**Subject:** 2% Audit of 2021 General Election

On November 22, 2021 the Election Board completed a State mandated audit of ballots cast in the November 2, 2021 General Election. This Audit was properly advertised and took place in a room open to the public. The audit was performed with five (5) counting teams of four (4) members each. Each team consisted of two (2) Republicans and two (2) Democrats. As a blind audit, reports verifying the totals for each batch were not reviewed until counting was complete.

The Ocean County Board of Election's found no significant discrepancies between the audit and the election results. The findings of the audit as well as the audited batch selections are attached herein. There were 61,122 ballots in 526 batches. From this total, the 2% audit mandated at least 1,223 ballots be audited. Our November 2, 2021 General Election audit included 21 batches and a total of 1,485 ballots; which is slightly more than required.

If you need additional information, please let us know.

Thanks.
