College/Trade School Readiness Program

- The College/Trade School Readiness grant is designed to create greater access to college and/or trade schools between 16 years and 25 years. Funding can be used but not limited to subsidize a minimum of five college/trade school applications fees, acceptance fees, coordinating college/trade school tours, and conduct trade school assessment and utilize funds to help subsidize tuition, search for scholarship to trade and/or college. The project must report on how many college/trade school applications were submitted, how many program participants were accepted and how many will be entering college/trade school Fall of 2024.

Freedom Schools:

- The Freedom School grant is designed to provide a summer enrichment program to K-12 grade students with rich culturally relevant teaching models facilitated in a multicultural multi-racial environment. The program must include five essential components: high quality academic and character building enrichment; parent and family involvement, civic engagement and social action; intergenerational servant leadership development and nutrition, health and mental health wellbeing services. In order to apply for the OFBI Freedom School grant, the organization must be a 2023 certified NJ Freedom School through the Children Defense Fund Freedom School program (<https://www.childrensdefense.org/programs/cdf-freedom-schools/>) and must upload the 2023 approval letter.

Youth Entrepreneurship:

- The Youth Entrepreneurship grant is designed to develop skills and strategies that equip youth that attend middle school or high school. The goal is to promote entrepreneurial literacy among at-risk youth and to help each start his/her own business. OFBI funds can be used to provide start-up capital (cannot exceed \$500 per business idea). The organization will steward the startup capital for program participants. **Organizations applying for this grant must indicate in the application which existing youth entrepreneurship curriculum will be used and why was it chosen.**

Science, Technology, Engineering, Math (STEM):

- The STEM grant will create opportunities for at-risk youth to creatively explore career pathways in STEM fields. The goal is to provide high-quality STEM programming that encourages students to incorporate STEM learning in their everyday lives, academic careers and professional endeavors by providing hands-on experience and education in low-income communities. **Organization applying for this grant must use relevant, real-world applications of STEM content and involve professionals within the STEM fields as part of the program delivery.** Activities may include but are not limited to fashion design, arts, coding, robotics, astronomy, STEM conferences and gaming, etc.

Restrictions and Limitations

◆ Nondiscrimination by Religious Organizations and Entities

Applicants agree that if provided funds from the New Jersey Department of State Office of Faith-based Initiatives, they will not discriminate against any employee or applicant for services or participation in the proposed program on the basis of religion, race, gender and/or physical disabilities.

◆ Recognition of Cultural Sensitivity

Applicants must assure that all programs are linguistically appropriate and culturally relevant to groups within the community. Appropriate accommodations for services will be developed and maintained for those individuals who are deprived of reasonable access to those services due to

language barriers or ethnic and cultural differences. All programs and services *must* be reflective of the demographic needs of the community, while providing all people the opportunity to experience any and all available services irrespective of their ethnic or cultural heritage.

◆ **Reporting Requirements**

All funding recipients are required to submit quarterly programmatic and fiscal. Schedules of due dates for reporting periods and program terms will be provided upon notification of preliminary approval of award. Funding recipients must adhere to a schedule determined by the New Jersey Department of State Office of Faith Based Initiatives

◆ **Training**

All funding recipients are required to attend technical assistance and training sessions scheduled throughout the fiscal year as coordinated by the New Jersey Department of State Office of Faith-based Initiatives and/or its training intermediary

- ◆ Applications that fail to meet these requirements detailed in this Grant Guideline will not be reviewed and the application will be disqualified. All applicants will be notified by email regarding the outcome of their award.
- ◆ Grant awards may only be used to further the project that the organization has applied for. Paying for organized fundraising or solicitation, construction and purchase of real property, medical/health-related activities or items are ineligible costs and will not be approved.
- ◆ Funds may not be used to build an organization's capacity to provide programs or services that include inherently religious activities. If a recipient provides programs or services that include inherently religious activities, such activities must be separate in time or location from the programs or services that the organization is seeking to improve through this grant.
- ◆ Grantee's activities are governed by all applicable State laws and regulations and will be provided directly to individual faith-based and community organizations to develop impactful services.
- ◆ The New Jersey Department of State reserves the right to reject any and all proposals when circumstances indicate that it is in its best interest to do so including, but not limited to, loss of funding for the contract, insufficient infrastructure, the applicant's failure to provide adequate services, indication of misrepresentation of information and/or non-compliance with any existing State or Federal laws and regulations, contracts or procedures. Grantees applications document the applicant's readiness to implement the project.

Selection and Notification of Award

- ◆ All applications are screened for eligibility and conformity with the specifications in the Grant Guidelines. Applications that fail to meet these requirements will not be reviewed and will be disqualified.
- ◆ Applicants are not pre-selected. All applications are rated by a panel of independent, objective reviewers according to the precise selection criteria specified in the Grant Guidelines.
- ◆ The independent committee reviewing and scoring applications will not include individuals employed by the organization, affiliated with the organization, organization's board members, contractors, training providers, providers of cost share or in-kind support, or any organization/individuals affiliated in any way with the organization.

Post Award Requirements

- ◆ OFBI will monitor grantee compliance with grant requirements, in the event of non-compliance and request appropriate documentation. Should the grantee fail to comply with these requests, sanctions may be implemented up to and including the repayment of all funds associated with this grant award.
- ◆ Promptly Respond to Requests for Communication and Information
- ◆ Participate in all Required Events, Activities and Evaluations
- ◆ Comply with all OFBI Contracting, Fiscal Monitoring and Other Reporting Requirements
