Opioid Settlement Funding Report		
Subdivision: Monmouth County		
	State ID:	NJ140
	County Name:	Monmouth
	Address:	3000 Kozloski Road, Freehold, New Jersey, 07728
	Subdivision Contact Name:	Kaitlyn Silagyi
	Subdivision Contact Email:	Kaitlyn.Silagyi@co.monmouth.nj.us
Fiscal Year: 2026		
1	What is the total amount of opioid abatement funds that your subdivision received during the current reporting period (7/1/2025 - 6/30/2026)?	\$1,485,785.20
2	What is the amount of accrued interest on the total amount of opioid abatement funds that your subdivision has received during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$39,812.95
3	What is the total amount of opioid abatement funds that your subdivision has received since the distribution of opioid abatement funds began in 2022?	\$9,301,998.43
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a county and did not transfer our funds
5	What is the amount of opioid abatement funds that your subdivision transferred to the county during the current reporting period (7/1/2025 - 6/30/2026)?	
6	What is the total amount of opioid abatement funds that your subdivision spent/expended during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$1,758,068.56

	You will be required to answer specific questions about the expenditures below in order for your annual report to be considered complete.	
7	What amount of opioid abatement funds did your subdivision appropriate/encumber but not yet spend during the current reporting period (7/1/2025 - 6/30/2026)?	\$3,450,417.37
8	What amount of opioid abatement funds did your subdivision spend on administrative expenses during the current reporting period (7/1/2025 - 6/30/2026)? You must also provide details about administrative expenses in Question 8a below.	\$77,058.67
8a.	Provide details regarding any administrative expenses spent during the current reporting period (7/1/2025 - 6/30/2026).	Administrative expenses included cost for consultant to ensure approved uses were followed and creating reporting templates, etc., as well as payroll and SurveyMonkey.
9	What amount of unspent/uncommitted opioid abatement funds from any reporting year does your subdivision currently have on hand?	\$3,522,079.87
10	What were your subdivision's overarching goals and values in its use of opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Overarching goals and values include reducing the incidence, prevalence, and impact of opioid use in Monmouth County; reducing overdose fatalities; investing in the full continuum – prevention, treatment, harm reduction, and recovery support services; prioritize upstream prevention; expand recovery supports and help people stay connected to care; use data and community-identified needs to drive decisions; support collaboration rather than working in

		silos; address stigma and improve public understanding
11	Which official(s) were involved in deciding how to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Monmouth County Board of County Commissioners, The Opioid Settlement Advisory Board, and Department of Health and Human Services leadership
12	Which resources did your subdivision use when deciding to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Schedule B list of approved uses attached as Exhibit A; existing needs assessments, including efforts utilized in formation of the county comprehensive plan, which included public engagement and input; Overdose Fatality Review Team efforts and data; community outreach; data and information from County Alliances, as well as the county coalition strategic plan. Information is continually collected through stakeholders, community partners, and resident voice across various county wide/public meetings, focus groups, and survey.
	List all that apply, including, but not limited to, the following:	
	(1) Any evidence-based or evidence-informed practices or strategies;	
	(2) The "Schedule B" list of approved opioid remediation uses attached as Exhibit A to the January 28, 2022 "Memorandum of Agreement Between the State of New Jersey and Local Governments on Opioid Litigation Recoveries" to which your subdivision is a signatory;	
	(3) A needs assessment;	
	(4) A strategic plan; and/or	
	(5) An epidemiological analysis;	

13	During the current reporting year (7/1/2025 - 6/30/2026), did your subdivision engage the public (e.g., through town hall meetings, online surveys, or other means of communicating with stakeholders) prior to deciding how to use the opioid abatement funds you received?	Yes
13a	If yes, provide details about your public engagement/input efforts.	County-wide survey was completed and published in the second quarter of 2025. 285 responses have been collected. The survey is continually shared throughout the community and published on the County web page. There is also a QR code related that is utilized to include access to the survey - this is utilized in materials, resources, community outreach, direct to resident mailers, etc.
14	For how many years have settlement spending allocations already been decided?	1 - 2 years
15	Does your subdivision have a strategic plan regarding the use of opioid abatement funds?	No
	If yes, choose "Yes" and upload/link to the strategic plan or summarize the plan in Question 15a	
16	Have you completed a Risk Assessment profile for demographic or geographic impact?	No
17	Did your subdivision fund any programs using opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026)?	Yes
	A) For new programs, use the "Add Program" tab to report on each new program.	

	B) For previously-reported programs, use the "Update" tab in the 'Prior Fiscal Year Programs' section to provide updates on programs reported during prior fiscal years.	
	If you reported spending any opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026) in Question 6, you must answer the following questions for each program funded by opioid abatement funds.	
	2026 Fiscal Program List	
1	What is the name/title of the program?	Community Based MOUD Nurse
2	List all agencies, organizations, or entities that received funding for this program.	Visiting Nurse Association of Central Jersey - Prevention Resource Network
3	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply.	Community Based Organizations/Non-Governmental Organizations; Hospital/Healthcare Provider (including Mental Health or Substance Use Treatment Provider)
4	What is the primary problem being addressed by this program?	Bridging the gaps in access to Medication for Opioid Use Disorder (MOUD) treatment for the most vulnerable people who use substances.
5	Briefly describe the program's purpose and key activities.	The MOUD Nurse increases awareness of and access to low-threshold treatment services for people who use substances, especially among those without access to reliable transportation or who are unstably housed. This is achieved by providing on-the-ground nursing services at mobile

		harm reduction sites in order to meet the community of people who use substances where they are at.
6	What is the target population for this program?	Individuals experiencing Homelessness; Individuals in Recovery; Individuals in Treatment; Individuals involved with the Criminal Justice System; Individuals who Use Drugs; Members of the General Public
7	On what date was this program funded? (Use the format MM/DD/YYYY.)	7/1/2025
8	What is the total amount of funding for this program?	\$100,000.00
8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$50,785.12
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$49,214.88
9	How often is your subdivision disbursing funds to this program?	Others
9(a).	How often is your subdivision disbursing funds to this program? - Others	Annual contract with possible renewal options. Program is in its first one-year renewal option (7/1/26-6/30/27). This report is based on original contract year.
10	On what date was this program launched? (Use the format MM/DD/YYYY.)	10/1/2025
11	Choose the duration of the program from the list below.	Others
11(a).	Choose the duration of the program from the list below. - Others	With renewal options, program has potential to have duration 3+ years. Renewals are considered annually.

12	What is the number of unduplicated individuals served by this program?	50
13	What is the intended impact of this program?	Increase awareness of and access to low-threshold treatment services for people who use substances.
14	Which key performance indicators are you tracking to ensure success of the program? List all that apply, including, but not limited to, the following:	
	Number of participants served:	17
	Number of training/education sessions:	119
	Number of services provided/encounters:	135
	Increased community awareness (please describe):	Prior to initiating services and throughout early service delivery, the MOUD RN conducted proactive outreach to aligned organizations and service providers throughout Monmouth County to raise awareness about the availability of low-threshold buprenorphine at Harm Reduction mobile sites. This includes outreach to rehabs, social service offices, hospital emergency departments, hospital-based case management and peer recovery staff, pantries, and mental health support organizations.
	Number of referrals to treatment	21

	Other:	Linkages to buprenorphine prescriber: 16 Follow-up encounters: 102 Additional support provided: transportation to appointment, court letter to dismiss paraphernalia charges, accompaniment to outside appointments Referrals for MOUD: 16 connected to low-threshold prescriber via MOUD RN; 3 transfers to MOUD maintenance upon successful completion of induction; 2 transfers to higher level of care (1 each to methadone, outpatient detox) Wraparound referrals: primary care, mental healthcare, recovery meetings/support groups, social services (Medicaid enrollment).
15	How frequently are you measuring the key performance indicators listed above?	Quarterly
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	Continue monthly and quarterly chart review to compile quantitative and qualitative participant outcomes including milestones/goals achieved and referrals; Weekly case conferences between MOUD RN, low-threshold buprenorphine prescriber, and low-threshold buprenorphine case manager to identify emerging trends and troubleshoot participant needs in real-time
17	Primary Category (Please select the category that fits the primary focus of this program):	Recovery Supports
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Harm Reduction and Overdose Prevention; Housing; Primary Prevention, Education, and Training; Treatment;

		Wraparound and Connected Care Supports
19	Select the "Schedule B" approved strategy or strategies that best match the primary focus of this program.	Treat Opioid Use Disorder (OUD), Support People in Treatment and Recovery, Connections to Care, Appropriate Opioid Prescribing and Dispensing, Prevent Overdose Deaths and Other Harms (Harm Reduction)
20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	When reviewing historic participant outcomes for PRN's low-threshold buprenorphine program based in Asbury Park, PRN identified that unhoused participants and participants that experience barriers to transportation and communication in particular had lower rates of program retention and completion. PRN proposed creating a new community-based MOUD RN position to embed access to telehealth MOUD treatment at Harm Reduction mobile sites throughout Monmouth County to bridge gaps in awareness of and access to treatment and recovery support services.
21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	RFP competitive contracting

22	If you would like to provide any additional details about this program not already included above, you may do so here.	Several participants in the program achieved significant successes thanks in part to support from the MOUD RN. For example, from December 2025 until June 2026, one participant successfully got his driver's license reinstated, joined a band, and started electrical school. This participant completed buprenorphine induction with support from the MOUD RN then linked to a recovery maintenance provider for injectable buprenorphine as well as connected for mental healthcare. Another participant worked with the MOUD RN from December 2025 through present. He was linked to Monmouth ACTS for support enrolling in Medicaid in February 2026. The MOUD RN also assisted him directly with enrollment via Lifeline for a free phone plan. This participant was subsequently diagnosed with leukemia, and access to both insurance and phone have proven essential for coordinating his chemotherapy.
	2026 Fiscal Program List	
1	What is the name/title of the program?	Opioid Settlement Health Initiative - MOUD Treatment
2	List all agencies, organizations, or entities that received funding for this program.	Preferred Behavioral Health Group
3	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply.	Hospital/Healthcare Provider (including Mental Health or Substance Use Treatment Provider)

4	What is the primary problem being addressed by this program?	This grant is attempting eliminate barriers for obtaining long acting injectables as well as provide the services in conjunction with treatment. This grant also adds health education to clients early in recovery.
5	Briefly describe the program's purpose and key activities.	An RN was hired to provide long acting injectables (Vivitrol and Sublocade) for clients in treatment. The nurse also provides health education in person – through individual time and during the groups.
6	What is the target population for this program?	Individuals in Recovery; Individuals in Treatment; Individuals involved with the Criminal Justice System; Individuals who Use Drugs; Members of the General Public; Pregnant and Parenting Individuals and their Families, including Babies with Neonatal Abstinence Syndrome
7	On what date was this program funded? (Use the format MM/DD/YYYY.)	7/1/2025
8	What is the total amount of funding for this program?	\$100,000.00
8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$43,289.13
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$56,710.87
9	How often is your subdivision disbursing funds to this program?	Quarterly
10	On what date was this program launched? (Use the format MM/DD/YYYY.)	7/1/2025
11	Choose the duration of the program from the list below.	Others

11(a).	Choose the duration of the program from the list below. - Others	Annual contract with possible renewal options. Program is in its first one-year renewal option (7/1/26-6/30/27). This report is based on original contract year.
12	What is the number of unduplicated individuals served by this program?	50
13	What is the intended impact of this program?	This grant will increase medication adherence and decrease overdoses, due to having everything at the same facility as treatment. The grant will also provide health education to clients in treatment.
14	Which key performance indicators are you tracking to ensure success of the program? List all that apply, including, but not limited to, the following:	
	Number of participants served:	17
	Number of training/education sessions:	12
	Number of services provided/encounters:	12
	Other:	This grant allows clients to receive treatment as well as MOUD in the same program.
15	How frequently are you measuring the key performance indicators listed above?	Quarterly
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	To expand services to include MOUD treatment. 16 clients benefited from receiving health education as well as vitals. 1 client benefited from receiving injectable medication. RN is able to take vitals for all clients and conduct educational group sessions and trainings.
17	Primary Category (Please select the category that fits the primary focus of this program):	Treatment

18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Harm Reduction and Overdose Prevention
19	Select the "Schedule B" approved strategy or strategies that best match the primary focus of this program.	Treat Opioid Use Disorder (OUD), Appropriate Opioid Prescribing and Dispensing, Prevent Misuse of Opioids, Prevent Overdose Deaths and Other Harms (Harm Reduction)
20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	This grant aims to eliminate clients having to see an outside provider for injections/medication prescriptions.
21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	RFP competitive contracting
22	If you would like to provide any additional details about this program not already included above, you may do so here.	
	2026 Fiscal Program List	
1	What is the name/title of the program?	Prevention First YT2S/YTAG & Overdose Awareness
2	List all agencies, organizations, or entities that received funding for this program.	Preferred Behavioral Health Group - Prevention First/PCMC
3	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply.	Community Based Organizations/Non-Governmental Organizations; Hospital/Healthcare Provider (including Mental Health or Substance Use Treatment Provider)

4	What is the primary problem being addressed by this program?	The primary problem being addressed by this program is substance use in Monmouth County, specifically related to opioids, new and emerging drugs and trends, underage drinking, marijuana and tobacco use.
5	Briefly describe the program's purpose and key activities.	programs seek to prevent substance use in Monmouth County through prevention programs and awareness campaigns. We have three main programs that address this: Youth Time to Shine, a youth group for middle and high school students that explores substance use prevention strategies, positive mental health practices and leadership skills. International Overdose Awareness Day purple flags event seeks to bring awareness to overdose in Monmouth County through powerful displays of purple flags around the county that honor those who have lost their lives to an overdose in the year prior, as well as highlighting all overdoses in the county for said year. Finally, our Black Poster Project seeks to bring awareness and highlight overdose deaths across the state and country by using powerful personal displays and stories.
6	What is the target population for this program?	Children and Young Adults - 14-18 (high school aged); Children and Young Adults - 19-24 (post-grad through college); Members of the General Public
7	On what date was this program funded? (Use the format MM/DD/YYYY.)	7/1/2025
8	What is the total amount of funding for this program?	\$100,000.00

8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$37,111.69
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$62,888.31
9	How often is your subdivision disbursing funds to this program?	Quarterly
10	On what date was this program launched? (Use the format MM/DD/YYYY.)	7/1/2025
11	Choose the duration of the program from the list below.	Others
11(a).	Choose the duration of the program from the list below. - Others	Annual contract with possible renewal options. Program is in its first one-year renewal option (7/1/26-6/30/27). This report is based on original contract year.
12	What is the number of unduplicated individuals served by this program?	20
13	What is the intended impact of this program?	Statement of impact for International Overdose Awareness Day and Black Poster Project events: The Prevention Coalition of Monmouth County exists to improve substance use/misuse prevention strategies through awareness, education, and advocacy to affect community-level change. Youth group impact statement: Youth Time to Shine's mission is to create a positive environment where teens can work together to prevent substance use, serve our communities, and learn together.
14	Which key performance indicators are you tracking to ensure success of the program? List all that apply, including, but not limited to, the following:	
	Number of participants served:	238

	Number of harm reduction supplies distributed (e.g naloxone kits, drug disposal packets):	500 narcan
	Number of training/education sessions:	14
	Number of services provided/encounters:	169
	Increased community awareness (please describe):	All of our programs work with community members to bring awareness to these issues. We have seen an increase in community awareness through personal stories, request for resources, and larger engagement with Youth Time to Shine. Additionally, we have been requested to provide more services such as community presentations, speaking events, and support for implementing other prevention programs.
	Other:	International Overdose Awareness Day/Purple Flags: As this event is county wide and over the course of multiple weeks, we count unduplicated clients as community partners and municipalities who participate in the program: Community partners: 40 Municipalities: 53 Black Poster Project events: 265 Youth Time to Shine: 20
15	How frequently are you measuring the key performance indicators listed above?	Quarterly

16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	We plan to measure and track the overall success of this program through tracking our social media insights, evaluating programs through focus groups administered to youth in Youth Time to Shine, members of the Prevention Coalition of Monmouth County and community members. We will also gather feedback through personal testimony from programs participants. Additionally, we will track requests for resources, presentations, and other support requests for schools, libraries, businesses, other non-profits, and the general community.
17	Primary Category (Please select the category that fits the primary focus of this program):	Primary Prevention, Education, and Training
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Harm Reduction and Overdose Prevention
19	Select the "Schedule B" approved strategy or strategies that best match the primary focus of this program.	Prevent Misuse of Opioids, Prevent Overdose Deaths and Other Harms (Harm Reduction), Training
20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	All programs strive to reduce substance use related to opioids, any new and emerging drugs, alcohol, tobacco and marijuana. We focus on community prevention for all residents in Monmouth County including all the 12 sectors of the community. We aim to raise awareness regarding substance use, educate the community on the dangers of substance use and how they can protect themselves and their loved ones, and advocate for change to reduce substance use in our communities.

21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	RFP competitive contracting
22	If you would like to provide any additional details about this program not already included above, you may do so here.	
	2026 Fiscal Program List	
1	What is the name/title of the program?	SUD Treatment Services: Withdrawal Management & Short-Term Residential
2	List all agencies, organizations, or entities that received funding for this program.	New Hope Integrated Behavioral Health Care
3	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply.	Community Based Organizations/Non-Governmental Organizations; Hospital/Healthcare Provider (including Mental Health or Substance Use Treatment Provider)
4	What is the primary problem being addressed by this program?	Provide treatment of opioid use disorder (OUD) for residents of Monmouth County due to consistent, strong demand for individualized OUD treatment, fewer individuals being approved for Medicaid and limited episodes being available through the State Fee-For-Service (FFS) Initiatives. New Hope IBHC is experiencing particularly strong demand because we have put specialized OUD services in place

5	Briefly describe the program's purpose and key activities.	New Hope IBHC provides medically monitored withdrawal management (WM) detoxification services and Intensive Inpatient Treatment (STR) that approximate the American Society of Addiction Medicine (ASAM) Level 3.7 levels. We are considered "Enhanced Co-Occurring" (ASAM Criteria), because, as we offer integrated care by staff trained in assessment and treatment of co-occurring substance use disorders and mental illness with on-site psychiatric services. Adult inpatient services (WM and STR) also receive comprehensive medical oversight led by the Medical Director.
6	What is the target population for this program?	Individuals in Treatment; Individuals who Use Drugs
7	On what date was this program funded? (Use the format MM/DD/YYYY.)	7/1/2025
8	What is the total amount of funding for this program?	\$100,000.00
8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$100,000.00
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$0.00
9	How often is your subdivision disbursing funds to this program?	Quarterly
10	On what date was this program launched? (Use the format MM/DD/YYYY.)	7/1/2025
11	Choose the duration of the program from the list below.	Others
11(a).	Choose the duration of the program from the list below. - Others	Annual contract with possible renewal options. Program is in its first one-year renewal option (7/1/26-6/30/27). This report is based on original contract year.

12	What is the number of unduplicated individuals served by this program?	25
13	What is the intended impact of this program?	Our goal is to reduce the incidence of addiction and its related costs to the citizenry of Monmouth County by providing effective and efficient rehabilitation services that will return healthy and productive citizens to our local communities. New Hope will serve all in need of and seeking our services, regardless of their ability to pay, without exception, to the limits of its financial and clinical viability. Our goal is to instill recovering behavior. The lifetime process that begins at New Hope calls upon a recovering person to continually strive for responsible behavior and self-improvement.
14	Which key performance indicators are you tracking to ensure success of the program? List all that apply, including, but not limited to, the following:	
	Number of participants served:	25
	Number of harm reduction supplies distributed (e.g naloxone kits, drug disposal packets):	25 Naloxone kits
	Number of services provided/encounters:	32
	Other:	20 continuing care plans developed
15	How frequently are you measuring the key performance indicators listed above?	Monthly

16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	Key indicators of quality performance are monitored at individual (performance management), unit (QI tracking) and organizational levels (DMHAS Provider Performance Reports – NJSAMS). Performance Management Meetings are held monthly by Administration with all Unit Directors, who are responsible for their respective units. Quality assurance indicators are reviewed and strategies developed to continually improve all aspects of care.
17	Primary Category (Please select the category that fits the primary focus of this program):	Treatment
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Recovery Supports; Wraparound and Connected Care Supports
19	Select the "Schedule B" approved strategy or strategies that best match the primary focus of this program.	Treat Opioid Use Disorder (OUD), Support People in Treatment and Recovery, Connections to Care, Appropriate Opioid Prescribing and Dispensing

20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	A successful client demonstrates motivation, self-knowledge and skills to engage in a level of care that is less restrictive than the one they are completing. Those with co-occurring mental illness are stable on medication and compliant with their medications and entire treatment plans. In addition, successful clients score their experience at New Hope highly on the Treatment Feedback Questionnaire (TFQ) and the How Are We Doing (HAWD) survey. The TFQ is a client satisfaction instrument that asks whether clients were satisfied in different areas during the course of treatment. The HAWD measures the strength of the therapeutic alliance between a client and their counselor and is the strongest predictor of successful outcomes.
21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	RFP competitive contracting
22	If you would like to provide any additional details about this program not already included above, you may do so here.	
	2026 Fiscal Program List	
1	What is the name/title of the program?	Community Outreach Program - Mobile Van
2	List all agencies, organizations, or entities that received funding for this program.	CPC Integrated Health

3	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply.	Community Based Organizations/Non-Governmental Organizations
4	What is the primary problem being addressed by this program?	Lack of timely access to opioid use disorder (OUD), substance use disorder (SUD) and co-occurring mental health treatment services among underserved and high risk Monmouth County residents. Barriers including transportation, housing instability, stigma, childcare responsibilities and limited after hours access frequently prevent individuals from engaging in care and contribute to overdose risk and poor health outcomes.
5	Briefly describe the program's purpose and key activities.	CPC's Mobile Van is a community based extension of our Certified Community Behavioral Health Clinic (CCBHC). The van is available to provide outreach, screening, assessment, intake, care coordination, overdose prevention education, naloxone distribution, harm reduction services and linkage to treatment for individuals with OUD, other SUDs and co-occurring mental health disorders. Services are delivered directly in communities throughout Monmouth County.
6	What is the target population for this program?	Children and Young Adults - 19-24 (post-grad through college); Individuals experiencing Homelessness; Individuals in Recovery; Individuals in Treatment; Individuals involved with the Criminal Justice System; Individuals who Use Drugs

7	On what date was this program funded? (Use the format MM/DD/YYYY.)	7/1/2025
8	What is the total amount of funding for this program?	\$100,000.00
8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$100,000.00
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$0.00
9	How often is your subdivision disbursing funds to this program?	One time only
10	On what date was this program launched? (Use the format MM/DD/YYYY.)	1/1/2026
11	Choose the duration of the program from the list below.	Others
11(a).	Choose the duration of the program from the list below. - Others	One time only funding - the van will be continually used to serve the community on an on-going basis.
12	What is the number of unduplicated individuals served by this program?	150
13	What is the intended impact of this program?	The Mobile Van program will improve access to care, reduce barriers to treatment engagement, increase overdose prevention efforts and connect underserved Monmouth County residents with evidence based OUD, SUD and co-occurring mental health services. By bringing services directly into the community, the program will increase enrollment in treatment, reduce missed appointments, improve retention and support recovery and overall wellness.
14	Which key performance indicators are you tracking to ensure success of the program? List all that apply, including, but not limited to, the following:	

	Number of participants served:	61
	Reduction in opioid-related incidents:	2
	Number of harm reduction supplies distributed (e.g naloxone kits, drug disposal packets):	2
	Number of training/education sessions:	22
	Number of services provided/encounters:	43
	Increased community awareness (please describe):	Since purchased, CPC's mobile van has dispatched to the following entities: Lunchbreak, Project Paul, food pantries including Union Beach, Project Real, VNA, courts and police stations, Monmouth Social Services, Asbury Park Special Services, Mercey Center, Open Door, local libraries.
	Number of referrals to treatment	43
15	How frequently are you measuring the key performance indicators listed above?	Quarterly
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	Success is measured through CPC's electronic health record and quality management systems using dashboards and outcome reports. Measures include number served, screenings completed, referrals made, treatment enrollment rates, retention in care, client satisfaction, overdose prevention activities, service utilization and progress toward recovery outcomes. Data is reviewed regularly through continuous quality improvement processes.
17	Primary Category (Please select the category that fits the primary focus of this program):	Harm Reduction and Overdose Prevention

18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Diversion and Re-entry Support; Primary Prevention, Education, and Training; Recovery Supports; Treatment
19	Select the "Schedule B" approved strategy or strategies that best match the primary focus of this program.	Treat Opioid Use Disorder (OUD), Support People in Treatment and Recovery, Connections to Care, Address the Needs of Criminal Justice-Involved Persons, Appropriate Opioid Prescribing and Dispensing, Prevent Misuse of Opioids, Prevent Overdose Deaths and Other Harms (Harm Reduction)
20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	Monmouth County continues to experience significant rates of opioid overdose and substance use related harm. The Mobile Van expands access to screening, assessment, engagement, treatment linkage and harm reduction services in underserved communities, reducing barriers that prevent individuals from obtaining lifesaving care. The investment supports proactive outreach and early intervention while improving access to CPC's CCBHC continuum of care.
21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	RFP competitive contracting.

22	If you would like to provide any additional details about this program not already included above, you may do so here.	Increase engagement and enrollment in OUD and SUD treatment; improve access to co-occurring mental health services; reduce overdose risk; increase naloxone distribution; enhance treatment retention; reduce unnecessary emergency department utilization; improve physical and behavioral health outcomes; strengthen social supports; and improve overall quality of life for participating individuals and families.
	2026 Fiscal Program List	
1	What is the name/title of the program?	Community Leadership Academy/SAFE (Supportive Action For Everyone)
2	List all agencies, organizations, or entities that received funding for this program.	HMH - Jersey Shore University Medical Center
3	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply.	Hospital/Healthcare Provider (including Mental Health or Substance Use Treatment Provider)
4	What is the primary problem being addressed by this program?	This innovative program represents a strategic investment in community-based capacity building that addresses multiple approved uses under the NJ Opioid Settlement Agreement, including treating opioid use disorder, supporting people in treatment and recovery, providing connections to care, preventing problematic use of opioids, preventing overdose deaths and harms through harm reduction strategies, and supporting cross-system collaborative efforts.

5	Briefly describe the program's purpose and key activities.	The program will build the community's capacity for early intervention and prevention for opioid use disorder – as well as the adverse childhood events, trauma, and violence that often follow it – through strategic educational and training initiatives, including curriculum development and harm reduction workshops. This capacity-building approach directly supports the approved uses of preventing overdose deaths and harms through harm reduction strategies and supporting cross-system collaborative efforts. Second, the program will utilize resources in a cost-effective and efficient manner that maximizes community benefit while creating sustainable infrastructure for ongoing opioid use disorder prevention and intervention. By training community members to provide peer support and early intervention services, the program creates a multiplier effect that extends beyond the initial investment. Third and over time, the program's graduates will provide direct early intervention, prevention, and connection to care services for those impacted (directly or indirectly) by opioid use disorder through community-based screening and assessment, evidence-based interventions, and comprehensive connections to individualized care needs. This approach addresses the approved uses of treating opioid use disorder,
---	--	---

		supporting people in treatment and recovery, providing connections to care, and preventing problematic use of opioids.
6	What is the target population for this program?	Children and Young Adults - 0-13 (through 8th grade); Children and Young Adults - 14-18 (high school aged); Children and Young Adults - 19-24 (post-grad through college); Individuals experiencing Homelessness; Individuals in Recovery; Individuals in Treatment; Individuals involved with the Criminal Justice System; Individuals who Use Drugs; Members of the General Public

7	On what date was this program funded? (Use the format MM/DD/YYYY.)	7/1/2025
8	What is the total amount of funding for this program?	\$100,000.00
8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$45,651.88
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$54,348.12
9	How often is your subdivision disbursing funds to this program?	Others
9(a).	How often is your subdivision disbursing funds to this program? - Others	Annual contract with possible renewal options. Program is in its first one-year renewal option (7/1/26-6/30/27). This report is based on original contract year.
10	On what date was this program launched? (Use the format MM/DD/YYYY.)	7/1/2025
11	Choose the duration of the program from the list below.	Others
11(a).	Choose the duration of the program from the list below. - Others	With renewal options, program has potential to have duration 3+ years. Renewals are considered annually.
12	What is the number of unduplicated individuals served by this program?	80

13	What is the intended impact of this program?	In response to this identified need, we propose the creation of a Community Leadership Academy (herein simply “CLA” or “the program”) that would build capacity to provide high-risk intervention services to residents in Monmouth County. This innovative program represents a strategic investment in community-based capacity building that addresses multiple approved uses under the NJ Opioid Settlement Agreement, including treating opioid use disorder, supporting people in treatment and recovery, providing connections to care, preventing problematic use of opioids, preventing overdose deaths and harms through harm reduction strategies, and supporting cross-system collaborative efforts. The program would be led by an individual with substantial experience with alcohol and drug counseling, deep knowledge of Monmouth County, and – ideally – in recovery from substance use and/or the adverse childhood events, trauma, and violence that often follow it. Although this individual would be hired as a consultant to Jersey Shore University Medical Center (JSUMC), he or she would be supported by and work in close partnership with key programs at JSUMC (e.g. Addiction Recovery Services, Paths to Recovery, Project HEAL, Elevate). This leadership model ensures that the program is grounded in lived experience while maintaining the highest clinical standards and evidence-based practice fidelity.
----	--	---

14	Which key performance indicators are you tracking to ensure success of the program? List all that apply, including, but not limited to, the following:	
	Number of training/education sessions:	26
	Number of services provided/encounters:	26
	Increased community awareness (please describe):	On weekly basis through community walks, events, and the 26 educational workshops facilitated.
	Number of referrals to treatment	15
	Other:	16 grief groups facilitated, 8 workshops, and were present at the Trinity Church Warming Center every Friday that there was a Code Blue between November 2025-March 2026. Trainings completed and development of CLA. Unduplicated clients include 5 graduates of CLA and 75 community members.
15	How frequently are you measuring the key performance indicators listed above?	Quarterly

16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	Continuous Monitoring – Key performance indicators are tracked monthly (e.g. participant engagement rates, training completion percentages). Quarterly Reviews – Comprehensive program assessments evaluate progress toward annual objectives, identify emerging challenges, and adjust implementation strategies as needed. Annual Evaluation – Systematic review of all program components assesses overall effectiveness, sustainability planning, and strategic improvements for subsequent program years. Stakeholder Communication – Quality assurance findings are communicated to program stakeholders, community partners, and funding agencies according to established reporting schedules and standardized formats.
17	Primary Category (Please select the category that fits the primary focus of this program):	Harm Reduction and Overdose Prevention
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Primary Prevention, Education, and Training; Recovery Supports; Workforce Development and Capacity Building; Wraparound and Connected Care Supports
19	Select the "Schedule B" approved strategy or strategies that best match the primary focus of this program.	Treat Opioid Use Disorder (OUD), Support People in Treatment and Recovery, Connections to Care, Address the Needs of Criminal Justice-Involved Persons, Prevent Misuse of Opioids, Prevent Overdose Deaths and Other Harms (Harm Reduction), Leadership, Planning and

		Coordination, Training
20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	Monmouth County faces a persistent and devastating opioid crisis that continues to impact residents across all demographics and communities. According to the New Jersey Department of Health, Monmouth County has experienced significant rates of opioid-related overdoses and deaths, with the crisis particularly affecting vulnerable populations including youth, justice-involved individuals, and those experiencing adverse childhood events and trauma. The widespread nature of this crisis has created cascading effects throughout the community, contributing to increased rates of violence, family disruption, and intergenerational trauma that perpetuate cycles of substance use and related harm. These interconnected challenges require comprehensive, community-based approaches that address both immediate substance use concerns and the underlying social determinants that perpetuate risk. Specifically, this crisis has created an urgent need for evidence-based best practices and programming that treats opioid use disorder, supports people in treatment and recovery, provides connections to care, prevents problematic use of

		opioids, prevents overdose deaths, and supports cross-system collaborative efforts along with the adverse childhood events, trauma, and violence that often follow those most affected by the opioid crisis. Traditional treatment models, while essential, must be complemented by community-based interventions that emphasize prevention, early intervention, and connection to care at the grassroots level. The most effective responses to the opioid crisis recognize that sustainable change requires building community capacity for early identification, intervention, and prevention. This approach acknowledges that community members who have been directly or indirectly impacted by substance use are often best positioned to identify those at risk, provide culturally responsive interventions, and create the trust necessary for effective engagement with formal treatment services.
21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	RFP competitive contracting.
22	If you would like to provide any additional details about this program not already included above, you may do so here.	CLA and SAFE aims to increase education, awareness, and access to harm reduction strategies while preventing problematic use of opioids, preventing overdose deaths and harms, while supporting cross-system collaborative efforts.

	2026 Fiscal Program List	
1	What is the name/title of the program?	Enhancement/Expansion - Recovery High School
2	List all agencies, organizations, or entities that received funding for this program.	Matawan Aberdeen Regional School District (MARSD) K.E.Y.S. Academy Recovery High School
3	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply.	Schools, Colleges, Universities
4	What is the primary problem being addressed by this program?	K.E.Y.S. Academy Recovery High School addresses the complex and interconnected challenges faced by adolescents experiencing substance use disorders and/or co-occurring mental health concerns that impact the students' learning and overall well-being. The program provides a safe, recovery-focused educational environment that supports relapse prevention, strengthens recovery, addresses behavioral and other risk factors, and increases access to mental health and substance use services. K.E.Y.S. also addresses educational barriers by providing individualized academic support, credit recovery, and interventions to close academic gaps and help students make consistent progress toward a high school diploma. Through integrated education, recovery support, prevention, wellness, counseling, and behavioral interventions, K.E.Y.S. helps students develop healthier coping strategies, improve decision-making and behavior, remain engaged in school, and build pathways toward graduation and long-term success.

5	Briefly describe the program's purpose and key activities.	K.E.Y.S. Academy Recovery High School is a specialized, recovery-focused public high school within the Matawan-Aberdeen Regional School District (MARSD) serving adolescents who are working toward recovery from substance use disorder and/or co-occurring mental health challenges. Entering its 10th academic year, K.E.Y.S. has served students from more than 33 high schools across New Jersey. The mission of K.E.Y.S. Academy is to provide a safe, supportive, and individualized school community where students can pursue their recovery, strengthen their mental health and wellness, and complete the academic requirements necessary to earn a high school diploma. The program integrates education, recovery support, mental health services, prevention, wellness, and individualized student planning within one coordinated school environment.
6	What is the target population for this program?	Children and Young Adults - 14-18 (high school aged); Individuals in Recovery; Individuals in Treatment
7	On what date was this program funded? (Use the format MM/DD/YYYY.)	7/1/2025
8	What is the total amount of funding for this program?	\$200,000.00
8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$53,788.01
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$146,211.99
9	How often is your subdivision disbursing funds to this program?	Others

9(a).	How often is your subdivision disbursing funds to this program? - Others	Annual contract with possible renewal options. Program is in its first one-year renewal option (7/1/26-6/30/27). This report is based on original contract year.
10	On what date was this program launched? (Use the format MM/DD/YYYY.)	7/1/2025
11	Choose the duration of the program from the list below.	Others
11(a).	Choose the duration of the program from the list below. - Others	With renewal options, program has potential to have duration 3+ years. Renewals are considered annually.
12	What is the number of unduplicated individuals served by this program?	19
13	What is the intended impact of this program?	K.E.Y.S. Academy Recovery High School continues to demonstrate a significant positive impact on students' educational and recovery journeys. Students have made meaningful progress toward sobriety, recovery stability, academic achievement, credit attainment, and high school graduation. Many students have also developed individualized pathways toward college, career, military service, employment, and other post-secondary opportunities. Overall, K.E.Y.S. Academy provides an integrated model of education, recovery, prevention, mental health, wellness, and community support, empowering young people to remain connected to their education while developing the skills, resilience, and support systems necessary to achieve long-term recovery and success.
14	Which key performance indicators are you tracking to ensure success of the program? List all that apply,	

	including, but not limited to, the following:	
	Number of participants served:	19
	Number of harm reduction supplies distributed (e.g naloxone kits, drug disposal packets):	30 Naloxone kits
	Number of training/education sessions:	15
	Increased community awareness (please describe):	Through this grant, K.E.Y.S. Academy will expand its community outreach and direct service delivery efforts, with a particular focus on youth in recovery. Grant funding will allow K.E.Y.S. to bring recovery-focused programming and supportive services directly to youth and families in the community, increasing access to resources that promote substance use recovery, mental health, nutrition, wellness, prevention, and healthy living. These efforts will strengthen connections with youth in recovery, reduce barriers to accessing supportive services, and provide meaningful opportunities for young people to build healthy coping skills, strengthen recovery, and develop positive pathways for their future.

	Other:	19 students attended; 7 graduated. LCADC provides services 10hrs/week. K.E.Y.S. Academy evaluates program effectiveness through a combination of academic, recovery, attendance, behavioral health, wellness, engagement, and post-secondary indicators. These measures reflect the unique mission of a recovery high school and the goal of supporting students toward sustained recovery while completing their high school education. • Academic Achievement & Graduation rates • Attendance & School Engagement • Recovery & Substance Use Outcomes (Weekly tox testing results) • Mental Health & Wellness • Student Behavioral and Personal Development • Community Collaboration and Continuity of Care • Family Engagement • Prevention and Early Intervention • College & Career Post Secondary Readiness
15	How frequently are you measuring the key performance indicators listed above?	Quarterly
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	K.E.Y.S. will measure program success through student attendance, academic progress, credit attainment, graduation, recovery and sobriety outcomes, participation in prevention and wellness services, behavioral health engagement, and post-secondary planning. Student progress and service utilization will be tracked throughout the year, along with student and family feedback, to

		evaluate the program's overall impact and identify opportunities for continuous improvement.
17	Primary Category (Please select the category that fits the primary focus of this program):	Recovery Supports
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Harm Reduction and Overdose Prevention; Primary Prevention, Education, and Training; Treatment; Wraparound and Connected Care Supports
19	Select the "Schedule B" approved strategy or strategies that best match the primary focus of this program.	Support People in Treatment and Recovery, Connections to Care, Prevent Misuse of Opioids, Prevent Overdose Deaths and Other Harms (Harm Reduction)

20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	K.E.Y.S. Academy uses Opioid Settlement Grant funding to enhance our existing recovery high school program by expanding prevention, recovery, mental health, wellness, and supportive services for students and families affected by substance use. The funding strengthens services that address the ongoing impact of the opioid epidemic, including prevention education, recovery support, early intervention, overdose awareness, and connections to behavioral health and community resources. These enhancements provide students with additional supports that complement, rather than replace, the school's core educational funding. This investment strengthens K.E.Y.S.' ability to promote sustained recovery, reduce relapse and overdose risk, improve student wellness, and support successful academic and post-secondary outcomes.
21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	RFP competitive contracting.

22	If you would like to provide any additional details about this program not already included above, you may do so here.	K.E.Y.S. Academy aims to improve recovery, academic achievement, mental health, and overall wellness among students affected by substance use. Key outcomes include increased commitment to recovery and sobriety, reduced risk of relapse and overdose, improved access to prevention and behavioral health services, and stronger coping and life skills. The program also seeks to improve school attendance, academic progress, credit attainment, and graduation rates, while helping students develop individualized plans for college, career, military service, employment, and other post-secondary opportunities. Ultimately, K.E.Y.S. aims to provide students and families with a stronger network of recovery and community supports, empowering youth to achieve sustained recovery, educational success, improved wellness, and positive long-term outcomes. K.E.Y.S. Academy is about saving lives, strengthening recovery, and creating lifelong opportunities for students, families, and the broader community.
	2025 Fiscal Program List	
1	Program Name/Title	Monmouth County Community Outreach Supplies
2	Have there been any modifications or expansions to this program since the initial report? :	No modifications/expansions
3	Amount expended in this reporting period (7/1/2025 - 6/30/ 2026)	\$6,173.84

4	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of harm reduction supplies distributed (e.g naloxone kits, drug disposal packets):	Narcan kits: 2,136 testing strips (fentanyl, xylazine, medetomidine) - 1000+ drug disposal packets: 300
	Other:	Conducting outreach in areas identified as hot spots or in-need, as well as where requested by Community Providers. Outreach includes resources, peer support, harm reduction, and other items to address needs of population. Other outreach items distributed include resource bags with essential items, hygiene, first aid, as well as harm reduction kits, and wound care kits.

No Report Received		

Opioid Settlement Funding Report		
Subdivision: Asbury Park City		
	State ID:	NJ2
	County Name:	Monmouth
	Address:	One Municipal Plaza, Asbury Park, New Jersey, 07712
	Subdivision Contact Name:	Doug Schultz
	Subdivision Contact Email:	doug.schultz@cityofasburypark.com
Fiscal Year: 2026		
1	What is the total amount of opioid abatement funds that your subdivision received during the current reporting period (7/1/2025 - 6/30/2026)?	\$130,412.14
2	What is the amount of accrued interest on the total amount of opioid abatement funds that your subdivision has received during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$0.00
3	What is the total amount of opioid abatement funds that your subdivision has received since the distribution of opioid abatement funds began in 2022?	\$815,982.34
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a municipality and did not transfer our funds
5	What is the amount of opioid abatement funds that your subdivision transferred to the county during the current reporting period (7/1/2025 - 6/30/2026)?	
6	What is the total amount of opioid abatement funds that your subdivision spent/expended during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$121,726.87

	You will be required to answer specific questions about the expenditures below in order for your annual report to be considered complete.	
7	What amount of opioid abatement funds did your subdivision appropriate/encumber but not yet spend during the current reporting period (7/1/2025 - 6/30/2026)?	\$4,914.00
8	What amount of opioid abatement funds did your subdivision spend on administrative expenses during the current reporting period (7/1/2025 - 6/30/2026)?	\$0.00
	You must also provide details about administrative expenses in Question 8a below.	
8a.	Provide details regarding any administrative expenses spent during the current reporting period (7/1/2025 - 6/30/2026).	None, we do not charge the fund for Administrative Fees.
9	What amount of unspent/uncommitted opioid abatement funds from any reporting year does your subdivision currently have on hand?	\$561,440.88
10	What were your subdivision's overarching goals and values in its use of opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Our goals and values are to save the lives of active users as we distribute information and Narcan throughout the community. Our second goal is to use a Peer recovery model to engage active users and support individuals in active recovery and those contemplating recovery. The third goal is to provide education to those at-risk individuals.
11	Which official(s) were involved in deciding how to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	We met with City Administration (City Manager, Assistant Manager, CFO) and our Opioid and Social Services Staff. City Administration is our Liason to the City Council.

12	Which resources did your subdivision use when deciding to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Asbury Park has a well-documented history of opioid overdoses, evidenced through the ODMAP and local Police and Fire reports. Our immediate decision was to address the epidemic of OD's and deaths through the use of the Peer Model. This also guides us for working towards prevention and education goals in the community. We make use of most facets of the State Subdivision Agreement Exhibit A, including, but not limited to: Accessing/connecting individuals to treatment for those in need of recovery due to current or history of use (we do not provide treatment), Supporting individuals in recovery, using peer support model. We also address the needs of individuals through our efforts in the Municipal Court, our Recovery Diversion efforts. We do outreach and attend and create various events in our efforts to educate and prevent future overdoses. We are actively engaged with distributing Narcan and other education items as a part of our Harm Reduction efforts. We also work hand in hand with the Asbury Park Police; their Community Relations Unit shares our work space as a part of our engagement with them. We also engage with other Peers and local treatment providers in our efforts to support recovery in Asbury Park.
	List all that apply, including, but not limited to, the following:	
	(1) Any evidence-based or evidence-informed practices or strategies;	
	(2) The "Schedule B" list of approved opioid remediation uses attached as Exhibit A to the January 28, 2022 "Memorandum of Agreement Between the State of New Jersey and Local Governments on Opioid Litigation Recoveries" to which your subdivision is a signatory;	
	(3) A needs assessment;	
13	(4) A strategic plan; and/or	No, but plan to in the future
	(5) An epidemiological analysis;	
13	During the current reporting year (7/1/2025 - 6/30/2026), did your subdivision engage the public (e.g., through town hall meetings, online surveys, or other means of communicating with stakeholders) prior to deciding how to use the	

	opioid abatement funds you received?	
14	For how many years have settlement spending allocations already been decided?	Other
14a.	Please specify other.	We have chosen to use the Peer model and have hired a Peer for the future, how we adapt and change those efforts are adjusted annually. We are committed to the Peer for the future.
15	Does your subdivision have a strategic plan regarding the use of opioid abatement funds? If yes, choose "Yes" and upload/link to the strategic plan or summarize the plan in Question 15a	No, but we plan to in the future
16	Have you completed a Risk Assessment profile for demographic or geographic impact?	No, but we plan to in the future
17	Did your subdivision fund any programs using opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026)? A) For new programs, use the "Add Program" tab to report on each new program. B) For previously-reported programs, use the "Update" tab in the 'Prior Fiscal Year Programs' section to provide updates on programs reported during prior fiscal years.	Yes

	If you reported spending any opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026) in Question 6, you must answer the following questions for each program funded by opioid abatement funds.	
	2025 Fiscal Program List	
1	Program Name/Title	Peer Staff
2	Have there been any modifications or expansions to this program since the initial report? :	Yes, other modifications/expansions
	2a) If yes, please explain:	We are constantly looking for ways to increase our presence in the community, outside of our office. We endeavor to try new and different approaches weekly.
3	Amount expended in this reporting period (7/1/2025 - 6/30/ 2026)	\$121,726.87
4	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of participants served:	100
	Number of harm reduction supplies distributed (e.g naloxone kits, drug disposal packets):	Narcan Kits @ 267, Access to local treatment cards over 200,
	Number of services provided/encounters:	150
	Increased community awareness (please describe):	added outreach and tabling efforts all year
	Number of referrals to treatment	115
	Other:	We are starting to track KPI's in accordance with the above listed indicators beginning 1 July 2026. Some noted numbers are estimates for this year, includes suspected opioid involvement.

5	Is there anything else you would like to share or highlight regarding the progress and impact of this program? :	Yes
	5a) If yes, please explain:	We are very busy and very proactive is addressing the community needs focused on the Opioid Epidemic which includes other substances which are sprayed and tainted with opioid and Fentanyl.
6	Last Updated Date :	8/10/2026

Opioid Settlement Funding Report		
Subdivision: Hazlet Township		
	State ID:	NJ89
	County Name:	Monmouth
	Address:	1766 Union Ave, Hazlet, New Jersey, 07730
	Subdivision Contact Name:	Alexis Caufield
	Subdivision Contact Email:	CFO@hazletnj.org
Fiscal Year: 2026		
1	What is the total amount of opioid abatement funds that your subdivision received during the current reporting period (7/1/2025 - 6/30/2026)?	\$26,990.44
2	What is the amount of accrued interest on the total amount of opioid abatement funds that your subdivision has received during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$0.00
3	What is the total amount of opioid abatement funds that your subdivision has received since the distribution of opioid abatement funds began in 2022?	\$123,343.15
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a municipality and did not transfer our funds
5	What is the amount of opioid abatement funds that your subdivision transferred to the county during the current reporting period (7/1/2025 - 6/30/2026)?	
6	What is the total amount of opioid abatement funds that your subdivision spent/expended during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$27,500.00

	You will be required to answer specific questions about the expenditures below in order for your annual report to be considered complete.	
7	What amount of opioid abatement funds did your subdivision appropriate/encumber but not yet spend during the current reporting period (7/1/2025 - 6/30/2026)?	\$0.00
8	What amount of opioid abatement funds did your subdivision spend on administrative expenses during the current reporting period (7/1/2025 - 6/30/2026)? You must also provide details about administrative expenses in Question 8a below.	\$0.00
8a.	Provide details regarding any administrative expenses spent during the current reporting period (7/1/2025 - 6/30/2026).	n/a
9	What amount of unspent/uncommitted opioid abatement funds from any reporting year does your subdivision currently have on hand?	\$0.00
10	What were your subdivision's overarching goals and values in its use of opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Goals for this period were to again spread awareness of Opioid Overdoses and the lasting effects it can have on families. Our second goal was to figure a way to use funds the bring treatment for mental health and addiction to the community, targeting those who are unable to drive or get to the resources they need.
11	Which official(s) were involved in deciding how to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Township Municipal Alliance

12	Which resources did your subdivision use when deciding to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	evidence informed strategies
	List all that apply, including, but not limited to, the following:	
	(1) Any evidence-based or evidence-informed practices or strategies;	
	(2) The "Schedule B" list of approved opioid remediation uses attached as Exhibit A to the January 28, 2022 "Memorandum of Agreement Between the State of New Jersey and Local Governments on Opioid Litigation Recoveries" to which your subdivision is a signatory;	
	(3) A needs assessment;	
	(4) A strategic plan; and/or	
	(5) An epidemiological analysis;	
13	During the current reporting year (7/1/2025 - 6/30/2026), did your subdivision engage the public (e.g., through town hall meetings, online surveys, or other means of communicating with stakeholders) prior to deciding how to use the opioid abatement funds you received?	No, but plan to in the future
14	For how many years have settlement spending allocations already been decided?	1 - 2 years
15	Does your subdivision have a strategic plan regarding the use of opioid abatement funds?	No, but we plan to in the future
	If yes, choose "Yes" and upload/link to the strategic plan or summarize the plan in Question 15a	

16	Have you completed a Risk Assessment profile for demographic or geographic impact?	No, but we plan to in the future
17	Did your subdivision fund any programs using opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026)?	Yes
	A) For new programs, use the "Add Program" tab to report on each new program.	
	B) For previously-reported programs, use the "Update" tab in the 'Prior Fiscal Year Programs' section to provide updates on programs reported during prior fiscal years.	
	If you reported spending any opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026) in Question 6, you must answer the following questions for each program funded by opioid abatement funds.	
	2026 Fiscal Program List	
1	What is the name/title of the program?	CPC Integrated Health Mobile Outreach Van (CCBHC Mobile Health Unit)
2	List all agencies, organizations, or entities that received funding for this program.	CPC Integrated Health
3	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply.	Hospital/Healthcare Provider (including Mental Health or Substance Use Treatment Provider)

4	What is the primary problem being addressed by this program?	Many individuals experiencing opioid use disorder (OUD), other substance use disorders (SUD), mental health conditions, and co-occurring disorders encounter significant barriers to accessing timely behavioral healthcare. Common barriers include lack of transportation, stigma, limited awareness of available services, geographic disparities, housing instability, financial challenges, and difficulty navigating complex healthcare systems. These barriers often delay treatment until individuals experience a behavioral health crisis or overdose. As a Certified Community Behavioral Health Clinic (CCBHC), CPC Integrated Health is committed to providing timely, person-centered, and integrated behavioral healthcare. The Mobile Outreach Van extends these services directly into neighborhoods, reducing barriers to care while promoting early engagement, overdose prevention, harm reduction, substance use disorder support, and rapid connection to evidence-based treatment before crises occur.
---	--	--

5	Briefly describe the program's purpose and key activities.	The CPC Integrated Health Mobile Outreach Van is a community-based extension of CPC's Certified Community Behavioral Health Clinic (CCBHC). The program brings integrated behavioral healthcare directly into neighborhoods throughout Monmouth County, meeting individuals where they live, work, learn, and gather. By removing traditional barriers to care, the program increases access to prevention, early intervention, treatment, and substance use disorder support services. Key activities include: • Mental health and substance use screenings • Brief intervention and crisis support • Screening, Brief Intervention, and Referral to Treatment (SBIRT) • Peer support services • Care coordination and system navigation • Rapid referral to outpatient behavioral health treatment • Rapid referral to Medication for Opioid Use Disorder (MOUD) and other substance use treatment services • Harm reduction education and overdose prevention • Naloxone education and distribution, when available • Substance use disorder support and relapse prevention education • Connection to primary care, housing resources, food assistance, employment services, and other social supports • Community education and behavioral health awareness events
---	--	---

		The Mobile Outreach Van serves as an accessible point of entry into the behavioral healthcare system, promoting wellness, preventing crises, reducing overdose risk, and strengthening long-term health and wellness through integrated, person-centered care.
--	--	---

6	What is the target population for this program?	Children and Young Adults - 0-13 (through 8th grade); Children and Young Adults - 14-18 (high school aged); Children and Young Adults - 19-24 (post-grad through college); First Responders, Law Enforcement and other Emergency Responders; Healthcare Personnel and Workforce; Individuals experiencing Homelessness; Individuals in Treatment; Individuals involved with the Criminal Justice System; Individuals who Use Drugs; Members of the General Public; Pregnant and Parenting Individuals and their Families, including Babies with Neonatal Abstinence Syndrome; Others
6(a).	What is the target population for this program? - Others	Individuals experiencing mental health conditions, co-occurring substance use disorders, family members, caregivers, veterans, and underserved populations experiencing barriers to behavioral healthcare.
7	On what date was this program funded? (Use the format MM/DD/YYYY.)	10/28/2025
8	What is the total amount of funding for this program?	\$50,000.00
8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$25,000.00
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$25,000.00
9	How often is your subdivision disbursing funds to this program?	One time only

10	On what date was this program launched? (Use the format MM/DD/YYYY.)	6/24/2026
11	Choose the duration of the program from the list below.	5+ years
12	What is the number of unduplicated individuals served by this program?	0
13	What is the intended impact of this program?	The Mobile Outreach Van is designed to improve equitable access to integrated behavioral healthcare by reducing barriers to services and increasing engagement among individuals who may not otherwise seek treatment. The program seeks to: • Reduce opioid overdoses and overdose-related harm • Increase early identification of behavioral health concerns • Improve access to mental health and substance use treatment • Increase rapid linkage to Medication for Opioid Use Disorder (MOUD) • Increase utilization of substance use disorder support services • Promote harm reduction and overdose prevention • Address social determinants of health affecting health and wellness • Reduce avoidable emergency department utilization and behavioral health crises • Improve long-term wellness, and community health outcomes
14	Which key performance indicators are you tracking to ensure success of the program? List all that apply, including, but not limited to, the following:	
	Other:	All of the above however program is too new for actual numbers yet

15	How frequently are you measuring the key performance indicators listed above?	Monthly
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	The Mobile Outreach Van aims to improve access to behavioral healthcare while reducing the impact of opioid use disorder, substance use disorders, mental illness, and co-occurring conditions within the community. Desired outcomes include: • Earlier engagement in behavioral healthcare • Increased access to treatment for OUD and co-occurring disorders • Increased referrals and successful linkage to treatment • Increased utilization of Medication for Opioid Use Disorder (MOUD) • Reduced barriers related to transportation, stigma, and healthcare navigation • Increased community awareness of behavioral health resources • Increased engagement in substance use disorder supports • Reduced overdose risk through education and harm reduction strategies • Improved overall health and quality of life Program outcomes will be tracked through participant encounter data, referral completion rates, treatment engagement, outreach metrics, quality improvement data, participant satisfaction, and ongoing CCBHC reporting measures.
17	Primary Category (Please select the category that fits the primary focus of this program):	Recovery Supports

18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Diversion and Re-entry Support; Harm Reduction and Overdose Prevention; Housing; Primary Prevention, Education, and Training; Treatment; Workforce Development and Capacity Building; Wraparound and Connected Care Supports
19	Select the "Schedule B" approved strategy or strategies that best match the primary focus of this program.	Treat Opioid Use Disorder (OUD), Support People in Treatment and Recovery, Connections to Care, Address the Needs of Criminal Justice-Involved Persons, Address the Needs of Pregnant or Parenting Women and their Families, including Babies with Neonatal Abstinence Syndrome, Appropriate Opioid Prescribing and Dispensing, Prevent Misuse of Opioids, Prevent Overdose Deaths and Other Harms (Harm Reduction), Leadership, Planning and Coordination, Training

20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	The Mobile Outreach Van utilizes evidence-based and evidence-informed practices consistent with the Certified Community Behavioral Health Clinic (CCBHC) model and SAMHSA guidance. Services are person-centered, trauma-informed, culturally responsive, and designed to engage individuals across the continuum of prevention, treatment, and wellness. Evidence-based and evidence-informed strategies include: • Screening, Brief Intervention, and Referral to Treatment (SBIRT) • Motivational Interviewing • Peer Support Services • Harm Reduction principles • Trauma-Informed Care • Integrated treatment for co-occurring mental health and substance use disorders • Care coordination and interdisciplinary collaboration • Rapid referral to Medication for Opioid Use Disorder (MOUD) • Connection to community supports and wellness capital development Recognizing that substance use disorders frequently coexist with mental health conditions, housing instability, unemployment, food insecurity, trauma, and other social determinants of health, the Mobile Outreach Van provides integrated care coordination and navigation that addresses the whole person rather than a single diagnosis. This approach promotes sustained remission from substance use disorder, reduces overdose risk,
----	---	---

		increases treatment engagement, and improves overall community wellness.
21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	CPC Integrated Health procured the Mobile Outreach Van through an organizational procurement process that evaluated vendors based on vehicle specifications, customization capabilities, cost effectiveness, quality, and the ability to support delivery of community-based behavioral healthcare services. The selected vendor demonstrated the capacity to provide a vehicle meeting CPC's operational, accessibility, and outreach needs while ensuring responsible stewardship of grant funding. The procurement process

		was designed to obtain a safe, reliable, and appropriately equipped mobile unit capable of expanding behavioral healthcare access throughout Monmouth County.
22	If you would like to provide any additional details about this program not already included above, you may do so here.	The CPC Integrated Health Mobile Outreach Van represents an innovative expansion of CPC's Certified Community Behavioral Health Clinic (CCBHC) model by extending integrated behavioral healthcare beyond traditional clinic walls and directly into the community. The program reflects CPC's commitment to meeting individuals where they are, reducing stigma, promoting prevention, strengthening health, and improving equitable access to care. Through partnerships with municipalities, schools, healthcare providers, law enforcement, first responders, community coalitions, and local stakeholders, the Mobile Outreach Van expands opportunities for early intervention while strengthening the continuum of care for individuals experiencing opioid use disorder, other substance use disorders, mental health conditions, and co-occurring disorders. By addressing both behavioral health needs and social

		determinants of health, the Mobile Outreach Van advances long-term health and wellness, reduces overdose risk, strengthens community resilience, and supports healthier individuals, families, and communities.
	2026 Fiscal Program List	
1	What is the name/title of the program?	Black Poster Project
2	List all agencies, organizations, or entities that received funding for this program.	The Black Poster Project
3	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply.	Private/For-profit Organizations
4	What is the primary problem being addressed by this program?	Overdosed caused by opioids

5	Briefly describe the program's purpose and key activities.	Large scale silent memorial to those in NJ who have lost their lives to overdoses. Their image and a brief biography are displayed.
6	What is the target population for this program?	Children and Young Adults - 14-18 (high school aged)
7	On what date was this program funded? (Use the format MM/DD/YYYY.)	10/22/2025
8	What is the total amount of funding for this program?	\$2,500.00
8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$2,500.00
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$0.00
9	How often is your subdivision disbursing funds to this program?	One time only
10	On what date was this program launched? (Use the format MM/DD/YYYY.)	10/23/2025
11	Choose the duration of the program from the list below.	One time only
12	What is the number of unduplicated individuals served by this program?	200
13	What is the intended impact of this program?	The memorial possess pictures and stories of individuals in which students could possible relate to, to prove that opioid abuse can happen to anyone, regardless or age, gender, creed, race, or social status.
14	Which key performance indicators are you tracking to ensure success of the program? List all that apply, including, but not limited to, the following:	
	Increased community awareness (please describe):	Youth talk to each other and at home about the different stories they read of the deceased.

15	How frequently are you measuring the key performance indicators listed above?	Annually
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	Lessening the use of opioids. Tracking can be done using police reports of opioid in town and overdose numbers.
17	Primary Category (Please select the category that fits the primary focus of this program):	Primary Prevention, Education, and Training
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Harm Reduction and Overdose Prevention
19	Select the "Schedule B" approved strategy or strategies that best match the primary focus of this program.	Prevent Misuse of Opioids, Prevent Overdose Deaths and Other Harms (Harm Reduction)
20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	This program shows the effects opioid use and overdose can have on individuals and live.
21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	The program was presented to high school students as a way to educate them prior to entering college.
22	If you would like to provide any additional details about this program not already included above, you may do so here.	

Opioid Settlement Funding Report		
Subdivision: Holmdel Township		
	State ID:	NJ95
	County Name:	Monmouth
	Address:	4 Crawfords Corner Road, Holmdel, New Jersey, 07733
	Subdivision Contact Name:	Sean Brady
	Subdivision Contact Email:	sbrady@holmdeltownship.com
Fiscal Year: 2026		
1	What is the total amount of opioid abatement funds that your subdivision received during the current reporting period (7/1/2025 - 6/30/2026)?	\$222,596.64
2	What is the amount of accrued interest on the total amount of opioid abatement funds that your subdivision has received during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$0.00
3	What is the total amount of opioid abatement funds that your subdivision has received since the distribution of opioid abatement funds began in 2022?	\$428,026.73
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a municipality and did not transfer our funds
5	What is the amount of opioid abatement funds that your subdivision transferred to the county during the current reporting period (7/1/2025 - 6/30/2026)?	
6	What is the total amount of opioid abatement funds that your subdivision spent/expended during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$0.00
	You will be required to answer specific questions about the expenditures	

	below in order for your annual report to be considered complete.	
7	What amount of opioid abatement funds did your subdivision appropriate/encumber but not yet spend during the current reporting period (7/1/2025 - 6/30/2026)?	\$0.00
8	What amount of opioid abatement funds did your subdivision spend on administrative expenses during the current reporting period (7/1/2025 - 6/30/2026)?	\$0.00
	You must also provide details about administrative expenses in Question 8a below.	
8a	Provide details regarding any administrative expenses spent during the current reporting period (7/1/2025 - 6/30/2026).	We did not spend any funds during this period.
9	What amount of unspent/uncommitted opioid abatement funds from any reporting year does your subdivision currently have on hand?	\$205,430.09
10	What were your subdivision's overarching goals and values in its use of opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Our subdivision's goal is to use opioid funds to address the impact of opioid misuse by supporting prevention, treatment, recovery, and harm reduction efforts. Funding decisions are based on identified community needs and focused on improving access to effective services and resources for residents.
11	Which official(s) were involved in deciding how to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Police Chief, First Aid Chief, Mayor/Township Committee, Administrator & townspeople
12	Which resources did your subdivision use when deciding to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	We have yet to use our funds but have a plan to meet with several departments/stakeholders to see the needs for funds.
	List all that apply, including, but not limited to, the following:	

	(1) Any evidence-based or evidence-informed practices or strategies; (2) The "Schedule B" list of approved opioid remediation uses attached as Exhibit A to the January 28, 2022 "Memorandum of Agreement Between the State of New Jersey and Local Governments on Opioid Litigation Recoveries" to which your subdivision is a signatory; (3) A needs assessment; (4) A strategic plan; and/or (5) An epidemiological analysis;	
13	During the current reporting year (7/1/2025 - 6/30/2026), did your subdivision engage the public (e.g., through town hall meetings, online surveys, or other means of communicating with stakeholders) prior to deciding how to use the opioid abatement funds you received?	No, but plan to in the future
14	For how many years have settlement spending allocations already been decided?	3 - 5 years
15	Does your subdivision have a strategic plan regarding the use of opioid abatement funds?	No, but we plan to in the future
	If yes, choose "Yes" and upload/link to the strategic plan or summarize the plan in Question 15a	
16	Have you completed a Risk Assessment profile for demographic or geographic impact?	No, but we plan to in the future
17	Did your subdivision fund any programs using opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026)?	No
	A) For new programs, use the "Add Program" tab to report on each new program.	

	B) For previously-reported programs, use the "Update" tab in the 'Prior Fiscal Year Programs' section to provide updates on programs reported during prior fiscal years.	
	If you reported spending any opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026) in Question 6, you must answer the following questions for each program funded by opioid abatement funds.	

Opioid Settlement Funding Report		
Sub Division: Howell Township		
	State ID:	NJ98
	County Name:	Monmouth
	Address:	4567 Route 9 North, Howell Township, Floor 2, Howell, New Jersey, 07731
	Subdivision Contact Name:	Christa Riddle
	Subdivision Contact Email:	criddle@twp.howell.nj.us
Fiscal Year: 2026		
1	What is the total amount of opioid abatement funds that your subdivision received during the current reporting period (7/1/2025 - 6/30/2026)?	\$68,849.09
2	What is the amount of accrued interest on the total amount of opioid abatement funds that your subdivision has received during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$0.00
3	What is the total amount of opioid abatement funds that your subdivision has received since the distribution of opioid abatement funds began in 2022?	\$430,777.01
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a municipality and did not transfer our funds
5	What is the amount of opioid abatement funds that your subdivision transferred to the county during the current reporting period (7/1/2025 - 6/30/2026)?	
6	What is the total amount of opioid abatement funds that your subdivision spent/expended during the current reporting period (7/1/2025 - 6/30/2026)? Please	\$16,265.48

	include dollars and cents (e.g., 100.23):	
	You will be required to answer specific questions about the expenditures below in order for your annual report to be considered complete.	
7	What amount of opioid abatement funds did your subdivision appropriate/encumber but not yet spend during the current reporting period (7/1/2025 - 6/30/2026)?	\$0.00
8	What amount of opioid abatement funds did your subdivision spend on administrative expenses during the current reporting period (7/1/2025 - 6/30/2026)?	\$0.00
	You must also provide details about administrative expenses in Question 8a below.	
8a.	Provide details regarding any administrative expenses spent during the current reporting period (7/1/2025 - 6/30/2026).	
9	What amount of unspent/uncommitted opioid abatement funds from any reporting year does your subdivision currently have on hand?	\$292,151.37

10	What were your subdivision's overarching goals and values in its use of opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	To remain transparent on Howell Township's incoming Opioid Settlement Agreement incoming funding and spending (many people and families were impacted by the opioid epidemic's tragedy, and they should know how the money is being spent); to provide benefit to those impacted by the opioid misuse and abuse epidemic; to implement targeted, effective, and evidence-based opioid misuse and abuse and comprehensive substance abuse prevention programs across community populations (from pre-schoolers to seniors) through school, police, civic organizations, community, and behavioral health professional partnerships; to work with Howell Police to assist populations vulnerable to substance use and mental health issues and recidivism, with consideration to the substance use disorder and criminal activity intersection; to work with Howell Public Schools Pre-K-to-8 and Howell High School to reach students and parents for prevention and life skills programs and to provide access to youth behavioral health support services for early intervention (without this partnership, it is almost impossible to reach, educate, and impact youth and parents/guardians); to collaborate with community organizations and credentialed behavioral health professionals to implement in-house Alliance prevention programs tailored to Howell's specific community mental health and substance use needs;
----	---	---

		to collect and analyze data to gauge programs' effectiveness over time; to solicit program suggestions from township departments, community members, civic organizations, and behavioral health professionals that comply with Approved Uses spending criteria in support of those affected by the opioid epidemic and in support of the prevention of opioid/other substance misuse, abuse, and overdoses.
11	Which official(s) were involved in deciding how to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Howell Township: township manager, mayor and council, chief of police and police officers, senior center director, Alliance coordinator and committee members, and pre-K-to-8th-grade and high school SACs and administrators

12	Which resources did your subdivision use when deciding to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Schedule B list of Approved Uses in memorandum of agreement (we keep record of Approved Uses criteria met for each project and on purchase orders); CADCA prevention strategies; Prevention Coalition of Monmouth County and NJ National Guard Counterdrug Task Force's Strategic Prevention Framework training; Monmouth County Opioid Settlement Agreement Advisory Council meetings and discussions; quantitative and qualitative information and data analysis at township, county, state, and national levels; trends analysis at township, county, state, and national levels; partnering with school SACs and police department to discuss their needs assessments through school and police qualitative and quantitative data; researching and exploring evidence-based programs; collaboration with State of NJ, Monmouth County and other municipalities on opioid settlement agreement-funded programs strategies (to avoid supplantation and duplication of funding by the State and across subdivisions and to get new ideas); implementing evidence-based programs and practices; and launching forms for internal (cross-departments within Howell Township) and external/public (community members, civic organizations, and behavioral health professionals).
	List all that apply, including, but not limited to, the following:	
	(1) Any evidence-based or evidence-informed practices or strategies;	
	(2) The "Schedule B" list of approved opioid remediation uses attached as Exhibit A to the January 28, 2022 "Memorandum of Agreement Between the State of New Jersey and Local Governments on Opioid Litigation Recoveries" to which your subdivision is a signatory;	
	(3) A needs assessment;	
	(4) A strategic plan; and/or	
	(5) An epidemiological analysis;	

13	During the current reporting year (7/1/2025 - 6/30/2026), did your subdivision engage the public (e.g., through town hall meetings, online surveys, or other means of communicating with stakeholders) prior to deciding how to use the opioid abatement funds you received?	Yes
13a	If yes, provide details about your public engagement/input efforts.	Creation and regular distribution via public announcement of print and electronic project ideas submission forms (internal for cross-department collaboration and external for public and community partnership collaboration, with links to forms on Howell Township website and printed copies at town hall); annual (or more frequent) Opioid Settlement Agreement funds reports delivered to council, mayor, and public at town council meetings, and announcement of incoming/outgoing funds and projects at Alliance meetings (recorded in meeting minutes and posted for public access).
14	For how many years have settlement spending allocations already been decided?	Other
14a.	Please specify other.	Each fiscal year, we consider new projects and work to expand, adjust, or eliminate existing projects based on needs assessments, community impact, and outcomes. We consider our Opioid Settlement Agreement current funds available on an annual basis and keep an eye to ensure adequate funding is left to sustain existing projects that are meeting our goals.
15	Does your subdivision have a strategic plan regarding the use of opioid abatement funds?	No

	If yes, choose "Yes" and upload/link to the strategic plan or summarize the plan in Question 15a	
16	Have you completed a Risk Assessment profile for demographic or geographic impact?	No, but we plan to in the future
17	Did your subdivision fund any programs using opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026)?	Yes
	A) For new programs, use the "Add Program" tab to report on each new program.	
	B) For previously-reported programs, use the "Update" tab in the 'Prior Fiscal Year Programs' section to provide updates on programs reported during prior fiscal years.	
	If you reported spending any opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026) in Question 6, you must answer the following questions for each program funded by opioid abatement funds.	
	2024 Fiscal Program List	
1	Program Name/Title	Community and Police Engagement
2	Have there been any modifications or expansions to this program since the initial report? :	Yes - Program has ended/will not be continued
3	Amount expended in this reporting period (7/1/2024 - 6/30/ 2025)	\$0.00
4	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	

	Increased community awareness (please describe):	Positive decisions and healthy behaviors
5	Is there anything else you would like to share or highlight regarding the progress and impact of this program? :	Yes
	5a) If yes, please explain:	We are now shifting this category of spending to fall under "Community behavioral health education & outreach" category
6	Last Updated Date :	8/19/2026
	2024 Fiscal Program List	
1	Program Name/Title	Student and parent education
2	Have there been any modifications or expansions to this program since the initial report? :	Yes, modification to funding amount
	2a) If yes, please explain:	Funded additional presentations for Howell High School students by Matthew Bellace (Red Ribbon Week) and After the Fire by Simon Says, LLC on situational awareness, substance use, resiliency, decision-making, and consequences for adulthood and college prep. Purchased Human Relations Media Center on-demand, age- and subject-tailored behavioral health, substance use prevention, life skills, and decision-making videos for individual/class student education use by Howell Pre-K to 8 Schools, Howell High School, police department, and Alliance staff. Funded annual Hooked on Fishing, Not on Drugs participant prizes, event signage, and youth give-aways. Funded annual Law Enforcement Against Drugs (L.E.A.D.) program 5th-grade graduations after completing 8-month curriculum, including participation incentives, parent info cards, and student give-aways as

		reminders for middle school positive choices, healthy relationships, substance use prevention, and peer refusal skills.
3	Amount expended in this reporting period (7/1/2025 - 6/30/ 2026)	\$6,500.48
4	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of participants served:	10000
	Increased community awareness (please describe):	
	Other:	Youth awareness of positive decision-making and its impact on brain and mental health development, as well as negative impact of poor choices (substance use and other at-risk behaviors) that harm brain and mental health
5	Is there anything else you would like to share or highlight regarding the progress and impact of this program? :	Yes

	5a) If yes, please explain:	Hooked on Fishing, Not on Drugs and L.E.A.D. are excellent annual evidence-based programs accomplishing our goals of community education, interaction, and outreach that prevent substance use and harmful behaviors.
6	Last Updated Date :	8/19/2026
	2024 Fiscal Program List	
1	Program Name/Title	Community behavioral health education & outreach
2	Have there been any modifications or expansions to this program since the initial report? :	Yes, other modifications/expansions
	2a) If yes, please explain:	We implemented more mental health support presentations for community members throughout the year (including a holiday mental wellness presentation) and revamped our presentations to also include physical and emotional wellness to encourage participation. We focused on theme-based presentations with refreshments served (donated to us) to attract attention and participation. We also created behavioral health support resources cards (digital and print copies in English with QR codes to digital cards in Spanish and Ukrainian) for police distribution on calls and public distribution at town hall and community events. A vertical banner version is in the lobbies at town hall and the police department as well. Police officers were trained on card information, resources, and distribution to ensure follow-through.
3	Amount expended in this reporting period (7/1/2025 - 6/30/ 2026)	\$8,895.00

4	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of harm reduction supplies distributed (e.g naloxone kits, drug disposal packets):	1,000 Narcan kit labels with QR code to substance use and mental health resources (Narcan kits were obtained for free through State of NJ NJ DMHAS program)
	Number of training/education sessions:	50
	Increased community awareness (please describe):	Through presentation and education announcements
	Other:	The number of participants served by our public relations efforts and announcement of our mission, events, programs, support resources, presentations, events, and services has an average Facebook post reach of 2,000 and max. Facebook post reach of 12,000; this does not include our reach through print and other online media outlets and platforms.
5	Is there anything else you would like to share or highlight regarding the progress and impact of this program? :	No
6	Last Updated Date :	8/19/2026
	2023 Fiscal Program List	
1	Program Name/Title	Tackling Opioids Through Prevention
2	Have there been any modifications or expansions to this program since the initial report? :	Yes - Program has ended/will not be continued
3	Amount expended in this reporting period (7/1/2023 - 6/30/ 2024)	\$0.00

4	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Other:	Program was not active for FY 2025.
5	Is there anything else you would like to share or highlight regarding the progress and impact of this program? :	No
6	Last Updated Date :	8/12/2025
	2023 Fiscal Program List	
1	Program Name/Title	Substance Use/Mental Health Support Services for People Engaging in Criminal Activity
2	Have there been any modifications or expansions to this program since the initial report? :	Yes - Program has ended/will not be continued
3	Amount expended in this reporting period (7/1/2023 - 6/30/ 2024)	\$0.00
4	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Other:	We are presently working on an ancilliary program to connect people in contact with law enforcement with treatment and recovery resources, including 24/7 access to recovery coaches through a county opioid settlement agreement-funded program and NJ State Police's Operation RISE. More to follow FY 2026...it may wind up being a separate program because it will cast a much wider net and reach a more extensive population than those engaged in criminal activity.

5	Is there anything else you would like to share or highlight regarding the progress and impact of this program? :	No
6	Last Updated Date :	8/19/2026
	2023 Fiscal Program List	
1	Program Name/Title	Pre-K to 8, High School & Town Buildings Substance Use Prevention and Potential Overdose Mitigation
2	Have there been any modifications or expansions to this program since the initial report? :	Yes - Program has ended/will not be continued
3	Amount expended in this reporting period (7/1/2023 - 6/30/ 2024)	\$0.00
4	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Other:	\$10,248.00 additional funds expended for FY 2024
5	Is there anything else you would like to share or highlight regarding the progress and impact of this program? :	Yes
	5a) If yes, please explain:	There was an error in our FY 2023 report regarding a -\$1,000 mistake in deducting funds; this was corrected in the amended FY 2023 report submitted 11-14-24
6	Last Updated Date :	8/19/2026
	2023 Fiscal Program List	
1	Program Name/Title	Unwanted Medication Disposal
2	Have there been any modifications or expansions to this program since the initial report? :	Yes, modification to funding amount

	2a) If yes, please explain:	New purchase of additional Project Medicine Drop unwanted medications disposal envelopes for community distribution. Envelopes are printed with QR code to behavioral health support resources and include disposal directions, overdose and substance misuse stats, township contact information for support, and information on Howell Police at-home pick-up of unwanted medications via officer dispatch to the location. The purpose of the envelopes is public education on proper medication disposal and a reminder to dispose of unwanted medications immediately. We kept the envelope size on the small side so people don't accumulate medication over time, which would lead to easy access and increased potential for misuse (larger bags would hold more).
3	Amount expended in this reporting period (7/1/2025 - 6/30/ 2026)	\$870.00
4	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of harm reduction supplies distributed (e.g naloxone kits, drug disposal packets):	These envelopes are distributed at the police department, senior center, town hall, and participating pharmacies (in literature stands) and at community events.
	Other:	We keep track of the number of envelopes placed in our Project Medicine Drop box at the police department.
5	Is there anything else you would like to share or highlight regarding the	No

	progress and impact of this program? :

Opioid Settlement Funding Report		
Subdivision: Long Branch City		
	State ID:	NJ117
	County Name:	Monmouth
	Address:	344 Broadway, City of Long Branch, Long Branch, New Jersey, 07740
	Subdivision Contact Name:	Charles Shirley
	Subdivision Contact Email:	cs Shirley@longbranch.org
Fiscal Year: 2026		
1	What is the total amount of opioid abatement funds that your subdivision received during the current reporting period (7/1/2025 - 6/30/2026)?	\$174,598.98
2	What is the amount of accrued interest on the total amount of opioid abatement funds that your subdivision has received during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$0.00
3	What is the total amount of opioid abatement funds that your subdivision has received since the distribution of opioid abatement funds began in 2022?	\$1,011,936.22
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a municipality and did not transfer our funds
5	What is the amount of opioid abatement funds that your subdivision transferred to the county during the current reporting period (7/1/2025 - 6/30/2026)?	
6	What is the total amount of opioid abatement funds that your subdivision spent/expended during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$0.00
	You will be required to answer specific questions about the expenditures below in order for your annual report to be considered complete.	

7	What amount of opioid abatement funds did your subdivision appropriate/encumber but not yet spend during the current reporting period (7/1/2025 - 6/30/2026)?	\$0.00
8	What amount of opioid abatement funds did your subdivision spend on administrative expenses during the current reporting period (7/1/2025 - 6/30/2026)?	\$0.00
	You must also provide details about administrative expenses in Question 8a below.	
8a	Provide details regarding any administrative expenses spent during the current reporting period (7/1/2025 - 6/30/2026).	None
9	What amount of unspent/uncommitted opioid abatement funds from any reporting year does your subdivision currently have on hand?	\$383,571.87
10	What were your subdivision's overarching goals and values in its use of opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	We are bulging and opening a Health & Wellness Center in the next quarter.
11	Which official(s) were involved in deciding how to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Mayor and Council
12	Which resources did your subdivision use when deciding to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Our new center will including prevention, early intervention, harm reduction, treatment, and recovery support
	List all that apply, including, but not limited to, the following:	
	(1) Any evidence-based or evidence-informed practices or strategies;	
	(2) The "Schedule B" list of approved opioid remediation uses attached as Exhibit A to the January 28, 2022 "Memorandum of Agreement Between	

	the State of New Jersey and Local Governments on Opioid Litigation Recoveries" to which your subdivision is a signatory;	
	(3) A needs assessment;	
	(4) A strategic plan; and/or	
	(5) An epidemiological analysis;	
13	During the current reporting year (7/1/2025 - 6/30/2026), did your subdivision engage the public (e.g., through town hall meetings, online surveys, or other means of communicating with stakeholders) prior to deciding how to use the opioid abatement funds you received?	No, but plan to in the future
14	For how many years have settlement spending allocations already been decided?	3 - 5 years
15	Does your subdivision have a strategic plan regarding the use of opioid abatement funds?	No, but we plan to in the future
	If yes, choose "Yes" and upload/link to the strategic plan or summarize the plan in Question 15a	
16	Have you completed a Risk Assessment profile for demographic or geographic impact?	No
17	Did your subdivision fund any programs using opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026)?	No
	A) For new programs, use the "Add Program" tab to report on each new program.	
	B) For previously-reported programs, use the "Update" tab in the 'Prior Fiscal Year Programs' section to provide updates on programs reported during prior fiscal years.	

	If you reported spending any opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026) in Question 6, you must answer the following questions for each program funded by opioid abatement funds.

6	What is the total amount of opioid abatement funds that your subdivision spent/expended during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$160,914.57

	You will be required to answer specific questions about the expenditures below in order for your annual report to be considered complete.	
7	What amount of opioid abatement funds did your subdivision appropriate/encumber but not yet spend during the current reporting period (7/1/2025 - 6/30/2026)?	\$65,795.40
8	What amount of opioid abatement funds did your subdivision spend on administrative expenses during the current reporting period (7/1/2025 - 6/30/2026)? You must also provide details about administrative expenses in Question 8a below.	\$74,094.14
8a.	Provide details regarding any administrative expenses spent during the current reporting period (7/1/2025 - 6/30/2026).	Administrative expenses were spent on programming materials, drug and harm reduction educational materials and displays for schools and programs, program planning and coordination, Red Ribbon Week materials, medication and overdose safety materials such as at-home drug disposal pouches, medication organizers, and lock bags.
9	What amount of unspent/uncommitted opioid abatement funds from any reporting year does your subdivision currently have on hand?	\$520,289.74
10	What were your subdivision's overarching goals and values in its use of opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Goals were to: Educate community on harms of drugs and fentanyl and increase awareness for overdose prevention and response, Educate MTPD on overdose crisis response, Educate students in elementary, middle, and high schools on drug prevention and safety

11	Which official(s) were involved in deciding how to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Township Administrator, Township Health Director, Township Alliance Coordinator, Township Senior Health Planner, Township Alliance members
12	Which resources did your subdivision use when deciding to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Evidence-based programs and strategies and Schedule B list of approved opioid remediation uses. Working on a plan and needs assessment for 2027-2028.
	List all that apply, including, but not limited to, the following:	
	(1) Any evidence-based or evidence-informed practices or strategies;	
	(2) The "Schedule B" list of approved opioid remediation uses attached as Exhibit A to the January 28, 2022 "Memorandum of Agreement Between the State of New Jersey and Local Governments on Opioid Litigation Recoveries" to which your subdivision is a signatory;	
	(3) A needs assessment;	
	(4) A strategic plan; and/or	
	(5) An epidemiological analysis;	
13	During the current reporting year (7/1/2025 - 6/30/2026), did your subdivision engage the public (e.g., through town hall meetings, online surveys, or other means of communicating with stakeholders) prior to deciding how to use the opioid abatement funds you received?	Yes
13a	If yes, provide details about your public engagement/input efforts.	Engaged public through Alliance meetings. Plan to engage more of the public via online survey later in 2026.
14	For how many years have settlement spending allocations already been decided?	1 - 2 years

15	Does your subdivision have a strategic plan regarding the use of opioid abatement funds?	Yes
	If yes, choose "Yes" and upload/link to the strategic plan or summarize the plan in Question 15a	
15a	Can we post your strategic plan online?	No
16	Have you completed a Risk Assessment profile for demographic or geographic impact?	No, but we plan to in the future
17	Did your subdivision fund any programs using opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026)?	Yes
	A) For new programs, use the "Add Program" tab to report on each new program.	
	B) For previously-reported programs, use the "Update" tab in the 'Prior Fiscal Year Programs' section to provide updates on programs reported during prior fiscal years.	
	If you reported spending any opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026) in Question 6, you must answer the following questions for each program funded by opioid abatement funds.	
	2026 Fiscal Program List	
1	What is the name/title of the program?	Outreach and Educational Materials
2	List all agencies, organizations, or entities that received funding for this program.	Middletown Township, Middletown Alliance, Middletown School District, and Middletown Public Library

3	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply.	County or Municipality (including Departments and Municipal Alliances); Schools, Colleges, Universities
4	What is the primary problem being addressed by this program?	Youth, young adult, adult, and senior drug use and lack of knowledge
5	Briefly describe the program's purpose and key activities.	Educating on drugs & opioids and related harms, preventing misuse, reducing overdose risk and stigma, and promoting safe substance use practices
6	What is the target population for this program?	Children and Young Adults - 0-13 (through 8th grade); Children and Young Adults - 14-18 (high school aged); Children and Young Adults - 19-24 (post-grad through college); Individuals in Recovery; Individuals who Use Drugs; Members of the General Public
7	On what date was this program funded? (Use the format MM/DD/YYYY.)	8/12/2025
8	What is the total amount of funding for this program?	\$16,420.43
8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$16,420.43
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$0.00
9	How often is your subdivision disbursing funds to this program?	Others
9(a).	How often is your subdivision disbursing funds to this program? - Others	Funds are dispersed to this program when needed for programs, events, tabling, and stated need from schools, Alliance, Town Hall, and library.
10	On what date was this program launched? (Use the format MM/DD/YYYY.)	8/12/2025

11	Choose the duration of the program from the list below.	1 year
12	What is the number of unduplicated individuals served by this program?	521
13	What is the intended impact of this program?	To connect with members of the community of all ages and educate, discuss, and provide information and resources relating to prevention education, safe medication use, overdose prevention, overdose, response, and harm reduction. This is through school and campus events and programs, community events, parent and caregiver workshops, youth programs, and pop-up tabling.
14	Which key performance indicators are you tracking to ensure success of the program? List all that apply, including, but not limited to, the following:	
	Number of participants served:	521
	Number of harm reduction supplies distributed (e.g naloxone kits, drug disposal packets):	50 at-home drug disposal pouches given out
	Number of training/education sessions:	44
15	How frequently are you measuring the key performance indicators listed above?	Monthly
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	The impact is aiming to connect with members of the community of all ages and educate, discuss, and provide information and resources relating to prevention education, safe medication use, overdose prevention, overdose, response, and harm reduction. We plan to measure this impact with a community survey we are currently working on to see who has heard of and participated in any of these initiatives. Impact is also measured by number of overdoses in

		town and if the number is decreasing.
17	Primary Category (Please select the category that fits the primary focus of this program):	Primary Prevention, Education, and Training
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Harm Reduction and Overdose Prevention; Wraparound and Connected Care Supports
19	Select the "Schedule B" approved strategy or strategies that best match the primary focus of this program.	Connections to Care, Prevent Misuse of Opioids, Prevent Overdose Deaths and Other Harms (Harm Reduction), Training
20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	Outreach and educational materials address opioid use disorder and co-occurring substance use disorders or mental health conditions through prevention education, safe medication use, overdose prevention and intervention, and harm reduction.
21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	Need of materials were identified by members of the community including parents/caregivers, municipality workers, teachers/SACs, Alliance, and the MTPD. Multiple vendors are always considered to find the best information and best price.
22	If you would like to provide any additional details about this program not already included above, you may do so here.	

	2026 Fiscal Program List	
1	What is the name/title of the program?	Harm Reduction Parent Presentations
2	List all agencies, organizations, or entities that received funding for this program.	Wellspring Center for Prevention
3	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply.	Community Based Organizations/Non-Governmental Organizations
4	What is the primary problem being addressed by this program?	Youth/young adult drug use and overdose
5	Briefly describe the program's purpose and key activities.	To educate parents on current drug trends, harm reduction strategies, overdose response, and connection to care resources
6	What is the target population for this program?	Members of the General Public
7	On what date was this program funded? (Use the format MM/DD/YYYY.)	3/10/2026
8	What is the total amount of funding for this program?	\$1,050.00
8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$1,050.00
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$0.00
9	How often is your subdivision disbursing funds to this program?	Others
9(a).	How often is your subdivision disbursing funds to this program? - Others	3 times for 3 presentations
10	On what date was this program launched? (Use the format MM/DD/YYYY.)	3/10/2026
11	Choose the duration of the program from the list below.	Less than 1 year

12	What is the number of unduplicated individuals served by this program?	53
13	What is the intended impact of this program?	To educate parents on current drug trends, harm reduction strategies, overdose response, and connection to care resources.
14	Which key performance indicators are you tracking to ensure success of the program? List all that apply, including, but not limited to, the following:	
	Number of participants served:	53
15	How frequently are you measuring the key performance indicators listed above?	Quarterly
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	For parents to have more knowledge on current drug trends, harm reduction strategies, overdose response, and connection to care resources to share with their child/teen/young adult.
17	Primary Category (Please select the category that fits the primary focus of this program):	Harm Reduction and Overdose Prevention
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Primary Prevention, Education, and Training
19	Select the "Schedule B" approved strategy or strategies that best match the primary focus of this program.	Prevent Misuse of Opioids, Prevent Overdose Deaths and Other Harms (Harm Reduction)
20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	These presentations address opioid, substance use, and mental health disorders through evidence-based strategies that inform parents/guardians about current drug trends, harm reduction strategies, overdose response, child/teen signs of mental health problem, coping skills and connection to care local and NJ resources.

21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	Wellspring Center for Prevention offered parent presentations on current drug trends and harm reduction and understood Middletown community and trends in the schools.
22	If you would like to provide any additional details about this program not already included above, you may do so here.	
	2026 Fiscal Program List	
1	What is the name/title of the program?	Alliance Leaders
2	List all agencies, organizations, or entities that received funding for this program.	Wellspring Center for Prevention
3	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply.	Community Based Organizations/Non-Governmental Organizations
4	What is the primary problem being addressed by this program?	Drug use in middle school
5	Briefly describe the program's purpose and key activities.	The Alliance Leaders program educates 5th and 8th grade students on drug and alcohol prevention, harm reduction strategies, opioid overdose prevention, decision making skills, coping skills, and online and social media safety. The program is facilitated by Prevention Specialists.
6	What is the target population for this program?	Children and Young Adults - 0-13 (through 8th grade)
7	On what date was this program funded? (Use the format MM/DD/YYYY.)	11/12/2025
8	What is the total amount of funding for this program?	\$12,650.00

8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$12,650.00
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$0.00
9	How often is your subdivision disbursing funds to this program?	Others
9(a).	How often is your subdivision disbursing funds to this program? - Others	Funds for this program are disbursed at the end of each 4 week or 8 week program cycle.
10	On what date was this program launched? (Use the format MM/DD/YYYY.)	9/9/2025
11	Choose the duration of the program from the list below.	Less than 1 year
12	What is the number of unduplicated individuals served by this program?	302
13	What is the intended impact of this program?	For middle school students to understand the harms of drug use and become leaders in school and in the community to educate peers on dangers and harms of drugs, including fentanyl and opioids as well as harm reduction strategies, opioid overdose prevention, decision making skills, coping skills, and online and social media safety.
14	Which key performance indicators are you tracking to ensure success of the program? List all that apply, including, but not limited to, the following:	
	Number of participants served:	302
15	How frequently are you measuring the key performance indicators listed above?	Others:
15(a).	How frequently are you measuring the key performance indicators listed above? - Others	Pre and post tests for each 4 or 8 week program cycle.
16	What outcomes or impact does the program aim to achieve? How do	Measure impact based on pre and post tests and how much students

	you plan to measure or track that impact?	have learned throughout the program.
17	Primary Category (Please select the category that fits the primary focus of this program):	Primary Prevention, Education, and Training
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	None of the above
19	Select the "Schedule B" approved strategy or strategies that best match the primary focus of this program.	Prevent Misuse of Opioids, Prevent Overdose Deaths and Other Harms (Harm Reduction)
20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	This program uses evidence-based prevention strategies to educate students about opioid, substance use, and mental health disorders and how to prevent them and how to help a friend who has them.
21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	Wellspring Center for Prevention had the knowledge of the Middletown community and staff to implement an evidence-based prevention program for Middletown students.
22	If you would like to provide any additional details about this program not already included above, you may do so here.	
	2026 Fiscal Program List	
1	What is the name/title of the program?	NJ Elks Drug and Alcohol Peer Leadership Conference
2	List all agencies, organizations, or entities that received funding for this program.	Bayshore, Thompson, and Thorne Middle School students and student assistant counselors (SACS)
3	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply.	Schools, Colleges, Universities

4	What is the primary problem being addressed by this program?	drug use in middle school
5	Briefly describe the program's purpose and key activities.	To educate 6th grade students on drug prevention, mental health, and resiliency
6	What is the target population for this program?	Children and Young Adults - 0-13 (through 8th grade)
7	On what date was this program funded? (Use the format MM/DD/YYYY.)	2/5/2026
8	What is the total amount of funding for this program?	\$3,600.00
8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$3,600.00
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$0.00
9	How often is your subdivision disbursing funds to this program?	Annually
10	On what date was this program launched? (Use the format MM/DD/YYYY.)	2/5/2026
11	Choose the duration of the program from the list below.	One time only
12	What is the number of unduplicated individuals served by this program?	72
13	What is the intended impact of this program?	To educate 6th grade students on drug prevention, mental health, and resiliency. For these students to return to school as peer leaders and share what they learned.
14	Which key performance indicators are you tracking to ensure success of the program? List all that apply, including, but not limited to, the following:	
	Number of participants served:	72
15	How frequently are you measuring the key performance indicators listed above?	Annually

16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	To educate 6th grade students on drug prevention, mental health, and resiliency. For these students to return to school as peer leaders and share what they learned.
17	Primary Category (Please select the category that fits the primary focus of this program):	Primary Prevention, Education, and Training
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	None of the above
19	Select the "Schedule B" approved strategy or strategies that best match the primary focus of this program.	Prevent Misuse of Opioids, Prevent Overdose Deaths and Other Harms (Harm Reduction)
20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	This program uses primary prevention strategies to inform 6th grade students about substance use and mental health disorders and how to prevent them and mitigate harm.
21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	The Alliance received NJ Elks annual conference information and then distributed it to middle schools and funded/coordinated the students to attend.
22	If you would like to provide any additional details about this program not already included above, you may do so here.	
	2026 Fiscal Program List	
1	What is the name/title of the program?	Operational Readiness for Police Officers
2	List all agencies, organizations, or entities that received funding for this program.	Middletown Township Police Department

3	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply.	First Responders, Law Enforcement, and Emergency Services
4	What is the primary problem being addressed by this program?	Overdose Crisis
5	Briefly describe the program's purpose and key activities.	This course is designed to prepare law enforcement officers to effectively handle crises involving OUD and related mental health conditions. With the opioid epidemic posing significant challenges for public safety, officers need the tools to respond with empathy, safety, and precision. Through four comprehensive modules, this course covers the complexities of OUD, including the use of Naloxone, the impact of co-occurring mental health disorders, legal considerations, and best practices for de-escalation. The goal is to equip officers with practical strategies to manage these crises safely, while building trust with individuals in need.
6	What is the target population for this program?	First Responders, Law Enforcement and other Emergency Responders
6(a).	What is the target population for this program? - Others	
7	On what date was this program funded? (Use the format MM/DD/YYYY.)	6/25/2026
8	What is the total amount of funding for this program?	\$53,100.00
8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$53,100.00
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$0.00
9	How often is your subdivision disbursing funds to this program?	Annually

10	On what date was this program launched? (Use the format MM/DD/YYYY.)	6/25/2026
11	Choose the duration of the program from the list below.	One time only
12	What is the number of unduplicated individuals served by this program?	115
13	What is the intended impact of this program?	The goal is to equip officers with practical strategies to manage these crises safely, while building trust with individuals in need. Ultimately, this course is aimed at improving officer-community relations by fostering trust and reducing the stigma around addiction. By focusing on harm reduction and non-punitive approaches, officers will be better positioned to support individuals with OUD, reduce the risk of escalation, and strengthen community ties through compassionate, effective interventions.
14	Which key performance indicators are you tracking to ensure success of the program? List all that apply, including, but not limited to, the following:	
	Number of training/education sessions:	115
15	How frequently are you measuring the key performance indicators listed above?	Annually
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	This program is aiming to increase MTPD education and awareness when responding to these crisis calls.
17	Primary Category (Please select the category that fits the primary focus of this program):	Primary Prevention, Education, and Training
18	The following are other categories that may apply (include all categories	None of the above

	with the exception of the Primary category you chose above).	
18(a).	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above). - Others	
19	Select the "Schedule B" approved strategy or strategies that best match the primary focus of this program.	First Responders
20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	The course is designed to give practical strategies to manage challenges posed by the opioid crisis and handle interactions with individuals affected by Opioid Use Disorder (OUD) and co-occurring Substance Use Disorders (SUD) or Mental Health (MH) conditions. Learn to de-escalate crises, connect individuals to needed resources, and minimize risks to both officers and the community.
21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	Middletown was made aware of this program from another municipality. The program was brought to the Chief and Detectives by the Alliance. 3 supervising officers took the course to see if they thought it would be beneficial for the entire force to take. They liked it and asked for all 115 officers to be trained this year. In the future, offers will be made for new officers to take it as well.
22	If you would like to provide any additional details about this program not already included above, you may do so here.	

Opioid Settlement Funding Report		
Subdivision: Millstone Township		
	State ID:	NJ138
	County Name:	Monmouth
	Address:	470 Stage Coach Road, Millstone Township, New Jersey, 08510
	Subdivision Contact Name:	Melissa Peerboom
	Subdivision Contact Email:	m-peerboom@millstonenj.gov
Fiscal Year: 2026		
1	What is the total amount of opioid abatement funds that your subdivision received during the current reporting period (7/1/2025 - 6/30/2026)?	\$871.34
2	What is the amount of accrued interest on the total amount of opioid abatement funds that your subdivision has received during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$0.00
3	What is the total amount of opioid abatement funds that your subdivision has received since the distribution of opioid abatement funds began in 2022?	\$7,078.11
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a municipality and did not transfer our funds
5	What is the amount of opioid abatement funds that your subdivision transferred to the county during the current reporting period (7/1/2025 - 6/30/2026)?	
6	What is the total amount of opioid abatement funds that your subdivision spent/expended during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$0.00
	You will be required to answer specific questions about the expenditures below in order for your annual report to be considered complete.	

7	What amount of opioid abatement funds did your subdivision appropriate/encumber but not yet spend during the current reporting period (7/1/2025 - 6/30/2026)?	\$0.00
8	What amount of opioid abatement funds did your subdivision spend on administrative expenses during the current reporting period (7/1/2025 - 6/30/2026)?	\$0.00
	You must also provide details about administrative expenses in Question 8a below.	
8a.	Provide details regarding any administrative expenses spent during the current reporting period (7/1/2025 - 6/30/2026).	
9	What amount of unspent/uncommitted opioid abatement funds from any reporting year does your subdivision currently have on hand?	\$4,696.18
10	What were your subdivision's overarching goals and values in its use of opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	The township's municipal drug alliance is currently working with the county on creating the plan for opioid abatement funds.
11	Which official(s) were involved in deciding how to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	The Municipal Drug Alliance for the Township of Millstone has been attending workshops with the county to formulate a plan to spend the funds.
12	Which resources did your subdivision use when deciding to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	The Municipal Alliance is working on a strategic plan.
	List all that apply, including, but not limited to, the following:	
	(1) Any evidence-based or evidence-informed practices or strategies;	
	(2) The "Schedule B" list of approved opioid remediation uses attached as	

	Exhibit A to the January 28, 2022 "Memorandum of Agreement Between the State of New Jersey and Local Governments on Opioid Litigation Recoveries" to which your subdivision is a signatory;	
	(3) A needs assessment;	
	(4) A strategic plan; and/or	
	(5) An epidemiological analysis;	
13	During the current reporting year (7/1/2025 - 6/30/2026), did your subdivision engage the public (e.g., through town hall meetings, online surveys, or other means of communicating with stakeholders) prior to deciding how to use the opioid abatement funds you received?	No, but plan to in the future
14	For how many years have settlement spending allocations already been decided?	3 - 5 years
15	Does your subdivision have a strategic plan regarding the use of opioid abatement funds?	No, but we plan to in the future
	If yes, choose "Yes" and upload/link to the strategic plan or summarize the plan in Question 15a	
16	Have you completed a Risk Assessment profile for demographic or geographic impact?	No, but we plan to in the future
17	Did your subdivision fund any programs using opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026)?	No
	A) For new programs, use the "Add Program" tab to report on each new program.	
	B) For previously-reported programs, use the "Update" tab in the 'Prior Fiscal Year Programs' section to provide updates on programs reported during prior fiscal years.	

	If you reported spending any opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026) in Question 6, you must answer the following questions for each program funded by opioid abatement funds.	

Opioid Settlement Funding Report		
Subdivision: Neptune Township		
	State ID:	NJ152
	County Name:	Monmouth
	Address:	25 Neptune Blvd, Neptune, New Jersey, 07753
	Subdivision Contact Name:	Lisa Mansfield
	Subdivision Contact Email:	lmansfield@neptunetownship.org
Fiscal Year: 2026		
1	What is the total amount of opioid abatement funds that your subdivision received during the current reporting period (7/1/2025 - 6/30/2026)?	\$81,597.12
2	What is the amount of accrued interest on the total amount of opioid abatement funds that your subdivision has received during the current reporting period (7/1/2025 - 6/30/2026)? Please include dollars and cents (e.g., 100.23):	\$0.00
3	What is the total amount of opioid abatement funds that your subdivision has received since the distribution of opioid abatement funds began in 2022?	\$510,539.33
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a municipality and did not transfer our funds
5	What is the amount of opioid abatement funds that your subdivision transferred to the county during the current reporting period (7/1/2025 - 6/30/2026)?	
6	What is the total amount of opioid abatement funds that your subdivision spent/expended during the current reporting period (7/1/2025 - 6/30/2026)? Please	\$63,512.87

	include dollars and cents (e.g., 100.23):	
	You will be required to answer specific questions about the expenditures below in order for your annual report to be considered complete.	
7	What amount of opioid abatement funds did your subdivision appropriate/encumber but not yet spend during the current reporting period (7/1/2025 - 6/30/2026)?	\$399.00
8	What amount of opioid abatement funds did your subdivision spend on administrative expenses during the current reporting period (7/1/2025 - 6/30/2026)?	\$0.00
	You must also provide details about administrative expenses in Question 8a below.	
8a.	Provide details regarding any administrative expenses spent during the current reporting period (7/1/2025 - 6/30/2026).	N/A
9	What amount of unspent/uncommitted opioid abatement funds from any reporting year does your subdivision currently have on hand?	\$419,594.54
10	What were your subdivision's overarching goals and values in its use of opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	We continued two projects from previous years and altered the funds slightly. We purchased EMS equipment and started a LEAD program,
11	Which official(s) were involved in deciding how to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Business Administrator, CFO, EMS Director, Municipal Alliance Chairs, Chief of PD, Outreach Coordinator, Reintegration Coordinator, Administrative Assistant to CFO and Library Director.

12	Which resources did your subdivision use when deciding to spend opioid abatement funds during the current reporting period (7/1/2025 - 6/30/2026)?	Schedule of Approved Uses, Strategic Plan and Needs Assessment.
	List all that apply, including, but not limited to, the following:	
	(1) Any evidence-based or evidence-informed practices or strategies;	
	(2) The "Schedule B" list of approved opioid remediation uses attached as Exhibit A to the January 28, 2022 "Memorandum of Agreement Between the State of New Jersey and Local Governments on Opioid Litigation Recoveries" to which your subdivision is a signatory;	
	(3) A needs assessment;	
	(4) A strategic plan; and/or	
	(5) An epidemiological analysis;	
13	During the current reporting year (7/1/2025 - 6/30/2026), did your subdivision engage the public (e.g., through town hall meetings, online surveys, or other means of communicating with stakeholders) prior to deciding how to use the opioid abatement funds you received?	Yes
13a	If yes, provide details about your public engagement/input efforts.	Invited stakeholders in our community that provide services to Neptune residents and conducted a round table discussion.
14	For how many years have settlement spending allocations already been decided?	1 - 2 years
15	Does your subdivision have a strategic plan regarding the use of opioid abatement funds?	Yes

	If yes, choose "Yes" and upload/link to the strategic plan or summarize the plan in Question 15a	
15a	Can we post your strategic plan online?	No
16	Have you completed a Risk Assessment profile for demographic or geographic impact?	No, but we plan to in the future
17	Did your subdivision fund any programs using opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026)? A) For new programs, use the "Add Program" tab to report on each new program. B) For previously-reported programs, use the "Update" tab in the 'Prior Fiscal Year Programs' section to provide updates on programs reported during prior fiscal years. If you reported spending any opioid abatement funds during the current reporting year (7/1/2025 - 6/30/2026) in Question 6, you must answer the following questions for each program funded by opioid abatement funds.	Yes
	2026 Fiscal Program List	
1	What is the name/title of the program?	EMS equipment
2	List all agencies, organizations, or entities that received funding for this program.	EMS First Responders
3	In which category or categories does each agency, organization, or entity that received funding for this	First Responders, Law Enforcement, and Emergency Services

	program belong? Select all that apply.	
4	What is the primary problem being addressed by this program?	Funding provided to our EMS staff for equipment
5	Briefly describe the program's purpose and key activities.	supplies needed such as narcan, ventilation device, wellness app for responders and handheld oximeters.
6	What is the target population for this program?	First Responders, Law Enforcement and other Emergency Responders
6(a).	What is the target population for this program? - Others	
7	On what date was this program funded? (Use the format MM/DD/YYYY.)	7/1/2025
8	What is the total amount of funding for this program?	\$40,828.15
8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$40,828.15
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$0.00
9	How often is your subdivision disbursing funds to this program?	Others
9(a).	How often is your subdivision disbursing funds to this program? - Others	as supplies are needed to restock
10	On what date was this program launched? (Use the format MM/DD/YYYY.)	7/1/2025
11	Choose the duration of the program from the list below.	1 year
12	What is the number of unduplicated individuals served by this program?	5
13	What is the intended impact of this program?	Provision of wellness and support services for first responders as well and provide them supplies to help those in need.
14	Which key performance indicators are you tracking to ensure success of the program? List all that apply,	

	including, but not limited to, the following:	
	Number of harm reduction supplies distributed (e.g naloxone kits, drug disposal packets):	5
15	How frequently are you measuring the key performance indicators listed above?	Annually
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	Through these integrated strategies, the program will combine overdose prevention, rapid emergency response, improved clinical assessment, responder wellness, and connections to treatment and recovery services. This comprehensive, evidence-informed approach addresses the immediate dangers of opioid overdose while supporting longer-term recovery for individuals with opioid use disorder and co-occurring substance use or mental health conditions.
17	Primary Category (Please select the category that fits the primary focus of this program):	Harm Reduction and Overdose Prevention
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	None of the above
18(a).	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above). - Others	
19	Select the "Schedule B" approved strategy or strategies that best match the primary focus of this program.	First Responders
20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through	Equipping first responders with essential tools and evidence-based resources that improve overdose recognition, response and post-overdose engagement.

	evidence-based or evidence-informed practices or strategies.	
21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	Naloxone and ventilation devices will enable rapid, evidence-based intervention during suspected opioid overdoses, increasing the likelihood of survival and reducing overdose-related fatalities. Handheld pulse oximeters will assist responders in assessing oxygen saturation and respiratory status, supporting timely clinical decision-making and appropriate patient care during overdose emergencies.
22	If you would like to provide any additional details about this program not already included above, you may do so here.	In addition to improving patient outcomes, the responder wellness application will provide first responders with access to evidence-informed resources that promote stress management, resilience, peer support, and mental health self-monitoring.
	2026 Fiscal Program List	
1	What is the name/title of the program?	LEAD program
2	List all agencies, organizations, or entities that received funding for this program.	Police
3	In which category or categories does each agency, organization, or entity that received funding for this program belong? Select all that apply.	First Responders, Law Enforcement, and Emergency Services
4	What is the primary problem being addressed by this program?	school based program to prevent drug missue.
5	Briefly describe the program's purpose and key activities.	Program to teach all the 5th grade students in Neptune. Workbooks distributed to each child to follow the curriculum.

6	What is the target population for this program?	Children and Young Adults - 0-13 (through 8th grade)
7	On what date was this program funded? (Use the format MM/DD/YYYY.)	11/21/2025
8	What is the total amount of funding for this program?	\$1,191.09
8a.	Of the total amount, how much has been spent (in the current reporting year)?	\$1,191.09
8b.	Of the total amount, how much has been appropriated/encumbered but not yet spent?	\$0.00
9	How often is your subdivision disbursing funds to this program?	Annually
10	On what date was this program launched? (Use the format MM/DD/YYYY.)	9/1/2025
11	Choose the duration of the program from the list below.	1 year
12	What is the number of unduplicated individuals served by this program?	100
13	What is the intended impact of this program?	Substance use prevention education for 5th grade students.
14	Which key performance indicators are you tracking to ensure success of the program? List all that apply, including, but not limited to, the following:	
	Other:	school based program to prevent drug misuse. Want to bring an engaging program to school age children in 5th grade.
15	How frequently are you measuring the key performance indicators listed above?	Annually
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	we hope to engage the children in learning about the drug prevention.
17	Primary Category (Please select the category that fits the primary focus of this program):	Primary Prevention, Education, and Training

18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	None of the above
19	Select the "Schedule B" approved strategy or strategies that best match the primary focus of this program.	Prevent Misuse of Opioids
20	Describe how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	The LEAD program serves as a critical access point for identifying students in need. The program incorporates evidence-based prevention strategies, including social-emotional learning and substance use prevention education.
21	Identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	Program activities are regularly evaluated by the Officer in charge of the program.
22	If you would like to provide any additional details about this program not already included above, you may do so here.	Program will last six months with certificates at the end for encouragement.
	2025 Fiscal Program List	
1	Program Name/Title	Training for First Responders
2	Have there been any modifications or expansions to this program since the initial report? :	Yes, modification to funding amount
	2a) If yes, please explain:	The amount was less than last year. We sent 19 First Responders to "Operational Readiness" Training,
3	Amount expended in this reporting period (7/1/2025 - 6/30/ 2026)	\$10,856.28
4	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	

	Other:	This training meets the approved use of Part Three: Other Strategies for (I) Education of law enforcement or other first responders regarding appropriate practices and precautions.
5	Is there anything else you would like to share or highlight regarding the progress and impact of this program? :	No
6	Last Updated Date :	8/21/2026
	2024 Fiscal Program List	
1	Program Name/Title	EMS Substance Abuse Outreach
2	Have there been any modifications or expansions to this program since the initial report? :	Yes, modification to funding amount
	2a) If yes, please explain:	We had a full-time EMT devote around 7 hours a week to the Outreach Program. Efforts increased from last year and the program has been fully integrated.
3	Amount expended in this reporting period (7/1/2025- 6/30/ 2026)	\$10,637.35
4	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of participants served:	37
	Reduction in opioid-related incidents:	local hospital declines to share information. Numbers went down last half of this report from 24 to 19, indicating a decline in overall incidents.
	Number of harm reduction supplies distributed (e.g naloxone kits, drug disposal packets):	10
	Number of services provided/encounters:	35
	Number of referrals to treatment	2

	Other:	Through our Community Outreach program, all patients whom we've been able to contact have been provided resources aligned with their Stage of Change. This has included but is not limited to: validation, general mental health referrals, assistance with admission into detox/rehab, transportation to local providers, ongoing follow-up.
5	Is there anything else you would like to share or highlight regarding the progress and impact of this program? :	Yes
	5a) If yes, please explain:	Big change starts small. We at Neptune Township EMS recognize that data often fails to convey the real-life experience of the human beings behind the numbers - no matter where they are at in their journey. We will continue to meet our community in crisis and to uplift those getting back on their feet; to take five minutes to help when others revert to stereotype and slander; to see our patients as people - whether the data shows it or not. These are the metrics by which we measure our impact.
