Committee Chairs' Reports
Commissioner Avery said the FY 15 Audit Report was released and identified two minor findings. He said the Commission has purchased new accounting software from Edmunds, and it will help with bank reconciliations issues. He said Bowman and Company, who serves as the Commission’s accounting consultant, will review the financials on a monthly basis.

Executive Director’s Reports
ED Wittenberg updated the Commission on the following:
- A link to the FY 15 Audit Report will be available from the Commission’s website.
- The rule proposal the Commission embarked on some time ago regarding changes to the Comprehensive Management Plan consisting of efficiency measures, language clarifying exemptions and fee updates was recently discussed at a meeting with the Governor’s office. Once a few modifications are made, the proposal will go through the normal rule making process.
- The FY2018 Budget will be reviewed at the next Personnel and Budget Committee meeting. The Commission’s appropriation has remained the same.
- Equipment has been purchased to live-stream Commission meetings from the website or YouTube. The Commission may begin live-streaming meetings in July.

Paul Leakan provided information on two upcoming events:
- The annual Pinelands Municipal Officials Orientation will be held on Tuesday, July 25, 2017 at the Commission.
- The first-ever Pinelands Summer Short Course will be held on July 27, 2017, at Kramer Hall in Hammonton. He said some of the programs being offered are guided tours and hikes.

Director Larry Liggett provided information on the following:
- Staff will be meeting with the New Jersey Department of Environmental Protection (NJDEP) to discuss the draft Water Supply Master Plan.
• Staff will be briefed by Dan Van Abs on the progress of the 2040 water study, more specifically how different households use water – e.g., elderly household, single-parent household.

• A public hearing was held on Ocean County’s amendment to the Public Safety Tower Plan. The amendment will be on the Policy and Implementation Committee’s June 30, 2017 agenda.

Director Charles Horner updated the Commission on the following:

• Staff will be meeting with Mullica Township officials and the current owners of the Sweetwater Casino property to discuss reconstruction of the restaurant.

• Staff continues to work with Burlington County on the Taunton Lakes Road widening project. The County has experienced challenges in addressing stormwater management facilities due to the presence of wetlands. The stormwater rules allow for stormwater management facilities to be built off-site as long they are in the same drainage area. The County has been in contact with Evesham Township about siting a stormwater facility on Indian Springs Golf Course, which is in the same drainage area as Taunton Lakes Road.

• On May 15th staff met with Pemberton Township officials regarding the Township’s plans to develop soccer fields in the municipality. The proposed site is in the Regional Growth Area but has a considerable amount of wetlands. At that meeting, staff assisted the town with determining what portion of the site can be used and still maintain the Commission’s wetlands protection standard.

Paul Leakan noted that in this month’s press release packet there is an article about Jackson Township. He said the article has numerous inaccuracies related to the Commission’s rules and that he reached out to the newspaper’s editor. He also said that the Pinelands Visitor Center permit was submitted and the State has a few questions about the individual capacities of each office, among other things.

Stacey Roth said Assembly Bill 4849 was introduced in late May and came out of Committee on June 5. She said the bill, sponsored by Assemblyman Andrzejcak, clarifies the law concerning circumstances in which members of Pinelands Commission may vote. The accompanying Senate Bill is S3283. The bill redefines the term personal benefit.

Susan Grogan introduced Gina Berg, who was hired as a Resource Planner. She added that the new round of land acquisition from the Pinelands Conservation Fund (PCF) generated eight applications, five of which were from Ocean County and three from other non-profits.

At the request of Commissioner Lloyd, ED Wittenberg provided an update on the efforts regarding Wharton State Forest. She said at the next Policy and Implementation Committee meeting the Committee will discuss a resolution regarding a map identifying existing roads in Wharton State Forest.

General Public Comment
Rich Bizub of the Pinelands Preservation Alliance said he was happy the NJDEP released the draft Water Supply Plan. He said it is an improvement from the last plan but he feels the NJDEP should have mentioned the Kirkwood–Cohansey project in the plan.

management facilities were filled in during the construction of sidewalks and that’s why
the flooding occurs. Mr. Demitroff provided a handout of an email sent to Director Horner
related to Richland Village stormwater basins (See attached).

Chairman Earlen advised Mr. Demitroff that showing a video clip was not possible but
asked him to send the video to staff who would then circulate it to Commissioners.

Katie Smith of the Pinelands Preservation Alliance said the process for the New Jersey
Natural Gas pipeline should be revised to include a public hearing. In response to a
question, Ms. Smith clarified that the revision should include an adjudicatory hearing.

Jason Howell of the Pinelands Preservation Alliance said he had the opportunity to see the
