RE: Supplemental Report on Developments in the Counsel's Office Since June 28,
2001

An appeal has been filed in City of Trenton and AFSCME, Council 73, Local 2286 P.E.R.C. No. 2001-67. The Commission declined to restrain arbitration of a grievance alleging that the City had disparately applied an exemption from its residency ordinance. The exemption covered the title of water system distribution technician. The City would not allow the grievant to move outside its boundaries although it allowed other technicians to do so.
