

List of Significant Non-Compliers (“SNC”) discharging to the Passaic Valley Sewerage Commission (“PVSC”) during the period August 1, 2025, to July 31, 2026

1) Cibo Vita, #32210042 – 12 Vreeland Avenue, Totowa, NJ 07512

The company incurred two Serious Violations (SVs) for Zinc (Zn) exceedances in a six-month period during the timeframe. An SV is initiated when the average of all samples taken for a hazardous pollutant (such as Zn) during the monthly monitoring period exceeds the applicable daily maximum limit by 20% or more. Two Serious Violations in any six-month period for the same pollutant parameter trigger SNC status. PVSC assessed the appropriate fines, which were paid, and the company installed strainers over its drains to help prevent residuals from products containing higher levels of Zinc from entering the sewer system.

2) Firmenich/Chem-Fleur, #20200042 – 150 Firmenich Way, Port Newark, NJ 07114

The company incurred two Serious Violations (SVs) for Zinc (Zn) exceedances in a six-month period during the timeframe. An SV is initiated when the average of all samples taken for a hazardous pollutant (such as Zn) during the monthly monitoring period exceeds the applicable daily maximum limit by 20% or more. Two Serious Violations in any six-month period for the same pollutant parameter trigger SNC status. PVSC assessed the appropriate fines, which were paid, and the company agreed to examine all potential sources of Zinc to help prevent any future violations. They are now in compliance regarding Zinc levels in their discharge.

3) Gotham Cleaners Inc., #03220111 – 200 Clifton Boulevard, Suite 3, Clifton, NJ 07011

The company was designated as being SNC vis-a-vis the rules of the State of New Jersey, for failure to submit a completed discharge monitoring report in any two months of any consecutive six-month period. Gotham has yet to pay the fine associated with this matter, and PVSC was forced to sue the company for its numerous compliance failures. A final judgement is pending regarding this litigation.
