The Honorable Raymond H. LaHood
Secretary of Transportation
United States Department of Transportation
1200 New Jersey Avenue, SE
Washington, DC 20590

Dear Secretary LaHood:

Enclosed we are transmitting the section 1201 certification pursuant to Title XII of the American Recovery and Reinvestment Act. This certification is submitted with the State of New Jersey's understanding of level of effort. The level of effort encompasses state funded programs with planned obligations between February 17, 2009 and September 30, 2010, that meet the parameters of each of the programs covered by ARRA.

Should the computation of the level of effort as understood and certified to by the State of New Jersey be contrary to the requirements of Section 1201, the State of New Jersey should be promptly advised by the federal authorities, and a revised certification will be submitted by the State of New Jersey.

Sincerely,

A handwritten signature in black ink, consisting of a large, stylized 'S' followed by a horizontal line extending to the right.
