Did You Know the deadline to register to vote in the NJ Primary is May 14?!

Do you want a say in your country's Government?

Democracy is not a spectator sport. It requires continual work to protect it and keep it strong. As a citizen, your active civic participation as a voter is essential in that process. In NJ as a 17 year old you can register to vote now and your voter registration will become active on your 18th birthday. If you are 18 register now or by May 14th, so you can participate in the Primary Election on June 4th.
