Re: Solicitation # 20-001 Historic Fenwick Manor Exterior Painting Project

ADDENDUM #3  
Clarification of Paragraph A, # 8  
of the Scope of Work

A potential bidder has asked for clarification of Paragraph A, #8 of the Scope of Work of RFP# 20-001 and questions whether this referred to gutters, downspouts and handrails.

Response: Paragraph A., #8 of the Scope of Work of RFP# 20-001 requires the repair, preparation and finish coating of all exterior wood and metal surfaces of Fenwick Manor. If there are metal surfaces that are attached to Fenwick Manor that the Contractor believes do not require repair, preparations and finish coating these should be identified in its proposal with an explanation as to why these surfaces are being excluded.
