New Jersey Smart Growth Planning and Program Resources

Technical and Financial Assistance

This document contains a variety of grant, loan and technical assistance programs that are relevant to planning and infrastructure support in New Jersey. The format is designed to assist communities with preparing a Planning and Implementation Agenda (PIA) (See Appendix 1) as part of a petition for Plan Endorsement by the New Jersey State Planning Commission. However, anyone involved in the field of planning should find this document useful. Seven categories have been created to group related programs as shown below. An eighth category - Other Funding Sources - has also been included to provide links to the Internet.

<i>Categories</i>	<i>Page</i>
Brownfields	1
Agriculture	4
Economic Development	5
Housing	19
Land Use & Environmental Protection	33
Parks, Recreation & Historic Resources	45
Transportation	50
Other Funding Sources	57

Information is provided to enable you to contact the programs directly to seek application forms and to inquire further about funding availability, deadlines and overall eligibility requirements. Each program is also characterized as either a “planning” (assistance with the plan preparation process) or an “implementation” (funding for the bricks and mortar) program. Additionally, this information will be used to identify those programs that have the potential to be included within a “Priority for Plan Endorsement” package for those communities pursuing Plan Endorsement. Please note that legislative, regulatory, or policy modifications may be required in order for these programs to receive Plan Endorsement Priority.

This report is also available on our web site at www.state.nj.us/dca/osg/. If you have any questions on the Planning Resources database, please feel free to contact Paul M. Drake, PP/AICP, State Planning Unit Manger at 609-292-3730.

Please Note: Programs in this publication are subject to particular programmatic requirements, appropriation by State and Federal statutes and general availability of funds. Some programs provide funds based on formula criteria while others are competitive in nature. Some have funds available periodically, depending on appropriations and release of Federal funding. Please contact the appropriate office to obtain details regarding current availability of funds.
