PROGRAM/PROJECT NAME	Item # 218	Project ID Number
Route 40, Atlantic County, Drainage		08371

NJDOT Operations reports multiple closures due to flooding in this area. Hydrology and hydraulics studies are needed to identify the stormwater drainage needs to reduce future flooding. The current stormwater pipes are inadequate to drain the stormwater causing flooding in the roadway. The past flood closure occurrences and daily vehicular traffic at this location results in a high probability that motorists will be significantly impacted during the next major storm event. The project ranks #14 of 200 in the Drainage Management System.

COUNTY: Atlantic
MUNICIPALITY: Pleasantville City   Egg Harbor City

FY 2012 TRANSPORTATION CAPITAL PROGRAM
New Jersey Department of Transportation Projects

PROGRAM/PROJECT NAME	Item # 228, 228A, 228B	Project ID Number
Route 50, Tuckahoe River Bridge (2E 3B)		242

The existing bascule bridge carries two 10-foot travel lanes and a 10-foot shoulder. The replacement will be a fixed structure with a nine-foot, six-inch vertical clearance from Mean High Water Level on the same alignment. The new structure will have two 12-foot travel lanes and 6-foot shoulders, as well as a six-foot sidewalk on the northbound side of the bridge. A temporary structure will be constructed next to the existing structure to maintain traffic during construction. Additional roadway improvements will include signalizing the Rt. 50 and Rt. 49 intersection as well as providing a 15-foot through lane and 12-foot left-turn lane northbound and a 12-foot through lane and 15-foot right-turn lane southbound. The intersection of Rt. 50 and Tuckahoe-Mount Pleasant Road will be reconfigured to allow for one-way operation of Tuckahoe-Mount Pleasant Road only. Traffic wishing to access Rt. 50 will be able to gain safer access to the highway through the reconstructed Marshall Avenue and Kendall Lane intersections. This project will be designed to be bicycle/pedestrian compatible.

The following federal appropriations were allocated to this project. FY06 SAFETEA-LU/HPP $3,200,000 (ID# NJ 185),(available 20% per year).

COUNTY: Cape May Atlantic

MUNICIPALITY: Upper Twp. Corbin City
