PVSC Honored with two AEANJ WAVE awards

The Passaic Valley Sewerage Commission (PVSC) has been recognized by the Association of Environmental Authorities (AEA) for consistently demonstrating excellence in the public wastewater sector in New Jersey.

At their recent annual awards luncheon in Atlantic City, the AEA honored PVSC with a 2017 "Forward Thinking" Wave Award for PVSC's Clean Waterways, Healthy Neighborhoods Initiative and a 2017 "Public Education" Wave Award for PVSC's Lab Day event. PVSC has won 22 such WAVE Awards since 2000.
