Special note about the DD-214 commonly called Discharge Papers

Your Separation Paper from active duty, commonly called Discharge Papers, (DD-214) or WD Form 53-55 (for World War II veterans) is your most important military document. In this book we use DD-214, Discharge Papers and Separation Papers interchangeably. For World War II veterans your equivalent is the WD Form 53-55. When applying for veteran benefits, your most important document is your DD-214. Never send away your original documents! Always submit a copy and keep your original. State Veterans Service Officers (VSOs) can certify original DD-214s for VA purposes.

JON S. CORZINE
Governor

Throughout my years of service I have had the opportunity to meet many of New Jersey's more than half a million veterans. As your Commander-in-Chief, and former Marine, I know the level of commitment and sacrifice that so many men and woman make in serving our state and country. We as citizens must recognize and reciprocate that service by ensuring we protect those who have protected us.

Under my Administration, access to health care and affordable living for veterans will be a priority. With the continued leadership of Adjutant General Glenn Rieth, this Administration will do all it can to ensure that the needed services are available and accessible to veterans. I know you will find the newest edition of the New Jersey Veterans Guide a useful resource to the various benefits which veterans are entitled. These pages provide information on current services available at both the state and federal level.

Thank you for your devoted service. It is an honor to give back to those who have given our country so much.

Best wishes,

GLENN K. RIETH
Major General
The Adjutant General

I am proud to introduce the revised New Jersey Veterans Guide; this version continues the tradition started in 1992 of providing information to assist the nearly 600,000 veterans in the state.

Extensive research and preparation went into the revision of the Veterans Guide as the Department of Military and Veterans Affairs strives to meet its critical mission of communicating to the Veterans of New Jersey on the vast array of State and Federal benefits and programs. We believe the Veterans Guide will continue to be a handy and useful reference resource in providing relevant information and answers to our Veterans.

Keeping the Veterans community informed is part of the Department's continuing outreach efforts to the many Veterans and their families in the Garden State, that may be unaware of how to avail themselves of the wide range of entitlements, benefits and services that have been earned in service to this nation.

All Veterans and their families are encouraged to contact the Department's qualified Veteran Service Officers who are conveniently located throughout the state for additional information or if assistance is needed in applying for an entitlement, benefit or service.

"Serving Those Who Served" is this Department's commitment and honored vow to our Veterans whose courageous service and great sacrifice defended the freedom and liberty we hold so dear.

NEW JERSEY DEPARTMENT OF MILITARY AND VETERANS AFFAIRS

The New Jersey Department of Military and Veterans Affairs located in Lawrenceville, N.J.

DEPARTMENT OVERVIEW

For many veterans and their family members, keeping up with the constant changes in the rules, regulations and eligibility criteria for veterans entitlements is not paramount in their lives. Many believe that the information they received when leaving the service has not changed, so any changes, whether good or bad, that affect those entitlements and their eligibility may be overlooked. Entitlements added or lost may go unnoticed, until it is too late. State entitlements may be unknown. The information a World War II veteran received when leaving the service, in many cases, is different today -- in some cases, much different.

For those leaving the military now, the transition to civilian life can be just as difficult as the transition made when entering the military, frequently more so.

For disabled veterans, the adjustment can be even more complex and frustrating since the costs for required special services and medical attention are constantly rising and jobs may be scarce.

If there are times when you feel frustrated, discouraged or abandoned, or have questions that need to be answered, there is a place

to turn for help -- the New Jersey Department of Military and Veterans Affairs.

Has your disability case been denied by the VA? Are you having a problem with your military pension? Do you need information on educational entitlements or a home loan? Have you lost your discharge papers and need replacements? Those are just a few of the many questions the department's veterans service officers deal with daily. Our veterans service officers can provide assistance in obtaining state and federal entitlements, and give advice and support to the veteran re-entering civilian life.

The state of New Jersey provides many entitlements and services for those who served in the Armed Forces. Although most veterans entitlements are federally funded and administered by the U.S. Department of Veterans Affairs (VA), significant additional state entitlements are available.

To qualify for most services a veteran must have completed at least 90 days of active duty in the Armed Forces (except for training purposes) and have a discharge other than dishonorable. Veterans who were discharged before 90 days due to service connected disabilities are also eligible. Additionally, spouses, widows, widowers and parents of members of the military killed during a time of war and certain merchant seamen who served in active, ocean-going service from Dec. 7, 1941, to Aug. 15, 1945, may be eligible for certain federal entitlements. Receiving federal entitlements does not disqualify a veteran from receiving those offered by the state.

The Office of the Deputy Commissioner for Veterans Affairs supervises two divisions, the Division of Veterans Healthcare Services and the Division of Veterans Services. The Division of Veterans Healthcare Services oversees the operation of the state's three long-term care veterans nursing homes, located in Vineland, Menlo Park and Paramus. The Division of Veterans Services oversees the veterans service offices, maintains the toll-free information line, veteran's preference determinations, veteran's sta-

tus determinations and the blind and catastrophic veteran pension entitlements. In addition, the Division of Veterans Services oversees the state's Veterans Cemetery, the operation of the states' Homeless Veterans Transitional Housing Program, the state-owned monuments and memorials and the State Approving Agency which is responsible for certifying the VA funded educational and training program.

Through its network of regional Veterans Service Offices, the Division of Veterans Services provides the state's veterans and dependents with information and guidance in filing claims for benefits. Trained Veterans Service Officers (VSO) at those offices also assist veterans with issues pertaining to employment, education, burial, counseling, housing, social

and medical services, and other areas of concern to veterans and their families. Office locations and phone numbers are listed in Appendix A.

Additionally, the department, along with other state and municipal agencies, administers many other programs important to veterans and their families, such as pensions for certain disabled veterans, PTSD counseling, transportation to veteran service facilities, tuition assistance for war orphans, real estate tax abatements and civil service preferences.

Some entitlements (e.g. state property tax abatements) require the veteran to have served during a specified war/conflict period. New Jersey "war period" dates are listed in the box below.

The United States Department of Veterans Affairs (VA) was established March 15, 1989, as a Cabinet position, succeeding the Veterans Administration and assuming responsibility for providing federal benefits to veterans and their dependents. Headed by the Secretary of Veterans Affairs, VA is the second largest of the 14 Cabinet departments and operates nationwide programs of health care, assistance services and national cemeteries.

Today, VA provides the world's most comprehensive and diverse benefit programs for veterans and dependents.

For online access to the latest edition of the VA booklet, "Federal Benefits for Veterans and Dependents," go to www.va.gov and click on "Veterans Benefits Booklet" in the lower right corner of the VA Home Page. That booklet lists federal benefits available to veterans and their dependents.

New Jersey Distinguished Service Medal

The New Jersey Distinguished Service Medal was originally issued in 1858 for those who had distinguished themselves in the New Jersey Militia, but was infrequently used until re-authorized by Governor Kean in 1988.

After the Spanish American War, the Mexican Border Expedition and again after World War I, the State of New Jersey minted special medals for returning NJ veterans to honor their service.

After WWII, Korea, Vietnam and subsequent combat actions no such medal was available. The State of New Jersey was looking for an appropriate way to honor all of these returning combat veterans and acknowledge the debt the state owed them for their service. The NJDSM was authorized for that purpose. It is New Jersey's highest military award.

Eligibility - To be eligible, a veteran must meet all the following criteria:

- ~ combat veteran as defined by law.
- ~ current resident of New Jersey.
- ~ a resident of the state at the time they entered into military service.
- ~ honorably discharged.
- ~ proof of service in combat theater while on active duty during wartime. No one shall be entitled to more than one award of the medal and ribbon.

Oak Leaf Cluster - Those recipients whose service was recognized by the award of the Bronze Star, Purple Heart, Air Medal or equivalent medal will receive a NJ Distinguished Service Medal with an oak leaf cluster.

Posthumous Award - The NJDSM can be awarded posthumously to the next-of-kin of a veteran who meets the criteria.

Application - Anyone interested in applying for the New Jersey Distinguished Service Medal should send a completed application (see copy of application on page 48) together with copies of all pertinent information, discharge document, award citation, honorable discharge, together with your full name, home address and daytime telephone number to:

New Jersey Vietnam Service Medal Approved November 13, 2000

"The Legislature finds and declares the year 1998 marks the 25th anniversary of the United States, North Vietnam, South Vietnam and the National Liberation Front's provisional revolutionary government signing an agreement to end the war in Vietnam. The conflict that was declared over in 1973 was a uniquely important event in the political and domestic history of Southeast Asia and of this country. The United States' involvement in that conflict resulted in great domestic turmoil and dispute in this nation, as well as more than 50,000 American soldiers killed, including 1,515 from New Jersey. It is fitting and proper for this State to recognize and honor those among its residents who served proudly and those who died bravely in that conflict on the 25th anniversary of its ending, because in 1973 those same individuals were often ignored or scorned for their service to their country."

Eligibility - To be eligible, a veteran must meet all of the following criteria:

- ~ current resident of New Jersey.
- ~ were on active duty in any branch of the armed forces of the United States in Vietnam, Thailand, Laos or Cambodia or the contiguous waters or airspace thereof on or after December 31, 1960 and on or before May 7, 1975.
- ~ meet one of the following four "in country" requirements:

- (a) were attached to or served for one or more days with an organization participating in or directly supporting military operations.

- (b) were attached to or served for one or more days aboard a United States Naval vessel directly supporting military operations.

- (c) participated as a crew member in one or more aerial flights into airspace above Vietnam and contiguous waters directly supporting military operations.

- (d) served on temporary duty for 30 consecutive days or 60 nonconsecutive days in Vietnam or contiguous areas, except that this time limit may be waived for persons participating in actual combat operations.

Posthumous Award - The surviving spouse or immediate family member of any resident of the State meeting the above requirements for a medal and who was killed while on active duty or died after receiving an honorable discharge from the armed forces may apply for a posthumous awarding of the medal. See page 48 for a medal application form.

New Jersey Meritorious Service Medal

This medal is awarded to those combat veterans who were not residents of New Jersey when they entered the military service, but who are current residents of New Jersey and have resided in the state for the previous five years. All other qualifications are the same as for the Distinguished Service Medal. See page 48 for a medal application form.

New Jersey Korean Service Medal Approved February 3, 2003

"The Legislature finds and declares July 27, 2003 will mark the 50th anniversary of the signing of the armistice which ended the Korean War. The conflict, often referred to as the "Forgotten War" began on

NEW JERSEY MEDALS

June 25, 1950 when the North Korean Army crossed the border and invaded South Korea in an unprovoked attack. Their goal was the reunification of the Korean peninsula, divided after World War II along the 38th parallel. The United States involvement in that conflict resulted in 33,742 Americans dead and 92,134 Americans wounded. It is fitting and proper for this State to recognize and honor its residents who served and those who died in that conflict on the 50th anniversary of its ending.

The Adjutant General is hereby authorized to issue a medal and ribbon to commemorate the 50th anniversary of the signing of the armistice on July 27, 1953, which ended the Korean War."

Eligibility - To be eligible, a veteran must meet all of the following criteria:

~ New Jersey residents who were on active duty in any branch of the armed forces of the United States in Korea, Japan, or the contiguous waters or airspace thereof on or after June 23, 1950 and on or before January 31, 1955, who have been given an honorable discharge for their service and:

~ were attached to or served for one or more days with an organization participating in or directly supporting military operations; or

~ were attached to or served for one or more days aboard a United States Naval vessel directly supporting military operations; or

~ participated as a crew member in one or more aerial flights into airspace above Korea or contiguous areas, except that this time limit may be waived for persons participating in actual combat operations; or

Posthumous Award - the surviving spouse or immediate family member of any resident of the State meeting the requirements for the medal who was killed while on active duty or who died after receiving an honorable discharge from the armed forces.

Application - Anyone interested in applying for the New Jersey Korean Service Medal should mail a completed application form (see page 48) together with copies of all pertinent information to the same address as the Distinguished Service Medal.

CIVIL SERVICE BENEFITS

Veterans Preference and Pension Status

The NJ Department of Military and Veterans Affairs is the agency that determines veterans preference for hiring in New Jersey civil service and veteran status for New Jersey civil service pension plans.

Veterans Preference for Hiring in New Jersey Civil Service

War period veterans who pass state civil service examinations are given absolute preference over non-veterans when applying for state, county or municipal employment. Absolute preference is not extended to promotions, but if a veteran ranks highest on a promotional certification, a non-veteran cannot be offered the appointment before the veteran. Veterans with service-connected disabilities (at least 10 percent) who pass civil service examinations are given preference over other veterans and non-veterans for state, county or municipal employment.

Spouses, widows, widowers and the parents of disabled or deceased veterans are eligible under specific circumstances.

Eligibility - To be eligible, veterans must have served at least 90 days of active duty during one of the following periods:

~ World War II: September 16, 1940 - December 31, 1946; Korea: June 23, 1950-January 31, 1955; or Vietnam: December 31, 1960 - May 7, 1975. The active duty service during these three wars does not have to be "in country" or "in combat." Merchant Marines from World War II are eligible.

~ a veteran who served at least 14 days in a combat zone during any one of the following:

Lebanon Crisis: July 1, 1958-November 1, 1958

Lebanon peace keeping mission: September 26, 1982-December 1, 1987

Grenada peace keeping mission: October 23, 1983-November 21, 1983

Panama peace keeping mission: December 20, 1989-January 31, 1990

Persian Gulf-Operation Desert Shield/Storm: August 2, 1990-February 28, 1991

Somalia Operation Restore Hope: December 5, 1992-March 31, 1994

Operations Joint Endeavor and Joint Guard in the Republic of Bosnia or Herzegovina: November 20, 1995-June 20, 1998

Operation Uphold Democracy in Haiti: September 19, 1994 - March 31, 1995

Operation Enduring Freedom on or after September 11, 2001

Operation Iraqi Freedom: March 19, 2003-present

Combat zone qualification is most frequently indicated by the receipt of an Armed Forces Expeditionary Medal.

~ a veteran with a service connected disability of at least 10 percent. The veteran must have received the disability during service in one of the wars or operations listed above, although the veteran need not meet either the 90 days of active duty requirement or 14 days in combat zone requirement. A service connected disability is indicated by federal Veterans Administration service connected compensation being received or entitlement to receive, a U.S. military medical board finding or retirement from active military service with a disability rating of 10 percent or more. Current proof of disability is required.

Family members who are eligible:

~ spouse of a disabled veteran. The veteran must be eligible for civil service veterans preference as a disabled veteran (see qualifications above), not be employed in a New Jersey civil service jurisdiction and agree to waive the preference for the duration of the spouse's employment.

~ a disabled (see qualifications above), veteran's surviving spouse who has not remarried. A copy of the Death Certificate is required with the "Veterans Preference Claim" form.

~ surviving spouse of veterans who died while on active duty in the U.S. Military service. A copy of the Report of Casualty is required with the "Veterans Preference Claim" form.

~ Gold Star Parent - parent of a veteran who died while on active duty in the U.S. Military service. A copy of the Report of Casualty is required with the "Veterans Preference Claim" form.

To Apply - Use "Civil Service Veterans Preference Claim Form" - NJDMAVA Form 05A-1. See Appendix H for a copy of the form.

File the claim form with a **copy** of your separation papers (DD Form 214). Mail to the NJ Department of Military and Veterans Affairs, Veterans Benefits Bureau, PO Box 340, Trenton, NJ 08625-0340. You must obtain a veterans preference from NJ Department of Military and Veterans Affairs **BEFORE** applying for a job or a test.

Veterans Status for Civil Service and Pension Plans

A pension is available to qualified veterans. To qualify, a veteran must apply for veterans status for civil service pension plans after employment and must be in active employment until the effective date of retirement. These benefits cannot be deferred. Veterans who continue in employment covered by Public Employees' Retirement System (PERS) until they are at least age 60 with 20 or more years of service credit are entitled to an annual benefit equal to one-half of the salary on which pension contributions were made in any consecutive 12-month period which would provide the largest possible benefit to the member.

Veterans who are at least age 55 with 35 or more years of service credit are entitled to an annual allowance based on the following formula: Years of Service divided by 55, multiplied by the last 12 months salary, which yields the Maximum Annual Allowance. Veterans benefits cannot be deferred and members must meet all the requirements to qualify. Veteran members may retire on the same basis as non-veteran members if it would result in a higher benefit.

Application - Use NJDMAVA Form 05A-02 (see page 52) for a copy of the form. Mail the claim form with a **copy** of your separation papers (DD Form 214) to the NJ Department of Military and Veterans Affairs, Veterans Benefits Bureau, PO Box 340, Trenton, NJ 08625-0340. Partial purchase is permitted.

Military Service After Enrollment - Members may purchase military service rendered after August 1, 1974 if:

~ you were a member of a New Jersey State-administered retirement system when you entered the peacetime military service, and

~ you return to employment within the time periods prescribed by federal law in a position covered by a New Jersey State-administered retirement system when you are discharged from or otherwise end your military service, and

~ within one year following the date of return to employment or the date initial pension contributions are certified to begin, you apply for or inquire in writing about the purchase.

Federal Benefits

Uniformed Services Employment and Reemployment Rights Act (USERRA) - USERRA replaced the Veterans' Reemployment Rights (VRR.)

USERRA guarantees reemployed persons pension plan benefits that accrued during military service, regardless of whether the plan is a defined benefit plan or a defined contribution plan.

USERRA provides health benefits continuation for service members and their families during military service for up to 18 months.

USERRA is enforced by Department of Labor's Veterans' Employment and Training Service (VETS).

Eligibility - The Act applies to persons who perform duty, voluntarily or involuntarily, in the Army, Navy, Marine Corps, Air Force, Coast Guard, and Public Health Service commissioned corps, as well as the reserves of each. Federal training or service in the Army National Guard and Air National Guard is also included. Uniformed service includes active duty, active duty for training, inactive duty training (such as drills), and initial active duty training. USERRA covers all employees except those serving in positions where there is "no reasonable expectation that employment will continue indefinitely or for a significant period" i.e. seasonal work.

Basic Provisions/Requirements - Service members returning from a period of service in the uniformed services must meet five eligibility criteria to be covered by USERRA:

~ The person must have held a civilian job;

~ The person must have given notice to the employer that he or she was leaving the job for service in the uniformed services;

~ The period of service must not have exceeded five years;

~ The person must have been released from service under honorable conditions; and

~ The person must have reported back to the civilian job in a timely manner or have submitted a timely

CIVIL SERVICE BENEFITS

application for reemployment.

USERRA establishes a 5-year cumulative total on military service with a single employer, with certain exceptions allowed for call-ups during emergencies, for reserve drills and annually scheduled active duty for training, etc. USERRA also allows an employee to complete an initial period of active duty that exceeds 5 years, not including reenlistments. Under USERRA, restoration rights are based on the duration of military service rather than the type of military duty performed, e.g., active duty for training, inactive duty, etc.

Time limits for returning to work under USERRA, with the exception of fitness-for-service examinations, depend upon the duration of a person's military service. The applicable time limits are as follows:

~ Less than 31 days service: By the beginning of the first regularly scheduled work period after the end of the calendar day of duty plus time required to return home safely. If this is impossible or unreasonable, then as soon as possible.

~ 31 to 180 days: Application for reemployment must be submitted no later than 14 days after completion of a person's service. If this is impossible or unreasonable through no fault of the person, then as soon as possible.

~ 181 days or more: Application for reemployment must be submitted no later than 90 days after completion of a person's military service.

~ Service-connected injury or illness: Reporting or application deadlines are extended for up to two years for persons who are hospitalized or convalescing.

Contact - Information regarding USERRA may be obtained by calling the U.S. Department of Labor at 1-866-487-2365 or going online to: www.dol.gov.

Closing costs generally include VA appraisal, credit report, escrow, title evidence, recording fees, a one percent loan origination fee and discount points.

A reverse mortgage loans allow seniors (62 and over) to access the equity in their home without a monthly repayment schedule for as long as they live in the home. Federal VA Guaranteed Home Loan

The loan is made by a lender, such as a mortgage company, savings and loan or bank. VA's guaranty on the loan protects the lender against loss if the payments are not made, and is intended to encourage lenders to offer veterans loans with more favorable terms. The amount of guaranty on the loan depends on the loan amount and whether the veteran used some entitlement previously. With the current maximum guaranty, a veteran who hasn't previously used the benefit may be able to obtain a VA loan up to \$240,000 depending on the borrower's income level and the appraised value of the property. The local VA office can provide more details on guaranty and entitlement amounts.

Note: Although the veteran may be approved for a VA home loan guarantee, the veteran still needs to have a good credit rating to obtain a loan from a lending institution, such as a bank or credit union. Contact State Veterans Service Offices listed in appendix B for more information on loans

New Jersey Property Tax Benefits

The New Jersey Property Tax Exemption and Deduction require veterans to serve during a specific war time period. See New Jersey War/Conflict Dates on page 6.

Note: For New Jersey Property Tax Exemption and Deduction, Haiti service is **not** included as a war time period.

The dwelling house is the veteran's primary legal residence.

The veteran or surviving spouse must own and occupy the house.

If the house is a multiple family building, the exemption is only granted for the portion actually occupied by the veteran or surviving spouse.

The definition of resident is the same for the property tax exemption and deduction. It is the legal domicile within the state. Seasonal or temporary residence in the state is not considered being a resident of New Jersey. Absence from the state for a period of 12 months shall be sufficient evidence of abandonment of domicile. The burden of establishing legal domicile in the state is the claimant's burden.

New Jersey Property Tax Exemption

Eligibility for Veterans - Applies to veterans who meet all of the following criteria:

- ~ Served during a specified wartime period.
- ~ Received an honorable discharge or under honorable conditions.
- ~ Rated 100 percent permanent service-connected by the VA. The 100 percent rating cannot be temporary or as a result of hospitalization, surgery or recuperation.

Eligibility for spouses who meet the following criteria:

- ~ Not remarried.
- ~ Even if the marriage is terminated by death/divorce, the spouse is no longer entitled. However, if the marriage is annulled, the surviving spouse regains eligibility.
- ~ Veteran previously received exemption prior to death.
- ~ Veteran would have been found eligible if an application had been filed prior to death.

And one of the following criteria:

- ~ The veteran had to be rated 100 percent permanent VA service-connected prior to death. A spouse is not eligible if the veteran was rated less than 100 percent

HOME OWNERSHIP BENEFITS

permanent service-connected, but died of that service-connected disability.

~ The veteran died in active service during wartime in any branch of the United States Armed Forces.

Application Process

Application forms are available at your local municipal property tax assessor's office. In addition the following documentation is required:

~ property deed

~ discharge (DD214)

~ VA Property Tax Exemption Letter. The letter must be requested by contacting the VA at 1-800-827-1000. Do **NOT** submit the VA Award Letter indicating the monetary award. That may delay the effective date of the exemption.

Do **NOT** submit any medical documentation except for the VA property tax exemption letter even if the tax assessor demands it. The VA deems a veteran 100 percent permanent service-connected disabled, not the tax assessor.

The spouse may need to submit the property deed, a marriage certificate, death certificate, discharge (DD-214) to the tax assessor especially if the veteran did not claim the exemption but would have been eligible. If the veteran or surviving spouse moves to another residence (dwelling house) in the same municipality, a new application must be filed to continue the exemption.

Effective Date of Abatement

The exemption unlike the deduction is PRO-RATED from the date the veteran or spouse filed the application with ALL required documentation. EXAMPLE: A veteran completes the application on April 7, but does not submit all the documentation until May 3. The veteran's property tax exemption is effective May 3. Many tax assessors exempt the property tax January 1 of the next year. The same proration process applies to the surviving spouse.

Retroactive Abatement

Each city council or governing body, at its discretion, may grant a retroactive abatement for 100 percent permanent VA rated service-connected disability cases. Taxing authorities are only mandated to exempt property tax from the date the application is filed with all required documentation.

From the effective date of 100 percent permanent VA service-connected disability rating is determined by each city council by resolution. The governing body

has the discretion to grant a retroactive payment. They are only mandated to exempt property tax from the date the application is filed with all required documentation.

New Jersey Property Tax Deduction

~ Has died on active duty in a wartime period.

Application process

The application must be filed with all required documentation prior to December 31 of the preceding tax year in order to be effective in the next year.. Documentation includes the property deed and discharge (DD-214) for the veteran. The widow may need to submit the property deed, marriage certificate, death certificate and discharge (DD-214).

Continuation of Deduction

The tax assessor **MAY** at any time require the filing of a new application or request documentation to determine continuation of the deduction. However, the tax assessor cannot require a new application from every veteran or spouse every year.

Deduction for Cooperatives

For cooperatives, the procedure is different. The manager or superintendent must submit forms to the tax assessor indicating the names and locations of the veterans or spouses within the co-op. The deduction is then granted to the co-op, the co-op is responsible to either reduce the rent or present a check to the veteran or spouse.

HEALTHCARE ENTITLEMENTS

Transportation Program

This program assists the veteran in need of transportation. The program originated due to the distance many N.J. veterans had to travel to get to a VA facility for medical care. Free transportation is offered to VA medical centers and clinics, other hospitals, private physicians, VA Regional Office and local Veterans Service Offices in most counties. The State Veterans Service Officer in the county should be contacted to explain the details of the program, level of service in that county, qualifications and requirements, and assist in scheduling the transportation.

Contact - For more information call a Veterans Service Office listed in Appendix A.

Post Traumatic Stress Disorder and Readjustment Counseling

This program addresses the readjustment problems of veterans and offers treatment to veterans of all war periods. Treatment extends to family members affected by the veteran's affliction. State Veterans Service Officers assist the veteran with scheduling counseling and the filing of any applicable VA claims. Contracted clinicians, experienced in PTSD counseling, determine the best course of treatment for the veteran and the veteran's family. Assistance is not limited by VA regulations or restrictions.

Contact - For more information call a Veterans Service Officer listed in Appendix A.

Federal VA Uniform Benefits Package

Veterans' Health Care Eligibility Reform Act of 1996 is the legislation that paved the way for the creation of the standard enhanced health benefits plan generally available to all enrolled veterans.

Eligibility - In October 1996, Congress passed Public Law 104-262, the Veterans' Health Care Eligibility Reform Act of 1996. This legislation paved the way for the creation of a Uniform Benefits Package - a standard enhanced health benefits plan available to

all enrolled veterans. The Law also simplified the process by which veterans can receive services.

Public Law 104-262 was enacted to simplify the rules for providing health care to veterans and to introduce improvements in the quality and timeliness of the care you receive. Like other standard health care plans, the Uniform Benefits Package emphasizes preventive and primary care, offering a full range of outpatient and inpatient services.

VA has also placed a priority on improved veterans satisfaction. Their goal is to ensure the quality of care and service you receive is consistently excellent, in every location, in every program.

Under the new Uniform Benefits Package, VA offers you, the veteran, a comprehensive health care plan that provides the care needed, when needed.

Eligibility Details - To be eligible for enrollment for healthcare, you must have:

- ~ Been discharged from active military service under honorable conditions.
- ~ Served a minimum of 2 years if discharged after September 7, 1980 (prior to this date there is no time limit.)
- ~ If a National Guardsmen or Reservist, served the entire period for which you were called to active duty other than for training purposes only.

Coast Guard - Individuals who served in the Coast Guard are veterans and are eligible for VA health care benefits in the same manner as any other veteran who served in the Army, Navy, Marine Corps or Air Force.

Merchant Marine - Merchant Marines who served on U.S. flagged merchant ships between December 7, 1941 and August 5, 1945, may be eligible for enrollment for VA health care benefits. See Appendix A for a Veteran Service Office for information.

Priority Groups

Once you apply for enrollment, your application eligibility will be verified. Based on your specific eligibility status, you will be assigned a priority group.

There are currently eight priority groups for veterans healthcare. Priority groups are subject to change by VA regulation. All health services may not be available in each area of service.

Help and information on enrollment may be obtained by visiting, calling or writing any VA location of care or any Veterans Service Office. See Appendix B and Appendix D.

Details - Gravesites in VA national cemeteries cannot be reserved in advance; however, reservations made prior to 1973 will be honored. No special forms are required when requesting burial in a VA national cemetery. The person making burial arrangements should contact the national cemetery in which burial is desired at the time of need. Scheduling can be done seven days a week for interments on Mondays through Fridays.

If possible, the following information concerning the deceased should be provided when the cemetery is first contacted: full name, military rank, branch of service, social security number, service number, VA claim number (if applicable), date and place of birth, date and place of death, date of retirement or last separation from active duty, and a copy of any military separation documents, such as the Department of Defense Form 214 (DD-214). The discharge documents must specify active military duty and show that release from active duty was under other than dishonorable conditions.

The same procedures are followed if the veteran's eligible spouse or dependent predeceases the veteran. In most cases, one gravesite is provided for the burial of all eligible family members and a single headstone or marker is provided.

When both spouses are veterans, two gravesites and two headstones or markers may be provided if requested.

Viewing facilities are not available and funeral services cannot be held at VA national cemeteries, but a final committal service may be performed.

For information on VA National Cemeteries near New Jersey see Appendix E.

VA Headstone for Burial in a Private Cemetery

The U.S. Department of Veterans Affairs (VA) furnishes upon request, at no charge to the applicant, a government headstone or marker to mark the grave of an eligible veteran in any cemetery around the world. Flat bronze, granite or marble markers and upright granite and marble headstones are available. The style chosen must be consistent with existing monuments at the place of burial. Niche markers are also available to mark columbaria used for interment of cremated remains.

Eligibility - Spouses and dependents buried in a private cemetery are not eligible for a government-provided headstone or marker.

Details - By law, government markers are not provided as foot stones and should not be used to double-mark a veterans' grave. VA frequently calls the cemetery to verify the grave is not, or will not be, marked with a private headstone or marker.

Application - A funeral director or Veterans Service Officer can assist the family, completing VA Form 40-1330, Application for Standard Government Headstone or Marker for Installation in a Private or State Veteran's Cemetery. A Veterans Service Officer may also assist, see Appendix A.

Reimbursement of Burial Expenses Service-Connected Death

Death while eligible for pension or compensation

VA will pay a \$300 burial and funeral expense allowance for veterans who, at time of death, were entitled to receive pension or compensation or would have been entitled to compensation except for receiving military retirement pay. Eligibility also may be established when death occurs in a VA facility, a nursing home under VA contract or a state veterans nursing home. Additional costs of transportation of the remains may be paid.

VA will pay a \$300 plot allowance when a veteran is not buried in a cemetery that is under U.S. government jurisdiction under one of the following circumstances:

- ~ the veteran was discharged from active duty because of disability incurred or aggravated in the line of duty.
- ~ the veteran was in receipt of compensation or pension or would have been except for receiving military retired pay.
- ~ the veteran died in a VA facility.

The \$300 plot allowance may be paid to the state if a veteran is buried without charge for the cost of a plot or interment in a state-owned cemetery reserved solely for veteran burials. Burial expenses paid by the deceased's employer or a state agency will not be reimbursed.

Time Limits - There is no time limit for filing reimbursement claims of service-connected deaths. In other deaths, claims must be filed within two years after permanent burial or cremation.

Contact - For information on monetary benefits, call 1-800-827-1000.

Eligibility - The same veteran eligibility criteria used for burial in a VA cemetery is used for burial flags.

Contact - A funeral director can assist the family, complete VA Form 21-2008 in obtaining the flag. A Veterans Service Officer may also assist, see Appendix A.

NEW JERSEY VIETNAM VETERANS' MEMORIAL AND VIETNAM ERA EDUCATIONAL CENTER

The New Jersey Vietnam Veterans' Memorial at Holmdel.

The New Jersey Vietnam Veterans' Memorial, located in Holmdel, New Jersey, allows us to remember and honor 1,557 New Jersey men and one woman who lost their lives or remain missing in action in Southeast Asia. It also publicly recognizes more than 80,000 New Jerseyans whose heroism and courage was unjustly ignored when they returned home.

Dedicated in May 1995, the Memorial is a circular, open-air structure containing 366 polished black granite panels - one for each day of the year. Engraved on those panels are the names of each of the 1,557 New Jersey soldiers, marines, sailors, or airmen killed or reported missing in action on that date. At the center of the Memorial stands a red oak, New Jersey's official state tree. It shades a grouping of three bronze statues representing those who died in Southeast Asia, those who came home, and the women who served.

The Vietnam Era Educational Center is the first educational center and museum of its kind in the United States or the world. Dedicated in September 1998, the center is devoted solely to gaining an understanding of the violent conflict in Southeast Asia and the surrounding political strife in America.

The Center enables visitors to attain a greater understanding of the myriad of forces that produced the conflict abroad and the dissension at home. It provides an atmosphere where appropriate materials and exhibits help visitors understand the significance of the Memorial, the reality of the conflict, and the social, political and cultural complexities of the war years. It complements the solemnity of the Memorial with a dynamic and lively learning environment.

The 10,000 square-foot facility includes an exhibition area with historic timeline, a circle of personal correspondence, flip books of personal photographs, touch-screen computers, and a testimony theater. The resource room contains hundreds of books, videos, and CD-ROMS. The multipurpose room serves as both a classroom and meeting room for various functions. There is also a gift shop with Memorial merchandise and items relating to the Vietnam Era.

Special, temporary exhibits, a film and lecture series, issue-related forums, ceremonies and other special events

held at the Memorial and Educational Center throughout the year. Guided tours and facilities rental are available.

The NJ Vietnam Veterans' Memorial is open 24 hours a day, 7 days a week. The Vietnam Era Educational Center is open to the public Tuesday - Saturday, from 10 AM to 4 PM. Admission is \$4 for adults, \$2 for senior citizens and students, children 10 and under are free. Veterans of military service and active military personnel are admitted free of charge.

For more information, call 1-800-648-VETS (8387) or 732-335-0033.

Dedicated on November 13, 2000, The New Jersey Korean War Memorial stands on land donated by Atlantic City, in Brighton Park, where Park Place meets the Boardwalk.

Sculptors J. Tom Carrillo and Thomas Jay Warren designed the memorial featuring bronze figures of heroic proportions, representing the servicemen and women who fought in Korea, which include the "Mourning Soldier" clutching dog tags and remembering his lost comrades, a soldier and nurse helping a wounded soldier, and two battlefield reliefs behind sheets of water cascading into reflecting pools. It also includes a wall bearing the names of all the service members killed or missing in action, as well as a wall honoring the four New Jersey servicemen who were awarded the Medal of Honor for heroism in Korea.

BATTLESHIP USS NEW JERSEY (BB-62)

The Navy announced July 21, 2000, that Secretary of the Navy Richard Danzig signed the donation contract officially transferring the historic battleship New Jersey (BB 62) to the Home Port Alliance for USS NEW JERSEY Inc. in Camden.

Built at the Philadelphia Naval Shipyard, the New Jersey was commissioned on May 23, 1943, and saw active service from 1944-1948, 1950-1957 and 1968-1969. After undergoing modernization, she was recommissioned in 1982, serving almost nine more years and demonstrating global U.S. naval presence as part of the Multinational Peacekeeping Force in Beirut, Lebanon and in developments to the Eastern Mediterranean and Western Pacific.

Beyond her imposing size, the "Big J" has an impressive record of service to her country, winning many awards for the noteworthy actions of her crew, including sixteen battle stars - nine in World War II, four during the Korean War, and three during the Vietnam War - as well as two Navy Unit Commendations, eight service medals and eight service ribbons.

The Navy donates ships as a way of preserving naval history and tradition, educating the public, and commemorating the men and women who built and sailed the vessels.

The USS New Jersey completed her final voyage home from Bremerton, Washington to the former Philadelphia Naval Ship Yard, arriving there appropriately enough, on Veterans' Day 1999. The Navy's decision to berth the Battleship permanently in Camden was announced on June 20, 2000.

State of New Jersey World War II Memorial

World War II was by all accounts the greatest victory for the United States – along the front lines and the home front. Every individual alive during this period of history was involved and had a stake in the outcome.

Design Intent

The WWII Memorial unfolds around the overall theme of “Victory” with three core ideas, which are analogous to the WWII Generation: Service, Duty, and Sacrifice.

The central sculptural element, named “Lady Victory” symbolically encompasses the greatness of this effort and the grace and courage of the WWII Generation. Victory was the end goal and an image that was used to promote the war effort on posters, campaigns, events, and news releases. Encircling Lady Victory are six service markers and two arcing story walls. Each service marker bears a seal that represents the six branches of the military and the respective New Jersey Medal of Honor recipients. The story walls strive to communicate the war effort both by the home front and the front lines, in terms of technology, communication, and New Jersey’s contributions with stories told by local veterans. Located along an outer circle are four base reliefs depicting battle scenes from the Atlantic and Pacific Theatres. This generation sacrifice and courage is symbolized by a Battlefield Marker on the perimeter of the Memorial, which proceeds to a Lone Soldier advancing toward ultimate “Victory.”

Today, fewer and fewer Americans have a personal connection or awareness of the sacrifices and courage of New Jersey’s World War II Veterans & Generation.

Time is quickly passing. We urge you to support the New Jersey World War II Memorial through a tax-deductible contribution.

APPENDIX F - NJ VETERANS SERVICE AGENCIES

VETERANS ASSISTANCE OFFICES AT INSTITUTIONS OF HIGHER EDUCATION

Veterans and eligible dependents may seek assistance with educational entitlements at veterans assistance offices located on the campus of most private and public colleges throughout the state. These offices are certified by the State Approving Agency, Division of Veterans Services, and will assist in processing the paperwork required to receive educational entitlements. Personnel are employees of each institution.

VETERANS ASSISTANCE OFFICES AT THE COUNTY LEVEL

Following honorable separation or discharge from the service, veterans are encouraged to bring their discharge papers to the clerk or registrar of deeds of their county of residence who will record the document without cost to the veteran. If the original is ever lost by the veteran, the clerk will provide a certified copy for a nominal fee.

Every county is required to hire a Supervisor of Veterans Interment to assist families of deceased veterans with information and arrangements concerning burial entitlements and services.

Some counties have gone one step further and have established a veterans affairs office which provides veterans with information on services and entitlements or can refer them to the proper agency equipped to handle the specific problem or question.

County-operated veterans service offices are listed in Appendix B.

ASSEMBLY COMMERCE AND MILITARY AND VETERANS AFFAIRS COMMITTEE

The seven member committee works to identify the needs and concerns of the veterans of N.J., explores various avenues of addressing those needs and concerns, and reviews and recommends legislation affecting veterans and their dependents to other assembly committees and the General Assembly. For Legislative information call 1-800-792-8630 or 609-292-4840.

SENATE SENIOR CITIZENS, VETERANS AFFAIRS AND HUMAN SERVICES COMMITTEE

The six member committee reviews and recommends legislation affecting veterans and their dependents to other committees and the Senate. For Legislative information call 1-800-792-8630 or 609-292-4840.

VETERANS SERVICES COUNCIL

The Veterans Services Council was established by the legislature in 1948. It is composed of nine veterans, all of whom are appointed by the governor and serve four-year terms. Its principal responsibility is the formulation of policies and recommendations, which are subject to the approval of the Adjutant General, to improve the availability and coordination of services offered to veterans and their dependents. To achieve this goal, the council continually assesses and identifies the needs of the veterans of NJ; informs the public and legislative bodies of those needs; assists in the development of and recommends public policy to meet those needs; and monitors those agencies which provide services to veterans to ensure that public policy is being implemented effectively.

OFFICE OF LEGISLATIVE SERVICES

Coordinates numerous programs aimed at educating the public about legislative activity. For copies of bills, resolutions, legislative calendars or other publications, call the Legislative Information and Bill Room at 1-800-792-8630 or 609-292-4840. Information is also available online at: **WWW.NJLEG.STATE.NJ.US**

VETERANS FACILITIES ADVISORY COUNCILS

Under general policies established by The Adjutant General, the four Veterans Facilities Advisory Councils recommend standards and procedures for application and determination of eligibility for admission to state veterans facilities and recommend standards for quality care. The council also recommends standards and procedures for determination and payment of amounts which members may be required to contribute toward the cost of care and treatment in

APPENDIX F - NJ VETERANS SERVICE AGENCIES

accordance with their financial ability. There is a council for each veterans memorial home and the cemetery.

BLUE STAR MEMORIAL HIGHWAY ADVISORY COUNCIL

Originated as a joint project of the Garden Club of N.J. and the Highway Dept. in 1944, as a way to provide a living memorial to veterans. The original project established a five-mile planting of flowering dogwood trees in a landscaped area along US Route 29 (now Route 22) between Mountainside and North Plainfield. The project was named Blue Star Drive, for the blue star in the service flag that families would hang in their windows for each family member on active duty. In 1945, it became a national project. In 1948, the N.J. Blue Star Advisory Council was established.

New Jersey Interstates 78, 80, 287 and 295 have been dedicated as memorial highways; the entire length of Route 22 has been designated as the state's link in the national chain.

For more information on designated highways, by-ways and cemeteries contact the local Garden Club.

VIETNAM VETERANS MEMORIAL FOUNDATION

For information on the state memorial and educational center located at Exit 116 on the Garden State Parkway, Holmdel, call 1-800-648-VETS (8387).

WOMEN VETERANS ADVISORY COMMITTEE

The committee serves as a forum for addressing the needs and concerns of women veterans, works to support equality of services and stresses the availability of entitlements to women.

INSTRUCTION AND INFORMATION SHEET FOR SF 180, REQUEST PERTAINING TO MILITARY RECORDS

1. Information needed to locate records. Certain identifying information is necessary to determine the location of an individual's record of military service. Please try to answer each item on the SF 180. If you do not have and cannot obtain the information for an item, show "NA," meaning the information is "not available." Include as much of the requested information as you can.

2. Restrictions on release of information. Release of information is subject to restrictions imposed by the military services consistent with Department of Defense regulations and the provisions of the Freedom of Information Act (FOIA) and the Privacy Act of 1974. The service member (either past or present) or the member's legal guardian has access to almost any information contained in that member's own record. An authorization signature, of the service member or the member's legal guardian, is needed in Section III of the SF180. Others requesting information from military personnel/health records must have the release authorization in Section III of the SF 180 signed by the member or legal guardian, but if the appropriate signature cannot be obtained, only limited types of information can be provided. If the former member is deceased, surviving next of kin may, under certain circumstances, be entitled to greater access to a deceased veteran's records than a member of the public. The next of kin may be any of the following: unremarried surviving spouse, father, mother, son, daughter, sister, or brother. Employers and others needing proof of military service are expected to accept the information shown on documents issued by the military service departments at the time a service member is separated.

3. Where reply may be sent. The reply may be sent to the member or any other address designated by the member or other authorized requester.

4. Charges for service. There is no charge for most services provided to members or their surviving next of kin. A nominal fee is charged for certain types of service. In most instances service fees cannot be determined in advance. If your request involves a service fee, you will be notified as soon as that determination is made.

5. Health and personnel records. Health records of persons on active duty are generally kept at the local servicing clinic, and usually are available from the Department of Veterans Affairs a week or two after the last day of active duty. (See page 2 of SF180 for record locations/addresses.)

6. Records at the National Personnel Records Center. Note that it takes at least three months, and often up to seven, for the file to reach the National Personnel Records Center in St. Louis after the military obligation has ended (such as by discharge). If only a short time has passed, please send the inquiry to the address shown for active or current reserve members. Also, if the person has only been released from active duty but is still in a reserve status, the personnel record will stay at the location specified for reservists. A person can retain a reserve obligation for several years, even without attending meetings or receiving annual training. (See page 2 of SF180 for record locations/addresses.)

7. Definitions and abbreviations. DISCHARGED -- the individual has no current military status; HEALTH -- Records of physical examinations, dental treatment, and outpatient medical treatment received while in a duty status (does not include records of treatment while hospitalized); TDRL -- Temporary Disability Retired List.

8. Service completed before World War I. National Archives Trust Fund (NATF) forms must be used to request these records. Obtain the forms by e-mail from inquire@nara.gov or write to the Code 6 address on page 2 of the SF 180.

PRIVACY ACT OF 1974 COMPLIANCE INFORMATION

The following information is provided in accordance with 5 U.S.C. 552a(e)(3) and applies to this form. Authority for collection of the information is 44 U.S.C. 2907, 3101, and 3103, and Public Law 104-134 (April 26, 1996), as amended in title 31, section 7701. Disclosure of the information is voluntary. If the requested information is not provided, it may delay servicing your inquiry because the facility servicing the service member's record may not have all of the information needed to locate it. The purpose of the information on this form is to assist the facility servicing the records (see the address list) in locating the correct military service record(s) or information to answer your inquiry. This form is then filed in the requested military service record as a record of disclosure. The form may also be disclosed to Department of Defense components, the Department of Veterans Affairs, the Department of Homeland Security (DHS, U.S. Coast Guard), or the National Archives and Records Administration when the original custodian of the military health and personnel records transfers all or part of those records to that agency. If the service member was a member of the National Guard, the form may also be disclosed to the Adjutant General of the appropriate state, District of Columbia, or Puerto Rico, where he or she served.
