

SMALL BUSINESS SUCCESS STARTS HERE

New Jersey is **big** on small business. In fact, the State ranks 11th in the number of small businesses in the U.S., with over 820,000 enterprises and counting. That's impressive, considering New Jersey ranks 47th in size! The State is spearheading programs that make it easier for small businesses to flourish, including **free small business consulting services** offered by the New Jersey Business Action Center. If you're ready to launch or grow your venture, New Jersey is proactive *and* pro business.

MEET NJ'S LEADING INDUSTRIES FOR SMALL BUSINESS

New Jersey's well-educated workforce and prime location in the Northeast corridor (within a day's drive of 130 million consumers) make the State an attractive option for small business development. Here's a snapshot of NJ's leading industries for small biz (in thousands):

GET THE GUIDANCE YOU NEED TO SUCCEED
