Re: Extension of the Opportunities and Constraints Review Phase for Plan Endorsement

Dear Mayor Harper:

The New Jersey Office of Smart Growth (OSG) is extending the timeline for the Opportunities and Constraints review period an additional 4 days, from July 5, 2010 until July 9, 2010. Although staff originally could have utilized the 60-day extension provided in the State Planning Rules (N.J.A.C. 5:85-7.10), staff felt it only needed an additional 45 days to complete the report, therefore the projected competition date of July 5, 2010. The additional 4 days is necessary to insure Wrightstown receives a comprehensive report that can be integrated into the Visioning sessions the Borough has scheduled for the week of July 12, 2010. As such, OSG will provide the Borough of Wrightstown with a draft Opportunities and Constraints Report by Friday July 9, 2010.

Thank you for your continued interest in pursuing Plan Endorsement. Should you have any additional questions or concerns, please feel free to contact Karl Hartkopf, OSG Planner for Wrightstown Borough, at (609) 984-9797 or via email at KHartkopf@DCA.state.nj.us.

Sincerely,

Donna Rendeiro
