# NJDOT Celebrates Annual Season of Service

**Diane Gutierrez-Scaccetti**

At the New Jersey Department of Transportation (NJDOT), we believe that our mission to improve the lives of those in the State of New Jersey extends further than building and maintaining our roads and bridges. As an agency, I feel we have a calling to **do our part** to help those less fortunate than us. This task is bigger than the DOT. It's something that anyone with an opportunity to help those in need can embrace.

The holidays are a time to join together in unity; promoting **peace and goodwill**. I am proud of our employees who joined arms this holiday season with local charities to help communities in need.

This month, we completed our 6th Annual Season of Service Food Drive. All three of our regional headquarters (North, Central and South) collected non-perishable food items throughout the months of November and December — **totaling 3,907 items.**

At NJDOT Headquarters, 1,757 donated food items were delivered to Arm in Arm Food Bank in Trenton. Arm in Arm is a community focused organization with a mission to achieve food, housing and employment stability for their neighbors in need.
