Re: **Bedminster Township – Justification for Plan Endorsement**

Date: **July 14, 2023**

Our office received all of the information needed to review Bedminster Township's petition for Plan Endorsement. It was reviewed by staff and our state agency partners for completeness and consistency with the State Plan. Attached is a draft recommendation report and Plan Implementation (PIA) for your review.

Their planner, Frank Banisch reviewed the PIA and Mapping and sent an email to the Township that he recommends that they accept the PIA with minor modifications and the mapping. They will need to formally accept the PIA and Mapping by resolution before the petition for Plan Endorsement is finalized.

It is my recommendation that their petition should proceed to the PIC with a recommendation that the Commission grant them conditional endorsement until they adopt a resolution accepting the PIA.
