INSTRUCTIONS

Listed on the previous page is a list of all the units within the NJDOT that may have an employment opportunity for the position of Engineer Trainee Transportation this upcoming recruitment season. Please review all the unit descriptions and follow the instructions below.

Step 1: Mark an “X” on all the units that you are not interested in by using the box **“Not interested in this position”**

Step 2: Mark an “X” on all the units that you are interested in by using the box **“Interested in this position”**

If the unit offers positions in multiple locations, please mark a “1” on the first choice, “2” on the second choice, or leave blank if not able able to work in that location.

Step 3: Go back to the positions you are interested in and add a Preference Rank for each one (1, 2, 3, 4, 5, etc.) in the box labeled **“Preference Rank”** — “1” reflects the position you are the most interested in and “10” reflects the position you are the least interested in. Please do not list that you are interested in all the positions the same.
