N.J.S.A. 19:61-9: AUDITS OF ELECTION RESULTS
November 3, 2026 General Election and Audit Date: November 16, 2026

The Burlington County Board of Elections performed a post-election audit consistent with the provisions of N.J.S.A. 19:61-9 and the guidelines promulgated by the New Jersey Secretary of State's Office. The audit was open to the public and our Board was present.

The Burlington County Board of Elections conducted a hand-to-eye count for the November 3, 2026 General Election for the offices of United States Senate, United States House of Representatives, County Surrogate, and Municipal Mayor or Council/Committee in all batches selected. In accordance with the law, Public Questions, School Elections, and Fire District Elections were not audited.

Pursuant to the statute, "the audit shall be conducted in at least 2% of the election districts in which each audited election appears on the ballot." The guidelines provided for this audit require 2% of the audit units in each of the congressional districts to be randomly selected. Audit units for random selection were comprised of early voting ballots, election day ballots, vote-by-mail ballots, and provisional ballots. In total, 981 audit units were created.

There are two Congressional Districts in Burlington County: 1st and 3rd. There were 71 audit units for the 1st Congressional District, and 2 batches were audited. There were 910 audit units for the 3rd Congressional District, and 18 batches were audited. In each district, the hand to eye audit was 100% consistent with the machine tally.
