

PINELANDS RESEARCH SERIES

“The Neonate Ecology of the Northern Pine Snake”

KEVIN SMITH

PhD candidate at Drexel University

**April 16, 2014
10 - 11 am**

Pinelands Commission, Richard J. Sullivan Center, 15 Springfield Road, New Lisbon, NJ

The Pinelands Research Series provides a forum for scientists to present their research and is a free event that is open to the public and hosted by the New Jersey Pinelands Commission.

For research series: <http://www.state.nj.us/pinelands/science/pinesseries/>
