AUDIT OF ELECTION RESULTS
2026 GENERAL ELECTION
AUDIT DATE: November 16, 2026

In accordance with N.J.S.A. 19:61-9c(5), the Essex County Board of Elections divided all vote by mail, provisional, early voting ballots and ICP official ballots into "batches/audit units" and then sorted by congressional districts.

Two percent (2%), of the number of batches in each of the Essex County congressional districts 8, 10 and 11 were randomly selected to audit. Our audit consisted of 13 batches for the 8th congressional district, 96 batches for the 10th congressional district and 96 batches for the 11th congressional district.

In each batch, a hand-to-eye audit was completed, and the audit was 100% consistent with the machine tally. The audit units contained no discrepancies. Attached is a complete breakdown of the batches selected for the audit.

Respectfully submitted,

N. Amos
