00
3	What is the total amount of opioid abatement funds that your subdivision has received since the distribution of opioid abatement funds began in 2022?	\$702,405.97
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a municipality and did not transfer our funds
5	What is the amount of opioid abatement funds that your subdivision transferred to the county during the current reporting period (7/1/2025 - 6/30/2026)?	
6	What is the total amount of opioid abatement funds that your subdivision spent/expended during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$122,873.94

	You will be required to answer specific questions about the expenditures below in order for your annual report to be considered complete.	
7	What amount of opioid abatement funds did your subdivision appropriate/encumber but not yet spend during the current reporting period (7/1/2025 - 6/30/2026)?	\$26,550.00
8	What amount of opioid abatement funds did your subdivision spend on administrative expenses during the current reporting period (7/1/2025 - 6/30/2026)?	\$47,981.77
	You must also provide details about administrative expenses in Question 8a below.	
8a.	Provide details regarding any administrative expenses spent during the current reporting period (7/1/2025 - 6/30/2026).	The Administrative expenses entail the proper coordination and management needed by the Opioid Worker's. Duties include maintaining scheduling outreach activities, coordinating with program's and attending trainings and hosting session. As well multiple workshops with different age groups from youth to seniors.
9	What amount of unspent/uncommitted opioid abatement funds from any reporting year does your subdivision currently have on hand?	\$470,833.63

10	What were your subdivision's overarching goals and values in its use of opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Our subdivision is committed to promoting public health, safety, and resilience across the community. A key priority is supporting individuals and families affected by substance use through the work of our Opioid Outreach Workers, who provides education, referrals, and case management that reduce harm and connect residents to treatment and recovery resources. Equally important is ensuring that first responders are well-prepared through initiatives like the Seton Hall Operational Readiness program for police officers, which strengthens their ability to respond effectively to crises and maintain community trust. Together, these efforts reflect our values of prevention, preparedness, and compassionate service, guiding this year's spending decisions.
11	Which official(s) were involved in deciding how to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	N/A
12	Which resources did your subdivision use when deciding to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	(2) The "Schedule B" list of approved opioid remediation uses attached as Exhibit A to the January 28, 2022 "Memorandum of Agreement Between the State of New Jersey and Local Governments on Opioid Litigation Recoveries"
	List all that apply, including, but not limited to, the following:	
	(1) Any evidence-based or evidence-informed practices or strategies;	

	(2) The "Schedule B" list of approved opioid remediation uses attached as Exhibit A to the January 28, 2022 "Memorandum of Agreement Between the State of New Jersey and Local Governments on Opioid Litigation Recoveries" to which your subdivision is a signatory; (3) A needs assessment; (4) A strategic plan; and/or (5) An epidemiological analysis;	
13	During the current reporting year (7/1/2025 - 6/30/2026), did your subdivision engage the public (e.g., through town hall meetings, online surveys, or other means of communicating with stakeholders) prior to deciding how to use the opioid abatement funds you received?	Yes
13a	If yes, provide details about your public engagement/input efforts.	Community engagement is central to how we plan and deliver services. We host community forums, listening sessions, and neighborhood outreach events where residents can share concerns and help shape priorities. Our Opioid Outreach Worker is embedded in the community-meeting individuals and families directly, partnering with local health providers, schools, and faith-based organizations, and gathering input that informs program design. We also conduct anti-opioid education for all ages, ensuring youth, adults, and seniors receive prevention resources and strategies tailored to their needs. In addition, we maintain ongoing dialogue with community leaders and grassroots groups to ensure that our initiatives are responsive to residents' expectations and

		strengthen trust between the public and law enforcement.
14	For how many years have settlement spending allocations already been decided?	3 - 5 years
15	Does your subdivision have a strategic plan regarding the use of opioid abatement funds? If yes, choose "Yes" and upload/link to the strategic plan or summarize the plan in Question 15a	No, but we plan to in the future
16	Have you completed a Risk Assessment profile for demographic or geographic impact?	No, but we plan to in the future
17	Did your subdivision fund any programs using opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026)? A) For new programs, use the "Add Program" tab to report on each new program. B) For previously-reported programs, use the "Update" tab in the 'Prior Fiscal Year Programs' section to	Yes

	provide updates on programs reported during prior fiscal years.	
	If you reported spending any opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026) in Question 6, you must answer the following questions for each program funded by opioid abatement funds.	
	2025 Fiscal Program List	
1	Program Name/Title	Opioid and Drug Prevention Education Program
2	Have there been any modifications or expansions to this program since the initial report? :	Yes, modification to funding amount
	2a) If yes, please explain:	Hosted an opioid retreat with various different community partners where we help workshops with our youth. The sessions included drug prevention education and how to approach difficult discussions about drug prevention. Provided the Seniors in town lessons about opioids and how to be cautious and careful. Emphasis proper administration of medications. Also providing resources on where to access mental, rehabilitation and recovery centers. Attending Family Community Events and hosting Family workshops while engaging hands on with the families and

		understanding their opioids on the current opioid epidemic. Making the family aware on how to access Narcan and how opioids.
3	Amount expended in this reporting period (7/1/2025 - 6/30/ 2026)	\$26,473.49
4	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of participants served:	1500
	Number of harm reduction supplies distributed (e.g naloxone kits, drug disposal packets):	920
	Number of training/education sessions:	9
	Increased community awareness (please describe):	Opioid Outreach Workers tabled at 34 various events
5	Is there anything else you would like to share or highlight regarding the progress and impact of this program? :	No
6	Last Updated Date :	8/31/2026
	2025 Fiscal Program List	

1	Program Name/Title	Operational Readiness for Police Officers
2	Have there been any modifications or expansions to this program since the initial report? :	Yes, modification to funding amount
	2a) If yes, please explain:	The Seton Hall University Stillman School of Business Operational Readiness for Police Officers: OUD Program is a four hour, online, self paced certificate course that prepares law enforcement to respond effectively to the opioid crisis. The training focuses on recognizing opioid use disorder, applying de-escalation strategies, safely administering naloxone, understanding legal/ADA requirements, and connecting individuals to community treatment resources. Using the CARE framework (Calm, Assess, Respond, Engage), the program equips officers with practical tools and scenario - based practice to reduce risks, strengthen community trust, and improve public safety outcomes.
3	Amount expended in this reporting period (7/1/2025 - 6/30/ 2026)	\$38,281.14
4	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of participants served:	100
	Number of training/education sessions:	4
5	Is there anything else you would like to share or highlight regarding the progress and impact of this program? :	Yes

	5a) If yes, please explain:	This consist of the 4 hour training course about opioid resiliency first responders training, this is a self paced course where they go thru various lesson on community scene response and overdose response. As well better methods an approach when on scene.
6	Last Updated Date :	8/11/2026
	2023 Fiscal Program List	
1	Program Name/Title	Anti-Drug Prevention
2	Have there been any modifications or expansions to this program since the initial report? :	Yes, modification to funding amount
	2a) If yes, please explain:	Hosted the Devyn Sanchez walk is a 5k walk that honors someone that passed away from an overdose while also bringing awareness and handing out Narcan. We also helped with the D.A.R.E program hosting the field day for the kids that successful completed the program.
3	Amount expended in this reporting period (7/1/2025 - 6/30/ 2026)	\$10,137.54
4	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of participants served:	890
	Number of training/education sessions:	3
	Increased community awareness (please describe):	tabling and community events
5	Is there anything else you would like to share or highlight regarding the progress and impact of this program? :	No

Opioid Settlement Funding Report		
Subdivision: Piscataway Township		
	State ID:	NJ181
	County Name:	Middlesex
	Address:	455 Hoes Lane, Piscataway, New Jersey, 08722
	Subdivision Contact Name:	Rosemarie Rivoli
	Subdivision Contact Email:	rrivoli@piscatawaynj.org
Fiscal Year: 2026		
1	What is the total amount of opioid abatement funds that your subdivision received during the current reporting period (7/1/2025 - 6/30/2026)?	\$81,703.33
2	What is the amount of accrued interest on the total amount of opioid abatement funds that your subdivision has received during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$0.00
3	What is the total amount of opioid abatement funds that your subdivision has received since the distribution of opioid abatement funds began in 2022?	\$277,097.00
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a municipality and did not transfer our funds
5	What is the amount of opioid abatement funds that your subdivision transferred to the county during the current reporting period (7/1/2025 - 6/30/2026)?	
6	What is the total amount of opioid abatement funds that your subdivision spent/expended during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$23,114.61

	You will be required to answer specific questions about the expenditures below in order for your annual report to be considered complete.	
7	What amount of opioid abatement funds did your subdivision appropriate/encumber but not yet spend during the current reporting period (7/1/2025 - 6/30/2026)?	\$0.00
8	What amount of opioid abatement funds did your subdivision spend on administrative expenses during the current reporting period (7/1/2025 - 6/30/2026)? You must also provide details about administrative expenses in Question 8a below.	\$0.00
8a.	Provide details regarding any administrative expenses spent during the current reporting period (7/1/2025 - 6/30/2026).	N/A
9	What amount of unspent/uncommitted opioid abatement funds from any reporting year does your subdivision currently have on hand?	\$220,638.88

10	What were your subdivision's overarching goals and values in its use of opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Piscataway Township's overarching goal in the use of opioid abatement funds was to strengthen prevention, education, early intervention, and access to resources throughout the community. Our focus was not only on responding to substance use and opioid-related concerns, but also on providing residents with the information, tools, and support needed to make informed and healthy decisions before a crisis occurs. Through the Piscataway Community Outreach Advisory Board, we emphasized a community-based approach that reaches residents across different age groups, including youth, families, adults, and senior citizens. Our programs focused on substance use prevention and awareness, medication safety, healthy decision-making, protective factors, and connecting individuals and families with appropriate community resources and services. The values guiding our use of these funds included accessibility, education, prevention, collaboration, compassion, and reducing stigma. Piscataway places a strong value on its community partnerships and works collaboratively with the school district, law enforcement, senior services, community organizations, healthcare and prevention professionals, students, and residents to better understand emerging needs and provide relevant programming. Ultimately, our goal was to use opioid abatement funding in a proactive and responsible manner that strengthens community awareness,
----	---	--

		encourages early intervention, supports individuals and families, and helps reduce the impact of substance use within Piscataway Township.
--	--	--

11	Which official(s) were involved in deciding how to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Decisions regarding the use of opioid abatement funds during the current reporting period were informed by the Piscataway Community Outreach Advisory Board. The Board's Executive Committee consisted of Councilman Frank Uhrin, Chair; Amy Harris, Vice Chair and Director of the Piscataway Senior Center; Paul Sinckler, educator; John Tierney, retired Director of Parks and Recreation; and Rosemarie Rivoli, Program Supervisor. The broader Advisory Board included representatives from various sectors of the community, including Christopher Jenkinson, parent and community coach; Retired Detective Calvin McLaughlin, Piscataway Police Department; County Commissioner Chanelle Scott McCullum; Kimberly Lane, former Piscataway Board of Education member; Jennie Ray Perez, teacher educator; Tish Meyers, Piscataway Police Department; Reverend Rouse, faith-based community representative; and Gerry Wilson, retired psychiatrist. The involvement of individuals representing municipal government, county government, law enforcement, education, senior services, behavioral health, the faith-based community, parents, and community-based youth activities provided a broad range of perspectives regarding local needs, prevention priorities, outreach opportunities, and available resources. Final authorization for expenditures was provided through the Mayor's Administration and the
----	---	---

		Township Business Administrator, Paula Cozzarelli.
--	--	---

12	Which resources did your subdivision use when deciding to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Piscataway Township, through the Piscataway Community Outreach Advisory Board, utilized several resources when determining recommended uses of opioid abatement funds during the current reporting period. These resources included evidence-based and evidence-informed prevention practices and strategies, as well as the approved opioid remediation uses identified in the January 28, 2022 Memorandum of Agreement between the State of New Jersey and participating local governments. The Advisory Board also relied on the professional knowledge and community experience of its multidisciplinary membership, which includes representatives from education, law enforcement, behavioral health, senior services, municipal and county government, the faith-based community, parents, and other community stakeholders. Additional information was gathered through direct community engagement and outreach. Board members interacted with residents at community tabling events and maintained ongoing communication with key community partners, including the YMCA; the Piscataway School District, through its Superintendent, school administrators, principals, and SAC counselors; faith-based organizations; law enforcement; senior services; and other community-based organizations. These conversations helped the Board identify community concerns, emerging needs, gaps in services, and opportunities for prevention,
	List all that apply, including, but not limited to, the following:	
	(1) Any evidence-based or evidence-informed practices or strategies;	
	(2) The "Schedule B" list of approved opioid remediation uses attached as Exhibit A to the January 28, 2022 "Memorandum of Agreement Between the State of New Jersey and Local Governments on Opioid Litigation Recoveries" to which your subdivision is a signatory;	
	(3) A needs assessment;	
	(4) A strategic plan; and/or	
	(5) An epidemiological analysis;	

		education, and early intervention. The information gathered through these resources was used by the Piscataway Community Outreach Advisory Board to develop recommendations regarding opioid abatement spending. Those recommendations were then submitted to the Township Administration for final review and authorization of expenditures.
13	During the current reporting year (7/1/2025 - 6/30/2026), did your subdivision engage the public (e.g., through town hall meetings, online surveys, or other means of communicating with stakeholders) prior to deciding how to use the opioid abatement funds you received?	Yes

13a	If yes, provide details about your public engagement/input efforts.	The Piscataway Community Outreach Advisory Board, engaged with residents and community stakeholders prior to and throughout the process of developing recommendations for the use of opioid abatement funds. Input was gathered through direct conversations with residents at community tabling and outreach events, as well as through ongoing communication with organizations and professionals serving different populations within the Township. The Advisory Board maintained communication with the Piscataway School District, including the Superintendent, school administration, principals, and SAC counselors, to better understand the needs and concerns affecting students and families. The Board also engaged with the Piscataway Senior Center and its leadership, the YMCA, law enforcement, faith-based organizations, educators, parents, and other community partners. In addition, the multidisciplinary membership of the Piscataway Community Outreach Advisory Board provided ongoing input based on members' professional experience and direct interaction with residents. These conversations helped identify prevention and education needs, emerging substance-use concerns, medication-safety issues, gaps in available resources, and opportunities for outreach to youth, seniors, families, and the broader community. The information gathered through these public and stakeholder-engagement efforts was considered by the
-----	---	---

		Advisory Board when developing recommendations for opioid abatement programming and expenditures, which were then submitted to the Township Administration for final approval.
14	For how many years have settlement spending allocations already been decided?	3 - 5 years
15	Does your subdivision have a strategic plan regarding the use of opioid abatement funds? If yes, choose "Yes" and upload/link to the strategic plan or summarize the plan in Question 15a	No, but we plan to in the future
16	Have you completed a Risk Assessment profile for demographic or geographic impact?	No, but we plan to in the future

17	Did your subdivision fund any programs using opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026)?	Yes
	A) For new programs, use the "Add Program" tab to report on each new program.	
	B) For previously-reported programs, use the "Update" tab in the 'Prior Fiscal Year Programs' section to provide updates on programs reported during prior fiscal years.	
	If you reported spending any opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026) in Question 6, you must answer the following questions for each program funded by opioid abatement funds.	
	2026 Fiscal Program List	
1	What is the name/title of the program?	Drug Education Services
2	List all agencies, organizations, or entities that received funding for this program.	School District
3	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply.	Schools, Colleges, Universities
4	What is the primary problem being addressed by this program?	Prevention & Intervention
5	Briefly describe the program's purpose and key activities.	assembly, speaker
6	What is the target population for this program?	Children and Young Adults - 0-13 (through 8th grade)

7	On what date was this program funded? (Use the format MM/DD/YYYY.)	9/1/2025
8	What is the total amount of funding for this program?	\$7,925.00
8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$7,925.00
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$0.00
9	How often is your subdivision disbursing funds to this program?	One time only
10	On what date was this program launched? (Use the format MM/DD/YYYY.)	9/1/2025
11	Choose the duration of the program from the list below.	One time only
12	What is the number of unduplicated individuals served by this program?	2000
13	What is the intended impact of this program?	Educate students on the negative effects of Vapes, Puff , E-Cigs, Juuls and Cloud pens, Marijuana. Educate them on the importance of making good decisions.
14	Which key performance indicators are you tracking to ensure success of the program? List all that apply, including, but not limited to, the following:	
	Number of participants served:	2000
15	How frequently are you measuring the key performance indicators listed above?	Others:
15(a).	How frequently are you measuring the key performance indicators listed above? - Others	Day of the programing

16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	The programs aims to increase student's knowledge of substance use risk, strengthen healthy decision-making and refusal skills, increase awareness of online and social-emotional risk factors' and build protective factors, that may reduce future substance use., Through age-appropriate prevention education beginning in fifth grade and progressing through with eighth grade, students receive information addressing online safety, cyberbullying vaping, marihuana/THC, emotional well-being, and substance use prevention. Impact will be tracked through student participation and research, school and educator feedback, student engagement and questions during presentations and available program evaluations, and knowledge assessments.
17	Primary Category (Please select the category that fits the primary focus of this program):	Primary Prevention, Education, and Training
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	None of the above
19	Select the "Schedule B" approved strategy or strategies that best match the primary focus of this program.	Training
20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	This initiative addresses opioid use dis-order and other substance-use disorders through an upstream, evidence-based and evidence-informed prevention strategy designed to reduce risk factors before substance use begins. Programming is provided at developmentally appropriate grade levels and b students' knowledge,

		decision-making skills, refusal skills, and other protective factors associated with prevention of substance misuse.
21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	Through Purchase Order
22	If you would like to provide any additional details about this program not already included above, you may do so here.	
	2026 Fiscal Program List	
1	What is the name/title of the program?	I'm Just A Kid with an IEP
2	List all agencies, organizations, or entities that received funding for this program.	Township of Piscataway
3	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply.	Schools, Colleges, Universities
4	What is the primary problem being addressed by this program?	Drug Education Awareness

5	Briefly describe the program's purpose and key activities.	Prevention focused educational program designed to support students with individualized Education Programs by strenghtening protective factors that can reduce the risk of substance use and misuse. The program focuses on building self-esteem, self-advocacy, healthy decision-making , coping skills, and resilience while addressing the pressures and challenges that may place youth at increased risk for drug and alcohol use. Key activities include interative discussion, education on healthy choices and substance use risks.
6	What is the target population for this program?	Children and Young Adults - 14-18 (high school aged)
7	On what date was this program funded? (Use the format MM/DD/YYYY.)	5/7/2025
8	What is the total amount of funding for this program?	\$13,000.00
8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$13,000.00
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$0.00
9	How often is your subdivision disbursing funds to this program?	One time only
10	On what date was this program launched? (Use the format MM/DD/YYYY.)	5/7/2025
11	Choose the duration of the program from the list below.	One time only
12	What is the number of unduplicated individuals served by this program?	3000
13	What is the intended impact of this program?	To reduce the risk of youth substance, use by strengthening coping skills, healthy decision-making, self-advocacy and

		connections to supportive adults and early intervention resources.
14	Which key performance indicators are you tracking to ensure success of the program? List all that apply, including, but not limited to, the following:	
	Number of participants served:	3000
15	How frequently are you measuring the key performance indicators listed above?	Annually
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	Program aimed to increase awareness of substance-use risks, strengthen healthy coping and decision -making skills, and encourage students in grades 9-12 to seek assistance if needed, Impact will be measured through teacher and administrative feedback.
17	Primary Category (Please select the category that fits the primary focus of this program):	Primary Prevention, Education, and Training
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Workforce Development and Capacity Building
19	Select the "Schedule B" approved strategy or strategies that best match the primary focus of this program.	Prevent Misuse of Opioids
20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	The program uses prevention education, early identification, healthy coping strategies, and connection to trusted adults and support services to address substance use risk, including opioids, and related mental health concerns.

21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	under a direct purchase process in accordance with the municipal purchasing requirements, as the cost was below the competitive bidding threshold. The vendor was selected based on the program relevance, qualifications, and cost.
22	If you would like to provide any additional details about this program not already included above, you may do so here.	program was well received and exceptional reviews from student, faculty and administration.
	2026 Fiscal Program List	
1	What is the name/title of the program?	Savvy Seniors
2	List all agencies, organizations, or entities that received funding for this program.	Senior Center
3	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply.	County or Municipality (including Departments and Municipal Alliances)
4	What is the primary problem being addressed by this program?	Prevention
5	Briefly describe the program's purpose and key activities.	Piscataway Township provided the Savvy Senior Program at the Piscataway Senior Center to educate older adults about medication safety, proper storage and disposal of prescription medications, and the risks associated with medication misuse.
6	What is the target population for this program?	Members of the General Public
7	On what date was this program funded? (Use the format MM/DD/YYYY.)	5/11/2026
8	What is the total amount of funding for this program?	\$2,189.61

8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$2,189.61
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$0.00
9	How often is your subdivision disbursing funds to this program?	One time only
10	On what date was this program launched? (Use the format MM/DD/YYYY.)	5/11/2026
11	Choose the duration of the program from the list below.	One time only
12	What is the number of unduplicated individuals served by this program?	150
13	What is the intended impact of this program?	The program provided seniors with practical information on safely managing medications within the home, including the importance of securing medications and properly disposing of medications that are expired or no longer needed. Participants were also informed about the Piscataway Police Department medication drop box as a safe disposal resource.
14	Which key performance indicators are you tracking to ensure success of the program? List all that apply, including, but not limited to, the following:	
	Number of harm reduction supplies distributed (e.g naloxone kits, drug disposal packets):	Medication lock boxes were distributed
15	How frequently are you measuring the key performance indicators listed above?	Others:
15(a).	How frequently are you measuring the key performance indicators listed above? - Others	day of the event. received feedback from particip

16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	As part of the program, medication lock boxes purchased with opioid abatement funds were distributed to participants, providing seniors with a practical tool to securely store prescription medications and reduce the risk of accidental access, diversion, or misuse.
17	Primary Category (Please select the category that fits the primary focus of this program):	Harm Reduction and Overdose Prevention
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	None of the above
19	Select the "Schedule B" approved strategy or strategies that best match the primary focus of this program.	Prevent Overdose Deaths and Other Harms (Harm Reduction)

20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	The Savvy Senior Program utilized evidence-informed prevention strategies focused on medication safety, education, risk reduction, and early intervention. Older adults were provided with practical information regarding the safe use, storage, and disposal of prescription medications and the risks associated with medication misuse, diversion, and accidental access. A key prevention strategy was the distribution of medication lock boxes, which provided participants with a practical means of securely storing prescription medications in their homes. Participants were also educated about appropriate disposal of unused or expired medications and available community resources, including the Piscataway Police Department medication drop box. The program also encouraged participants to recognize potential concerns related to prescription medication or other substance use and to seek appropriate assistance when needed. While the program was not intended to provide clinical treatment for substance use or mental health conditions, it supported early identification, increased awareness, and connection to appropriate treatment, behavioral health, and community resources when concerns were identified. By combining education with practical risk-reduction tools, the program strengthened protective behaviors and helped reduce opportunities for prescription opioid and other medication misuse.
----	--	---

21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	The Savvy Senior Program was obtained through the Township's standard municipal purchasing and purchase-order process for educational and prevention services. The program was selected based on the relevance of the subject matter, the qualifications and experience of the provider, and its ability to address medication safety and substance-use prevention among the senior population. The medication lock boxes distributed as part of the program were also purchased through the Township's established purchasing procedures and were obtained specifically to support the medication-safety and prevention objectives of the program. This procurement method was appropriate because the Township was obtaining targeted educational and prevention services and materials designed to meet an identified community need. All expenditures were processed in accordance with the Township's applicable purchasing and approval procedures.
----	---	--

22	If you would like to provide any additional details about this program not already included above, you may do so here.	The Savvy Senior Program was provided at the Piscataway Senior Center, allowing the Township to bring prevention education directly to an older adult population that may routinely manage multiple prescription medications. An important component of the program was pairing education with a tangible prevention resource. Participants did not simply receive information regarding medication safety; they were also provided with medication lock boxes that could immediately be used in their homes to secure prescription medications. The program reinforced safe medication management, secure storage, proper disposal, and awareness of community resources. This combination of education and practical prevention tools provided seniors with actionable steps they could take to reduce the risk of accidental access, diversion, and misuse of prescription medications within their households.
	2025 Fiscal Program List	
1	Program Name/Title	Parent Caretaker Education
2	Have there been any modifications or expansions to this program since the initial report? :	No, Program was a one-time event
3	Amount expended in this reporting period (7/1/2024 - 6/30/ 2025)	\$0.00
4	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of services provided/encounters:	

	Other:	Adult Care takers
5	Is there anything else you would like to share or highlight regarding the progress and impact of this program? :	No

Opioid Settlement Funding Report		
Subdivision: Plainsboro Township		
	State ID:	NJ183
	County Name:	Middlesex
	Address:	641 Plainsboro Rd, PLAINSBORO, New Jersey, 08536
	Subdivision Contact Name:	Anthony Cranco
	Subdivision Contact Email:	acranco@plainsboronj.com
Fiscal Year: 2026		
1	What is the total amount of opioid abatement funds that your subdivision received during the current reporting period (7/1/2025 - 6/30/2026)?	\$24,487.00
2	What is the amount of accrued interest on the total amount of opioid abatement funds that your subdivision has received during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$0.00
3	What is the total amount of opioid abatement funds that your subdivision has received since the distribution of opioid abatement funds began in 2022?	\$76,234.82
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a municipality and did not transfer our funds
5	What is the amount of opioid abatement funds that your subdivision transferred to the county during the current reporting period (7/1/2025 - 6/30/2026)?	
6	What is the total amount of opioid abatement funds that your subdivision spent/expended during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$0.00
	You will be required to answer specific questions about the expenditures below in order for your annual report to be considered complete.	

7	What amount of opioid abatement funds did your subdivision appropriate/encumber but not yet spend during the current reporting period (7/1/2025 - 6/30/2026)?	\$0.00
8	What amount of opioid abatement funds did your subdivision spend on administrative expenses during the current reporting period (7/1/2025 - 6/30/2026)? You must also provide details about administrative expenses in Question 8a below.	\$0.00
8a.	Provide details regarding any administrative expenses spent during the current reporting period (7/1/2025 - 6/30/2026).	N/A
9	What amount of unspent/uncommitted opioid abatement funds from any reporting year does your subdivision currently have on hand?	\$105,680.01
10	What were your subdivision's overarching goals and values in its use of opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	N/A no funds were utilized.
11	Which official(s) were involved in deciding how to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	N/A, no funds were utilized.
12	Which resources did your subdivision use when deciding to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)? List all that apply, including, but not limited to, the following: (1) Any evidence-based or evidence-informed practices or strategies; (2) The "Schedule B" list of approved opioid remediation uses attached as Exhibit A to the January 28, 2022 "Memorandum of Agreement Between	N/A, no funds were utilized.

	the State of New Jersey and Local Governments on Opioid Litigation Recoveries" to which your subdivision is a signatory;	
	(3) A needs assessment;	
	(4) A strategic plan; and/or	
	(5) An epidemiological analysis;	
13	During the current reporting year (7/1/2025 - 6/30/2026), did your subdivision engage the public (e.g., through town hall meetings, online surveys, or other means of communicating with stakeholders) prior to deciding how to use the opioid abatement funds you received?	No, but plan to in the future
14	For how many years have settlement spending allocations already been decided?	Other
14a.	Please specify other.	They have not been decided as of yet. We are actively engaged in the Opioid Settlement Fund Learning Community in our county with Woodbridge and Perth Amboy through the Center for Health Care Strategies and plan on utilizing funds in the future.
15	Does your subdivision have a strategic plan regarding the use of opioid abatement funds?	No
	If yes, choose "Yes" and upload/link to the strategic plan or summarize the plan in Question 15a	
16	Have you completed a Risk Assessment profile for demographic or geographic impact?	No, but we plan to in the future
17	Did your subdivision fund any programs using opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026)?	No
	A) For new programs, use the "Add Program" tab to report on each new program.	

	B) For previously-reported programs, use the "Update" tab in the 'Prior Fiscal Year Programs' section to provide updates on programs reported during prior fiscal years.	
	If you reported spending any opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026) in Question 6, you must answer the following questions for each program funded by opioid abatement funds.	

Opioid Settlement Funding Report

8	What is the total amount of funding for this program?	\$840.00
8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$840.00
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$0.00
9	How often is your subdivision disbursing funds to this program?	Others
9(a).	How often is your subdivision disbursing funds to this program? - Others	Bi-weekly
10	On what date was this program launched? (Use the format MM/DD/YYYY.)	6/16/2026
11	Choose the duration of the program from the list below.	Less than 1 year

12	What is the number of unduplicated individuals served by this program?	0
13	What is the intended impact of this program?	Research appropriate uses of opioid settlement funds for The Borough of Sayreville
14	Which key performance indicators are you tracking to ensure success of the program? List all that apply, including, but not limited to, the following:	
	Other:	Development of plans for future programs
15	How frequently are you measuring the key performance indicators listed above?	Annually
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	Finding additional resources
17	Primary Category (Please select the category that fits the primary focus of this program):	Recovery Supports
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Primary Prevention, Education, and Training; Treatment
18(a).	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above). - Others	
19	Select the "Schedule B" approved strategy or strategies that best match the primary focus of this program.	Leadership, Planning and Coordination
20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	n/a

21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	n/a
22	If you would like to provide any additional details about this program not already included above, you may do so here.	
	2026 Fiscal Program List	
1	What is the name/title of the program?	Camp Willabee
2	List all agencies, organizations, or entities that received funding for this program.	Borough of Sayreville
3	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply.	Others
3(a).	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply. - Others	n/a
4	What is the primary problem being addressed by this program?	Drug Resistance Educations
5	Briefly describe the program's purpose and key activities.	Camp for kids
6	What is the target population for this program?	Children and Young Adults - 0-13 (through 8th grade); Children and Young Adults - 14-18 (high school aged)
7	On what date was this program funded? (Use the format MM/DD/YYYY.)	6/30/2026
8	What is the total amount of funding for this program?	\$1,450.00

8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$0.00
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$1,450.00
9	How often is your subdivision disbursing funds to this program?	Annually
10	On what date was this program launched? (Use the format MM/DD/YYYY.)	6/29/2026
11	Choose the duration of the program from the list below.	Others
11(a).	Choose the duration of the program from the list below. - Others	3 day Day camp
12	What is the number of unduplicated individuals served by this program?	80
13	What is the intended impact of this program?	Empowering kids to make healthy choices
14	Which key performance indicators are you tracking to ensure success of the program? List all that apply, including, but not limited to, the following:	
	Number of participants served:	
15	How frequently are you measuring the key performance indicators listed above?	Annually
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	Education kids on the importance of resisting peer pressure and making good choices

Opioid Settlement Funding Report		
Subdivision: South Plainfield Borough		
	State ID:	NJ215
	County Name:	Middlesex
	Address:	2480 Plainfield Avenue, South Plainfield, New Jersey, 07080
	Subdivision Contact Name:	Glenn F. Cullen
	Subdivision Contact Email:	gcullen@southplainfieldnj.com
Fiscal Year: 2026		
1	What is the total amount of opioid abatement funds that your subdivision received during the current reporting period (7/1/2025 - 6/30/2026)?	\$39,150.64
2	What is the amount of accrued interest on the total amount of opioid abatement funds that your subdivision has received during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$3,500.04
3	What is the total amount of opioid abatement funds that your subdivision has received since the distribution of opioid abatement funds began in 2022?	\$200,664.59
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a municipality and did not transfer our funds
5	What is the amount of opioid abatement funds that your subdivision transferred to the county during the current reporting period (7/1/2025 - 6/30/2026)?	
6	What is the total amount of opioid abatement funds that your subdivision spent/expended during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$11,150.50

	You will be required to answer specific questions about the expenditures below in order for your annual report to be considered complete.	
7	What amount of opioid abatement funds did your subdivision appropriate/encumber but not yet spend during the current reporting period (7/1/2025 - 6/30/2026)?	\$0.00
8	What amount of opioid abatement funds did your subdivision spend on administrative expenses during the current reporting period (7/1/2025 - 6/30/2026)?	\$0.00
	You must also provide details about administrative expenses in Question 8a below.	
8a.	Provide details regarding any administrative expenses spent during the current reporting period (7/1/2025 - 6/30/2026).	No opioid grant funds were used for administrative expenses related to the 2026 Cops and Bobbers Youth Fishing Derby or the Operational Readiness for first responders related to OUD and Co-Occurring conditions Training Program. All planning, coordination, and logistical support were provided in-kind by members of the South Plainfield Police Department, including sworn staff, administrative personnel, and School Resource Officers. Event oversight and documentation were conducted internally, and no indirect costs, salaries, stipends, or overhead expenses were charged to the grant.
9	What amount of unspent/uncommitted opioid abatement funds from any reporting year does your subdivision currently have on hand?	\$147,020.94

10	What were your subdivision's overarching goals and values in its use of opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	The South Plainfield Police Department is committed to proactive, community-oriented policing that builds trust, strengthens youth engagement, and prevents substance misuse before it begins. Our Juvenile Unit and School Resource Officer program prioritize early intervention, education, and positive role modeling, particularly through partnerships like L.E.A.D. (Law Enforcement Against Drugs & Violence). This year's opioid grant spending focused on prevention strategies that align with these values—offering safe, healthy, and engaging alternatives for local youth while reinforcing anti-drug messaging in an approachable, community-based setting. Events like the Cops and Bobbers Youth Fishing Derby directly support our mission by fostering relationships between police officers and young residents, promoting outdoor activity over risky behavior, and encouraging lifelong trust in law enforcement. The Department also began training officers in Operational Readiness for first responders related to OUD and Co-Occurring conditions through Seton Hall University.
11	Which official(s) were involved in deciding how to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Business Administrator Glenn F. Cullen, Police Chief Peter J. Papa
12	Which resources did your subdivision use when deciding to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	(1) Evidence-based or evidence-informed practices or strategies; (LEAD) (2) The "Schedule B" list of approved opioid remediation uses attached as Exhibit A to the January 28, 2022

	List all that apply, including, but not limited to, the following:	"Memorandum of Agreement Between the State of New Jersey and Local Governments on Opioid Litigation Recoveries" to which your subdivision is a signatory (Prevention)
	(1) Any evidence-based or evidence-informed practices or strategies;	
	(2) The "Schedule B" list of approved opioid remediation uses attached as Exhibit A to the January 28, 2022 "Memorandum of Agreement Between the State of New Jersey and Local Governments on Opioid Litigation Recoveries" to which your subdivision is a signatory;	
	(3) A needs assessment;	
	(4) A strategic plan; and/or	
	(5) An epidemiological analysis;	
13	During the current reporting year (7/1/2025 - 6/30/2026), did your subdivision engage the public (e.g., through town hall meetings, online surveys, or other means of communicating with stakeholders) prior to deciding how to use the opioid abatement funds you received?	No
14	For how many years have settlement spending allocations already been decided?	1 - 2 years
15	Does your subdivision have a strategic plan regarding the use of opioid abatement funds?	No, but we plan to in the future
	If yes, choose "Yes" and upload/link to the strategic plan or summarize the plan in Question 15a	
16	Have you completed a Risk Assessment profile for demographic or geographic impact?	No, but we plan to in the future
17	Did your subdivision fund any programs using opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026)?	Yes

	A) For new programs, use the "Add Program" tab to report on each new program. B) For previously-reported programs, use the "Update" tab in the 'Prior Fiscal Year Programs' section to provide updates on programs reported during prior fiscal years. If you reported spending any opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026) in Question 6, you must answer the following questions for each program funded by opioid abatement funds.	
	2026 Fiscal Program List	
1	What is the name/title of the program?	Operational Readiness for First Responders for OUD and Co-Occurring Conditions
2	List all agencies, organizations, or entities that received funding for this program.	Borough of South Plainfield
3	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply.	First Responders, Law Enforcement, and Emergency Services
4	What is the primary problem being addressed by this program?	Training for police officers for OUD and Co-Occurring Conditions
5	Briefly describe the program's purpose and key activities.	To provide the knowledge and tools needed for officers to respond effectively, safely, and compassionately to individuals experiencing Opioid Use Disorder (OUD) and co-occurring Mental Health (MH) or Substance Use Disorders (SUD).
6	What is the target population for this program?	First Responders, Law Enforcement and other Emergency Responders

6(a).	What is the target population for this program? - Others	
7	On what date was this program funded? (Use the format MM/DD/YYYY.)	2/17/2026
8	What is the total amount of funding for this program?	\$1,800.00
8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$1,800.00
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$0.00
9	How often is your subdivision disbursing funds to this program?	Annually
10	On what date was this program launched? (Use the format MM/DD/YYYY.)	2/17/2026
11	Choose the duration of the program from the list below.	2-3 years
12	What is the number of unduplicated individuals served by this program?	4
13	What is the intended impact of this program?	This course is designed to prepare first responders to confidently navigate the challenges of the opioid crisis and related behavioral health emergencies. With opioid-related incidents on the rise, responders must be equipped with trauma-informed strategies to provide care under pressure. Across four comprehensive modules, you'll explore OUD basics, the intersection of mental health and substance use, the use of Naloxone, legal considerations, de-escalation tactics, and best practices for community collaboration. With a focus on safety, compassion, and resource engagement, this course will empower you to support individuals with OUD and save lives,

		all while building trust within your community.
14	Which key performance indicators are you tracking to ensure success of the program? List all that apply, including, but not limited to, the following:	
	Other:	Impact that trained officers have on individuals experiencing OUD and Co-Occurring Conditions. Challenging to quantify the impact.
15	How frequently are you measuring the key performance indicators listed above?	Annually
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	Recognize signs of OUD and its common co-occurring conditions. Understand how mental health disorders impact crisis response and recovery. Respond effectively to Opioid Overdose Emergencies using Naloxone. Apply trauma-informed communication and de-escalation techniques in the field. Identify your legal responsibilities, including navigating the rights under the Americans with Disabilities Act (ADA).
17	Primary Category (Please select the category that fits the primary focus of this program):	Primary Prevention, Education, and Training

18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Harm Reduction and Overdose Prevention; Workforce Development and Capacity Building
18(a).	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above). - Others	
19	Select the "Schedule B" approved strategy or strategies that best match the primary focus of this program.	First Responders
20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	The program incorporates evidence-informed practices from Seton Hall University's OUD and Co-Occurring Disorders training within its Operational Readiness for First Responders program. These practices strengthen first responders' ability to recognize opioid use disorder, co-occurring substance use, and mental health conditions and connect individuals with appropriate treatment and recovery resources.
21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	Procurement method was in alignment with the purchasing guidelines of the Borough of South Plainfield
22	If you would like to provide any additional details about this program not already included above, you may do so here.	N/A
	2025 Fiscal Program List	
1	Program Name/Title	Cops & Bobbers, Stay Hooked on Fishing, Not Drugs
2	Have there been any modifications or expansions to this program since the initial report? :	Yes, modification to funding amount

	2a) If yes, please explain:	Expenses were less than 2025 due to additional funding for the event through Community and County partnerships.
3	Amount expended in this reporting period (7/1/2025 - 6/30/ 2026)	\$9,350.50
4	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of participants served:	155
	Number of training/education sessions:	155
5	Is there anything else you would like to share or highlight regarding the progress and impact of this program? :	Yes
	5a) If yes, please explain:	LEAD trained officers interact with and educate families and participants on OPIOID awareness and overall drug prevention.
6	Last Updated Date :	8/27/2026
	2023 Fiscal Program List	
1	Program Name/Title	Opioid Education and Prevention
2	Have there been any modifications or expansions to this program since the initial report? :	No modifications/expansions
3	Amount expended in this reporting period (7/1/2023 - 6/30/ 2024)	\$0
4	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Other:	Reached a portion of adults and some dependents within the community totaling 24,500 residents.

5	Is there anything else you would like to share or highlight regarding the progress and impact of this program? :	Yes
	5a) If yes, please explain:	The Borough spent \$20,050.00 on the program. It is a public notification investment.
6	Last Updated Date :	9/24/2024

Opioid Settlement Funding Report		
Subdivision: South River Borough		
	State ID:	NJ216
	County Name:	Middlesex
	Address:	48 Washington Street, South River, New Jersey, 08882
	Subdivision Contact Name:	Joe Zanga
	Subdivision Contact Email:	jzanga@southrivernj.org
Fiscal Year: 2026		
1	What is the total amount of opioid abatement funds that your subdivision received during the current reporting period (7/1/2025 - 6/30/2026)?	\$14,038.30
2	What is the amount of accrued interest on the total amount of opioid abatement funds that your subdivision has received during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$0.00
3	What is the total amount of opioid abatement funds that your subdivision has received since the distribution of opioid abatement funds began in 2022?	\$87,835.26
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a municipality and did not transfer our funds
5	What is the amount of opioid abatement funds that your subdivision transferred to the county during the current reporting period (7/1/2025 - 6/30/2026)?	
6	What is the total amount of opioid abatement funds that your subdivision spent/expended during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$41,082.55
	You will be required to answer specific questions about the expenditures below in order for your annual report to be considered complete.	

7	What amount of opioid abatement funds did your subdivision appropriate/encumber but not yet spend during the current reporting period (7/1/2025 - 6/30/2026)?	\$0.00
8	What amount of opioid abatement funds did your subdivision spend on administrative expenses during the current reporting period (7/1/2025 - 6/30/2026)? You must also provide details about administrative expenses in Question 8a below.	\$0.00
8a.	Provide details regarding any administrative expenses spent during the current reporting period (7/1/2025 - 6/30/2026).	N/A
9	What amount of unspent/uncommitted opioid abatement funds from any reporting year does your subdivision currently have on hand?	\$36,947.71
10	What were your subdivision's overarching goals and values in its use of opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Prevention of Overdose Deaths and Opioid Awareness and Education
11	Which official(s) were involved in deciding how to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Members of the Borough's Police Department, Administration, and Chief Financial Officer
12	Which resources did your subdivision use when deciding to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)? List all that apply, including, but not limited to, the following: (1) Any evidence-based or evidence-informed practices or strategies; (2) The "Schedule B" list of approved opioid remediation uses attached as Exhibit A to the January 28, 2022 "Memorandum of Agreement Between the State of New Jersey and Local	Needs Assessment

	Governments on Opioid Litigation Recoveries" to which your subdivision is a signatory;	
	(3) A needs assessment;	
	(4) A strategic plan; and/or	
	(5) An epidemiological analysis;	
13	During the current reporting year (7/1/2025 - 6/30/2026), did your subdivision engage the public (e.g., through town hall meetings, online surveys, or other means of communicating with stakeholders) prior to deciding how to use the opioid abatement funds you received?	No
14	For how many years have settlement spending allocations already been decided?	1 - 2 years
15	Does your subdivision have a strategic plan regarding the use of opioid abatement funds?	No
	If yes, choose "Yes" and upload/link to the strategic plan or summarize the plan in Question 15a	
16	Have you completed a Risk Assessment profile for demographic or geographic impact?	No
17	Did your subdivision fund any programs using opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026)?	No
	A) For new programs, use the "Add Program" tab to report on each new program.	
	B) For previously-reported programs, use the "Update" tab in the 'Prior Fiscal Year Programs' section to provide updates on programs reported during prior fiscal years.	
	If you reported spending any opioid abatement funds during the current	

	reporting year (7/1/2025 - 6/30/2026) in Question 6, you must answer the following questions for each program funded by opioid abatement funds.	
--	---	--

Opioid Settlement Funding Report		
Subdivision: Woodbridge Township		
	State ID:	NJ259
	County Name:	Middlesex
	Address:	2 George Fredrick plaza, Woodbridge, New Jersey, 07095
	Subdivision Contact Name:	Manuel Fernandez
	Subdivision Contact Email:	manuel.fernandez@twp.woodbridge.nj.us
Fiscal Year: 2026		
1	What is the total amount of opioid abatement funds that your subdivision received during the current reporting period (7/1/2025 - 6/30/2026)?	\$122,812.03
2	What is the amount of accrued interest on the total amount of opioid abatement funds that your subdivision has received during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$16,245.09
3	What is the total amount of opioid abatement funds that your subdivision has received since the distribution of opioid abatement funds began in 2022?	\$803,125.91
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a municipality and did not transfer our funds
5	What is the amount of opioid abatement funds that your subdivision transferred to the county during the current reporting period (7/1/2025 - 6/30/2026)?	
6	What is the total amount of opioid abatement funds that your subdivision spent/expended during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$27,720.00

	You will be required to answer specific questions about the expenditures below in order for your annual report to be considered complete.	
7	What amount of opioid abatement funds did your subdivision appropriate/encumber but not yet spend during the current reporting period (7/1/2025 - 6/30/2026)?	\$0.00
8	What amount of opioid abatement funds did your subdivision spend on administrative expenses during the current reporting period (7/1/2025 - 6/30/2026)? You must also provide details about administrative expenses in Question 8a below.	\$0.00
8a.	Provide details regarding any administrative expenses spent during the current reporting period (7/1/2025 - 6/30/2026).	N/A
9	What amount of unspent/uncommitted opioid abatement funds from any reporting year does your subdivision currently have on hand?	\$752,093.61
10	What were your subdivision's overarching goals and values in its use of opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Woodbridge Township's overarching goal is to support prevention and early intervention efforts for youth by providing evidence-based programming that builds healthy decision-making, coping, communication, and drug-resistance skills. During this reporting period, opioid settlement funds supported the continued implementation of the Botvin LifeSkills Training Program for students in grades 6–9.
11	Which official(s) were involved in deciding how to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	• Woodbridge Township Health Department • Woodbridge Township Administration • Woodbridge Board of Education

		• School/Student Assistance Counselors (SACs)
12	Which resources did your subdivision use when deciding to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)? List all that apply, including, but not limited to, the following: (1) Any evidence-based or evidence-informed practices or strategies; (2) The "Schedule B" list of approved opioid remediation uses attached as Exhibit A to the January 28, 2022 "Memorandum of Agreement Between the State of New Jersey and Local Governments on Opioid Litigation Recoveries" to which your subdivision is a signatory; (3) A needs assessment; (4) A strategic plan; and/or (5) An epidemiological analysis;	The Township relied on the use of an evidence-based prevention program and the identified needs of local youth and schools. Funding was used to continue the Botvin LifeSkills Training Program, including the purchase of program materials/school books needed for implementation. The Botvin LifeSkills Training program is an evidence-based substance-use and violence-prevention program designed for youth and is specifically structured for grades 6–9. The program focuses on personal self-management, social skills, problem-solving, coping skills, and drug-resistance skills.
13	During the current reporting year (7/1/2025 - 6/30/2026), did your subdivision engage the public (e.g., through town hall meetings, online surveys, or other means of communicating with stakeholders) prior to deciding how to use the opioid abatement funds you received?	Yes

13a	If yes, provide details about your public engagement/input efforts.	Woodbridge Township engaged relevant community stakeholders prior to determining the use of opioid abatement funds. This included communication and collaboration with the Woodbridge Board of Education, school/student assistance counselors, Health Department, and Township Administration to identify community needs, discuss the needs of local youth, and determine whether the Botvin LifeSkills Training Program would be an appropriate and beneficial evidence-based prevention strategy for students in grades 6–9.
14	For how many years have settlement spending allocations already been decided?	1 - 2 years
15	Does your subdivision have a strategic plan regarding the use of opioid abatement funds? If yes, choose "Yes" and upload/link to the strategic plan or summarize the plan in Question 15a	No, but we plan to in the future
16	Have you completed a Risk Assessment profile for demographic or geographic impact?	No, but we plan to in the future
17	Did your subdivision fund any programs using opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026)? A) For new programs, use the "Add Program" tab to report on each new program. B) For previously-reported programs, use the "Update" tab in the 'Prior Fiscal Year Programs' section to provide updates on programs reported during prior fiscal years.	Yes

	If you reported spending any opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026) in Question 6, you must answer the following questions for each program funded by opioid abatement funds.	
	2025 Fiscal Program List	
1	Program Name/Title	Botvin Lifeskills Program
2	Have there been any modifications or expansions to this program since the initial report? :	Yes, modification to funding amount
	2a) If yes, please explain:	Continued program into FY26
3	Amount expended in this reporting period (7/1/2025 - 6/30/ 2026)	\$27,720.00
4	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Other:	Program used on new set of students
5	Is there anything else you would like to share or highlight regarding the progress and impact of this program? :	No
6	Last Updated Date :	8/28/2026
