

Robert Giles,

The Monmouth County Board of Elections performed a post-election audit, Monday, November 22, 2021, in compliance with the provisions outlined in N.J.S.A. 19:61-9 and guidelines issued by the New Jersey Secretary of State's office. The audit was open to the public.

The batches for the audit were randomly selected by the public on November 22, 2021. Attached is the listing of the batches divided by Legislative District and sorted alphabetically by town.

The machine, mail-in and provisional ballots were subject to a hand-to eye count for the offices of Governor, New Jersey Senate, New Jersey General Assembly, Monmouth County Surrogate and local Council/Committee races.

The tabulation accuracy was 100%. There was one batch that had an extra ballot. Upon further investigation, it was discovered that a repunched ballot for a damaged ballot was misfiled in the wrong batch with the correct town.

If you should have any concerns or questions, please contact me.

Regards,

Tracee Johnson, Chief Clerk  
Monmouth County Board of Elections
