

**FY 2011 TRANSPORTATION CAPITAL PROGRAM  
New Jersey Department of Transportation Projects**

<i>PROGRAM/PROJECT NAME</i>	<i>Item # 223</i>	<i>Project ID Number</i>
<b>Route 80 and Ramp D over I-287 NB and Ramps D&amp;H</b>		<b>10303</b>

The bridge deck is in poor condition with concrete patches throughout the deck. The deck underside has Stay in Place forms which are generally in good condition except for some spots of rust. The substandard bridge parapets need to be replaced with Test Level 5 (TL-5) standard parapets. Approach slabs need to be reconstructed. A deck condition survey could be performed to determine the extent of deterioration in the deck which could help decide if replacement of the deck is warranted. Bridge deck replacement with new parapets and approach slabs is recommended. ITS utilities must be temporarily supported during construction.

**FY 2011 TRANSPORTATION CAPITAL PROGRAM  
New Jersey Department of Transportation Projects**

<i>PROGRAM/PROJECT NAME</i>	<i>Item # 224</i>	<i>Project ID Number</i>
<b>Route 80, EB Truck Weigh &amp; Inspection Station</b>		<b>285A</b>

This project will provide for the upgrade of the existing truck weigh station in Knowlton Township. Proposed improvements will provide upgraded weighing equipment (weigh-in-motion scale and automated internal directional signals, 70 foot long three-platform static scale, truck weight monitoring system and a closed-circuit television system) and support facilities that will enable New Jersey State Police to more effectively perform their duties in enforcing truck weight and safety regulations. Other improvements will include advanced warning signing as well as extending the acceleration/deceleration lanes on I-80.
