FY 2014 TRANSPORTATION CAPITAL PROGRAM
New Jersey Department of Transportation Projects

<i>Program/Project Name</i>	<i>Item # 105</i>	<i>Project ID Number: 403B</i>
Route 31/202, Flemington Circle		

The Flemington Circle Elimination project was originally scoped as a grade-separated project costing approximately \$35.0 million. The project has been rescoped as part of a "Smart Growth" study and a two-lane roundabout or similar at-grade solution is now proposed at this location. An at-grade solution is more compatible with the community's views on their future. Initial traffic studies show that at-grade solution will work at this location and be much safer than the existing conditions, as well as significantly less expensive to construct.

The following special federal appropriations were allocated to this project: 1) FY06 SAFETEA-LU, \$2,000,000 (ID# NJ 177); 2) TEA21/Q92, \$11,839,848 (ID# NJ 040), See also DB #403A.
