WHEREAS, Professional entities and other business entities are exempt from established New Jersey Public bidding laws, specifically said exceptions under N.J.S.A. 40A:11-5; and

WHEREAS, the State of New Jersey has enacted N.J.S.A.19:44A-20.4 *et seq.* for the awarding of contracts between professional and other business entities with public entities under a fair and open process; and

WHEREAS, Deptford Township Municipal Utilities Authority herein adopts, and incorporates by reference the provisions of N.J.S.A.19:44A-20.4 *et seq.*; and

WHEREAS, consistent with the provisions of N.J.S.A. 19:44A-20.7, the Deptford Township Municipal Utilities Authority's determination of what constitutes a fair and open process shall be final and said process is set forth in subsection "A" below establishing the criteria for a fair and open process.

NOW, THEREFORE, BE IT RESOLVED, that the Deptford Township Municipal Utilities Authority on the 21st day of November, 2006 hereby adopts a Resolution to be known as the Resolution Establishing a Fair and Open Process for the Awarding of Professional Service Agreements and Other Agreements with Business Entities as consistent with the provisions of N.J.S.A.19:44A-20.4 *et seq.* and said Resolution shall include:

A. The fair and open process established by the Deptford Township Municipal Utilities Authority shall require the following:

(1) The solicitation of proposals for any professional position, service contract, or other contract not subject to bidding pursuant to *N.J.S.A. 40A:11-5*, that shall expire as of January 31 of the subsequent year shall be published and advertised by the Deptford Township Municipal Utilities Authority or its designee either in the official newspaper of the Township of Deptford for publication of notices, or on the Deptford Township Municipal Utilities Authority's website within ten (10) days of the date of opening of the solicitations in the instant year. The published notice shall set forth the name of the position or contract which is to become open, and set forth the criteria to be considered and materials required to be submitted by the applicant/proposer, a date, time and place when the proposals or qualifications shall be publically opened, contact information for obtaining proposal documents, the name of the agency requesting the proposal and a statement that the proposal is being solicited through a fair and open process pursuant to *N.J.S.A. 19:44-20.5*.

(2) Should the applicant/proposer be a professional acquiring licensure in the State of New Jersey, said applicant shall be licensed for a period not less than five (5) years.

(3) If the applicant/proposer is not a professional and/or the contract to be awarded is not a professional services contract, the applicant/proposer shall provide a "Certificate of Good Standing" or other similar document evidencing that it is authorized to do business in the State of New Jersey.
