

The Salvation Army Presents

CHRISTMAS RAILROAD

December 14 – 21, 2020

PARKING LOT

With Christmas music playing, RJ (the Kroc's mascot) greets arriving clients.

COVID regulations and golden tickets are distributed. Clients remain in their vehicles at all times. Walkers are driven through the experience with on-site vehicles.

STATION ONE: HOT COCOA

A train conductor greets the family (by name) with warm, lidded cups of hot cocoa at the start of their adventure together.

STATION TWO: CHRISTMAS MEAL

Families will be gifted with a box of essential, non-perishable items for their Christmas meal.

On route to Station 3, clients will be requested to roll down their windows as candy canes are distributed.

STATION THREE: MEET OUR CHURCH

Families will be introduced to The Salvation Army's Kroc pastors (officers) and given resources to reach out for prayer as well as be informed of our spring programs for their family.

STATION FOUR: SANTA'S TOYS

While Santa distracts children in the vehicle with bell ringing, elves will deliver their toys into the trunk of their vehicle.

STATION FIVE: KODAK MOMENT

Volunteers decorate the family's vehicle and a photograph is taken for the family to cherish, in the midst of what may be a stressful season.

A volunteer waves goodbye to vehicles, wishing them a merry Christmas and handing them candy for the road!
