NOTE: Thomas Considine served as Chair of the Bank Board during 2011. Kenneth E. Kobylowski, Acting Commissioner of the NJ Department of Banking & Insurance, is the current Chair. Guillermo Vivas served as the Bank's Executive Director until his retirement in 2011. Susan R. Grogan is the current Executive Director.

Chairman's Message

The financial adversity and major budgetary constraints of the past several fiscal years continued in Fiscal Year 2011, as this year's Annual Report illustrates. By virtue of being market driven and affected by real estate, housing and economic trends, the Pinelands Development Credit Program continued to feel the impact of these difficult times. The number of sales of Pinelands Development Credits for Fiscal Year 2011 was slightly less than that for the prior year. In addition, the average sales price of a Pinelands Development Credit fell slightly in Fiscal Year 2011.

The Pinelands Development Credit Program is one of the oldest and most successful Transfer of Development Rights (TDR) programs in the world. Instituted in 1981 upon the adoption of the Pinelands Comprehensive Management Plan, it remains perhaps the most ambitious TDR program in the United States, involving nearly one million acres of land in southern New Jersey and allowing transfers of Pinelands Development Credits between seven counties and 33 municipalities. As the processing agency for this program, the Pinelands Development Credit Bank plays a key role in helping to protect the environmentally sensitive lands in the Pinelands Area while at the same time working with property owners and developers to promote appropriate economic development. Since it began in 1985, this agency has assisted Pinelands property owners with the severance of credits from their land, resulting in permanent protection for such lands. The Bank has also provided assistance to developers seeking to purchase and use Pinelands Development Credits as a means of increasing residential densities in designated Pinelands Regional Growth Areas.

As a result of the Pinelands Development Credit Program, more than 51,600 acres of land in the environmentally sensitive and agricultural areas in the Pinelands Area are now permanently protected. I am pleased that the Pinelands Development Credit Bank continues to play a pivotal role in the success of this truly innovative program.

Sincerely,

A handwritten signature in black ink, appearing to read 'K. Kobylowski'.

Kenneth E. Kobylowski

Chair, Pinelands Development Credit Bank
Acting Commissioner, New Jersey Department
of Banking & Insurance
