

program-region-2 in accordance with N.J.A.C. 7:15-4.4(g). The proposed project will convey wastewater to the Blacks Creek WWTP of the Bordentown Sewage Authority, which is subject to a Federal ESA grant condition included in the grant agreement executed between the Bordentown Sewage Authority and the USEPA under project Number C-34-607-02. The ESA grant condition prohibits any sewer connection to Federally funded facilities from any sewage generating structure located on a parcel of property containing wetlands and/or floodplains, unless a mapping waiver or grant waiver is obtained from the USEPA. A conditional grant waiver was issued by the USEPA to the Bordentown Sewage Authority on August 21, 2019.

Pursuant to N.J.A.C. 7:15-4.4(h)1 and 2, the Department considered the land uses allowed in zoning ordinances, future land uses shown in municipal or county master plans, and other local land use objectives. The Bordentown Township Committee adopted Ordinance #2018-21 on July 23, 2018, that allows an AH-1 affordable housing overlay zone on the project site. The Department of Resource Conservation of Burlington County, on behalf of the Board of Chosen Freeholders, issued a letter dated October 7, 2019, stating that although Burlington County does not have a Master Plan, the project was reviewed by the Burlington County Planning Board and was approved with conditions on October 15, 2018.

This notice is to inform the public that a plan amendment has been proposed for the Tri-County WQM Plan. All information related to the Tri-County WQM Plan and the proposed amendment is located at:

New Jersey Department of Environmental Protection
Division of Water Monitoring and Standards
Bureau of Environmental Analysis, Restoration and Standards
Water Quality Management Planning Program
PO Box 420, Mail Code 401-04I
401 East State Street
Trenton, New Jersey 08625-0420

The Department's file is available for inspection between 9:00 A.M. and 4:00 P.M., Monday through Friday, upon request. An appointment to inspect the file must be arranged by calling the Bureau of Environmental Analysis, Restoration and Standards at (609) 633-1441.

Interested persons may submit written comments on the proposed amendment to the Department at the address cited above. Comments should reference Program Interest No. 435433, Activity No. AMD180002 and must be submitted within 30 days of the date of this public notice. A copy of the written comments should also be sent to:

Andrew Werbler
242 Route 79, Suite 9
Morganville, New Jersey 07751

Interested persons may also request, in writing, that the Department hold a non-adversarial public hearing on the amendment or extend the public comment period specified in this notice. Such requests should

reference Program Interest No. 435433, Activity No. AMD180002 and must demonstrate sufficient public interest for the public hearing or extension of the comment period, as defined at N.J.A.C. 7:1D-5.2(d). The request must be submitted within 30 days of the date of this notice to the Department address cited above. Should the Department decide to hold a public hearing, additional notice will be published in a future New Jersey Register and the comment period will be extended to 15 days after the public hearing date. All comments submitted prior to the close of the comment period shall be considered by the Department before making a final decision on the proposed amendment.

Sewer service is not guaranteed by this amendment since it represents only one part of the permit process and other issues may need to be addressed. Inclusion in the SSA resulting from adoption of this amendment does not eliminate the need to obtain all necessary permits, approvals, or certifications required by any Federal, State, county, or municipal review agency with jurisdiction over this project/activity.

STATE PAROLE BOARD

Notice of Receipt of Petition for Rulemaking

Petitioner: Abdiel F. Avila.

Take notice that on March 13, 2020, the State Parole Board received a petition for rulemaking from the above captioned petitioner. The petitioner requests that the State Parole Board promulgate a new rule to accommodate Senate Bill 761 ("Earn Your Way Out" Act). The petitioner claims that there was an oversight or omission in the legislation as the Legislature did not provide direction that new rules were to be promulgated to establish procedures to effectuate the administrative parole release process provided in the legislation. The petitioner states he has examined the legislation and is providing assistance to the Chairman of the State Parole Board and the Commissioner of the Department of Corrections by offering a proposed rule for adoption. The petitioner provided a detailed proposed rule that is intended to effectuate the provisions of Senate Bill 761 ("Earn Your Way Out" Act).

In accordance with the provisions of N.J.S.A. 52:14B-4(f) and N.J.A.C. 1:30-4.2, the State Parole Board, upon consideration of the suggested rule, will mail to the petitioner, and file with the Office of Administrative Law, a notice of action on the petition.
