N.J.S.A. 19:61-9: AUDITS OF ELECTION RESULTS

November 7, 2023 General Election

Audit Date: November 21, 2023

The Gloucester County Board of Elections (GC BOE) performed a post-election audit consistent with the provisions of N.J.S.A. 19:61-9 and the guidelines promulgated by the New Jersey Secretary of State's Office.

The GC BOE conducted a hand-to-eye count of the voter-verifiable paper records for the November 7, 2023 General Election for the offices of the State Senate, General Assembly, Surrogate, County Commissioner, and either Mayor or Municipal Council/Committee. Fire District elections, Board of Education elections and public questions were excluded from the audit.

Audit units included: voter verified paper audit trails from each voting machine, vote by mail ballots by municipality; and provisional ballots by municipality.

There are three Legislative districts in Gloucester County: the 3rd, 4th, and 5th. Pursuant to the statute, based on the number of election districts in each Legislative District a random selection of 2% or at least (2) units/batches of all paper units/batches for each Legislative District were audited. The following audit units were randomly selected for audit on Monday, November 20, 2023.

<u>Batch #</u>	<u>Municipality/Ward</u>	<u>Leg Dist</u>	<u># Ballots</u>	<u>Audit-to-Machine Accuracy</u>
