

SCHEDULE US TO SPEAK

Your members face daily challenges navigating state government to grow their businesses. Whether it's understanding taxes, finding funding, or learning how laws and regulations impact them, knowing how to take advantage of resources and opportunities can help drive real results. The New Jersey Business Action Center's expert speakers deliver immediately actionable solutions to help businesses cut through bureaucracy and access hard-to-find resources that can save them time and money.

Schedule a speaker today – give your attendees the insider advantage they need to thrive. Choose from the following topics:

1	Unlock Resources Available for Your Business: Discover how to cut through red tape and access services that save time and money
2	Start Smart: Funding, Certifications & Mentorship: Secure startup advice and learn about programs from mentoring to certification that can open new contract opportunities
3	Expand With Less Headaches: Navigate site selection, permits, compliance, workforce development, and ways to reduce energy costs, with expert project management support
4	Turn Local Success into Global Revenue: Learn practical strategies to break into international markets and boost profits
5	Shape Your Community's Economic Future: Leverage planning initiatives that can drive growth while securing funding for your projects
6	Protect Your Business from Cyber Threats: Strengthen essential defenses every business needs in today's digital landscape
7	Cannabis Entrepreneurship - Free Training and Your Competitive Edge: Gain no-cost training to learn the laws, rules and regulations and strengthen workforce opportunities
8	Revitalize Your Commercial District: Implement proven strategies to enhance mixed-use areas and drive local business prosperity
