N.J.S.A. 19:61-9: AUDITS OF ELECTION RESULTS

November 3, 2026 General Election

Audit Date: November 17, 2026

The Gloucester County Board of Elections (GC BOE) performed a post-election audit consistent with the provisions of N.J.S.A. 19:61-9 and the guidelines promulgated by the New Jersey Secretary of State's Office.

The GC BOE conducted a hand-to-eye count of the voter-verifiable paper records for the November 3, 2026 General Election for the offices of United States Senate, House of Representatives, County Commissioner, and either Mayor or Municipal Council/Committee. Fire District elections, Board of Education elections and pubic questions were excluded from the audit.

Audit units included: voter verified paper trail from each early voting and election day voting machine; vote by mail ballots and provisional ballots by municipality.

There are two Congressional districts in Gloucester County: the 1st, and 2nd. Pursuant to the statute, based on the number of election districts in each Congressional District a random selection of 2% or at least (2) units/batches of all paper units/batches for each Congressional District were audited. The following audit units were randomly selected for audit on Monday, November 16, 2026.

Batch #	Municipality/Ward	Cong Dist	# Ballots	Audit-to-Machine Accuracy
B0017	Monroe	1	200	100%
XL229	Washington	1	271	100%
XL90	Glassboro	1	144	100%
XL145	Mantua	1	313	100%
XL167	Monroe	1	199	100%
XL143	Mantua	1	238	100%
XL306	Woodbury Heights	1	389	100%
D0006	Swedesboro	2	66	100%
A0024	South Harrison	2	160	100%

In each batch, the hand to eye audit is listed in the table above reflecting audit to machine accuracy. Paper ballots which contained an overvote for a particular contest were recorded as an overvote and did not count as a vote.
