WHAT IS AMERICORPS?

So, what is AH-MER-EE-CORE, again?

AmeriCorps “Lingo”

- It's not a job, internship or a volunteer opportunity – it is service – You are called AmeriCorps members!
- Members Do not earn wages or a salary – you receive a living allowance or stipend
- AmeriCorps members are not employees – you are there to create a change in the community through direct service!
- You are the boots-on-the-ground in the community and you get things done to improve lives!

History of AmeriCorps

President Bill Clinton signs the National and Community Service Trust Act of 1993, creating AmeriCorps and the Corporation for National and Community Service to expand opportunities for Americans to serve their communities.

What do AmeriCorps Members Do?

- ▶ Educate communities about their environment
- ▶ Renovate and Rebuild Abandoned Homes
- ▶ Provide Tutoring and Mentoring During Non-School Hours
- ▶ Recruit Volunteers
- ▶ Bridge the Digital Divide
- ▶ Assist the Homeless
- ▶ Provide Support to People with Disabilities

Members Get. Things. Done.

Your programs will be creating a huge impact in your communities and improving lives. You'll develop a Theory of Change, propose research that will support that theory of change and provide a logical path to achieving community goals.

Your programs have identified a need in the area and developed a plan to create meaningful change. Your service will help educate students struggling with basic curriculum, teach members of the community to take care of the environment, assist our needy with respect to food insecurity and housing, among other important initiatives.
