The calendar features 38 stunning photos that were captured at **state parks and forests** in the 1.1-million-acre Pinelands National Reserve of southern New Jersey.

The Pinelands Commission worked with Rowan College at Burlington County to produce the calendar. All of the photos were taken by members of the Commission's staff.

Aside from the photos, the calendar includes State holidays, dates of Pinelands Commission meetings, Commission events and important dates in Pinelands history.
