Municipal Landfill Closure and Remediation Reimbursement Program

If You Are:

An eligible developer in the State of New Jersey seeking financial assistance in the closure, remediation and redevelopment of municipal landfill sites in New Jersey.

You May Be Eligible For:

Reimbursement of 75% of the closure or clean up costs associated with the remediation and redevelopment of a municipal solid waste landfill.

Program Details:

The Municipal Landfill Closure and Remediation Reimbursement Program was developed to encourage the closure, remediation and redevelopment of municipal landfill sites in New Jersey. Reimbursement moneys are derived from one-half of the sale tax revenues generated from any business located on the site. Prior to filing an application with the New Jersey Economic Development Authority (EDA), the applicant must:

- Attend a pre-application meeting with representatives from the EDA, Department of Environmental Protection (DEP), Department of Treasury, and the Division of Taxation.
- Enter into an agreement with the DEP relating to the sound and proper closure or remediation of the landfill.
- Execute a redevelopment agreement with EDA outlining the work necessary to ensure the proper closure and remediation of the landfill.

Fees:*

Division of Taxation Tax Clearance Certificate Application Processing fee: \$75 for standard processing; \$200 for expedited processing (response within 3 business days).

For more information on the Municipal Landfill Closure and Remediation Reimbursement Program, visit www.njeda.com.

*All fees are non-refundable.
