Planning & Implementation Agreement

- Dover, OPA, and our State Agency partners achieved a consensus in regards to the requirements in the Planning & Implementation Agreement (PIA).
- Dover's Governing Body formally approved the PIA and proposed State Plan Policy Map amendments at their January 28th Planning Board meeting.
- The PIA includes items that OPA and our State Agency partners believe will achieve additional consistency with the State Plan, as well as the updated Plan Endorsement Guidelines, which address State priorities for environmental justice and climate resiliency, including amendments to the New Jersey Municipal Land Use Law (MLUL).

Recommendation

Based on Town of Dover's continuing efforts in working with the State and Morris County in achieving consistency with both the State Development and Redevelopment Plan and with the Morris County Plan, it is recommended that Town of Dover's petition for Plan Endorsement, inclusive of Center Designation and other proposed mapping changes, be referred to the State Planning Commission (SPC) for its review and approval.
