ABOUT THE NEW JERSEY STATE COUNCIL ON THE ARTS
The New Jersey State Council on the Arts (Council) is a division of the New Jersey Department of State, created in 1966 by Public Law Chapter 214 and consists of 17 Governor-appointed members, and three ex-officio members representing the New Jersey Secretary of State, the Senate, and the Assembly. The Council’s volunteer members are supported by a professional staff who carry out the Council’s programs and services from the State Capital in Trenton.

WHAT WE BELIEVE
We believe the arts are central to every element we value most in a modern society including: human understanding; cultural and civic pride; strong communities; excellent schools; lifelong learning; creative expression; and economic opportunity.

OUR MISSION: GIVEN TO US BY THE PEOPLE OF NEW JERSEY
In 1966, the Legislature passed, and the governor signed, a bill creating the Council, and directing us to do all that is necessary and appropriate to: support, encourage, and foster public interest in the arts; enlarge public and private resources devoted to the arts; promote freedom of expression in the arts; and facilitate the inclusion of art in every public building in New Jersey.

HOW WE ARE FUNDED
Public support for the arts in New Jersey comes from a dedicated, renewable revenue source - the Hotel/Motel Occupancy Fee - established in 2003. Additionally, the Council receives an annual, competitive grant from the National Endowment for the Arts.

As the largest funder of the arts in New Jersey, the Council is committed to providing annual and multi-year grants to New Jersey’s nonprofit arts organizations, arts projects, and artists. Strategic, responsive, and responsible grantmaking is the Council’s highest priority, ensuring programs and services are equitable, accessible, and have the greatest possible statewide impact.

ACCESSIBILITY
The Council is committed to making all of its programs accessible to all people. For accessibility services related to filing this application, please contact Accessibility Coordinator, Mary Eileen Fouratt at 609-984-6815 (NJRelay711) or maryeileen.fouratt@sos.nj.gov.
WHAT IS THE ARTS EDUCATION SPECIAL INITIATIVE PROGRAM

The Arts Education Special Initiative Program (AESI) is a two-year grant program that provides support for innovative arts education projects that make substantial contributions to arts education in NJ schools (public, private, and parochial) and youth agencies such as Juvenile Justice Commission facilities serving children and youth in grades Pre-K-12. This grant is to be matched 1:1 ($1 earned or raised and spent per $1 received from the Council).

Priority will be given to arts learning projects that target disenfranchised student populations that have been disproportionately impacted by pandemic related education disruptions with tailored programs that address equity and access to quality arts learning in remote, hybrid or in-person learning environments, or the social and emotional health of children and youth.

AESI grants are intended to be incubator support to help organizations develop new arts education programs. Well-developed, substantial expansion plans for existing programs that show a shift in methodologies, strategies, formats, art forms, program design, or other major changes will also be considered for AESI funding.

This category does not support on-going or multiple programs, previously funded programs, or the general operations of an organization. AESI funded projects must be wholly dedicated to arts learning and the applicant should clearly demonstrate its commitment to the project. Applicants should consult the Special Guidance for Arts Education Special Initiative document or contact Porché Hardy for additional guidance and support.

Grants available through this application are for the period July 1, 2021 – June 30, 2022.

Disabilities Act of 1990; the Drug-Free Workplace Act of 1988; and Section 1913 of 18 U.S.C. and Section 319 of P.L. 101-121. AESI APPLICATION COMPONENTS

Organizational Profile Form: This form provides the essential information about the organization.

Application Form: This form provides the essential information about the request for funding.
Purpose of Funding: This statement is limited to approximately 50 words or 300 characters. It is used in press releases and for other public inquiries. It should contain the basic “who, what, where, and when” information.

Sample Statement: “This grant will help support the ABC Theatre Company with the Justice Involved Youth Theatre Program. This new program will provide access to theatre education to 500 students over 2 years, and professional development in theatre education for at-risk-youth educators in every detention center in the state.”

Narrative: This statement is limited to 8 pages or approximately 32,800 characters. The length of the grant narrative has no bearing on the outcome of the grant decision. It should clearly and concisely communicate your organization’s story to the panel and provide context for the other materials in the application. The narrative should directly address the Evaluation Criteria through the “Narrative Topics.”

Board Chart: This chart identifies who serves on the organization’s current board. If you are a returning grantee, please check for accuracy if the chart is already completed in SAGE.

Staff Chart: This chart identifies the organization’s current staff. Specify the staff assigned to the project for which the organization is seeking support.

Finance Charts: Provide two Project Income (1a&1b) and two Project Expense Charts (2a&2b). Do NOT fill out the FY21 columns unless the project has a prior history. Complete finance chart C, reflecting the organization’s overall arts education budget – all school-based arts education programs, including the proposed AESI program, should be reflected. This chart helps panelists understand an organization’s overall commitment to art education, and how the proposed AESI project expands upon the organization’s current program(s).

Use the notes feature to describe or explain your finance charts. The panel expects accompanying budget notes to provide clear information about the project’s complete fiscal picture.

In-Kind Contributions Chart (Optional): This chart documents any in-kind goods or services received/to be received for the project. Remember, in-kind goods and services may not be counted toward the match. Detailing in-kind contribution is helpful for panelists to understand those costs not detailed in the Project Expense Charts. Contributions must be documented based on fair market value.

Project Accessibility (ADA) Checklist: This checklist applies only to the proposed arts project. Applicants must use the self-assessment survey and planning tool available from the New Jersey Theatre Alliance to review the accessibility of facilities to be used for project and programmatic access. Failure to comply may result in the rescission of the grant.

Required and Optional Support Materials: Support material requirements vary according to discipline. Detailed information is found in the Support Material section.

Evaluation Criteria
Review and reference the Evaluation Criteria in preparation for the narrative. Successful narratives are clear and convincing and are supported by budgets and links to support materials. Panelists look for evidence of solid program planning and implementation in accordance with the following criteria:
1. **High artistic and educational quality** throughout the project in pursuit of project goals that provide/create benefit and value to schools and students.

2. Significant educational benefit and **broad accessibility** based on a sound understanding of who is/will be served by the project that is clear, measured, and documented.

3. Adequate and **appropriate project planning, implementation and evaluation**, developed and undertaken collaboratively with the educational and artistic community to be served.

4. An appropriate **program budget** that includes sufficient resources and appropriate compensation to the artists.

5. Commitment to **arts education** and to providing opportunities for meaningful **arts learning**.

6. Commitment to raising **public awareness**, appreciation, support and advocacy for the arts, artists and arts education.

7. Commitment to **diversity and access and employs equitable and inclusive practices** as demonstrated by values, policies and procedures and providing opportunities for individuals from disenfranchised communities to hold leadership and decision-making positions.

**Please note:** Priority will be given to applicants not previously funded through the AESI grant program.

**Narrative Topics**

The Narrative Topics are the framework for writing the narrative. Compose a narrative that will provide a panelist, who does not know your organization, the ability to understand it in relation to the Council's criteria. If you have unusual or unique circumstances that are not specifically queried, present them in the appropriate section. Use the required and optional support materials to reinforce specific narrative topics.

It is a good idea to craft the narrative in a Word document and copy and paste it into the SAGE narrative screen. Topic headings help panelists follow the narrative, which should also specifically reference any uploaded or linked support materials. Please also refrain from the excessive use of acronyms.

- Briefly state the mission of the organization
- Describe how the proposed project serves that mission.

- Describe what specific needs the program will fulfill, how it will fulfill the needs specified, and how it will evolve over the two years of funding.
- Distinguish between in-school, curriculum-based arts education programs; supplemental non-school based arts learning activities that are sequential and hands-on such as after-school programs and off-site classes; and enrichment learning activities such as gallery talks, docent tours, and pre- and post-performance talks.
- Who will be involved in the student assessment planned? How often and in what format will assessment take place?

Describe what structures (human capital, partnerships, etc.) the organization has in place to ensure the sustainability of the AESI project.

**Diversity, Equity, Access, and Inclusion (DEAI)**

The Council is dedicated to making the arts accessible and engaging for people of all ages, abilities and backgrounds. DEAI policies and practices in the nonprofit arts sector vary from organization to organization based on influences from audiences, members, staff or specialty. It is important to articulate how your organization works to identify and address issues related to DEAI in your work.
- What barriers to participation (economic, geographic, cultural, race, linguistic, perceptual, etc.) have been identified, and what strategies are in place to overcome them?
- Does the organization have a policy that addresses issues of DEAI? If yes, upload the policy as one of the organization’s optional support materials. If yes, how did the organization develop the policy? How does the organization assess its implementation?

- Detail the ways the project will connect to parents, public officials, school board members, corporate and community leaders about the public value of its work and of the arts in general.
- Describe any partnerships or collaborations with non-arts organizations that contribute to advancing greater public understanding of the value for the arts.

What is the role of the board in advocacy efforts for the organization as well as in promoting the value of the arts in general?

- If you receive support from the Council, describe how you make the public aware of that fact.

**Support Materials**

Required and optional support materials play a significant part in the evaluation process by reinforcing what is presented in the narrative. The support materials are important tools that provide the panel with a complete picture and basis for evaluation.

Applicants are required to submit specific support materials and have the option of submitting up to five additional pieces of support material that are from the past 18 months. Provide a link to your organization’s website.

Artistic quality demonstrated through support materials is important. The links and/or uploaded files submitted should present samples of the organization’s and associated artists’ best work; panelists will assume what you show are the best possible samples.

**Support Material Formats:** The maximum file size you can upload is 13 MB. There is no size restriction for linked work samples. Do not submit links to password protected sites or pages.
All support materials are uploaded or linked in SAGE. Mailed-in materials will not be accepted. Should you have questions regarding this format, please contact Porché Hardy at porche.hardy@sos.nj.gov.
