The Union County Board of Elections (UCBOE) performed a post-election audit consistent with the provisions of N.J.S.A. 19:61-9 and the guidelines promulgated by the New Jersey Secretary of State's Office on Monday, November 17, 2025. The audit was available to the public via zoom and in-person observation.

The UCBOE conducted a hand-to-eye count of the voter-verifiable paper records for the November 4, 2025 General Election for the offices of the New Jersey Governor, New Jersey General Assembly, Union County Clerk and the top local contest, either Municipal Mayor or Council / Township Committee. Public Questions and Boards of Education elections were excluded from the audit.

Pursuant to the statute, "the audit shall be conducted in at least 2% of the election districts in which each audited election appears on the ballot. The guidelines provided for this audit require 2% of the audit units in each of the legislative districts to be randomly selected.

Audit units included: voter verified paper audit trails from each voting machine, vote by mail ballots by municipality / ward; and provisional ballots by municipality / ward. In total, 913 audit units were created.

There are four legislative districts in Union County: the 20th, 21st, 22nd and 28th. There are 258 audit units for the 20th Legislative District and therefore 5 batches were audited. There are 259 audit units for the 21st Legislative District and therefore 5 batches were audited. There are 365 batches in the 22nd Legislative District and therefore 7 batches were audited. There are 31 batches in the 28th Legislative District and therefore 2 batches were audited.

As provided for in the statute, the following audit units were randomly selected for audit on Sunday, November 16, 2025 at 10:00am via a publicly advertised and accessible zoom meeting:
